DEVELOPMENT FUND PROGRAM LAUNCHED IN PRESBYTERY

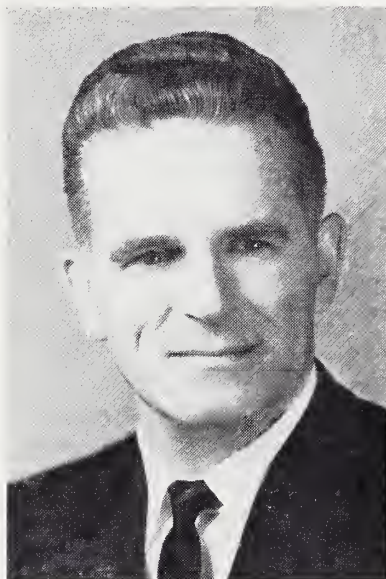

A Presbytery-wide gathering is sched-
uled for Tuesday, January 29, 1963, at
the First Presbyterian Church, to launch
efforts to raise the Presbytery's Quota
of the \$12,000,000 being sought through-
out the Assembly for capital funds.

The original goal considered was, \$22,-
389,000, representing minimum total
needs of the agencies to do a complete
work as assigned by the General Assem-
bly. This was reduced to \$12,000,000
as the absolute minimum to be sought,
with the hope that the larger sum will
be reached.

Rev. A. Allen Gardiner, Jr., and T.
H. Lamb are co-chairmen for Asheville
Presbytery, and under their guidance,
with other area and group chairmen,

HENRY SCHUM TO BE PASTOR OF SWANNANOA CHURCH

Rev. Henry S. Schum, for the past
six and a half years pastor of the Prince-
ton Presbyterian Church, Johnson City,
Tenn., plans to begin his ministry as
pastor of the Swannanoa church on Feb-
ruary 1, 1963.

Mr. Schum transferred his member-
ship to the Weaverville church of Ashe-
ville Presbytery, after several years in
the ministry, and attended Columbia
Theological Seminary as a candidate for
the Gospel Ministry under the care of
this Presbytery. Upon graduation at
Columbia he accepted the work in Ken-
tucky, afterwards moving to the John-
son City field.

He plans to move to the Swannanoa
manse with his family on January 21st
and ask Asheville Presbytery to receive
him at the meeting scheduled for the
22nd at the Westminster Church. Pres-
bytery will name a commission to install
him at a later date.

Mr. and Mrs. Schum have three daugh-
ters, two of whom, Jane and Ruby, will
attend the Owen High School and the
third, Mary, will be in the Swannanoa
elementary school.

During his ministry in Johnson City
the Princeton church has shown signifi-
cant growth, a new sanctuary has been
built as well a building at the Cash
Hollow mission, sponsored by the Prince-
ton Church. The Swannanoa congrega-
tion has plans for a new building and
Mr. Schum will arrive in time to aid
in the construction here.

During his ministry at Johnson City,
he has had a very popular television pro-

WESTMINSTER ENTERTAINING PRESBYTERY, JANUARY 22

The Westminster Presbyterian Church
is now in their new educational building
and will be host to Asheville Presbytery
on January 22, 1963.

Under the leadership of Rev. B. Blake
Breitenhirt, the congregation was or-
ganized in the fall of 1958 and has been
worshipping in the Haw Creek School
since that time, with certain classes and
some fellowship gatherings in the resi-
dence purchased on Overbrook Road,
just opposite the Highway Patrol Sta-
tion on US 70 east of Asheville.

The building, valued at over \$100,-
000, has been under construction for al-
most a year, and was entered early in
December when the first worship service
was held there. Services are being held
in the fellowship hall until some date
in the future when they will have a
permanent sanctuary.

With a membership of nearly two hun-
dred, they have received over \$16,000 in
funds for building purposes, while giv-
ing nearly \$2,000 to benevolences and
carrying a current expense budget of
over \$7,000. Through the generosity of
the membership the church was able
to erect their new building with a debt
of only \$85,000, to be retired by the use
of a part of their regular income, spe-
cial gifts, and at the same time increas-
ing their gifts to benevolences over fifty
percent in 1963.

The church is located on a four acre
tract, just off US 70, and serves the areas
of Oteen, Haw Creek and Beverly Hills.

WORLD MISSIONS

It is not too early to be making our plans for the observance of our World Missions Season. The amount given by our Presbytery for World Missions through the Central Treasurer last year was \$2,000 less than that given the previous year. Let us all pray and give as the need is even greater this year. Certain contributions made direct to the Board of World Missions will offset this reduction of funds sent through the Central Treasurer.

February is World Missions Month. Our emphasis this year is "The Rim Of East Asia" — Korea, Taiwan, Okinawa, and Hong Kong — an interesting, important, vital part of the world. Communist China on its very doorsteps is a constant threat to Christianity. Every sincere Christian should feel the urgency to pray for the work of our missionaries and to give generously for the support of our mission stations in this area.

All local mission chairmen are reminded to make plans, under materials and pray for Church-wide observance of our World Mission Season.

CHRISTIAN ACTION

Thinking back on Christmas we remember the many activities we were engaged in which brought joy to others and to ourselves also as we ministered in the Name of Christ. There were visits made and acts of love and kindness done to those who are in some instances neglected throughout the year. If we as Christians would pray to follow the leading of the Holy Spirit we would be led to continue this ministry to some extent at all times. Christ looked out upon the multitudes and was moved with compassion. He saw and responded to the needs of those about Him. His presence in and with us at all times should cause us to do the same. Often we see and neglect or forget to carry through. Christ has said, "Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven."—Matthew 5:16

SIX AT PRESBYTERIAN HOME GET DRIVING PERMITS

They grow up. And as they do they assume larger responsibilities. They fill gaps where they are needed.

This is particularly true as the family at THE PRESBYTERIAN HOME will have six more chauffeurs to help in transportation.

Eddie Beck, Dale Hurst, Mike Banks Bill Foster, Edward Myers and Steve Blankenship have completed the Drivers' Training Course at Owen High School and the state has issued them their driving permits.

MISS COOK, HIGHLANDS, STUDENTS' DEAN AT PSCE

Miss Mary B. Cook, formerly of Highlands, N. C., has been named Dean of Students and Assistant Professor of Christian Education at the Presbyterian School of Christian Education, Richmond, Va., effective in July, 1963.

In November, 1961, Miss Cook was asked to serve as Assistant Dean and Assistant Professor, beginning in February of last year. She was named Dean of Students at the Board meeting at the November meeting of the past year.

OUR MOUNTAIN WORK carried a brief notice of the appointment a year ago, but failed to note that Miss Cook came from one of the Churches of this Presbytery.

Miss Cook received her bachelor's degree in sociology at the University of N. C., and also attended Wesleyan College, Macon, Ga.

NEW STATION WAGON NEEDED AT PRESBYTERIAN HOME

Things have a way of wearing out—especially when the item is used as hard and as long as a station-wagon for transportation to school, church and many other places at THE PRESBYTERIAN HOME.

Approaching the record of 70,000 miles of faithful service, the old car spoke back during the holidays with a fire starting in the brakes. No extensive damage was done, but it forced one of two steps — either a replacement with a new wagon, or extensive and costly repairs, with still an old car on the job.

The Board of Trustees, meeting January 15th, recognized the emergency and voted that the finance committee make full investigation with power to act at once. Necessity may have forced the purchase before this is read, and the cost is going to run into two or more thousand dollars.

The Board wants friends to know that the restricted operating budget income cannot meet this extra expense. The net operating balance is some \$1,000 LESS this year than it was last, and current obligations must be met. The Board hopes that there are many friends who are willing to go the "second mile" in this emergency to provide funds to meet this extra cost.

A report of the actual cost of the purchase will be printed next month, with an acknowledgement of any contributions to help meet some.

The emergency was so acute that the Finance Committee authorized the purchase of a new station wagon just before this was printed.

The net cost, with allowance for trade was \$2,060.37.

The Beginning of The Presbyterian Home for Children - Jan. 19, 1904

THE PRESBYTERIAN HOME FOR CHILDREN OF BLACK MOUNTAIN, N. C., began as **The Mountain Orphanage.** When it became necessary to enlarge the home, it was first moved to Balfour, N. C., and then in 1922 to its present location, three miles west of Black Mountain.

In connection with the raising of money to erect necessary buildings on the present site, an article, under the title **THE BEGINNING OF THE MOUNTAIN ORPHANAGE** appeared in the August and September issues of **OUR MOUNTAIN WORK.** The writer of the article was the founder of the home, the late Dr. R. P. Smith.

It is reproduced in this issue on the fifty-ninth anniversary of the founding of this institution.

On the evening of January 19, 1904, six little orphan children, hitherto homeless, sat in comfort by a roaring wood fire in a small cottage in Haywood County, about thirty miles west of Asheville. At one end of the semicircle, made by the children, there sat a refined Christian woman, who had passed fifty winters and had reared three children of her own. At the other end of the semicircle sat the writer, who was there to help establish a little orphanage for homeless mountain children. The cottage was small, having only four rooms, built of common lumber and costing about \$450.00. The furniture was plain and rather scant, and all of it was second hand except some new pieces that were manufactured there with saw and hammer. We made tables by nailing boards on flour barrels and covering them with paper and cloth. We converted large dry-good boxes into dressers, washstands, etc., withal, that was an air of neatness that made everything look homelike. After a supper of plain food, well prepared by the matron, a portion of God's Word was read, a hymn of praise sung, a prayer of thanksgiving offered, and the little family was committed to the care of our kind heavenly Father.

At the opening of the Home we had only \$20.00 per month promised in the way of support and that from the two missionary societies, each to give \$10.00. The good woman, a widow, who served as mother, housekeeper, teacher, etc., received \$10.00 per month as salary, the other \$10.00 was to be used in purchasing food for the children. Before the first month had passed donations of food came and the children did not suffer from hunger, and none to this good day.

Voluntary gifts multiplied, but the applications for admission increased faster than the donations. It was evident that the Home was meeting in some measure a long-felt need, this being the first orphanage of its kind ever established in

the Appalachian Mountains. Soon the little cottage was crowded too much for comfort, and even beyond the safety line for health. The Home Missions Committee of Asheville Presbytery, having this work under its control, realized that the Home should be enlarged, and to this end plans were made soon devised.

How to get a larger building with better equipment was the perplexing problem. At this juncture, Mr. W. H. Spence of Balfour and W. H. Westall and Company of Asheville, seeing the difficulties, gave the timely helping hand. Mr. Spencer donated the land and W. H. Westall and Company gave the greater part of the material for the building. Soon a house with room for forty children was ready. Other smaller buildings for various purposes have been erected from time to time, and the work has become more and more efficient year by year. The Balfour site now has a record of fifteen years for its history. It, too, with its splendid record, has served its day and must give place to something better. Larger and better equipment must be provided. By faith and works we have already commenced erecting the third home, which is located on a farm of 135 acres near Montreat. The buildings will be quite substantial and planned with a view to convenience, comfort and health. Also, the equipment will be suitable for giving good industrial train-

ing with the usual studies of the common school. With this new plant in operation no more removing will be necessary as in the past, for the acreage is ample and the location is ideal in every respect. The cost of the building and the furnishings will be about sixty thousand dollars. This is rather a big task for the little mission Presbytery of Asheville to undertake, but we are confident that generous friends in other sections will help us. This branch of Christian Industrial Education has yielded us rich dividends for what has been invested. Numbers of boys and girls thus saved and trained have become useful and influential men and women in the church.

MADE POSSIBLE IN 1962 BY MEMORIAL GIFTS

There were a number of things that were desirable and others that absolutely necessary at **THE PRESBYTERIAN HOME** during 1962, but which were not possible within the limits of the approved budget (approximately \$63,000).

One of the desirable things was the sending of eighteen young people to Presbytery's Pioneer Camps. It was accomplished by using \$398 received as Memorial Gifts during the year.

The farm needed a new tractor, and it was possible to purchase a much need-

ed truck for a very reasonable sum. These were acquired through the use of \$754.31, taken from the proceeds of the Memorial Gifts.

It was imperative that certain repairs be made. The Kitchen roof leaked. It was necessary to re-roof and make major repairs to the roof on the Superintendent's Home, and the down-spouts, and flashing on the edge of the roof of the Main Building was in urgent need of repair.

All of these things were done by securing a very reasonable contract price, but it still amounted to \$1,651.

As more and more people use the

Memorial Gift method of remembering loved ones, and establishing reserve funds for important, and sometime urgent "extras", it is possible to keep the property in better repair and provide more adequate "tools" with which to work.

The latest project, not included above, is the renovation of the Living Room, and the raising of the living room floor, which in places had settled as much as three inches. This was completed just before Christmas. All the bills are not in, but it will cost around \$1,800.00. This also will come from Memorial Gifts.

Thirty of the thirty-four churches of Asheville Presbytery have installed pastors. Four have been served during the Fall: Swannanoa by Rev. R. H. Spence, Interim Minister; Hayesville by Rev. E. C. ANDREWS YOUTH RECEIVES
PROJECT RE-ED AWARD

John Robert Slagle, Jr., of Andrews is the recipient of a Project Re-Ed Fellowship, as announced by George Peabody College where he is studying toward his master's degree in psychology.

During the next nine months Mr. Slagle will receive a \$3,600 stipend, and during the following year he will receive \$6,000. He will be studying in the field of emotionally disturbed children. Several months of this study will be done in Europe, probably this spring. During the course of his study he will spend one quarter as an intern in a school or hospital for emotionally disturbed children.

Project Re-Ed is a demonstration project, now in its second year. Joint participants are the states of Tennessee and North Carolina, with project installations in Nashville and Durham, near Duke University. After the first nine months of study, the students can elect to continue at other installations.

In the course of training, the student will become familiar with the concepts and practices of child psychiatry, psychology, and clinical work with disturbed children. An orientation in counseling and psychotherapy is also included.

A TESTIMONY ABOUT THE PRESBYTERIAN HOME From One Of The Family

OUR MOUNTAIN WORK carried a picture last month of Dan Hensley and two of the small girls. Before the paper was off the press, a letter was received from him, thanking for help given him at Christmas.

He also added these sincere words:

"I extend my deepest thanks to Mr. McKenzie, and the Asheville Presbytery for all that has been done for me through The Presbyterian Home. Without the care of The Home, I would not be able to finish my college career. (He is a senior at N. C. State) Many thanks to all of you for your continued support.

"I have in my heart a gratitude for The Home that is immeasurable. I Pray that it will continue to grow, for the betterment of needy children. May God bless all real good."

\$33,000,000
\$27,000,000
\$23,000,000
\$12,000,000

AND THE PRESBYTERIAN DEVELOPMENT FUND

Each of these figures has a direct meaning in connection with the presentation of The Presbyterian Development Fund.

When the initial plans for securing capital funds to meet the pressing needs of the General Assembly's agencies was considered some five years ago, a careful study was made.

Each agency was asked to meet realistically the challenge it faced, and the work that was expected of it in terms of the commission given them by the General Assembly.

They reported at that time that it would take \$33,000,000 of additional capital funds to put their work on an adequate basis.

When this total was reported to the Committee of Twenty-five, in charge of the planning, the agencies were asked to re-study their needs and eliminate all possible projects.

A year later they came back with a figure of \$27,000,000 after leaving out needs that they still felt ought to be met.

The Committee of Twenty-five said, revise these figures and see if there are any items that can be post-poned for a while.

The revision, which further curtailed important work, ended with MINIMUMS urgently needed of which totaled \$23,000,000.

With these facts in mind, and facing realistically the impact of this challenge on the churches of the various synods, the General Assembly, at Winston Salem, in April, 1962, set an absolute minimum to be asked of the membership of the churches of the entire General Assembly.

This absolute Minimum figure is \$12,000,000, of which a reasonable share is asked of Asheville Presbytery.

It is allocated to the various causes as follows:

For World Missions	\$5,002,500
For Church Extension	2,308,500
For Church Education	1,500,000
For Presbyterian Center, Inc.	1,500,000
For Montreat	607,500
For Stillman College	559,000
For Presbyterian School of Christian Education	386,000
For TRAV (Television, Radio and Audio-visuals)	36,500

SOMMERS LEAVES PASTORATE AT OAK FOREST CHURCH

Rev. R. L. Sommers plans to leave his six year pastorate at Oak Forest to accept a call to the First Presbyterian Church, Cheraw, S. C., in March.

The Oak Forest Congregation was called to meet on February 10, to act on the resignation, at which time they voted to concur with their pastor in his request that Asheville Presbytery dissolve their relationship as pastor and people.

Asheville Presbytery is called to meet on February 21 to act on the request that of Mr. Sommers that he be dismissed to Pee Dee Presbytery in South Carolina, that he may accept a call to Cheraw.

Sommers came to Oak Forest upon graduation from Union Theological Seminary, Richmond, Va., in June of 1957. He is the son of Dr. and Mrs. M. O. Sommers, of Morristown, Tenn., where his father is pastor of the First Presbyterian Church.

Mr. and Mrs. Sommers, the former Miss Sarah M. Newton, of Raleigh, with their three children, Sally, 8, Ricky 6, and Jeff 3 expect to move to Cheraw early in March.

While in Asheville Presbytery, Mr. Sommers has been active in a number of fields, and notably in the work of Christian Education. He has served as Director of the Pioneer Camps for several years, and has aided in the securing of the site for the Presbytery's Camp and the plans under way for the development of same.

He was moderator of Asheville Presbytery in 1961.

DEVELOPMENT FUND

(from page one)

A kick-off dinner at the Asheville First Church on January 29, 1963 was attended by some 125 people from 29 of the 34 churches in the Presbytery.

Rev. Tom Anderson, pastor of the First Presbyterian Church, Burlington, N. C., brought the inspirational message. Rev. Robert O. McCaslin, Charlotte, representing the firm in charge of the Assembly-wide effort, explained the reasons for the campaign, and the plans to be followed to reach same.

He stated that no specific goals for local churches had been assigned, but that suggested amounts would be presented to local sessions, and they in turn would determine their own goals.

Asheville Presbytery is organized under the general direction of co-chairmen Rev. A. Allen Gardner, Jr., and T. H. Lamb, of the Oak Forest Church. Mr. Lamb presided at the kick-off dinner and Mr. Gardner introduced the speaker of the evening.

The District Chairmen will contact sessions in their districts and arrange the details of the campaign in each local congregation. The effort is to be concluded this spring, seeking subscriptions of cash and commitments, payable over a period of three years. *The Presbytery has urged that this effort be handled entirely separate from any local budget and be based on individual responses to the challenge.*

Those present on January 29th were urged to begin at once to spread the news about the fact and nature of this basic need for Capital Funds. A brochure was given each one outlining these needs in detail.

The following are the District Chair-

AFRICAN PASTORS GIVEN
A REFERENCE COURSE

LEOPOLDVILLE, CONGO — Protestant pastors from throughout the Congo are gathering here for a six-month refresher course. It is an attempt to meet the critical shortage of trained ministers in the strife-torn nation.

The "in-service training" course is being offered by the Faculte de Theologie, a theological seminary at Luluabourg jointly sponsored by Presbyterian and Disciples churches and missions. Because of tribal tensions, the pastors' course was planned for Leopoldville, the capital.

The course will be taught in French by an American missionary, the Rev. John R. Crawford (Presbyterian U.S.), a member of the seminary's faculty. The pastors have been released by their churches for the six-month period of study.

"Into All The World"

OUR MOUNTAIN WORK listed, in November, the names and addresses of those Missionaries who as members of Asheville Presbytery, have gone to the Foreign Field from Churches of the Presbytery, or who are supported, (in whole or in part) by Churches of the Presbytery.

WORLD MISSIONS will be the Church-wide Emphasis for February, and the week of Feb. 24-Mar. 3 is designated as the "Week of Prayer and Self-Denial for World Missions."

LETTERS on this page are current messages from some of these missionaries. Share them with members of your Family, Circles and other Church Groups. Support them in your prayers.

REV. WALTER P. BALDWIN,

OF MARUYA CHO,

4 CHOME SHOWAKA, NAGOYA, JAPAN

Recently the Detroit Tigers played the Japan-All-Stars at the 30,000 capacity stadium here in Nagoya. With my two sons, Paul and Mark, I attended as rooters for Detroit. I am working in Toyota, home of the largest maker of automobiles in Japan, with an output of 30,000 monthly.

Toyota City has only 50,000 population, but has 10,000 workers, with a small Lutheran Church of 60 members. Christ is almost unknown in this growing city, and the Central Synod of the United Church asked me to start a work here.

Several Christians, members of the United Church elsewhere, were visited with other pastors, since the work started in May. Sixty year old Mrs. Amaniva, who suffered persecution during the war, has a kindergarten and is superintendent of our Sunday School. Mrs. Oda, a talented pianist and graduate of Christian Methodist school, and her husband who works with the juniors, are anxious to build a church.

At Christmas, we will receive several by transfer of membership, baptize Mr. Iwahana and celebrate our first communion at Toyota. We worship on the third floor, opposite the town square, competing with a band concert or a nearby loudspeaker as I try to preach. We also have a Sunday School through Junior Hi, and English Class on Sunday afternoon, and Wednesday evening prayer and Bible study, with women's meetings, etc.

The opportunity is great, but still a massive indifference and hostility to the Gospel. In spite of this, the Spirit works in hearts and new churches continue to be born, and old ones grow. Schools and hospitals minister in Christ's Name. The Nagoya Christian Social Center ministers to the underprivileged in the Name of Christ.

I attended the Consultation on World Missions at Montreat in October. We will be having consultations here with denominations with which we work. About 85% of the Presbyterians here are in the United Church a little over 10% in two other Presbyterian bodies.

Pray for us, as we pray for greater unity, for new evangelistic fervor and power.

OLIN COLEMAN—

CAIXA POSTAL 376,

CAMPINAS, E. DE SAO PAULA, BRAZIL

We are now in the third month of our year of language study, with over 100 students from different denominations and Mission Societies.

Before coming south we visited in the Northeast. After landing in Recife, a very old city, we went to Garanhuns where we will be working after language school. There we have a school, a Bible Institute, and a Mission Farm.

Poverty is much in evidence in the Northeast and many beggars show signs of great need. On the other hand, business seems to be active and one sees quite a few cars, 95% of which are made in Brazil. Several Brazilians tried to talk with me but there was very little conversation with words. Once a believer, who knew a little English talked for a while. I recognized him because he carried a Bible.

The ancient ox cart is still very much in use here. One can hear the highpitched squeal of the solid wooden wheel turning on it's axle.

Here in the South there are thousands of factories and much prosperity, compared with the North. Many of the people here are of European descent. Campinas looks like an ultra modern city with its new sky scrapers.

Recently, I travelled through the interior for about 2,000 miles, with Charles Ansley, one of our missionaries, driving to Belem, where he is stationed, on a newly cut road passable only part of the year. Many were surprised that we made it through frontier areas looking similar to the old Western towns during our frontier days, with huge trees towering on both sides.

People here are in great need, both physically and spiritually. We have some mission work scattered over this new road, and hope to have more as the area is developed.

M. H. GRUBBS, PRESBYTERIAN MISSION,

A. P. O. 301, SAN FRANCISCO, CAL.

(FOR LETTERS ONLY.)

We have been attending language school in Korea's capital city since the fall of 1961. Next June we expect to move south, where Merrill will be the hospital administrator for the "Jesus Hospital" in Chunju.

On Seoul's wide, paved streets we see modern stores, banks, theatres, offices, hospitals, schools, temples, shrines and churches. The people are often well-dressed and happy-looking. In many ways Korea is a "civilized" country, and becoming more so every day, according to western standards. "With people so happy and contented, why try to change them? Aren't their religions good enough? Does it really matter whether they worship Buddah or Jesus or their own special spirit, so long as they are sincere?"

Let us tell you of an elderly neighbor. His daughter is a Christian. He isn't! Not long ago we heard the bonging of drums at his house, hour after hour. He was ill, and to placate the evil spirits, causing the illness, the mootang (a sort of woman witch doctor) danced and chanted and shrieked to the accompaniment of drums. A similarly ceremony on the anniversary of the death of an ancestor may be had for the equivalent of two month's salary to bring good and not evil to the family.

We have a Christian Friend, a refugee from North Korea, planning to marry a Christian girl, whose parents are Buddhist. They object, have torn up their daughter's Bible, slapped her brother for saying grace at meals, and put obstacles in the way of a Christian marriage. They insist the wedding date be set by a "chooser of lucky days", based on birth dates, phases of the moon, etc.

Yes, Korea is "civilized," but only seven out of ever 100 we meet know our Lord and Saviour. Won't you join us in prayer for an outpouring of the Holy Spirit upon Korean Christians, and upon us as we witness to those who do not know Christ?

As Much Or More On March 3, 1963

To REACH OUR 1963 GOAL FOR WORLD MISSIONS

IT IS ESSENTIAL THAT EACH CHURCH GIVE "AS MUCH OR MORE" IN THE SUPPLEMENTARY OFFERING, MARCH 3RD, AS WAS GIVEN IN 1962.

ALL CONTRIBUTIONS IN THE SUPPLEMENTARY OFFERING WILL BE FORWARDED TO THE BOARD OF WORLD MISSIONS OVER AND ABOVE THE PERCENTAGE FROM "UNDESIGNATED BENEVOLENCES."

Another Letter

REV. STANLEY L. BENNETT,
CAIXA POSTAL 366, SAO LUZ,
MARANHAO, BRAZIL.

She was lifting a large package at the Post Office window and was asked, "Lady, is thit not heavy for you?" Her answer struck me with a note of sadness, "Yes, but life is so much heavier!"

It was at Christmas and her words had a new note of sadness, for an hour later, in a house of mud and thatch I was watching a mother in rags preparing a pot of dirty rice over a charcoal fire. On the mud floor were four or five dirty, naked children with large bloated stomachs. To most of these people life is a painfully heavy burden. Christmas makes no difference to them because they do not know the Christ.

Paul says, "Bear ye one another's burdens". Here we are trying to lift the burden of 85% illiteracy with schools. We now have three primary schools in the state and plan more as soon as Christian teachers are available.

Because of the superstitions and religious "hocus-pocus" of the people, sickness and disease remain unchecked. Over 75% of babies die before their first birthday. We are beginning in January to train our primary school teachers and evangelists' wives in practical nursing. We hope they can help in clinics in the interior, to do a little to lift this burden. As soon as I can find a doctor, I plan to fly him into some of these areas. (Mr. Bennett is serving as the pilot of the mission airplane.)

Sin, with its burden of guilt, its hopelessness, its fear and darkness, is the heaviest burden. Through fifteen congregations and preaching points, served by two evangelists and one ordained pastor, we are preaching the "Good News" of forgiveness and new life through faith in Jesus Christ.

You and I have the resources to lift the burdens of the weary peoples of this world, to make life a joyous challenge instead of a dreary burden. These will and do become effectual in burden lifting when they are truly dedicated to Jesus Christ.

"FIFTEENTH OF NOVEMBER" GETS NEW BUILDING

GARANHUNS, BRAZIL — A new building is going up at a Presbyterian school here, the "Fifteenth of November" School. It is scheduled for completion in late 1963.

Located in the heart of Brazil's troubled northeast, where in some areas there is 50 percent illiteracy, the school offers elementary, secondary, junior college and normal school training. It has an enrollment of about 700, with a teaching staff of 30.

The new building, the second to be constructed on the school's campus, will house a library, ten classrooms, an office, three demonstration rooms and two laboratories, for physics and chemistry. Total floor space will be 12,230 square feet. Cost is estimated at \$30,000.

\$210,000 ANTICIPATED BENEVOLENCES IN 1963

Asheville Presbytery was informed that the churches of the Presbytery had indicated their intention of sending \$151,317 through the Central Treasurer of Benevolences to be divided according to the direction of the Presbytery.

In addition, the Presbytery assumed that the churches will give as much "Designated" (not subject to division), as they did in 1962. This amount (\$58,683) will be over and above the \$157,317 "Undesignated."

In the light of the above facts, Asheville Presbytery confidently expects a minimum of \$210,000 for all causes. This represents an increase over previous years, and enabled the Presbytery to divide same so that the average for Synod and Assembly Causes can be substantially increased.

Except for two causes which normally receive substantial supplemental offerings during the year, the Presbytery averaged giving 55-58% of the amounts asked for Synod and Assembly Causes in 1962. On the basis of the schedule adopted for 1963 it is expected that this will increase to 70-74%.

In adopting this plan the Central Treasurer is instructed to divide every "undesignated dollar" on a strict percentage basis, for the benefit of the entire budget, and each cause in proportion. He is also instructed to forward to each cause every "designated dollar", regardless of any amount received from other sources.

The heart of the plan adopted demands a response from the Churches in two particulars:

1) Every Church must forward the full amount promised as "Undesignated Benevolences" before the end of the year.

2) Every Church must contribute to the various causes receiving supplementary offerings at least as much as was given for the corresponding cause in 1962.

This basis makes it possible to increase from year to year the share for Synod and Assembly Causes, with the expectation that in a reasonable time the Presbytery can be responding with gifts equal to 100% of the asking in every case. This is the ultimate goal.

A SPECIAL REQUEST

Every Church is asked to forward benevolent funds on hand every month, and if possible by the 10th of the month.

Every Church is asked to send a definite percentage of total gifts (exclusive of building funds) monthly, to provide current funds for each agency.

Such funds are disbursed to the causes on the 12th of each month, to make them available for actual service at the earliest possible date.

PRESBYTERY CAMP SITE UNDER DEVELOPMENT

Additional Land Bought

Asheville Presbytery authorized the purchase of approximately sixty five additional acres of land adjacent to the 175 acres already under development for a Presbytery's Camp.

Rev. J. D. Whitesides, chairman of the Christian Education Committee proposed the purchase, at the suggestion of the sub-committee on the Camp Development Program of which Rev. J. L. Auten is chairman.

Dr. Auten displayed the architects map of the area already purchased, and under development, and Mr. Whitesides pointed out the location of the additional acres which will bring the property to a main county road in the area.

By the re-location of an access road, and the state's willingness to build a new approach from the existing highway, the committee was able to save several thousand dollars on this one item.

The report of the committee showed that about \$1,200 has been spent in preliminary surveys and planning, a competent architect has been employed and the sketch on display located proposed buildings, roads and a lake.

The committee is in the process of preparing a brochure which will outline planned development in detail. Presbytery at a previous meeting authorized the committee to borrow up to \$15,000 for construction needs. A year ago the last payment was made on the purchase of the original tract, which cost \$11,000, and an option is being sought on some five or more acres at the top of the ridge. If this tract can be secured, the property will then extend to the crest of the water-shed of the Blue Ridge, at that point, and give full control of the water flow in the entire area.

The property is located near the head of Garren's Creek, in the north-eastern part of Buncombe county, about thirteen miles from Asheville. OUR MOUNTAIN WORK hopes to be able to publish further details of the progress of the plans in an early issue.

The engineering work has been done by Mr. Chas. V. Verner, a member of the First Presbyterian Church, Asheville, and the architectural work has been under Mr. Aiji Tashiro, a Presbyterian of North Wilkesboro, and a specialist in camp construction. The plans have been developed under the close supervision of Dr. Robert P. Davis, Director of the Camping and Conference Programs, a member of the staff of the Board of Christian Education of the denomination.

MISSIONARIES IN BAGHDAD

Two Presbyterian U.S. missionaries, the Rev. and Mrs. Lawrence H. Richards, and their two children were in Baghdad at the time of Iraq's military coup Friday, February 8. They are serving on the faculty of a Baghdad high school, supported by the United Mission in Iraq.

Presbyterians U.S. have participated since 1956 in the United Mission in Iraq, a joint effort with the United Presbyterian Church, U.S.A., the Reformed Church in America and the United Church of Christ. The mission's 14 missionaries staff schools in Baghdad and Barah.

Mr. and Mrs. Richards, of Waverly and Plattsburg, N. Y., respectively, went to Iraq as missionaries in 1961. They attended Houghton College, Houghton, N. Y. and Columbia Theological Seminary, Decatur, Ga.

Well Stated In a Past Issue

WHY HOME MISSIONS?

Because:
Every Christian is his country's keeper;
There is a new America every ten years with its peculiar problems and perplexities;
It is impossible to project a missionary problem equal to the world's needs unless the advance is sustained by an adequate home base;
America plays so important a part in world movements that the world needs America's example as well as her precepts.

PRESBYTERIANISM ON THE AIR

The broadcasting industry of North
Carolina has pledged its support of
PROJECT 150 of the Presbyterian Syn-
od of North Carolina, under the direc-
tion of Ted L. Daniels, director of Tel-
evision, Radio and Audio-Visuals for
the Synod.

This entire program is a part of the
sesqui-centennial observance, sponsored
by the North Carolina Synod, and reach-
ing into all sections of the state, and
many parts of Virginia and South Caro-
line.

The first of these broadcasts was on
March 18th, over WSJS-TV, Winston-
Salem. The second is scheduled for
March 23rd, over WBTV-TV, Char-
lotte, from 7:00-7:30 P. M.

WLOS-TV, Asheville, will also sched-
ule one or more programs, and an-
nouncement of this is made, in this
issue of OUR MOUNTAIN WORK.

PROJECT 150 consists of three half
hour television programs and four half
hour radio programs.

The TV programs, prepared under
the direction of the Protestant Radio
and Television Center, Atlanta, will
feature, 1st, a PROLOGUE dealing with
the overall historical development, sched-
uled for March; 2nd, Progress in Edu-
cation, scheduled in April; and 3rd, the
Challenge of the Future, slated for May.

The radio series, scheduled for May,
will be devoted to outstanding Presby-
terian Leaders, such as Rev. David Cald-
well and heroes of Kings Mountain.

Asheville Presbytery, with four other
counties in Western North Carolina
(Avery, Mitchell, Watauga and Yancey)
now a part of Holston Presbytery, was
a part of the Synod of North Carolina
before the Synod of Appalachia was
formed in 1915, and is vitally concerned
with the past history of the Presbyte-
rian Church in North Carolina.

Exterior scenes for the television se-
ries were taped on location in the state
in the fall of 1962 by a 12-man crew
of the Protestant Radio and Television
Center, Atlanta, using the mobile unit,
first to be owned by the church. The
results are up to the high standard of
the finest broadcasting possible.

A limited amount of literature re-
garding these programs can be secured
from the office of the Executive Secre-
tary of Asheville Presbytery. As com-
plete information as is available will
be published in April giving broadcast-
ing schedules reaching into this area.

MID-WINTER RALLY

On Saturday and Sunday, February 16th and 17th, some 130 young people gathered in the Brevard-Davidson River Church for the Asheville Presbytery Youth Rally.

The opening devotions were given by the Grace Covenant Presbyterian Church. The inspiring devotion's theme was "The Octave of Christian Personality." Each musical note stands for a phase of Christian Personality — C — Courage, D — Dedication, E — Effort, F — Faith, G — Growth, A — Assurance, B — Brotherliness, and C — for Christlikeness.

Rev. Fred F. Guthrie presented pictures of last year's summer conference with the hopes of encouraging more young people to come this year.

The feature of the rally this year was a Christian Education Workshop which was presented by various leaders of the Presbytery. The workshop was begun by the showing of a film, "The Eyes of the Beholder". The film showed how easily people can misinterpret other's actions and feelings. During the discussion periods following the movie, the various barriers and gateways to communication were discussed. This excellent workshop made all of us more aware of other people's feelings and also made us realize the importance of trying to really understand someone. All the young people would like to thank the teachers under Miss Jessie Hodges for their wonderful message and method of the study.

Led by Mr. Guthrie the recreation of the evening gave everyone a chance to get to know each other and to "blow" off a little steam. Always up to his old tricks, Mr. Guthrie never ceases to interest his admirers.

All of the fun, fellowship, and study at the rally was made possible by the kind of friendly people of the Brevard Church. Not only did they serve an excellent meal Saturday evening, but they took us into their homes for Saturday night and Sunday morning. We extend to each of them our most sincere appreciation.

We also want to thank the young people of the Brevard Church for their many efforts which made our Mid-Winter Rally a happy success!

MY CREED

"TO MAKE THE PATHWAY SMOOTH
WHERE OTHER FEET MUST TREAD,
PLUCK OFF THE CROWN OF THORNS,
LAY ROSES IN THEIR STEAD:
TO DRY THE FALLING TEAR,
BIND UP THE WOUNDS THAT BLEED,
TO SERVE MY FELLOWMEN
WITH JOY — THIS IS MY CREED.

TO SING OF LOVE AND PEACE,
LIFT UP THE ONES WHO FALL,
TO TRUST THAT GOD IS WISE
AND RULETH OVER ALL;
TO DO MY BEST EACH DAY,
BE KIND IN WORD AND DEED,
KEEP FAITH INTO LIFE'S END,
AND HOPE, — THIS IS MY CREED"

OUR COUNCIL

Our moderator this year is a pert young lady named *Sara Marcia Perley*. She was Vice Moderator last year. *Sara Marcia* is a senior at Owen High School where she is a majorette and a member of the Beta Club. Her favorite pastime next to "Mac" is water skiing. Having attended Girl's State, she is proving herself to be a fine leader.

The job of Vice Moderator is being filled by a "Huge Hunk of Boy" called *Tommy Fagg*. Tommy attends the Franklin Presbyterian Church and goes to Franklin High School, where he is a Junior. Tommy's chief interest is football.

Friendly and smiling *Charlotte Watkins* is once again our Stated Clerk. Charlotte is a Senior at Waynesville High School, where she is a cheerleader, a member of the band, and a member of the Tally Ho Mountaineer Corps. She plans to attend Salem College and is interested in literature. Her favorite pastime is asking "Will you please restate that motion?"

If you see a girl wandering around with a handful of bills, there is a good chance that is *Sarah Bradley*, our Treasurer. Sarah is secretary of the Grace Covenant Youth Fellowship. She is a member of the French Club and the Latin Club at Lee Edwards High School where she is a senior. Along with music, swimming, tennis, and Girl Scout activities, she enjoys anything to have fun. Boys, you better watch out for those dimples.

With notebook and pencil in hand, *Sandy Mastin* serves as our Editor. She is a senior at Lee Edwards High School and is a member of the National Honor Society, French Club, Boosters, and Sans Souci. Don't be afraid of her because she seems to talk all the time, at heart she is really very shy. Second to her love of sports, or the persons that play them, she enjoys very much her job on the council.

EDITORIAL

In the Roman Army of old the soldiers carried large oblong shields on his left arms. When a city was besieged the men, in closed rank, locked their shields together and held them over their heads and then marched in safety to the gate, helping and defending each other all the way. So it can be with us in our daily lives. If each person will do his share to make some one else's load lighter and that person will do his share in return, we will all find ourselves enjoying and getting more from life.

There is an old expression: Two heads are better than one. This is true with our problems and temptations. If we stand side by side with others and God, our temptations and problems will seem even smaller and easier to overcome.

We all want to have friends, but first we must learn to be a friend. It is our duty to God and ourselves to do whatever we can for others.

Let us all remember this little poem and try to keep it as OUR MOTTO.

"OTHERS"

"Lord, help me to live from day to day
in such a self-forgetful way,
that even when I kneel to pray,
my prayer shall be for others.

"Help me in all the work I do to ever
be sincere and true and know that
all I do for You must need be
done for others.

"And when my work of earth is done,
and my new work in heaven's begun,
may I forget the crown I've won,
while thinking still on others.

"Others, Lord, Yes others, Let this my
motto be. Help me to live for
others, that I may live like Thee."

Our busy Historian, who never forgets to act like the young lady she is, is *Anne Cameron*. President of her fellowship at Grace Covenant, Annie is a senior at Lee Edwards and enjoys her activities as a member of French Club and Pan American Club. She enjoys being with people and also skiing reading, and sewing.

Our Faith Commission Chairman is *Bruce Wauchope* from Brevard. Bruce is a senior and a member of the Key Club and the Beta Club and also editor of the Brevard High School newspaper. Bruce is interested in electronics, music, and the outdoors. Torn between science and the ministry as a career, he would like to go to Davidson College.

OUR COUNCIL

From Other Page

Happy-go-lucky and love-to-be-alone (Ha) Eddie Allen is our Witness Chairman. He is a Sophomore at Hendersonville High School. The outdoor type, Eddie enjoys track, basketball, swimming, tennis, girls, and plain fun with capital letters.

No matter how busy she is, Karen Torrence, our Outreach Chairman, never ceases to be her friendly self. Karen, Montreat's live wire in the summer, is the Vice Moderator of the Synod of Appalachia. She is a Junior at Lee Edwards High School and enjoys almost anything.

The Citizenship Chairman and "Baby" of the council is Janice Wheelon. She is a sophomore at Owen High School where "Schoolwork" (?) and Latin Club are her favorite activities. Don't let her fool you. She really likes boys and fun better than school. A good way to start a conversation with her is to ask her how old she is.

Full of life and fun herself, Laura Crawford is Fellowship Chairman. A junior at Hendersonville High School, Laura is a member of the school Band and was also in the All State Band. She likes music, water sports, and horseback riding. Laura is a member of the First Presbyterian Church of Hendersonville.

Lee Ann Howard is the District No. 1 Chairman this year. She is a junior at Lee Edwards High School where she enjoys mixed chorus, English, and Latin. If you want to have a good debate with someone, Lee Ann is the person whom you ought to meet. She has many good ideas on all kinds of subjects. Lee Ann is an active member of the West Asheville Presbyterian Church.

An unusual person whom everyone should get to know is Steve Norwood, our District No. 2 Chairman. Steve is the President of the Friendship Youth Fellowship, and he is also the Editor of the church paper "Friendship Handshake." Steve is a senior at Owen High School and enjoys reading and science. He is a "Ham", rather he is interested in ham radio.

Active and Friendly Julia Ann Shields is District No. 3 Chairman. A senior at Franklin High School, Julia is a cheerleader, a member of the Library Club, a member of the Spanish Club, and the Future Teachers Club. Aside from her many school activities she enjoys swimming, horseback riding, and tennis.

Jeff Deitz is the District No. 5 Chairman. He lives in Bethel and is President of his church fellowship. Jeff is a junior in school and especially enjoys Chemistry. He is another member of the council who loves football and is playing his third year in it. In his spare time he enjoys movies, reading and eating hamburgers.

District No. 4 Chairman, Linda "Scottie" Scott, has not, we are sorry to say, been to many of our council activities, but will certainly be in full swing with the rest of the council soon. Always full of energy and willing to help anyone, Linda is a junior at Hendersonville High and is a cheerleader. Together

THE HIGHLANDER

Volume VII Number 1

February, 1945

For the past two years "THE HIGHLANDER" has appeared as a part of OUR MOUNTAIN WORK. Extra copies of the insert have been distributed through the Senior High Council, but the insert has served to enable Presbyterians in over 3,000 homes in Asheville Presbytery to know what the young people are doing.

This policy dates back to 1945 when Number 1, of Volume VII, was an insert in the February issue of that year. "THE HIGHLANDER" has appeared approximately four times a year, either as a supplement to OUR MOUNTAIN WORK or in printed or mimeographed form.

At the top of the middle column of the one page issue in 1945 appears the following:

with any kind of fun, Scottie enjoys golf and water skiing.

Rev. Robert W. Gray, Pastor of the Black Mountain Presbyterian Church, now serves as an advisor to the council. Mr. Gray also teaches Bible at Montreat-Anderson College. Besides being a watchful "daddy" to the council, he is married and the father of two girls and a boy. When he finds time, Mr. Gray enjoys swimming, water skiing, and photography.

If you want to laugh until your heart's content, Rev. Fred F. Guthrie, Jr. is the person to see. He is the pastor of Franklin Presbyterian Church and has been advisor to the council for two years. He was graduated from Davis and Elkins' College and Union Theological Seminary. In his spare time he enjoys being with his wife, Shirley Anderson Guthrie, and his three year old daughter, Ruth Emily.

With twinkle in her beautiful eyes, Mrs. Sally Fesperman also serves as advisor to the council. Married to Mr. Jay Fesperman and having two children, Mrs. Fesperman attends Franklin Presbyterian Church where she and her family take a very active part. For the past two years she has served willingly and faithfully in behalf of the council.

A fairly new member of our council is Rev. Dan McCall of Highlands Presbyterian Church. He is a graduate of Davidson College and attended Columbia and Princeton Seminaries. Already having made a hit with the young people of his own church, the council is finding him to be a big help and a lot of fun. He is married and has two sons.

LOCAL CHURCH NEWS

HIGHLANDS

The Highlands Youth Fellowship has been a very busy group of young people the past few months. They are endeavoring to gain new members for their Fellowship. They have increased their number from seven to twelve since October. Congratulations! The group has also purchased two Bibles for each room in their Community Hospital. We are glad to hear of the fine work being done by this comparatively young group.

WEST ASHEVILLE

The West Asheville Fellowship attended a very interesting panel discussion on Brotherhood at the Jewish Community Center on February 19. The discussion brought out many interesting points about the relationships among young people of the various religious denominations.

GRACE COVENANT

The Grace Covenant Fellowship led a hymn sing service for their church in February. The fellowship also presented a very inspiring opening devotional on the Octave of Christian Personality for the Mid-Winter Rally.

PRESBYTERIAN SURVEY WEEK

APRIL 21 - 28, 1963

Presbyterian Survey is a part of our Church's ministry through the printed page. As the official magazine it brings to you the full story of the Church's work, worship and witness. Through words and pictures *Survey* explores our world with a Christian perspective. Its articles are concerned with topics of vital interest to today's Christian . . . from Christian education to Christian unity . . . from stewardship to evangelism. You will find it relevant to your daily work and to your spiritual growth.

Survey presently reaches into more than 255,000 Presbyterian homes with its challenge and inspiration. The Every Family Plan, which makes *Survey* available for \$1 a year for each family, has put it within the reach of each church. *Survey* is the only official magazine of our Church. The 1962 General Assembly expressed its thanks to the board and staff of *Survey* for "... the work that has been done whereby the *Survey* has become an increasingly effective instrument for the promotion of the whole work of the Church."

Presbyterian Survey is available to every family in your congregation at \$1.00 per year, if the subscription includes every family, and is handled as a single unit. Single subscriptions are \$2.00 each.

ANNUAL BIRTHDAY OFFERING

(There will be no conflict with a Church Extension Offering this year, as that is scheduled for October.)

(Birthday Offerings in local organizations should be sent promptly to Mrs. H. E. Lamb, Treasurer, Box 15, Asheville, N. C.)

The Women of the Church have designated the 1963 Birthday Offering to meet urgent mission calls in Mexico and Brazil.

The first \$75,000 will go for medical work in Mexico: \$25,000 each for hospitals in Mexico City, Morelia and Ometepec — all badly needing more space and equipment. The rest of the offering will go for evangelistic work in Brazil, mostly along a new highway from the port city of Belem to the capital city, Brasilia. This is a pioneering evangelistic effort in areas teeming with new settlements and resettlements, where whole families who have fled from starvation in drought areas hope to begin life anew.

Well Stated
In a Past Issue

THE NAME IS MORRISON

In 1875 Rev. Alfred J. Morrison, a brother of Mrs. Stonewall Jackson, was licensed by Mecklenburg Presbytery to preach the Gospel and was sent immediately to Macon County to engage in evangelistic work. He was instrumental in building a Church, six miles from Franklin in the valley of the Little Tennessee River. So dearly beloved was he that the congregation named the organization "Morrison" for him; hence the name has been transmitted to the new school established there recently. (School discontinued in 1925—Ed.)

We think the name very appropriate when we remember that Rev. Robert H. Morrison, the father of Rev. Alfred J. Morrison, was one of the founders of Davidson College, and became its first President in 1837.

MORE THAN THIRTY PAPERS

PROMOTE CHURCH WORK

There are more than thirty publications issued by Presbyteries or Synods of the Presbyterian Church, U. S., in promoting the work of the church at large.

OUR MOUNTAIN WORK, which began publication in December, 1910, is apparently the oldest such publication. Some have limited circulation. Some are printed. Some are mimeographed.

A letter addressed to the Stated Clerks of 80 Presbyteries and 16 Synods brought seventy six replies, with sample copies of practically all of the thirty-four publications reported.

In addition the Stated Clerks reported that a large number of local congregations publish papers or bulletins (in addition to weekly bulletins for regular worship services.)

Special note is made at this time of the report of the Synod of Florida and Potomac Presbytery, included in the list of thirty-four, on the basis of their announced intention. In each case their first issue will be dated April, 1963.

Information gathered will be further studied and the results made available to the Historical Foundation, Montreat, N. C., where all the correspondence will be placed on file.

The Historical Foundation, Montreat, desires to receive regularly such publications, whether on a local congregational, Presbyterial or Synodical basis, for their permanent records.

McKENZIE'S FATHER ILL

The many friends of Don C. McKenzie, superintendent of The Presbyterian Home for Children will regret to learn of the illness of his father in Monroe, N. C.

At the time of going to press it was reported that he is some better.

BENEVOLENCE RECEIPTS OF

CHURCHES TO MARCH 11

The Central Treasurer will report monthly on total receipts from all the churches, applicable to "Budgeted Benevolences", or the anticipated goal of \$151,000 for 1963.

This is the total that the churches indicated in January they would probably give "undesignated" during the year, to be supplimented by the five "supplementary offerings" and thus reach a total for all causes of over \$200,000.

Two months have past in the experiences of the local churches. If one twelfth was remitted each month the receipts to March 11th (including local gifts through February) would have reached \$25,166.

103RD GENERAL ASSEMBLY

April 25 - 29, 1963

Huntington, West Virginia

This annual meeting of the highest court of the Presbyterian Church in the United States, will be composed of Commissioners from 80 Presbyteries in the 16 Synods.

One Minister and One Ruling Elder are elected for each 5,000 members, or fraction thereof, together with an equal number of alternates, to represent the Presbytery as Commissioners.

This entitles Asheville Presbytery to two Ministers and two Ruling Elders, who were elected in January. (See February issue of OUR MOUNTAIN WORK for names.)

The Church is called on for special prayer from each pulpit on the Sunday preceding the meeting. Private prayers should have already begun, that the forthcoming meeting will make only those decisions that will advance the Kingdom of God as revealed by the Holy Spirit in the life and teachings of Jesus Christ our Lord.

ECHOES FROM A DRUM OF MEDICAL SUPPLIES

In 1961 the Men of Asheville Presbytery completed a project to ship medical supplies to a mission station. These supplies, representing sample medicines, etc., were shipped to the mission station in Africa.

Miss Margaret Moore, Registered Nurse, stationed at Mutoto wrote of this project as follows:

"Last week at Mutoto Hospital I unpacked the drum of sample drugs you had packed in June, 1961. We had received it at Mutoto some months ago but held it in reserve until we really needed the drugs.

NEW BUILDING PLANNED FOR BRITTAINS COVE CHURCH

In an enthusiastic supper meeting in the fellowship hall of the Weaverville Presbyterian Church, on March 25th, members and friends of the Brittain's Cove Church subscribed over \$8,000 toward the cost of a new building.

Plans for the supper had been under way for some months, under the leadership of Rev. B. Blake Breitenhirt and officers of the congregation. Tentative sketches of a building sixty by thirty-two feet were displayed, with a basement affording a fellowship hall and five class rooms, and a sanctuary on the main floor.

Members of the church and community plan to donate lumber and materials. A substantial number of man-hours of donated labor will be available from members of both the Brittain's Cove and Weaverville Churches, and Rev. H. B. Dendy, D.D., pastor at Weaverville has agreed to take active oversight of the work.

Preliminary plans were drawn by Mr. Graham Price of the Weaverville congregation, and the women of the Weaverville church served the supper. The Church Extension Committee of the Presbytery, meeting on March 29th, allocated funds to aid the church in this project.

For many years this church has been served by students or retired ministers, seldom having the same minister for more than three months at a time. Even under this handicap it has made definite progress in serving a real need in the Dula Springs area north of Weaverville.

A year ago the Church Extension Committee of the Presbytery made the initial payment on a frame home in Weaverville, formerly owned by the late Rev. Wade C. Smith. It was purchased for the use of the minister serving this field, as the contribution of the Church Extension Committee to this project.

Efforts are being made to secure a full time minister to serve jointly as pastor of the Brittain's Cove church and assist the minister at Weaverville. It is anticipated that the two churches will assume his full salary and the Church Extension Committee provide the manse.

For the past three months the church has had Rev. C. Browne Hoyt, of Montreat, as supply minister. Last Summer Joseph Moody Martin occupied the manse and served Brittain's Cove. He

Dr. Thomas also referred to three ministers of Presbytery who have served actively for more than twenty years Dr. H. B. Dendy, at Weaverville, since 1922. Dr. C. Grier Davis, at Montreat, and previously at Asheville 1st, from 1937 until becoming president of Mountain Retreat Association. The Executive Secretary who is completing twenty years with this meeting of the Presbytery. He was given a rising vote of thanks upon motion made by Dr. Thomas.

Dr. R. T. L. Liston, president of King College, spoke briefly of this institution recently acclaimed by the faculty of Columbia Theological Seminary, as the

was followed during the fall months by Rev. John S. Cook.

The Brittain's Cove church was received into Asheville Presbytery in 1943, coming from the Presbyterian Church, U. S. A. It was originally a mission of the Board of National Missions of that branch of the Presbyterian faith, and the center of an active program of education. The unique building, like ten or more other such projects in western North Carolina, had classrooms for "day-school" on the first floor and a sanctuary on the second.

Report Central Treasurer Through April 10th

Note: At the January meeting Asheville Presbytery adopted a "Disbursement Budget" for a total of \$210,000 for the Benevolence needs of Presbytery, Synod and General Assembly.

This total was based upon two assumptions:

1) That the churches will remit, to be divided for the benefit of the whole budget, certain sums which they reported as the probable amounts to expect for this use in 1963, a total of \$151,000.

2) That the churches will contribute during 1963 at least as much for each cause in the budget in "designated funds" as was given in 1962.

It will require BOTH to reach the total and give each cause its full share. In the meanwhile, the funds divided for the benefit of the whole budget will be disbursed on a fixed basis approved by the Presbytery, and ALL designated gifts will be forwarded to the cause or causes for which designated without regard to the amount the cause may or may not receive from the division of funds for the whole budget.

OUR MOUNTAIN WORK will report monthly on the actual receipts. The books close each month on the 10th, enabling the treasurer to forward all funds promptly for the work.

On April 10th, the contributions from the churches should have covered January, February and March giving at the local level. This should have been one fourth of the annual total (\$151,000) or \$37,750.00.

The actual amount received was \$34,000.00, from thirty of the thirty-four churches.

FOR WORLD MISSIONS

The supplementary offering for World Missions which amounted to \$7,295.32 in 1962 has reached the total of \$8,000.00 to date this year.

This has been received from the following churches, and in the amounts indicated. A (*) by the amount indicates that it was at least as much as in 1962.

Contributions made for World Missions, including the supplementary offering, received since January 1, 1963 are:

TRAINING FOR FULL TIME

CHURCH RELATED WORK

COLLEGES

KING COLLEGE, Bristol, Tenn., is the only institution owned by the Synod of Appalachia, of which Asheville Presbytery is a part. A fully accredited, co-educational, liberal arts college, with a high reputation for preparation for post graduate work. Members of Asheville Presbytery are on the Board of Trustees.

DAVIDSON COLLEGE, Davidson, N. C., is owned by a group of Presbyteries in North Carolina, Georgia and Florida, including Asheville, and is a fully accredited liberal arts college, with high reputation for preparation for post graduate work. A minister and a layman represent the Presbytery on the Board of Trustees.

MONTREAT-ANDERSON COLLEGE, Montreat, N. C., is owned by the Mountain Retreat Association, which in turn is owned by the General Assembly. Asheville Presbytery has accepted "sponsorship" of this college as an institution pledged to continue aid to youth of this area. A fully accredited, co-educational Junior College.

SEMINARIES

UNION SEMINARY, Richmond, Va., for the training of Ministers, owned by the Synods of Appalachia, North Carolina, Virginia and West Virginia. The Synod elects Trustees, and prior to 1915, when the Synod was established was related to Asheville Presbytery through the Synod of North Carolina.

PRESBYTERIAN SEMINARY, Louisville, Ky., for the same purpose, owned by Synods of the Presbyterian Church, U. S., and United Presbyterian Church, U. S. A. The Synod elects Trustees, and since 1915, when the Synod was established, it has been a joint responsibility with the other three Presbyteries.

Current Expenses

or

Benevolences?

When it is given in the Local Church it is called "Benevolences"?
When it is spent by the Board of World Missions or any other agency of the Assembly, Synod or Presbytery — to them it is "Current Expenses".

They are spending your money for work that you make possible, and like your "Current Expenses" each agency has overhead and salaries that must be met monthly, to maintain credit and perform efficiently.

The gifts from the Local Church, "For The Whole Benevolence Budget of the Presbytery", remitted monthly forms the real basis of "Benevolence Giving". All other gifts are "Supplementary".

Unless your church is sharing regularly through your Budget in the "Current Expense" needs of the agencies, you are not meeting this basic need.

"Supplementary Offerings", yes, but not at the expense of "Budget Giving".

The five "Supplementary Offerings" approved by Presbytery are: World Missions, March 3; Christian Education, "Rally Day", September 29; Church Extension, October 6; Presbyterian Home, Thanksgiving; Ministerial Relief, "Joy Gift"; Christmas.

The Easter Offering is for "Over-seas Relief" and is a "Special Offering" not a part of any regular "budget" of any church agency.

SALICIOUS LITERATURE IS CONCERN OF PRESBYTERY

Rev. E. B. Whitson, Andrews, introduced a "resolution" which Asheville Presbytery unanimously adopted on April 9th deploring "the mounting evidence of moral decadence in our nation's life reflected in the flood of salacious and pornographic material to which both young people and adults are being subjected."

The Resolution, in full, follows:

The Presbytery of Asheville, of the Presbyterian Church in the United States, representing Presbyterian churches throughout the area of Western North Carolina, hereby records its great concern over the mounting evidence of moral decadence in our nation's life reflected in the flood of salacious and pornographic material to which both young people and adults are being subjected.

Most especially do we deplore the continued use of the United States mails for the dissemination of salacious and pornographic literature, despite action taken by postal authorities seeking to curb such use.

From earliest times the decadence of civilizations has been paced by an excessive preoccupation with sex and pornography. We believe that human nature is always tempted to immorality and that mankind, left to its own devices, will always turn to evil. There will always be a ready market for salacious material, wherever or however available. The public appetite should not be allowed to become the measurement of public morals. Unless informed and controlled by an enlightened public conscience, the standards of public decency and morality invariably will be lowered by the demands of immoral and depraved human appetites and the equally immoral and depraved business practices of those willing to satisfy those demands for a price.

We urge legislative and lay enforcement agencies everywhere to attack this problem wherever it appears as the social evil it is, if necessary enacting legislation to curb the further production and dissemination of pornographic material, especially among young people.

Done this the 9th day of April, 1963, in regular session of the Presbytery; and ordered sent to the appropriate state and national representatives, to the Postmaster General, and to Church and secular papers.

The above Resolution was also ordered sent to the General Assembly, meeting in Huntington, W. Va., April 25th, as a communication.

scribed \$82,680 for Presbyterian Development Fund. The fund has been presented to all of the churches. Others are to report their participation.

The Central Treasurer of Benevolences reported regarding gifts of churches for three months to Benevolences, indicating giving in excess of same period of 1962. (See details in another column.)

Significant action was taken regarding a "Home for Senior Citizens" and the "flood of salacious pornographic literature", both featured in separate articles in this issue.

WORDS OF RECOLLECTION FROM BALFOUR IN 1910

The Presbyterian Home for Children is carrying on in the tradition of the past, which goes back to Crabtree in 1904, with a sojourn at Balfour for a number of years.

The picture carried in OUR MOUNTAIN WORK in January prompted the letter sent to Mrs. R. D. Bedinger, whose father, the late Rev. R. P. Smith, D.D., was the real founder of the home.

Quotations from the letter, without the name of the "grandmother" who writes are significant and interesting:

"I shall never forget the day my two younger sisters and I went to the home for children at Balfour, N. C. It was a bright, sunny day in June, 1910. (I was ten years old). My Mother took us on the train from Canton to Asheville, where your father met us. He took us to his home for lunch.

"When we got off the train at Balfour, Mr. Smith pointed out the home, on a rolling hill a few blocks from the station. To me it looked like a big, white castle looming up among the big pine trees. I almost felt scared as I thought of Jack and the Bean-Stalk's castle and wondered if there might be a big giant there, but soon I was relieved, as we walked up the wide path, an elderly lady came out and down the path to meet us. She was Mrs. Temple, the matron of the home. She took our little hands in hers and said, 'Welcome! Children, this is your new home and we hope you will be happy here with us.'

"She looked so lovely and kind, I whispered to sister Maggie, who was standing near me and said, 'My! Isn't this a nice new place to live. Mamma said it would be, now I know.'

"She also instructed us to obey our teachers and be ready to learn all the nice things we could for she wanted us to grow up to be nice ladies and have an education.

"Soon we were acquainted with our three teachers and all the children, and we were happy and felt right at home. We each had our chores to do. We enjoyed our work because there were so many of us and it most seemed like playing a game to me.

"How very happy and excited we were when we were having company, everything had to be spic and span, our faces nice and clean, our hair combed and we dressed in our "Sunday best". Then we gathered in the front hall to meet the friends, entertain them with our Bible verses and the lovely songs Mrs. Temple had taught us.

"On the fourth of July the Church in Hendersonville would see that we had plenty of entertainment in Laurel Park, lots of good things to eat and my! how good the big, new tub of cold

lemonade looked, all 'stirred with a spade, made in the shade', every one laughing talking and having a good time."

"Our teacher had us learn quite a bit of the Bible and quote chapters and verses by memory. At times this would seem a little hard for us . . . I still can quote some of the chapters I learned. The 55th Chapter of Isaiah is one of them.

"I was sad when I left the home to go on to Morrison Industrial School for Girls. (In Macon County, operated by the Home Mission Committee of Asheville Presbytery for about twenty years.—Ed.) Soon I was just as happy there.

"All this early training surely has helped me in rearing my family and being a good neighbor in my community."

This dedicated "Grandmother" also mentioned the names of those whom she remembered in the home or at Morrison School. She mentioned Rev. and Mrs. A. H. Temple, in charge of the home, and Miss Elma Honeycutt, "a wonderful and kind teacher".

Of her own family she writes, in part:

A DAY AT PRESBYTERIAN HOME FOR CHILDREN

(Note: Mrs. Wm. T. Charnock, a former matron at The Presbyterian Home for Children, is Committee Chairman in the Executive Board of the Women of Asheville Presbytery, promoting this work. The following summary of "A Day At Presbyterian Home for Children", was given by her in her report to the District Rally at Bryson City.—Editor.)

If you could visit the Home at Black Mountain you would be immediately aware of the happy, homelike, Christian atmosphere.

A day begins with several of the older boys getting up early to go tend some of the farm animals, and a few older girls coming down with the dietician to get breakfast. Soon the whole place is alive with the happy chatter of children and everyone is on hand when the breakfast bell rings.

A brief breakfast table devotion is had before sitting down. This is led by the staff members in turn, often with the children participating. The children are used to being called upon unexpectedly for grace at any meal.

After breakfast, the rush is really on. By the time the bus pulls out for school, the breakfast is cleared away and the kitchen sparkling, the dormitories swept and straightened and the whole house looking pretty neat — well, almost. Someone has left a dust rag on the staircase, and here are someone's school books left behind — with the homework all finished, too. Occasionally somebody, usually a boy gets bus-left. But there's always a staff member to see that he gets to school.

In the afternoon many of the younger children play while most of the older boys and girls have chores. The boys have farm or yard work and the girls have duties in the kitchen or laundry. For the most part the work is done cheerfully and with pride. Of course, if Betty has a crush on Jimmy she will carefully pick out his shirts and iron them perfectly, never caring whether Bobby's or Tom's are done at all.

After supper things quiet down somewhat with lessons, TV, and evening devotions and prayers before bedtime.

"Our oldest granddaughter, Jackie H., graduates from David Lipscomb College, in Nashville, Tenn., this year. She is "Miss David Lipscomb" and is engaged to Robert W. of Athens . . . Bob is a promising young preacher. He is to get his Doctor's Degree (D.D.) this year.

And so the results of the work done in the Master's Name at the Presbyterian Home can be projected into the future of generations yet unborn, as well as seen in the lives of sixty boys and girls living there now.

IN COLLEGE

Joe Robinson a senior at the University of North Carolina has started his practice teaching. Joe will be teaching at the Proximity Junior High School in Greensboro, N. C. He will return to the University next fall to complete his final year of football after which he hopes to teach and coach somewhere in North Carolina. For those of you who would like to write him in Greensboro his address is: 404 Woodlawn Avenue, Greensboro, N. C.

Cecil Caldwell a freshman at Western Carolina is member of the Varsity Baseball team, one of the few freshman to make the team his freshman year. Cecil is a shortstop and we hear that he is doing real well. Cecil's address is, Buchanan Dormitory, Western Carolina College, Cullowhee, N. C.

Dan Hensley, a senior at N. C. State College in Raleigh, is in night school to pick up extra credits so as to finish next June. Dan's major is agriculture and he has expressed a desire to go into orphanage work upon graduation. Dan's Address is 4006 Greenleaf St., Raleigh, N. C.

Joan Cornwell graduated from Western Carolina with a degree in Primary Education. She is now in Georgia with her sister but hopes to return to North Carolina in the fall to do her teaching.

AT HIGH SCHOOL

Eddie Teters, Vestal Caldwell, Dale Hurst, Annie Mae Thurston and Billy Foster all Juniors at Owen High School have received their class rings and all of them are very proud of them. This is record number to be in the Junior class and if every thing goes well we will have all of them as seniors next year.

Spring sports have started at Owen High and eight of our boys are taking some part. Vestal Caldwell, Eddie Teters are members of the baseball team, and Steve Blankenship and Robert Myers are the managers. Edward Myers, Jack Guthrie, Billy Foster, and Jimmy Bell are members of the track team.

TONSILS

Sandra Langford, Rosalie Guthrie and Steve Bates had their tonsils removed April 9th. All are out of the hospital now and doing real well. This makes twelve children who have had their tonsils removed during the past year.

A RECORD

The sanitation inspection of the Home was held on March 26th and we are very proud to report that we received the highest grade that has ever been given. A big "A" with a grade of 93 is posted in the kitchen and the

office and all of us are real proud of it. The staff and the children are to be commended for the care and the interest they show in the Home. Only through their fine effort are we able to boast of this grade that we received.

FROZEN FOOD

We have a problem. Would some of you like to help? A year ago when the Farmers Federation gave up their freezer locker they caught us with over eight hundred pounds of meat and no where to put it. All of the freezer space in Asheville was spoken for and by luck we were able to find a place past Arden, N. C., to take our meat a distance of over twenty-five miles one way. This place is in the process of doing away with their freezer space and again we are going to be without a place to put our meat. We feel that three 22ft freezers will take care of our needs and give us plenty of room to store our vegetables this summer. A group of women from one of the churches is now working to get one of the freezers for us. If any group is interested in this project if they will get in touch with my office I will give them all of the details and will help in any way that I can.

WELCOME

Brenda Jo, Ronnie, and Katherine Stepp, from the Mills River area, joined our family on April 2nd.

VISITORS

Circle No. 13, of the Asheville First Church, held their regular monthly meeting with us on April 1st. "No fooling", April 1st we were glad to have all 23 of them meet here and eat dined with us.

At the meeting of Asheville Presbytery, April 9th, the special committee on "A Home for Senior Citizens" of which Rev. Wayne R. Aughinbaugh is chairman, was authorized to invite a man with practical experience to visit the presbytery and confer with the committee.

It was reported that, under the direction of this individual, a home had been successfully established elsewhere, to ultimately operate on a "self-sustaining basis".

The presbytery authorized the invitation for a conference and study of the possibility of establishing such a home in the presbytery and provided minimum funds for actual expenses of the conference.

It is hoped that the committee can make a further report to the July meeting.

ASSEMBLY HIGHLIGHTS — At Huntington, W. Va., April 25-29, 1963

The General Assembly is the highest court of the Presbyterian Church, U. S., composed of Commissioners, elected by each of the 80 Presbyteries, on the basis of local membership. (One Minister and One Ruling Elder for each 5,000 members, or fractions thereof.)

This body directs the activities of the Boards and Agencies which it has set up to conduct the cooperative work of the sixteen Synods and eighty Presbyteries, receives and acts on "overtures" and/or "resolutions" from lower courts relating to the work and testimony of the Church, takes the initial action with reference to changes in the Confession of Faith, Book of Church Order, or Form of Government of the Church, hears appeals from lower courts in the case of any judicial process, and interprets matters of Doctrine and Procedure in the life and work of the Church.

Some of the significant things done at the 1963 meeting are as follows:

WOMEN AS OFFICERS—By a vote of 279 to 143 sent a proposed amendment to the Book of Church Order that will permit the election of women as Ministers of the Word, Ruling Elders and/or Deacons. This will become law when a majority of the Presbyteries and a succeeding Assembly have given their approval.

CONFERENCE WITH OTHER BODIES — Heard an inspiring report, by way of a "forum discussion" conducted by eight leaders of the Reformed Church of America and of the Presbyterian Church, U. S., who have been exploring points of agreement between the two churches, with a view to closer co-opera-

DEVELOPMENT FUND GOAL TOPPED BY \$1,000,000

The General Assembly of the Presbyterian Church, U.S., was thrilled with the announcement that the \$12,000,000 Presbyterian Development minimum goal had been exceeded by over \$1,000,000.

With five hundred churches yet to report, the total underwritten to April 26th. by 1,567 churches is \$13,038,043.

This minimum goal was approved in 1962 in Winston Salem, and the ground work for presenting the challenge to the churches started then, with local appeals coming after January 1, 1963.

The fact that the "minimum goal" has been underwritten is no excuse to "let up" in an effort to raise a much larger sum.

The \$22,000,000 is in sight IF the churches that have not reported will do so in the same spirit of co-operation as those which have reported, and IF the churches that have reported will meet their commitments in full.

Prayer — Pledges — Payments are needed NOW to undergird the capital needs of the Assembly's Agencies.

At the time of going to press, eighteen churches of Asheville Presbytery had reported that they would give a total of approximately \$112,000 over the three year period for this project.

OUR MOUNTAIN WORK has carried a breakdown of the agencies to share in this effort, with World Missions receiving the largest single part. Also included is the Board of Church Extension, primarily for the acquisition of new sites for prospective churches. A half of all received by this Board from the churches of this Presbytery, will be allocated by the Board for work in the Presbytery.

PRESBYTERIAN HOME NEWS
by The Superintendent

Freezer Locker

We would like to thank Mr. and Mrs. Harry Guyer of Asheville for their gift of a freezer locker. As you know we asked for some help in securing these lockers for THE HOME in last month's issue of Our Mountain Work and we received fast action. The paper came out on Monday and on Tuesday we had a new freezer in the kitchen. It came none too soon for the next day we received notice that we must vacate our locker space in Arden by the 31st of May. We still need two more so if any of you would like to help please let us know.

No Seniors

For the first time in five years we do not have a senior in high school, but we do have five Juniors who will attend their first Junior-Senior Prom at The Grove Park Inn, May 11th. The five are: Annie Mae Thurston, Vestal Caldwell, Billy Foster, Dale Hurst, and Ed-die Teters. This is a big occasion for all of them as they have to dress formal for the affair. Many of the ladies of the churches worked hard to find the right things that all of them needed for the event. Many thanks for all of your who helped us on this project.

Big Garden

Mr. York and the boys have been working very hard for the past month to get all of their planting done. We were blessed with good weather and we are farther ahead in our work than we have ever been before. We are making a much larger garden this year for we feel that with our freezer lockers on the campus we can freeze more of our food. One of our largest cost items here at THE HOME is food. It takes a lot of food to feed fifty-nine children three times a day. We hope that we can show a decrease in cost for the next year with the things we bring in from the farm.

Friends Of The Home

A group of Presbyterian women under the leadership of Mrs. Clyde Snyder, and with able help from Mrs. Agnes Wheler and Mrs. Sarah Kiser have raised the grand total of \$485.00 to furnish the little girls playroom. This group who called themselves "Friends of THE HOME," worked for three months to raise the money for this project. Money was raised to paint the room and also for new drapes. A sofa, two chairs, four small stack stools, a tree lamp, and two nice pictures for the wall. We would like to thank Mrs. Snyder and her group for the hard work that went into this project as this is the only room in THE HOME that did not have suitable furniture.

DUKE ENDOWMENT RATINGS
FOR PRESBYTERIAN HOME

The Duke Endowment not only ap-propriates funds for the assistance of thirty child-care institutions in North and South Carolina, but it compiles helpful statistics regarding each institu-tion aided.

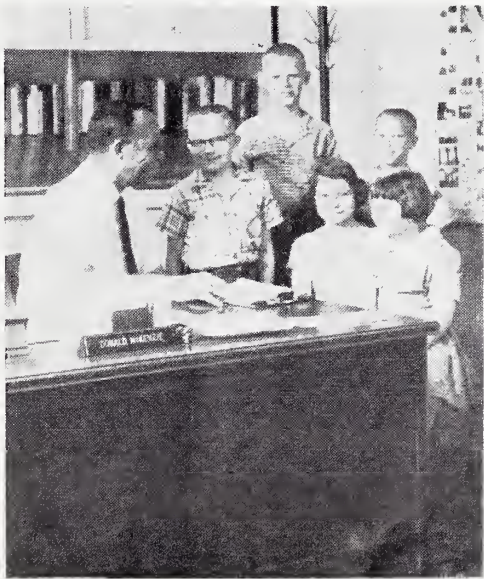

Friends of THE PRESBYTERIAN HOME will be interested in that group of sta-tistics relating to eleven of these with enrollment of 68 or less children.

The record of THE PRESBYTERIAN HOME is given below in comparison to the High, Low and Average figures for the entire group of eleven institutions. Figures in parenthesis are for 1961.

CHILDREN CARED FOR			
All Eleven	51.9	(52.4)	
Presbyterian Home	59.5	(53.9)	
COST PER CHILD PER DAY			
All Eleven	\$3.63	(\$3.50)	
Highest Cost	5.18	(5.27)	
Lowest Cost	2.77	(2.63)	
Presbyterian Home	3.06	(2.94)	
CHILDREN PER STAFF MEMBER			
All Eleven	4.9	(5.0)	
Highest	8.1	(7.4)	
Lowest	1.8	(1.9)	
Presbyterian Home	6.6	(6.0)	
PERCENT OF COMMON COSTS			
SALARIES			
All Eleven	34.3	(34.4)	
Highest	44.0	(43.2)	
Lowest	25.0	(24.7)	
Presbyterian Home	27.8	(29.8)	
SUPPLIES			
All Eleven	47.6	(45.9)	
Highest	60.5	(57.1)	
Lowest	33.0	(33.4)	
Presbyterian Home	60.5	(53.1)	
MISCELLANEOUS			
All Eleven	18.1	(19.7)	
Highest	29.6	(33.5)	
Lowest	6.1	(6.6)	
Presbyterian Home	11.7	(17.1)	

There are varying circumstances that make it impractical to compare these eleven institutions too strictly. However, the entire picture indicates a conserva-tive and economical management of THE PRESBYTERIAN HOME, and a reasonable over-all cost of operation.

APPALACHIA SYNOD HOLDS 49TH ANNUAL SESSIONS

The Synod of Appalachia adjourned the 1963 meeting at Sequoyah Hills Presbyterian Church, Knoxville, on May 29th at 5:45 P. M., to meet on May 26, 1964, at King College, Bristol, Tenn.

Rev. J. M. Ellis, D.D., regional director of Christian Education for the Synod, was named moderator, to succeed Dr. J. Park McCallie, layman of Chattanooga. Dr. McCallie, age 84, was recognized for his able leadership in many phases of the Synod's work, particularly in the field of education.

Dr. McCallie characterized his opening message as a "testimony" rather than a "sermon". His theme was, "Jesus Christ is Alive."

Outstanding messages were brought to the body by Dr. Manford George Gutzke, professor at Columbia Theological Seminary, Decatur, Ga., on "Making The Bible Come Alive", and Dr. George H. Vick, executive secretary of the Board of Annuities and Relief, Atlanta, on the work of this agency of the church.

Visitors who spoke briefly of their work included Dr. Frank H. Caldwell, president of Louisville (Ky.) Presbyterian Theological Seminary, and Dr. C. Grier Davis, president of Mountain Retreat Association and Montreat-Anderson College.

The matter that consumed the greatest time came as the result of ten overtures or communications sent to the Synod by Knoxville Presbytery, several individual churches in Knoxville Presbytery and from other church bodies relative to the Presbyterian Student Center at the University of Tennessee, Knoxville.

The attention of the Synod was called to what were alleged to be certain activities at the center, not in keeping with the purpose for which it was established, and the doctrinal emphasis of the total program. The center is operated by a board of directors from the Presbyterian Church, U. S., through the Synod of Appalachia, and the United Presbyterian Church, U. S. A., through the Synod of the Mid South. This board employs a student minister, Rev. Ewell J. Reagin, a member of Union Presbytery of the Synod of the Mid South.

BUILDING WAS DEDICATED AT WESTMINSTER CHURCH

Dr. Wm. H. McCorkle, pastor of the First Presbyterian Church, Bristol, Tenn., and currently moderator of the General Assembly, preached the sermon at the dedication of the new building of the Westminster Presbyterian Church, on June 2, 1963.

Under the leadership of Rev. B. Blake Breitenhirt, the Westminster Church was organized in the fall of 1958 and worshipped for four years at the Haw Creek School.

The combination, educational and fellowship building was erected on Overbrook Road, near Beverly Hills, at a cost of approximately \$100,000. The congregation uses the fellowship hall for regular worship services, anticipating the erection of a sanctuary at a later date.

Participating in the dedication service were Dr. W. G. Thomas, stated clerk of the Synod of Appalachia, and chairman of the Presbytery's Church Extension Committee, and Dr. R. E. McClure, executive secretary.

GRACE COVENANT GROWING WITH BUILDING PROGRAM

Grace Covenant is now ten years old, and has begun their second major building program, and conducted their fourth campaign for Capital Funds in this short period.

Ground was broken for an educational building, to take the place of the school structure once a unit of the Asheville-Biltmore College before they moved twelve years ago.

Their current campaign for funds includes the capital needs of King College, and the Presbyterian Development Fund as well as their own building needs. The two story educational building will cost approximately \$106,000.

Under the leadership of Dr. Paul F. Warren, this congregation has seen substantial growth in the ten years, and contributes generously to the cooperative work of the Presbytery, Synod and General Assembly causes.

Dr. Warren has been pastor of this congregation since it was organized in 1953.

Every Church is asked to send a definite percentage of total gifts (exclusive of building funds) monthly, to provide current funds for each agency.

Such funds are disbursed to the causes on the 12th of each month, to make them available for actual service at the earliest possible date.

MISS STRIBLING ACTIVE IN SURVEY PROGRAMS

Two new churches have been organized in the Presbyterian, U. S., Synod of Appalachia since the body met in June 1962, and following local surveys made by Miss Bessie May Stribling, Church Extension Worker for the area.

Miss Stribling, a native of Westminster, S. C., is employed by the Board of Church Extension of the General Assembly of the denomination, with headquarters in Atlanta, and assigned to work in Appalachia Synod, which includes parts of Virginia, North Carolina, Tennessee and Kentucky.

According to her report and records of the presbyteries submitted to the meeting of the Synod at the Sequoyah Hills Presbyterian Church, Knoxville, on May 28th, the organization of the West Hills Church, Knoxville, and the Fincastle Church, Bluefield, Va., followed her surveys.

In three other areas, Gatlinburg, Tenn., North Johnson City, Tenn., and Hendersonville, N. C., plans are on foot that will probably result in new congregations.

All together, she reported nineteen surveys, some to strengthen existing work, which involved 3,325 local visits. She has been engaged in this work since 1953, under the direction of the Church Extension Committee of the Synod.

ELEVEN FROM PRESBYTERIAL AT '63 TRAINING SCHOOL

APPALACHIA SYNOD from page 1

The Synod considered the issues for more than four hours, heard the recommendations of the Synod's Committee of Christian Education, which sponsors the work, through a sub-committee of which Rev. Paul F. Warren, Asheville, is chairman, as a part of "Campus Christian Life" work on five campuses. (Clinch Valley College, Wise, Va., East Tennessee Teachers' College, Johnson City, Appalachian State Teachers' College, Boone, N. C., and Western Carolina College, Cullokhee, N. C., in addition to the UT work.)

No charges were preferred by the Synod, and all correspondence was referred to a Bills and Overtures Committee, which also made its report.

After considering reports of both committees and two of the directors of the Center, the Synod took the following action:

A Commission of sixteen was named to make a full investigation and was given full power to act in any way they thought best. All overtures, communications and information were referred to the Commission.

The Synod declined to withdraw any support from the Center, pending the decision of the Commission. The student minister's salary and other costs are shared on a 60-40 basis by the Presbyterian Church, U. S., and the United Presbyterian Church, U. S. A., with a substantial part of the funds coming from local congregations.

The following were named on the Commission, having been previously nominated to the Moderator by the respective presbyteries. In the event any member could not serve, the Moderator, in conference with the Stated Clerk of the presbytery involved, was authorized to name a substitute. J. CHRISTIAN EDUCATION WORK VARIED THROUGH SYNOD

Under the general guidance of Rev. I. M. Ellis, as regional director, the work of Christian Education covers many areas of work. In the report of the Synod's Committee, made by Rev. Kirk Allen, Kingsport revealed significant facts.

It will take \$53,000 to do the work the committee outlined, and the Synod approved as worthwhile and essential.

"Far too many churches and pastors have not taken advantage of the opportunities offered in seminars and other means to prepare themselves" for initiation of the "Covenant Life Curriculum," to be inaugurated in the fall by the use of a study "Into Covenant Life", by Rev. Wm. B. Kennedy.

GUIDANCE CENTER

THE CENTER, during the year has aided 247 persons throughout the Synod. Headquarters at King College, under Rev. Ben F. Williams. Help over next few years will come from funds raised in 1962 Birthday Gift of women.

A FILMSTRIP, produced by the Center is available for local churches, "The Presbyterian Guidance Program for the Synod of Appalachia." Secure it for the Center, King College, or the office of Synod's Christian Education Office, 620 State Street, Knoxville, Tenn.

CAMPUS CHRISTIAN LIFE

Under a sub-committee, headed by Rev. Paul F. Warren, Asheville Presbytery, work is sponsored on five college campuses.

The emergency at the University of Tennessee (see special story) claimed most attention). The budget of the Committee for 1964 did include an additional appropriation to enable the securing of a full time minister to serve at Western Carolina College, Cullowhee.

MEN'S WORK

The big emphasis was on the Men's Convention which will be in session (June 20-23) in Dallas, Texas. Because of the Dallas gathering there will be no Synod's Men's Conference. Benjamin Thompson, Kingsport, is president of the Men of the Synod.

LAB SCHOOLS

Commuters' Laboratory Schools are scheduled in Asheville, July 7-12, and Pulaski, Va., July 14-19, for teachers and leaders of the Children's Division of the Church School. This includes Nursery, Kindergarten, Primary, and Junior Departments.

Details of the Asheville school are carried in another column. The Pulaski school will be similar.

THREE CANDIDATES from page 1

The three candidates planning to come in July are: Tom Byrd, Kenilworth, a rising Junior at the University of N. C.; Larry Kidd, Hazelwood, who will enter Montreat-Anderson College in the fall; and Wm. H. Jackson, rising Middler at Union Theological Seminary, Richmond, Va.

James McD. Davis, also a rising Middler at Union, and Larry Minnich, a rising Junior at Yale University, both of the Asheville First Church, plan to be received by the Presbytery at a time convenient for their attendance.

Mr. Jackson is the son of Rev. and Mrs. James L. Jackson, of the Malvern Hills church, and Mr. Davis is the son of Dr. and Mrs. C. Grier Davis, Montreat.

SCHOOL SCHEDULES HAMPER CONFERENCE ATTENDANCE

The Senior High Conference, Montreat, June 5-8, had an attendance of only fifty-one registered delegates from nine churches of the Presbytery.

Under the leadership of Rev. Fred F. Guthrie, Franklin, with Rev. R. W. Gray, Black Mountain, as business manager, the conference was reported as very helpful.

Delayed closing of local public schools kept many from attending, and made it necessary to shorten the conference by one full day.

Attending as delegates were: From Hendersonville and Black Mountain, 13 each; Franklin, 10; Andrews and Asheville 1st, 4 each; Brevard-Davidson River, 3; West Asheville, 2; and Lakey Gap and Sylva, 1 each.

EDUCATIONAL INSTITUTIONS

There is room here only to name them. A more detailed report from King College is found elsewhere.

The Synod is related to two Theological Seminaries.

Louisville (Ky) Presbyterian Theological Seminary has just moved to their new campus, with room for growth. They hope to double their student body in a short while.

Union Theological Seminary, Richmond, Va., has set a goal of \$6,240,000 to cover most urgent needs from now to 1970.

GOALS FOR THE WORK DONE ON COOPERATIVE BASIS

UNDERWRITTEN IN THE EMC
The Synod of Appalachia approved a goal of \$623,593 as the part (with fifteen other Synods) of the operating cost of the work of the General Assembly, and recommended its apportionment to the Presbyteries.

The Synod also set amounts for the causes as definite responsibilities of the Synod, including a proportionate amount of the needs of two Seminaries (Union at Richmond, Va., and Louisville (Ky.) Presbyterian.) which totalled \$252,617.

These amounts are to be underwritten just as far as possible by local churches in their Every Member Canvass in the Fall. The grand total being asked of 49,000 members is \$976,210, distributed as follows:

BENEVOLENCE BUDGET FOR 1964					
ASSEMBLY	TOTAL APPT. 100%	ABINGDON 16.9%	ASHEVILLE 13.6%	HOLSTON 27.5%	KNOXVILLE 42%
World Missions	\$301,195	\$ 50,902	\$ 40,962	\$ 82,829	\$ 126,502

Ministers' Convocation

Montreat — November 4-6, 1963

Put this date on the Calendar for your Minister.

A significant event in the life of Appalachia Synod is planned for November 4-6, at Montreat, N. C.

Similar gatherings in previous years have been greatly hampered by a small attendance, while those who did attend found a great blessing.

Now is the time for local sessions to consider plans to enable ministers to attend.

It will be a blessing to the minister and he in turn will bring a stimulating enthusiasm back to the church.

McCALL INJURED IN AUTO ACCIDENT LAST MONTH

Rev. G. D. McCall, pastor of the Highlands Presbyterian Church, was injured seriously in an auto accident in Henderson County early in May.

His wife was also injured, but less seriously and the children escaped with minor bruises. After two days in the hospital in Hendersonville, Mrs. McCall returned to Highlands. Mr. McCall returned to Highlands in approximately ten days.

Their many friends will rejoice that it was not more serious, and pray for a complete recovery.

CANDIDATES RECEIVED BY PRESBYTERY ON JULY 9

Four young men were received by Asheville Presbytery as Candidates for the Gospel Ministry at the July 9th meeting, and one candidate for lay service recognized.

The stated clerk called attention to the fact that James McD. Davis, who has completed his first year at Union Theological Seminary, expects to apply at a later date. He also announced that Robert E. McClure, Jr., who had formerly been under the care of the Presbytery as a Candidate, plans to enter the Presbyterian School of Christian Education in the fall, preparing for service as a DCE.

\$259,460 WILL BE 1964 GOAL FOR ALL CHURCH AGENCIES

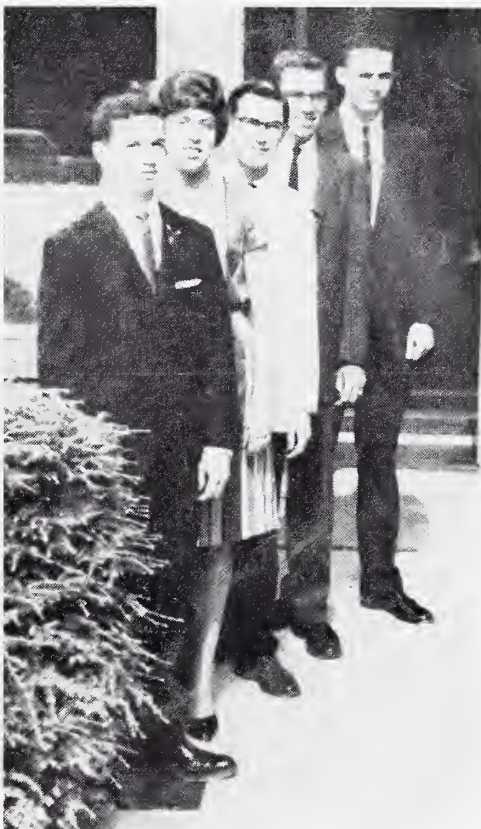

Asheville Presbytery approved a goal of \$259,460 for the agencies of the Presbytery, Synod and General Assembly, to be set before the churches in their Every Member Canvass appeals in November, for budget needs in 1964.

This is \$12,996 more than similar figures for 1963 (adopted in July 1962), due primarily to increased costs of operation at the PRESBYTERIAN HOME FOR CHILDREN and anticipated operational use of the Presbytery's camp site next year.

It is hoped some economies can be reflected in the actual disbursement basis, which will be adopted in January 1964, in the light of yearly reports, but the major emphasis will be an appeal for larger response in 1964 to meet the full askings.

HOME FOR SENIOR CITIZENS STUDIED BY PRESBYTERY

Rev. Wayne R. Aughinbaugh, pastor of the Waynesville Church, and chairman of a special committee to study the possibility of a "Home for Senior Citizens" within Asheville Presbytery made a report of progress at the July 9th meeting of the Presbytery.

Sufficient interest shown in the investigation prompted the Presbytery to adjourn to meet at 2 p.m., July 31st, at the First Presbyterian Church, Asheville, to hear definite recommendations concerning such a home.

At the April meeting the Presbytery named a committee of which Mr. Auginbaugh was chairman, together with Rev. J. C. Lime, Canton, Dr. C. L. Newland, and Mrs. C. Y. Patton, Sr., both of Brevard, Jack Barfield and Mrs. F. A. Plummer, both of Asheville, L. H. McKay, Hendersonville, and two consultants from Asheville Presbyterial.

Mr. Aughinbaugh told the Presbytery that he had had many inquiries since the action of the April meeting and that there were recommendations for the Presbytery to consider. In response, the Presbytery asked this committee to meet and to prepare these recommendations in writing for consideration at a subsequent meeting.

The Presbytery agreed to meet in adjourned session at the request of the chairman to hear this special report. The decisions made at the July 31st meeting will be reported in August.

According to Mrs. Hugh Lamb, treasurer, the gift from the Women of Asheville Presbytery was over \$4,000 and still growing.

The total, \$295,144 was presented to Dr. T. Watson Street, executive secretary of the Board of World Missions for evangelistic work in Mexico and Brazil.

Presbyterian Home News --- By The Superintendent

VACATION OVER

The two weeks summer vacation ended for all the children on July 8th. We would like to thank all of our many friends for helping us make this a wonderful summer. All of the children came back with happy memories of the things that were done for them.

BIBLE SCHOOL—DAY CAMP

The small children will attend a two weeks vacation Bible school at the Black Mountain Church from July 22nd to August 2nd. The annual Day Camp will be held on the campus from August 12th to August 16th. Also the Pioneers will be in attendance at Presbytery's Camp at Banner Elk, the latter part of July.

COLLEGE STUDENTS

Joe Robinson left early in June for Long Island, N. Y., to work in a boys' camp for the summer. A few of the boys were sent by his coaching staff from Chapel Hill and Joe was thrilled with the chance. We have received a letter and he tells us that he is having a grand time, plus gaining experience for his future work.

Cecil Caldwell, a rising sophomore at Western Carolina College, is working at Beacon Manufacturing Co., in their little league program, and also serving as life guard at the pool.

Dan Hensley, a senior at N. C. State, was married to Susan Davidson, of Orlando, Fla., on June 28th. Rev. Robert

W. Gray, pastor, performed the ceremony in the Black Mountain Presbyterian Church. The bride's parents have a summer home at Black Mountain, she has served as a counselor at Camp Bridewood. Dan is working in Raleigh this summer and will continue his studies at N. C. State in the fall.

GREEN GROWS THE GARDEN

Mr. R. L. York and the larger boys have a wonderful garden to show for their work this summer. It is the show place on the campus and all of us are very proud of it and them. When we realized that we would have ample space on the campus for frozen food, Mr. York planted enough to make sure that we would fill all available space. This will save on our food bill and give us a chance to have our own frozen foods in quantity for the first time. We are very thankful for the response of our friends who made these freezer lockers possible.

FROZEN BEEF

We would like to thank Mr. Henry Fisher for the beef that he donated to THE HOME. This was a wonderful contribution for it filled one of the lockers, with much needed meat to feed the family this summer. The average person does not realize how much seventy hungry folk can eat, especially if fifty-nine are growing children, and proverbially hungry three times a day. So you can see what this gift means to all of us.

FREEZERS, FROZEN FOODS GARDENS, APPETITES, AND BUDGETS

In the May 1963 issue of OUR MOUNTAIN WORK a report was given of the gift of Mr. and Mrs. Harry Guyer of a 20 cubic foot freezer for THE PRESBYTERIAN HOME.

The need for the freezer became acute when the firm renting "locker space" notified THE HOME that they were closing their storage by the end of May. (Rental had already been paid for the full year, 1963.)

Mr. and Mrs. Guyer saw the report in the May issue, and within twenty-four hours had the new freezer at THE HOME. When the Board realized the situation they ordered the purchase of four additional freezers.

There were several hundred pounds of meat in the rented space.

It was necessary to travel forty miles, round trip to put meat on storage, or to get meat for kitchen use.

The distance, and rental cost, made it impractical to do as much freezing of fruits and vegetables as should be done.

All in all it would be an economy to store in freezers at home, and eliminate travel. It would afford opportunity for storing more frozen food from the garden and orchard.

In addition, to have a number of twenty foot freezer boxes would be less expensive than a large walk-in freezer locker, and more convenient as well.

SEVEN CHURCHES ENROLLED FOR AREA LAB SCHOOL

A very satisfying Area Lab School was held at the First Presbyterian Church, Asheville, July 7-12, with Mrs. Lawrence F. Kinney, Memphis, served as Educational Director, and Miss Jessie Hodges, DCE at Asheville First, as Administrator.

While it was hoped that more adults would participate from churches in commuting distance of Asheville, the school did enroll representatives from seven churches: Asheville 1st, Hendersonville 1st, Brevard-Davidson River, Oak Forest, Grace Covenant, Kenilworth and Westminster.

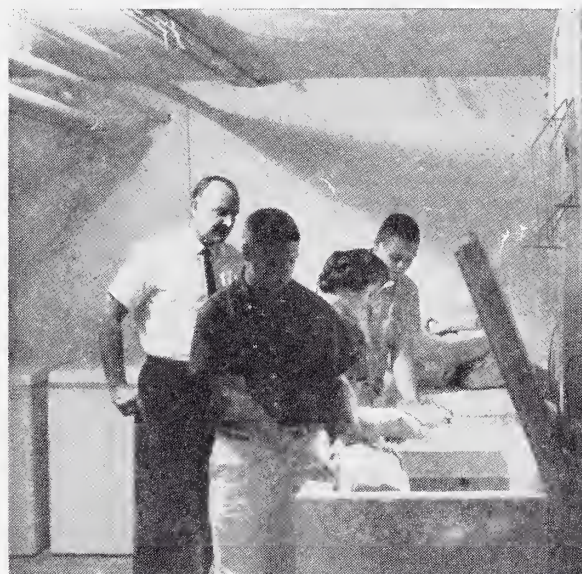

Children from the Asheville First Church formed the daily classes, which were observed by the adults. There were four such classes:

Nursery Children, with Mrs. John B. Roberts, Lexington, Ky., as teacher.

Kindergarten Children, with Mrs. Raymond P. Carter, Louisville, Ky., as teacher.

Primary Children, with Miss Tommie Lou Rigdon, Meridan, Miss., as teacher.

Junior Children, with Mrs. John R. Smith, Atlanta, Ga., as teacher.

Don C. McKenzie, superintendent, supervises the transfer of frozen meat to the new freezer unit. They are not "full to the brim" now, but they are ready to receive several hundred pounds of pork being processed, much more frozen fruits and vegetables anticipated from a larger garden, as well as beef when one or more steers are slaughtered at a later date.

As a matter of fact, it is expected that it will be possible to use two additional units to accommodate all the food available before the summer is over.

A few echoes of the above reached the ears of friends and four additional boxes were purchased at a cost of \$865.20. To meet this cost came contributions from Miss Mary C. Mullen, Mr. J. Bennett Cooper and the women of the First Presbyterian Church, Asheville. These gifts, together with a refund from the advance payment on the freezer lockers, reached \$840.75, just \$24.44 short of the cost of the four new boxes.

The garden gives good promise, under the direction of Mr. R. L. York, of producing a much larger supply of vegetables to be frozen for future use. The five boxes on hand will meet a real need, but two or more units would serve to provide storage for even more supplies.

THE HOME is exceedingly grateful for the immediate and enthusiastic response to this real need. It is hoped that by the time the August issue is on the press, a report can be given that two more units are on the campus, and that the garden is keeping all seven boxes full to the brim.

*What Do You Know About***THE REFORMED CHURCH
OF AMERICA?**

The General Assembly of the Presbyterian Church, U. S., adopted a resolution in 1962 which provided that "joint conferences" be held with representatives of the General Synod of the Reformed Church in America "as branches of the holy Catholic Church, to seek together a fuller expression of unity in faith and action."

Both bodies appointed committees of twelve, "to report annually beginning in 1963 to the General Synod and to the General Assembly the results of these studies and explorations."

Rev. B. Hoyt Evans, Huntersville, formerly a member of Asheville Presbytery was named as one of the twelve from the Presbyterian Church, U. S.

A feature of the recent meeting of the General Assembly, Huntington, W. Va., was a panel discussion of representatives of both churches. It was a significant occasion, when much vital information concerning both branches of the Presbyterian and Reformed faith was shared. It laid a wholesome foundation for future studies, and could conceivably lead to a closer working relationship with this body.

For the above reasons TRAV, the Committee of the General Assembly on Television, Radio and Audio-Visuals made a tape recording of the entire discussions. The essential parts of the discussions have been made available on a record, with a playing time of a little over forty minutes.

This record gives the gist of the which was received with enthusiasm by members of the Huntington Assembly. It is a significant recording, and could be used with profit in local groups interested in the future of these two branches of historical Presbyterianism.

Aside from the fact that these two bodies are mutually "investigating" each other, it should be noted that they are cooperating in the developing of the "Covenant Life Curriculum", to be introduced this fall in the form of an adult study course, with a larger use throughout the educational program of the local congregation in 1964, and years following.

This preliminary statement is designed to encourage local groups to secure this record and make it a "program" for circles, sessions, diaconates, and other groups.

Two copies are available from the office of the Executive Secretary, upon request. There is no charge, other than the cost of a prompt return after local use. If you desire to use this record, let the Executive Secretary know when, and will be available on a first come, first serve basis.

*An Editorial —
In Appreciation*

The editorial policy of **Our Mountain Work** can be emphasized by an exception, namely, by including "An Editorial."

There are times when a word of appreciation is in order. This time, it would require many words to many persons to even start.

As inadequate as they are, we must at least try to say a heart felt, "Thank you," to the many laymen who have given life and heart to the work of Asheville Presbytery through the years.

It takes at least four hours time to attend the monthly meeting of the Board of Trustees of the Presbyterian Home for Children. One half of the Board are laymen, and half as many are dedicated women. That's more than a "Forty Hour Week" in the course of a calendar year, not to mention the many other hours of committee meeting and attention to countless details in the administration of The Home.

Space will not permit the listing of time and talents given to the Church Extension Committee of the Presbytery, the Committee on Christian Education, attendance on quarterly meetings of the Presbytery, and diligent service rendered quietly, in so many different fields of service. And most of these are also active as members of local sessions, diaconates, teachers, in church schools, Boy Scout Leaders, where a like dedication is shown.

One of the challenging experiences of the writer, as Executive Secretary of Asheville Presbytery, for the past score of years, and one of his invaluable privileges has been to fellowship with such men of ability and dedication.

And the word of appreciation goes beyond the bounds of the Presbytery, the Synod and the General Assembly.

The Church of Jesus Christ, whether Presbyterian or other organized body, is alive and thriving today because of the dedicated men and women, serving as lay members.

Indeed, words of appreciation are in order, but there are not enough, and their quality is inadequate, except as they are summarized in that final word, from the lips of the Master: "Well done, good and faithful servant."

**DR. L. NELSON BELL AND
WORLD MISSION BOARD**

Dr. L. Nelson Bell, formerly a medical missionary in Korea, more lately a resident of Montreat, and for many years a prominent surgeon in Asheville, has served on the Board of World Missions of the General Assembly for fifteen years.

A letter, addressed to Asheville Presbytery, was read by the Stated Clerk, at the meeting, July 9th. It was from Rev. T. Watson Street, Executive Secretary of the Board and ordered printed in **OUR MOUNTAIN WORK**.

Dear Fathers and Brethren:

The meeting of the General Assembly of our Church brings to completion another year's service on the Board of World Missions by Dr. L. Nelson Bell, a member of one of the congregations of Asheville Presbytery. Dr. Bell has served faithfully and enthusiastically in the service of our church's overseas missionary work.

Our church has a program of missionary outreach overseas of tremendous extent. Not only do we have a great denominational program, but we share in cooperative enterprises, including worldwide ventures in literacy and literature and theological education and relief, to bring the ministry of Christ to some fifty countries where we do not have missionaries.

The responsibility for administering the overseas work of our church has been placed by our General Assembly on the Board of World Missions. This Board, therefore, has great responsibility. Its work demands great expenditure of time and thought and study from the members of the Board.

Not only has this Presbytery shared so generously and faithfully in the support of the overseas missionary program of our church, but in the person of Dr. Bell to have shared personally in the direction and supervision of our church's missionary outreach. Let me express to the Presbytery our debt for the services of Dr. Bell and our appreciation for your willingness to share the strength and time of this Board member.

With sincere appreciation, I am
Most cordially,
(T. Watson Street.)

\$259,460 GOAL

From Page One

According to information from the Central Treasurer, there is good reason to expect gifts of approximately \$210,000 from the churches this year. On this basis an increase of one fourth in total gifts in 1964 will be needed to give every cause its full share.

The current situation at THE PRESBYTERIAN HOME is reflected in another column of this issue. The development at the camp site will be featured in another issue. There is good hope at the present that some form of "tent" camping can be planned for from four to six weeks in 1964.

The \$259,460 goal for 1964, as approved by the Presbytery included the full amounts asked by the Synod for Synod and Assembly Causes, the needs of the agencies of the Presbytery, as presented by them to the Council, and amounts set by the Presbytery for "Presbytery Related Causes".

MAGGIE VALLEY PURCHASE

The Church Extension Committee has purchased a seven acre tract of land on US 19, in Maggie Valley, Haywood County, looking forward to a future church there.

The land lies on the north side of the highway, just opposite Camp Dellwood, fronting the highway 813 feet, with a depth of over 400 feet to Jonathan's Creek.

It is planned to sell a portion and retain at least three acres for church use.

Reports The Response

In Support Of
The Work Done Together

In January, 1963, Asheville Presbytery asked each church to indicate the amount of money they could reasonably be expected to contribute for the Budget needs of the Agencies of Presbytery, Synod and General Assembly.

Presbytery directed that these funds be divided on a basis that would assure, as far as possible, that each agency would receive a proportionate part of all gifts anticipated through the year. Twenty-four of the thirty-four churches responded, but *Ten Did Not*.

The amounts actually given in 1962 were taken as a reasonable amount to expect from these ten. This total with that reported by the twenty-four, indicated that \$151,000 could be expected in 1963 from the regular budget giving of the local churches.

One half of this annual goal is \$75,500, anticipated from the churches through June 30, 1963 at the local level.

Churches were asked to remit current funds by the tenth, and the following report is given of receipts to July 10, by the Central Treasurer:

	1962	1963

INTER CHURCH AGENCIES AND ASHEVILLE PRESBYTERY

The General Assembly, through the Synod of Appalachia, is asking the churches in Asheville Presbytery to contribute \$21.42 in 1964 to "Religion In American Life", one of four agencies included under the head of "Inter Church Agencies".

This agency will, beginning in November, sponsor an effort to focus attention on the religious institutions of America through the facilities of radio, television, newspapers, magazines, outdoor posters, platform posters and cards, donated by the industries as a public service through The Advertising Council.

It is estimated that it would cost more than ten million dollars to buy the volume of advertising contributed through Religion in American Life.

Inter-Church Agencies included four agencies by action of the General Assembly, and the share of the \$238 asked of Asheville Presbytery for each in 1964 is:

National Council of Churches	\$ 109.48

Geneva Building	16.66
Lord's Day Alliance	9.52

The Presbytery approved the naming of a special committee of ten to promote this work in the summer and fall. Dr. Thomas is to call the committee together, and they will name a single individual to direct the emphasis. The first meeting was held on July 16th, and a report of their plans will be made in the next issue of OUR MOUNTAIN WORK.

SWANNANOA CONGREGATION ERECTING NEW CHURCH

The congregation of the Swannanoa
Presbyterian Church observed "home
coming" with their final service in the
building in which they have worshipped
for nearly one hundred years.

This service was conducted by their
pastor, Rev. Henry S. Schum, who re-
minded the congregation that they were
about to erect the fourth sanctuary since
the church was founded in 1892. It was
first the Patton Meeting Place, a log
house, near the present site of Warren
Wilson College, and later was known
as Piney Grove Presbyterian Church.

A careful examination of the sanc-
tuary being torn down indicated that it
was badly in need of structural repairs,
and too small for the current congrega-
tions. (Chairs have been brought in
almost every Sunday for the past six
months.) For these reasons the congre-
gation voted to erect a new building
on the present site.

The new building will be twenty feet
wider and thirty feet longer than the
old structure. It will cost about \$80,000
of which half has already been raised.

The second building was a wooden
structure erected on the present site
and dedicated in 1839 by Rev. James
McRae, D.D., then in his 89th year.

In addition to the erection of a new
sanctuary, the present educational build-
ing will be renovated and new furni-
ture will be purchased for the new
sanctuary.

During the period of construction the
congregation will worship at the Swan-
nanoo Elementary School.

THE CIRCLE OF PRAYER AND THE LEAST COIN FELLOWSHIP

This is a project endorsed by the Board of Women's Work and commended to "all women of the Presbyterian Church, U. S."

It was first proposed by a woman of India and endorsed by the women of Asia in 1958 at the Hong Kong Conference.

The idea is that every woman contribute each month "the least coin" in the currency of the country in which they live, to be administered through an international fund for "the women of the Fellowship by the East Asia Christian Conference for projects of evangelism in the Name of Christ."

According to a statement from the Board of Women's Work, "In September, 1963, those participating in this ecumenical venture will bring their offerings together for a special service of prayer and dedication. In October of 1963 these offerings will be sent by the local Treasurer to the Presbyterial Treasurer who in turn will forward them to the Treasurer of the Board of Women's Work. From there they will go direct to the East Asia Christian Conference to be administered."

NURSES GRADUATE—

For a number of years the graduation exercises of the School of Nursing of the Memorial Mission Hospital, Asheville, has been held at the First Presbyterian Church, Asheville.

Twenty-four diplomas were awarded on September 6, 1963, by Mr. W. W. Lowrance, Administrator of the hospital. The invocation and benediction were pronounced by Rev. A. Allen Gardner, Jr., pastor of the church.

Fifteen were from the area included in Asheville Presbytery. Two were members of the Presbyterian Church.

What Is Church Extension?

“Church Extension” is the name currently given to that activity of your Church engaged in sustaining existing organized work and in establishing new congregations throughout the geographical limits of the General Assembly.

CONGREGATIONAL MISSION

Theoretically, it begins in the local congregation, under the general classification of “Congregational Missions”. This usually refers to work that is done through out - post Sunday Schools, preaching points, or other activities calculated to lead ultimately to the establishment of a new congregation.

For many reasons, some of which are to be genuinely regretted, this form of activity is growing less and less. So far as is known there is not a single “outpost” mission of any kind conducted by any congregation in Asheville Presbytery. Lakey Gap, Friendship, Arden and other churches had their origins through such activity.

PRESBYTERY’S WORK

It has long been recognized that the most important field of “Church Extension” is on the level of the Presbytery. Only a very few churches have been able to call a pastor, carry on local activities, and share in the responsibilities for the larger work of the denomination, without initial aid. It has been said that every church in Asheville Presbytery at some time received such basic aid.

When the Presbytery was organized on December 6, 1896, only three congregations were “self-supporting”, and two of these depended on grouping with other churches for their “self-support”.

When the Presbytery was first erected the work was important enough for the establishment of a legal corporation, “The Home Mission Committee of

YOUR COMMITTEE—

Functioning since 1897 as “The Home Mission Committee of Asheville Presbytery, Inc.,” and known as The Church Extension Committee of Asheville Presbytery, with twelve members appointed by the Presbytery for terms of three years each:

Asheville Presbytery, Inc.” to hold property, receive and administer legacies, trusts, and other gifts, for the work of “Church Extension” and its related activities.

Before the advent of good roads, public education, etc., a fundamental channel to reach the people was through education. As such, the Home Mission Committee established schools, at Rosman, at Canton, in Macon, Graham and Haywood counties. Four of these schools were augmented by “boarding departments”, and two of these were for children not able to pay board. Thus in January 1904, “The Mountain Orphanage” (Now, “The Presbyterian Home for Children”,) was opened. As public education met the needs of these schools, they were gradually closed, with the exception of The Mountain Orphanage, which continued as a part of the work of so called “Home Missions” until it was incorporated as a separate agency in 1947.

Subsequently the name was changed and is now “The Presbyterian Home for Children of Black Mountain, N. C.”, but it is still an active agency of Asheville Presbytery, and in a measure still

a part of the “Church Extension Work of the Presbyterian Church, U. S.,” as will be shown below under the activities of the Board of Church Extension.

As now functioning in Asheville Presbytery, the corporation, “The Home Mission Committee of Asheville Presbytery, Inc.,” is popularly known as the Church Extension Committee.

SUSTENTATION

The primary responsibility of this Committee is to see that every Church in the Presbytery has the services of a Minister of the Gospel, on the most practical basis possible. This means that the Committee must supplement certain salaries, where the total support is impossible or impractical by the local congregation.

It is impossible, where the church is totally unable to meet such salary and furnish a satisfactory manse. It is impractical, where the church cannot assume the entire salary without undue failure to provide educational facilities or without reducing their proportionate gifts to the agencies of the denomination.

The amount of aid is based upon an annual report from the church indicating growth, prospect and financial ability.

This varies annually, as each church is requested to assume more and more of the salary, until they reach full self-support.

The annual challenge laid before the church is a twenty percent increase in the amount they will pay on their minister’s salary, in the light of other expenses, and without any reduction in their gifts to the budgeted needs of other causes of the Presbytery, Synod and General Assembly. If their increase is not at least Ten Percent, the church is asked to submit a full financial statement to explain their inability.

CHURCH EXTENSION IN ASHEVILLE PRESBYTERY

NEW WORK

Every year the budget of the Church Extension Committee includes an item for the establishment of a New Field in the Presbytery. This means first of all the salary and home for a minister. It also means the securing of adequate property, erection of buildings, etc. This latter is usually a very gradual process, and develops with the church.

It has not been possible to establish a new field each year. Good examples of such work, however, may be found in the work at Grace Covenant, now in their tenth year, a fully self-supporting church, giving generously for the work of the church as a whole, and engaged in an extensive building program. Westminster, in their new \$100,000 building, was organized in 1958 and is rapidly catching up with Grace Covenant, though not yet on a "self-supporting" basis.

New Work is based on careful surveys, made by the Church Extension Worker of the Synod, (In Appalachia Synod, Miss Bessie May Stribling), and the assistance of the Department of Survey and Church Location of the Assembly's Board, in determining where new churches should be located.

There are two such locations which are receiving special attention by the Committee in 1963. They were discussed more fully in OUR MOUNTAIN WORK, August 1963. One is in South Hendersonville, with the full approval of the Session of the First Presbyterian Church of Hendersonville. The other is at Cullowhee, with the assistance of the Sub-Committee of Campus Christian Life and of the Synod's Committee of Christian Education, where the first and major emphasis will be serving over 160 Presbyterians in the student body, faculty of Western Carolina College, and a number of Presbyterians in the community. It is hoped that this will lead to the organization of a church there in the near future.

ANTICIPATED WORK

A relatively new venture in the work of Church Extension in the Presbytery is the purchase in 1963 of land in Maggie Valley, six miles west of Waynesville, Haywood County, for a prospective church.

In the rapidly changing communities, it is essential that property for future churches be acquired before it is priced off the market, or worse, so filled with other activities that it is impossible to secure a tract large enough for practical use.

A careful survey, made in 1961, by the Department of Survey and Church Location, indicated that NOW is the time to acquire property in ten or more locations throughout the Presbytery, with a view to a church in each area within the foreseeable future (five to ten years). Such action, with reference to property in Maggie Valley, is the first that the Committee has been able to finance.

OTHER PROPERTY ACQUISITION

The Committee has thought it wise to purchase two manses. A manse was a necessity at Hayesville, and a very attractive building at a very reasonable price led to the purchase there. The Committee owns the house and contributes in this way to the support of their minister. This property is fully paid for. At Weaverville, the Committee is buying a five room house, and making

it available on a similar basis for the minister at Brittain's Cove. As soon as these fields can do so, they will be encouraged to purchase these houses from the Committee on the basis of the Committee's investment in them.

Occasionally the Committee will receive a gift or legacy of property. Two small lots are now owned in this way, neither suitable for church use, and representing relatively small investments in each case.

BUILDING NEEDS

There are a number of locations in Asheville Presbytery where growth is severely retarded by lack of educational facilities, fellowship activities, and other basic needs in the life of a growing church. It is the desire of the Committee to help in every case, and to the limits of available resources.

Every year the Committee surveys these needs throughout the Presbytery and seeks to determine the most pressing. A reasonable amount of aid is budgeted — sometimes to assist a local church with a debt growing out of a building program, sometimes to challenge a church to greater effort to meet existing needs, but always with a view to providing practical and efficient physical resources for a well rounded program.

Except in a few cases where it is urgent to give continuing aid for debt retirement or challenge immediate action, such appropriations are based on funds available at the end of the year. The amount thus available, depends on the way in which the Churches of the Presbytery respond through normal giving channels in support of the annual budget.

It should be noted that in every year the proposed "Budget Needs" for the succeeding year are submitted to the Presbytery in July, through the Presbytery's Council. In January, the Presbytery authorizes a "Disbursement Budget" on the basis of anticipated income for the current year. This anticipated income is based by the Presbytery on the reports of local Churches, reflecting anticipated local response to the work of the Church as a whole.

MISCELLANEOUS

It might be noted that the Committee's basis for a minister's salary is that approved by the Presbytery, and that (jointly with the churches) he receives, in addition to the cash salary, the free use of the manse, participation in the Ministers' Annuity Fund, against his future retirement, in the Major Medical Group Life and Hospital Insurance program of the General Assembly, one half of his Social Security tax paid the government, and in some cases, where there is abnormal travel, a car allowance.

NOW, 1963—

The following Ministers are serving the churches receiving aid through the Church Extension Committee by an appropriation to the Minister's salary, except as noted.

ANDREWS, Rev. E. D. Whitson, Pastor.

BETHEL, in Cherokee County, Rev. R. A. Potter, Stated Supply, travel allowance.

BETHEL, in Haywood County, Rev. Wm. R. Covin, Pastor.

BRITTAI'S COVE, Rev. J. S. Cook, Temporary Supply, Manse and utilities.

DILLINGHAM AND IVY PARK, Rev. Dan E. Carlton, Pastor.

ETOWAH, Rev. W. C. Neel, Pastor.

FRIENDSHIP, Rev. J. H. Armfield, Jr., Pastor.

HAYESVILLE, Sam Austin, Student Supply, salary and Manse with utilities.

LAKEY GAP, Rev. C. W. Solomon, Stated Supply.

MORRISON, Rev. Fred F. Guthrie, Jr., Stated Supply, appropriation for summer worker, to give church services every Sunday, during the summer.

WESTMINSTER, Rev. B. Blake Breitenhirt, Pastor.

CHURCH EXTENSION IN ASHEVILLE PRESBYTERY

The Committee also holds in reserve a reasonable amount so that the moving expenses of a Minister can be met promptly when he accepts a call to any field in which the Committee has an interest through "salary supplement" and, of course, the necessary promotion that is involved in the work.

OUR MOUNTAIN WORK

"Our Mountain Work" was the promotional instrument of the Committee from the first issue in December 1910, until it was absorbed in the budget of the "Office of the Executive Secretary" in 1959. It still is such a publication, but through the years it has become an instrument for ALL THE CAUSES OF THE PRESBYTERY. Thus in setting up the "Office of the Executive Secretary" as a separate agency of the Presbytery, the cost is shared in this way by all benefiting causes, with no direct appropriation from this Committee.

It is interesting to note that in the first number of OUR MOUNTAIN WORK, December 1910, it was set before the Presbytery as "A periodical devoted to the cause of church extension, Christian education and works of charity."

SUPPLEMENTARY OFFERINGS

Every year the General Assembly sets a time for a "Supplementary Offering" for Church Extension.

For many years the entire offering was sent to the Board of Church Extension for distribution on the basis of proven need, for property, building and debt retirements, throughout the Assembly. Every Presbytery was allowed to make application for an allocation at the close of each fiscal year, and the amount, if any, was determined by the relative importance or need of the project, in the light of scores of others from each of the sixteen Synods of the General Assembly.

A few years ago the Board of Church Extension suggested that the major part of the offering each year be retained by the Presbytery in which it was contributed, to be used for similar projects at the discretion of the Presbytery's Committee of Church Extension.

This is the policy followed in Asheville Presbytery. In 1961 the Bethel Presbyterian Church, Haywood County, was named to benefit from this offering. In 1962, three projects were specified. These were a manse for the Etowah field, property at Cullowhee, and a site for a prospective Presbyterian Church near Woodlawn Hills, a development six miles north of Asheville.

Through circumstances beyond the Committee's control, neither of these projects developed to the point of actually needing the money. In each case the Committee decided:

To aid the Bethel Church, in the light of the amount available, when the church is ready to build an adequate plant to meet their educational and recreational needs. They are still in the process of planning.

To aid the Etowah Church, with the total contributions received from specified churches. The Etowah Church was delayed with their plans, but expects to break ground for the Manse this fall. \$2,532.06 is available, with accrued interest, from funds given in 1962.

To purchase property at Cullowhee, with contributions from specified churches. It has not been possible to locate desirable property, and the cost will be such that the Committee is asking that this project be continued in 1963, and that contributions this year be added to the balance on hand from last year's offering, which, with accrued interest, has reached \$2,092.93.

To purchase property near Woodlawn Hills, with contributions from churches in Buncombe County. The owners were not in a position to make a firm offer of a particular site, nor to specify a firm price. They expect to be able to do this at a future date. The money available \$2,235.08, is in a savings account, and will be so used for this or a similar project, if and when satisfactory details can be arranged between the owners of this property and the Committee.

IN 1963

Active steps are being taken to secure Ministers for the South Hendersonville work, and for Cullowhee. The former is being arranged in cooperation with the Session of the First Presbyterian Church, Hendersonville. The latter is being arranged in cooperation with the Synod's Committee of Christian Education (through their sub-committee on Campus Christian Life). It is hoped that ministers can be found for both of these fields at an early date.

Current 1963 budgets are providing salaries, and other related costs.

The Challenge for the 1963 Supplementary Offering is for funds to purchase suitable property in each location for a church plant, which could easily call for a minimum of \$25,000 at each point, or a total of \$50,000.

Both fields have been surveyed by Miss Bessie May Stribling, the Church Extension Worker of the Synod. Both fields have been visited by the Department of Church Location and Survey of the Board of Church Extension. Both fields offer strategic opportunities.

YOUR OFFERING

Every Presbyterian in Asheville Presbytery is challenged to give generously in this 1963 Offering.

Every Church is granted the privilege of designating their offering, or any part of it, to either or both of these projects.

A share of each contribution will be sent to the Board of Church Extension, for Church-wide Distribution.

The part retained in Asheville Presbytery will be used for the project for which designated, or if undesignated, will be allocated to one or the other projects, at the discretion of the Presbytery's Committee.

YOUR TOTAL SUPPORT

The basic support for the work of Church Extension in Asheville Presbytery comes through systematic monthly support of the "Regular Budget" of the Presbytery.

As essential as is the financial support of this work, it is even more important that Presbyterians understand

the What and the Why of the work, and engage in earnest Prayer for the Committee, every Church aided, and the Ministers engaged in these various fields.

THE ASSEMBLY'S BOARD

The Board of Church Extension of the General Assembly, representing the General Assembly, bears the same relationship to Asheville Presbytery, that the Presbytery's Committee does to local fields, but with different areas of activity.

In its work, comparable to the aid given the churches in salary supplement, the Board is re-imbursing the Presbytery in 1963 on the basis of 45% of money used locally for salary supplements. This will amount to approximately \$15,000 in 1963. This is allocated on the basis of requests made for the entire Presbytery, and in turn based on the requests approved for the various churches.

This annual appropriation comes through the Division of Home Missions, of the Board of Church Extension. This Division also functions through "Departments" each of which contribute to the work of Asheville Presbytery. These "Departments" are:

Of Town and Country Church, dealing with work in communities of 10,000 or less.

Of the Urban Church, facing mounting problems of population expansion, and kindred situations.

Of Church Location and Survey, of which the Church Extension Field Workers are a vital part.

Of Church Architecture, offering valuable aid in planning and erecting new buildings.

The Board of Church Extension has two other major "Divisions", namely, "Evangelism" and "Homes and Christian Welfare".

The very name of the former indicates its purpose and the latter is receiving special emphasis in the church during 1963 and 1964.

1963 STUDY BOOK

The adult Study Book for the 1963 Church Extension Season, October 1-20, was written by the Secretary of the Division of "Homes and Christian Welfare", Gordon A. Hanson, in collaboration with Dr. Alan Keith-Lewis, professor of social work of the University of North Carolina.

This "Division" was recently established by the General Assembly, and made a part of the work of the Board of Church Extension. It deals, as the study book indicates, with "Homes for Children", and "Homes for the Aged", seeking to understand and meet their basic problems by way of advice and encouragement. The actual management and ownership of such homes is on Congregational, Presbytery, or Synodical level.

The significance of this "Division" in 1964 lies in the fact that the "Birthday Offering" of the Women of the Church in May 1964, will be administered by them for the benefit of a school for retarded teen-age boys and girls in Minden, La., and to offer scholarship aid for the training of prospective workers in "Homes", and for supplementary study by present workers.

Church Extension is all this and more, both on the Presbytery and Assembly level. There is need that at least one additional service be explained briefly.

LOAN FUND

Both the Presbytery's Committee and the Assembly's Board make appropriations to local fields for the purpose of acquiring property, building on same and equipping new and existing buildings for adequate services. The measure of help is, in each case, the available funds received from the Churches.

The Assembly's Board, by reason of an accumulation of special gifts, legacies, etc., has a fund that can be used to make low interest loans to local churches for similar purposes. Within the past few years a larger program has been worked out by which as much as \$75,000 is available to a NEW church through a bank loan, underwritten by the Board. Smaller loans are made to

local Presbytery's Committees, and through them to churches (whether self-supporting or not) where there is an existing need. Such loans are always secured by deeds of trust and notes covering the transaction.

PRESBYTERIAN DEVELOPMENT FUND

The General Assembly recognized a pressing need for additional funds to be used as grants for the purchase of property for New Churches. This was embodied in the total goal set before the churches in the recently completed "Presbyterian Development Fund". Approximately twenty percent of the \$15,000,000 pledged in this effort will be available for such use.

Payment of pledges has already begun over the three year period, and money available will be appropriated annually, on the basis of actual net cash receipts. One half of any sum given within a local Presbytery will be returned to the Presbytery for investment in property. The other half will form a fund for allocation on a church-wide basis of need.

THE CURRENT CHALLENGE IN ASHEVILLE PRESBYTERY

1) A better understanding of the nature of Church Extension. Borrow a copy of the Annual Report of the Board of Church Extension from your Pastor and study carefully.

2) A better understanding of the Challenge facing the Church in the work in "Homes for Children", in which Asheville Presbytery took an early lead in 1904, and in the much newer program in "Homes for Older Persons", which the Presbytery has under consideration at the present time.

3) A generous response in the 1963 Offering to aid in securing adequate property for new churches in South Hendersonville and Cullowhee.

Presbyterian Home News --- By The Superintendent

BACK AT SCHOOL

The summer is over and school is back in session. Most of the children were glad to see the doors open. We had twenty-three boys and girls to enroll at Charles D. Owen High School this year, as far as we can tell a record number in high school from THE HOME.

Twenty-three were enrolled at the Black Mountain Elementary School and fourteen at the Black Mountain Primary School. This makes forty-six of our children in grades five through twelve.

Have you ever thought about the cost, just to feed these children while in school? Fifteen dollars a day, or seventy-five dollars a week for thirty-six school weeks adds up to a mighty big food bill, for meals "away from home".

ON COOKING BARBECUE

When the Men of Asheville Presbytery met on September 19th they found something new on the campus. They have been accustomed to a tent thrown over a temporary rack, with a crew cooking as many as two hundred and fifty chickens. It's different now.

The Black Mountain Lumber Company furnished the materials and employees did the work, after Jim Dougherty, president of the company, and an elder in the Black Mountain Presbyterian Church, saw the need for a permanent shed for such as this. He donated his time and work to see that this need was met. Now we have a popular place for church and youth groups to come out and picnic with us. We would like to express our sincere thanks to Mr. Dougherty and the lumber company employees for their contribution.

LORETTA HALL LEAVES

Miss Loretta Hall left the first of September, to spend a year with her sister in Pennsylvania. Loretta lived with us for a number of years as a member of the family, and came back to serve for two years as Laundry Matron, and as a Relief Matron in the kitchen. This has been valuable training for her, and we wish her well in anything she undertakes in the future.

BEACON PICNIC

Have you ever been to a Beacon Picnic? The one this year was held at the Asheville Recreation Park, to which the entire family was invited. It was the last picnic of the year for the children. After a dinner of barbecued chicken and baked ham, the children were free to enjoy all the rides at the Park. Then there was an unlimited supply of ice cream and cold drinks, and for once in the year there was no limit on any child except his own appetite. We appreciate this invitation each year from the Beacon Manufacturing Company.

AFTER FIVE YEARS

On August 8th, Mrs. McKenzie and I began our sixth year at THE HOME. Some of these years seemed to short and some long, but we enjoyed all of them. We would like to thank all of our friends for their wonderful help and guidance through the years. So many things that seemed impossible have been done and without your help these could not have been done.

We have been blessed with a wonderful staff that has worked hard to try to make THE HOME one you would be proud of. The children have been wonderful to work with, and I believe that we have the best group of children that we have ever had. We ask for your support in the next year and the years to come so that we can make this a Home of which we can be even prouder. Again let us say, "Many Thanks".

MISS PEGGY COOLEY HELPS CHOIR AND DAY CAMP

At the monthly meeting of the Board of Trustees, Don C. McKenzie, superintendent, paid special tribute to Miss Peggy Cooley of Black Mountain for her help during the summer.

Miss Cooley has been active in working with a Junior Choir, and was specially helpful as director of the annual "Day Camp" early in August.

ANOTHER KINDERGARTEN AT BRYSON CITY CHURCH

In response to the request in the August issue of OUR MOUNTAIN WORK, news comes of a Kindergarten sponsored by the Young Adult Class of the Byson City Presbyterian Church, now in its second year with an enrollment of 22.

Thank You, Don —

The Mountain Orphanage has not only changed it's name, but also it's "nature" since Don McKenzie took over five years ago. The physical appearance of THE HOME has been strengthened.

Come, November 17th, to extend your congratulations to him and share in the "Open House" fellowship just before Thanksgiving, 2:30-5:30 P.M.—Editor.

GIFTS TO GENERAL BUDGET IN PRESBYTERY LAGGING

Receipts by the Central Treasurer of
Benevolences for the General Budget of
the Presbytery are slipping backward
from the substantial increase earlier in
the year.

By the tenth of July the churches had
forwarded 88% of the total for the first
half of the year. This proportionate
part has dropped to a little over 80%
for the first eight months.

Three churches have made no contri-
bution to the General Budget, which in-
cludes all the agencies of the Presby-
tery, Synod and General Assembly.

The receipts, as of the 10th of each
month, for the month preceding, have
been:

	1962	1963
February	9,462.91	8,494.37
March	9,051.86	12,420.54
April	11,296.86	12,124.17

WHEN THE ASSEMBLY COMES TO MONTREAT IN APRIL

The General Assembly of the Pres-
byterian Church, U. S., will meet in
Montreat on April 23, 1964. The Board
of Trustees has initiated a number of
projects for the improvement of facili-
ties at Montreat, and they hope that
most of them will be completed before
next April.

Some of these are self-liquidating and
others are made possible by the recent
"Presbyterian Development Fund" or
other individual gifts.

1—A shopping center.

2—Partial modernization of Anderson Autori-
um, including a heating system, acoustical re-
arrangements, lounges and a recreation area.

3—Modernization of Assembly Inn. The cen-
ter section was completed in the spring of 1963.
The next step includes the dining room, kit-
chen, thirty two bedrooms, providing fire exits,
conference rooms, a new furnace room and a
private dining room.

4—A Social Center, made possible through a
substantial contribution for one individual.

5—Other projects will include improvement
of the water and sewerage systems, real estate
developments, camps and hostels, roads and
parks, recreational facilities, land architecture
and purchase of property adjacent to Assembly
Inn.

Already under construction is a Men's
Dormitory for the College, which will provide
lodging for over one hundred people, and
the shopping center, included in the projects
above.

BLACK MOUNTAIN DEDICATES CHURCH WITH DEBT PAID

Rev. Wm. R. Klein, former pastor of
the Black Mountain Presbyterian
Church, was the preacher when the
church sanctuary was dedicated on Sep-
tember 29th.

Rev. Robert W. Gray, pastor of the
church read a brief history of the con-
gregation, mentioning the organization,
the first building which cost less than
\$1,800 in 1914, the expansion under
Rev. Walter H. Styles, and the erection
of the present sanctuary during the min-
istry of Mr. Klein.

In an impressive litany of dedication,
the service was conducted during the
morning worship and the prayer of
dedication was led by Rev. W. E. Pharr,
D.D., now a resident of Black Moun-
tain.

PRESBYTERY HAS INTEREST IN SIX INSTITUTIONS

Asheville Presbytery contributes to
six educational institutions in the distri-
bution of funds remitted by the lo-
cal churches and disbursed through the
office of the Central Treasurer.

These institutions are listed below on
the basis of their affiliation, and the re-
lationship sustained by the Presbytery
to each. In addition the names of stu-
dents enrolled in each during the 1963-
1964 session are given.

THROUGH THE GENERAL ASSEMBLY:

The General Assembly has a direct
interest in two educational institutions,
through the election of trustees and di-
rect control.

Education, Richmond, Va., was former-
ly known as "The General Assembly's
Training School for Lay Workers". It
was founded in 1912, and is located at
1205 Palmyra Avenue, Richmond, Va.

are:

LAKE, ROADS, ELECTRICITY FIRST STEPS AT CAMP

Approximately \$30,000 has been spent
in acquiring and developing property
for a Presbytery Camp, according to the
report of the Christian Education Com-
mittee to Asheville Presbytery on Oc-
tober 8th, with an option to approxi-
mately ten more acres to give complete
control of water drainage and access
to the entire tract of over 225 acres.

The land already acquired is fully
paid for, the work done on the prop-
erty is fully paid for, and only \$5,000
of the \$15,000 authorized by the Presby-
tery has been borrowed to date.

High tribute should be paid to Rev.
J. L. Auten, chairman of the sub-com-
mittee, in charge of the development for
his untiring efforts to see that all plans
made and executed were for the best
interest of a long range camping pro-
gram. He has conferred frequently with
Rev. Robert Davis, Director of Camping
and Conference Program, of the Board
of Christian Education, of the General
Assembly. Detailed plans have been

COOK AT BRITAINS COVE

Rev. J. S. Cook, retired minister with a summer home at Montreat is temporary supply at Britains Cove for three months.

Mr. Cook served this field in a similar way in 1962. For the past three months Robert L. Armistead, graduate of the 1963 class at Columbia Theological Seminary has been serving this church, also assisting Dr. H. B. Dendy, pastor of the Weaverville Church.

The Church Extension Committee of the Presbytery assists this field by providing a manse for their minister, together with utilities. Mr. Cook is serving only as supply at Britain's Cove. It is hoped that a permanent minister can be secured to again serve both these churches.

NEVILLE AT MILLS RIVER

Rev. John C. Neville, pastor of the Old Fort Presbyterian Church, was the preacher at Mills River on October 13th.

Mr. Neville, a former pastor of the congregation, returned for the special occasion when the congregation observed their annual "home coming."

FESPERMAN MADE PRESIDENT
AT ANNUAL MEN'S RALLY

J. L. Fesperman, Franklin, was named president of the Men of Asheville Presbytery, at their annual meeting, September 19th, held at The Presbyterian Home for Children.

The Men of the Westminster Church were awarded the attendance cup, with Grace Covenant and Montreat recognized as runners-up. The award is made annually on a basis of attendance, size of church and miles travelled.

Montreat-Anderson College, is owned and operated by the Board of Trustees of the Mountain Retreat Association. The Mountain Retreat Association is owned and controlled by the General Assembly of the Presbyterian Church, U. S. The Presbytery began some forty or more years ago to contribute to this institution, then the Montreat Normal School, because the school agreed to assume responsibility for meeting the needs of girls in the mountain area. (Asheville Presbytery had previously operated "Morrison School for Girls" in Macon County, to meet this need.)

This college is a fully accredited co-educational Junior College, with an enrollment of approximately 265 this year. A new dormitory for men will be available next year to house over 100.

Enrolled at Montreat this fall are:

ELIZABETH ARMFIELD — Black Mountain, Friendship Presbyterian Church, Sophomore.

BETHEL MOVES FORWARD
FOR SUBSTANTIAL GROWTH

Work has begun at the Bethel Presbyterian Church in Haywood County, looking forward to the addition of six classrooms and a fellowship hall to their present building.

They have been severely handicapped because of the lack of educational and fellowship facilities, and because of the location on a small lot surrounded by the public schools of the community.

A careful study was made some time ago by Rev. O. V. Caudill, formerly secretary of the Department of Church Architecture of the Board of Church Extension, and he recommended moving the church to another location on their present lot, and suggested ways to initiate construction that would ultimately provide for a congregation of 200 or more.

The plans call for adding rooms to the rear of the present building, after it is moved, extending these rooms at right angle, and constructing a fellowship hall parallel with the old church.

The estimated cost of the initial project is around \$30,000. A contract has been let and work started on the moving of the present building (erected in the 1880's) to the new location. The con-

Rev. J. D. Whitesides made a report for the Committee on Christian Education, the content of which is reflected in other articles in this issue, with particular reference to the Camp Development, Pioneer Camps the Senior High Conference in 1963, Candidates for the Gospel Ministry and related subjects.

Rev. Wayne R. Auginbaugh, chairman of the special committee on a proposed "Home for Senior Citizens" reported progress in preparing a suggested "Charter" and "By-Laws" under which such a home could function. These will be forthcoming very soon, Mr. Auginbaugh reported, and each member of the Presbytery will be given a copy before it is presented to the Presbytery for consideration.

At the request of the Council on Evangelism, it was proposed that there be a pulpit exchange within the Presbytery on December 5th, designated "Evangelism Sunday" by the Assembly. Details are to be worked out by the Council, of which Rev. E. D. Whitson, is the secretary.

Rev. W. G. Thomas, Chairman of the Church Extension Committee, spoke briefly of the need for a generous offering on October 20th, and asked Rev. R. E. McClure, Executive Secretary, to outline the objectives, namely, property for new churches in Cullowhee and South Hendersonville.

Rev. B. Blake Breitenhirt, chairman of Presbytery's Council, presented Rev. J. G. Patton, Atlanta, Executive Secretary of the General Council of the General Assembly who spoke on a suggested plan of organization for effective work and worship, and on stewardship.

He also presented the report of the Central Treasurer which showed receipts through October 7, 1963, of \$93,000 for the general work of all agencies of the church, against a total of \$151,000 anticipated for the year. The figure, \$151,000, was arrived at on the basis of the amounts twenty of the churches said they would probably give in 1963, plus the amounts the other thirteen actually gave in 1962.

Rev. H. B. Dendy, president of the Board of Trustees of THE PRESBYTERIAN HOME FOR CHILDREN, presented the needs of THE HOME at the approaching Thanksgiving season. Don C. McKenzie, superintendent of THE HOME was also heard in the interest of this work, which includes the care of twenty-three young people in High School, and another thirty-six in the primary and elementary grades.

Rev. John L. Fain and Rev. Leroy V. Secrest conducted the Communion Service, after the opening devotional led by Rev. J. L. Auten, retiring moderator.

ANNUAL SUPPER DRAWS 140
FROM THIRTY CHURCHES

Thirty of the thirty-four churches of Asheville Presbytery were represented at the Church Extension Supper, September 26th, when Rev. Wm. H. McCorkle, D.D., moderator of the General Assembly was the speaker.

Twenty-eight of these sent lay representatives and the other two were represented by their minister only, and with visitors the total attendance reached 140.

Rev. W. G. Thomas, Chairman of the Church Extension Committee of Asheville Presbytery, presided, Rev. Wayne R. Auginbaugh led in the opening worship period, and Rev. J. C. Lime, introduced the speaker.

Rev. R. E. McClure, executive secretary, presented the promotion plans and showed the set of slides available for local programs. He also called attention to the Church Extension Envelopes which had been printed for use in each congregation.

Special emphasis was placed on the insert in the September issue of OUR MOUNTAIN WORK, "What Is Church Extension?", which contained details about the special objectives for the 1963 offering. A report of the amount given in each church in 1962 was also made, with details as to how the money was used.

PIONEER CONCLAVE PLANNED
OCT. 26—ASHEVILLE 1st

Pioneers of Asheville Presbytery will have their fall Conclave on Saturday, October 26, at the First Presbyterian Church, Asheville from 10 A. M. to 3 P. M.

The theme for the gathering will be "The Church's Mission and Persons of Special Need." There will be a Bible study based on this theme.

A book, "What A Break", described on the back cover of the October-December "Trails" is, according to Pioneer Leaders, "made to order for our young people to study and use in preparing for the Conclave."

Further information will be sent local leaders.

CHRISTIAN EDUCATION IS
ACTIVE IN PRESBYTERY

The Christian Education Committee of Asheville Presbytery made a general report at the meeting of Asheville Presbytery on October 8th. The principle item in their report is featured in a story about the Camp and its development.

They also reported a wonderful response in the attendance of 173 participants in the three Covenant Life Smi-

TWO NEW FIELDS PROPOSED
WITHIN THE PRESBYTERY

The Church Extension Committee is actively seeking two ministers for two new fields within the Presbytery.

With the approval of the session of the First Presbyterian Church, Hendersonville, a new work is proposed in the area south of Hendersonville. A survey was conducted earlier by Miss Bessie May Stribling, Church Extension Worker of Appalachia Synod, with indications of perhaps sixty or more persons interested in organizing a new church.

In cooperation with the Synod's Committee on Christian Education, and their sub-committee on "Campus Christian Life", an effort is being made to secure a minister to serve the students at Western Carolina College, Cullowhee, and ultimately organize a Presbyterian Church to serve the area. The students are now being served by Rev. J. D. Whitesides, pastor of the Sylva Church, and the session of the Sylva Church is being consulted with reference to work at Cullowhee.

Steps have already been taken to have the Department of Church Location and Survey, of the Board of Church Extension of the Assembly, to aid in the selection of appropriate sites for each of these proposed Churches.

\$2,091, plus interest from July 1, 1963, is on hand from the 1962 Offering to apply on the purchase of land at Cullowhee.

\$1,000 was given anonymously by a member of the Hendersonville Church for use anywhere in the Presbytery. It has been decided to use this for purpose of property in South Hendersonville.

The offering to be made on October 20th, this year, will be used for these two projects, as well as to share in the wider church-wide responsibility through the Board of Church Extension of the General Assembly.

The part available for use in the Presbytery will be allocated to one or the other or both of these projects, according to the request of the local church, or in the absence of such a request, according to the judgment of the Presbytery's Committee.

nars, with twenty-two of the thirty-four churches participating.

Attendance at the two Pioneer Camps was 31 campers at each, a total of 62. There was a capacity of forty at each camp.

Ninety-four registered for the abbreviated Senior High Conference (due to conflicts with public school closings). There were 43 boys and 51 girls from fourteen churches.

prepared for the use of the land, and initial buildings, by Mr. Aija Tashiro, sketches have been made of proposed architect and landscape architect, who has specialized in this type of work. Mr. Tashiro is a ruling elder in the North Wilkesboro Presbyterian Church.

Invaluable service has been rendered to the project by Mr. C. V. Verner, retired civil engineer, and a member of the First Presbyterian Church, Asheville, who has surveyed the entire property, laid out the roads, lake, etc., and furnished a topographical map on the basis of which the total plans could be based. Mr. Verner has rendered this service as a labor of love, and saved the committee hundreds of dollars through the minimum charge made for same, and the economies possible because of his work.

At the present time the visible progress is shown in the completed earthen dam, green with grass to prevent erosion, a lake that is filling, and which will be three acres in size, with a maximum depth of nineteen feet, a crushed rock road, well graded, for approximately 1,500 feet, and an approach road of almost one half mile built by the State Highway, to connect with the public road.

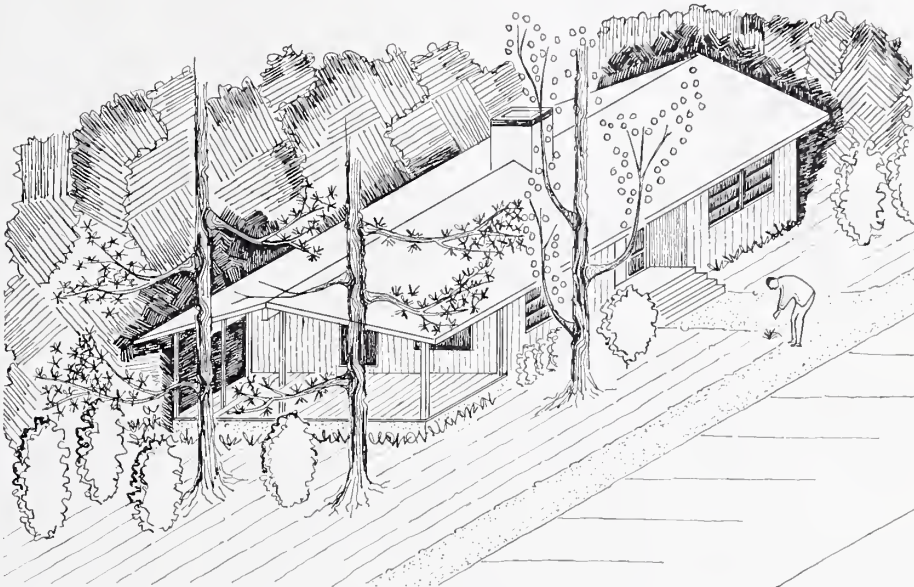

The property is located one half mile from the Garren Creek road, hard surfaced, and seven miles from Fairview, on US 74, and seventeen miles east of Asheville. To reach the site, leave US 74 on first left hand road after passing Fairview Post Office, and take sharp left in about 300 yards (Garren Creek Road). Proceed approximately six miles and take gravel road, for a few hundred yards, and turn right into camp property.

It is hoped that a bath house, Program Shelter, Hogans (temporary camping shelters) and minimum equipment will permit the use of the Center for picnics, day camping, and "small group summer camping" in 1964.

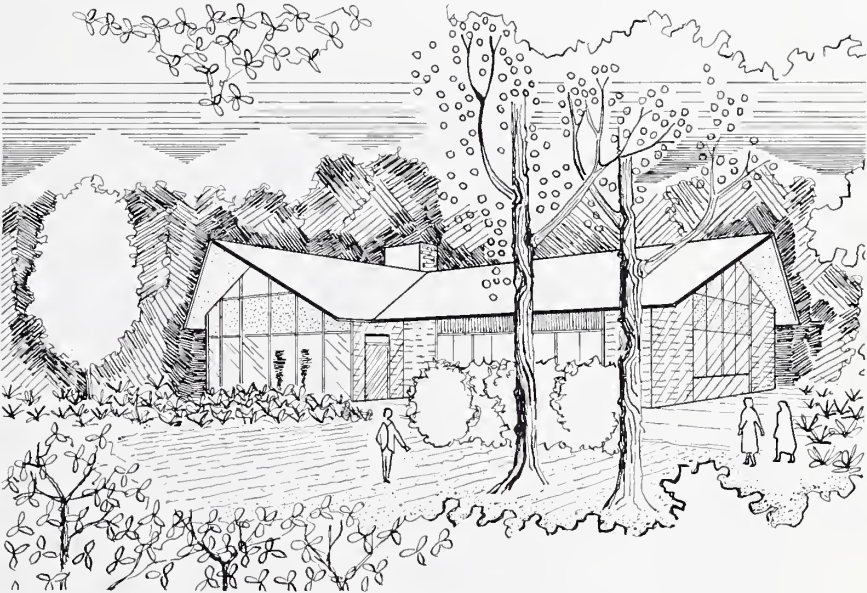

A brochure distributed at Presbytery outlined the broad purposes of the Camp Site, and listed initial buildings needed to assure a practical use of the property. Negotiations are under way to secure a 7,500 volt electric line to the property, so that such work can proceed as rapidly as possible.

MINOR ACCIDENTS

Mrs. Knight, the little boy's house-mother, and Keith Bates have something in common. Both have casts on their left arms. Mrs. Knight fell and fractured her left arm and Keith slipped on the ladder to his upper bunk, and did the same for his. Both are doing nicely.

JOE ROBINSON

All of the family are proud of Joe Robinson and his fine playing in that Carolina-Virginia football game. Joe has waited a long time for this opportunity and never did give up hoping that he would get just such a chance. This is his fifth year at Carolina. He will graduate in January, but will continue at UNC for his Master's degree.

TEN TO FALL RALLY

Ten of our young people attended the fall rally of the Senior Fellowship of Asheville Presbytery, at Camp Mondamin near Hendersonville on September 22nd. They were: Jimmy Bell, Mike Banks, Dale Hurst, Billy Laughter, Billy Foster, Edward Myers, Libby Haney, Sue Myers, Faye Beck and Barbara Thurston.

POTATOES—TWO POUNDS

Mr. York and the boys are real proud of our fine potato crop this year. The boys were digging the potatoes last week and Mr. York brought three to the office to show us, one weighed a pound and a half, and the others two pounds each. Dr. McClure took two of them to his office to show them off for us. There were several equally as large and the whole crop was exceptionally fine. We will have plenty of good potatoes for our table this winter.

YOU HELPED US ONCE —
CAN YOU? AGAIN!

All of you have been so good when we ask for something for THE HOME we are asking now for a washing machine in good working condition. It is a big help to have one in each of our four departments for light work. We could use two additional ones for the big boys and big girls. If you have one that you are not using — and we can use — give us a ring (669-3666) and we will be glad to pick it up.

Joe Carries The Ball

The Carolina coach credited Joe Robinson with the recent win over Virginia in football. Joe is a senior at UNC and will get his degree in January. He was an outstanding athlete while living at THE PRESBYTERIAN HOME FOR CHILDREN, and attending Owen High School.

Joe has been outstanding in other ways, but there is one little known factor in his college experiences.

He has enjoyed an athletic scholarship which made possible his work at Chapel Hill. When he first went there he faced disappointment in not making the first string, but with a smile he has contributed to the success of the first string at Carolina by being willing and glad to back them up as a third string player.

His example, loyalty and patience, as well as application to academic work, gives everyone at THE HOME reason to be doubly proud. His faithfulness enabled him to meet the test when it came and take the ball at just the right time.

When he finishes at Carolina Joe wants to be a teacher and coach. He has spent all his vacations in some form of athletics or guidance work with boys and girls. Last summer he was at a camp in northern New York.

WORLD MISSION WORKSHOPS
PLANNED IN NOVEMBER

The World Mission emphasis season will not come until 1964, but plans are being made now in preparation for this emphasis.

Two World Mission Workshops are scheduled in November to prepare leaders to present this important cause next year. These plans are announced by Rev. J. L. Jackson, chairman of the committee for the Presbytery, and Mrs. Milton A. Sullivan, chairman for the Presbyterian.

The first workshop is scheduled for the afternoon of November 17th at the First Presbyterian Church, Asheville, at 3:30. The second will be at Franklin on the evening of November 18th at 7:00.

Mr. and Mrs. Charles C. Ansley, agricultural missionaries stationed in Belem, Brazil (North Brazil Mission) will be leaders in presenting the cause of World Missions.

Mrs. F. A. Plummer, Asheville, and Rev. Wm. H. Marquis, Hazelwood, will lead discussion groups. Rev. John L. Fain, Hendersonville, will conduct the devotional at both meetings.

Local pastors and all individuals responsible for the promotion of World Missions among children, youth, men or women are urged to attend one or the other group.

DEDICATION DAY—NOV. 10

Every Member Canvass

The Every Member Canvass is not a routine "money raising" effort. Rather, it is a clarion call to dedication.

Through this channel, church members dedicate themselves and in so doing indicate the extent of their willingness to make possible the work of their church.

COOPER AT HIGHLANDS

Rev. Cortez A. Cooper, Jr., pastor of the Austell Presbyterian Church in Georgia, will be holding a series of services at the Highlands Presbyterian Church in this Presbytery, November 3-6.

TWO SCOUT AWARDS—

"The God and Country Award", said to be the highest award in Scouting was presented to two scouts of the First Presbyterian Church, Asheville, at the morning service on September 8th. A letter of congratulation was read from Rev. James A. Millard, Jr., D.D., Stated Clerk of the General Assembly. Rev. Leroy V. Secrest, announced that both of these had been examined by the local session, and made the awards to: Douglas McCorkle Martin, son of Mr. and Mrs. McKinney A. Martin, and Theodore Davidson Morrison, son of Mr. and Mrs. T. D. Morrison, Jr. The work in achieving this goal covered more than a year.

gregation has a small nest egg available for this work, and proposes a special effort in the near future to raise additional funds.

This was the special emphasis of the Church Extension Season in 1961, and there is \$2,000 available from Church Extension Funds. Presbytery's Committee has also promised additional aid in 1964 and 1965.

Rev. Wm. R. Covin, who has been pastor there for the past five years, is their first resident pastor. Under his ministry the church has made these plans and looks forward to occupying the new plant as soon as it can be constructed.

Just how much of the building can be constructed and furnished at the present time will depend on total funds available, and this will be determined in large measure by the response for supplementary funds in their special effort.

The initial step of moving the present building includes a new foundation that will blend into the total plans. Ultimately the old building will be brick veneered. The new structure will also be of brick veneer construction.

FOUNDERS' DAY AT HOME

JANUARY 19, 1964

THE PRESBYTERIAN HOME FOR CHILDREN OF BLACK MOUNTAIN, N. C., INC., as now officially named, was established forty years ago, in Haywood County, as "The Mountain Orphanage".

The date was January 19, 1904, on Crabtree Creek, with a small family in a four room cottage, with several of the boys sleeping in the attic.

By unanimous vote, the Trustees of THE PRESBYTERIAN HOME appointed a committee to arrange special observance of this date in January 1964. The committee is to report to the next meeting of the Board of Trustees, and further announcement of plans will be made in the December issue of OUR MOUNTAIN WORK.

MALVERN HILLS BUILDING PROGRAM UNDER WAY

The Malvern Hills Presbyterian Church broke ground on Sunday, October 20th, for an educational annex to their present building, to cost some \$36,000.

Excavation was begun immediately and footings were poured to make as much progress as possible before freezing weather.

The new building will house the minister's study, provide more adequate rest room facilities, nursery accommodations and five additional class rooms. The building will provide some 3,000 additional square feet of educational space.

This is the third building program of the congregation and it is hoped that a new sanctuary can be erected in the near future so that the present sanctuary can be converted into a fellowship hall, and the present basement into additional educational space.

The church is financing the entire project, and refinancing an old debt on the manse and property, making a total indebtedness of about \$45,000. This is being met by monthly payments from the budget of the congregation.

The church recently assumed full self support, and is continuing their proportionate support of the agencies of the Presbytery, Synod and General Assembly.

It is hoped that the new unit will be available for use near the first of 1964.

TO AVOID CONFLICTS WITH PRESBYTERY MEETINGS

A plan is being worked out to avoid conflicts between various group meetings in Asheville Presbytery, something that has caused embarrassment at a number of times, through lack of co-operative planning.

A master schedule calendar is to be installed as a bulletin board in the office of the Executive Secretary, on which every scheduled event of Presbytery, Women, Men, Young People, etc., is to be posted.

Local committees or promotional groups planning any meeting involving two or more churches will be asked to check the schedule of fixed events on this schedule before confirming any future engagements.

It is hoped that this calendar can be completed for a period of at least six months in advance and be available for use on or before December 1st. Your cooperation will be appreciated.

The Presbyterian Home For Children

Since 1904, Operated By Asheville Presbytery

May We Visit You,

through the pages of OUR MOUNTAIN WORK? Some of you have seen us at OUR HOME. We wish more of you could come. We want you to know how much we appreciate THE HOME which you have made possible for us. We specially thank you for all that you have done for us in past Thanksgivings. We are sure that Thanksgiving, 1963, will be no different.

In High School

for pictures and other articles on this page, so we have told our story on the back of this sheet. We could not resist putting the picture of our Superintendent at the top. When the picture of the Five Seniors was taken, he insisted that he be included. We love him, because he has made it so pleasant for us at THE HOME. We hope you will read it all.

The Presbyterian Home for Children of Black Mountain, N. C., Inc.
Formerly, "The Mountain Orphanage,"

A WORD ABOUT YOUR HOME AND 59 BOYS AND GIRLS

The Mountain Orphanage had its start on January 19, 1904 as the first such Home for Children in the Appalachian Mountains.

It was founded by the Home Mission Committee of Asheville Presbytery, under the guidance of the late Rev. R. P. Smith, D.D., then superintendent of home missions.

Located first on Crabtree Creek, Haywood County, and later near Balfour in Henderson County, and since 1922 three miles west of Black Mountain, "The Mountain Orphanage", as it was called until the name was changed in 1947, has been a Christian Home for hundreds of boys and girls.

There are fifty-nine children living at THE HOME now.

For the fiscal year ending September 30, 1963 the cost of operation exceeded \$73,000, and this did not include certain other expenses made possible through Memorial Gifts, or the expenses of those in college.

The cost is high for three reasons.

There are more children at THE HOME. Even so the demand is great. There are as many applications as there are members of the family. Some of these applications are from Sessions of churches in Asheville Presbytery.

There are more children in High School than ever before, twenty-three all together. It is a tribute to THE HOME that so many want to complete their High School work. But it costs much more to care for the clothing, and other needs of this age than for the younger boys and girls.

Need the third reason be mentioned? Food, Clothing and other necessities of life cost more than ever before.

COLLEGE STUDENTS

At the present time THE HOME is not obligated for the college expenses of any student. Joe Robinson, at Chapel Hill, is on a full scholarship. Dan Hensley, who married last summer, is working part time, going to State College, Raleigh. Both expect to graduate this year. Cecil Caldwell is temporarily out of school, but expects to return to Western Carolina College, Cullowhee, in December.

GIFTS FROM THE CHURCHES OF ASHEVILLE PRESBYTERY

For the last fiscal year, ending September 30, 1963, the Churches of Asheville Presbytery contributed \$43,999.19 toward the support of THE PRESBYTERIAN HOME.

For the calendar year, ending December 31, 1963, Asheville Presbytery has approved a goal of \$46,000 as the need for this work.

Of the \$43,999.19 received:

\$18,984.01 was contributed through the monthly remittances from local church budgets.

\$8,856.48 was contributed by local Church Schools, Bible Classes, and others in supplementary offerings, and by various clothing groups who have sponsored individual children for clothing at \$100.00 per year each.

\$16,158.70 was contributed in 1962 at Thanksgiving.

January 19, 1964

Special recognition is to be given to the Sixteenth Birthday of THE PRESBYTERIAN HOME FOR CHILDREN, January 19, 1964.

Details will be in the December issue of OUR MOUNTAIN WORK.

In the meanwhile, please tell all former members of the family of THE MOUNTAIN ORPHANAGE, as it was formerly known.

A feature of the day will be the recognition of all those who have had a part, either as children in THE HOME, or on the staff.

SOURCES OF SUPPORT FOR PRESBYTERIAN HOME

Last year the Churches of Asheville Presbytery contributed \$16,000 at Thanksgiving for the support of THE HOME.

Of the total cost of operation, the Churches of Asheville Presbytery contributed \$43,999.19. The remainder of the cost came from other sources.

The Duke Endowment contributed \$5,661.06.

Non Presbyterian organizations and individuals gave \$6,296.83.

Interest from invested funds produced \$2,156.37.

A legacy during the year netted \$6,641.27.

The remainder came from parents and relatives of children, and other miscellaneous sources, AND FROM BORROWED MONEY.

Every summer it is necessary to borrow funds for operating expenses. We depend on the response at Thanksgiving to repay these loans.

This year the need is even greater, for it has been necessary to borrow \$18,550.

THE PRESBYTERIAN HOME looks confidently to 8,500 Presbyterians in Asheville Presbytery, and their friends, for an even more generous response at Thanksgiving 1963 than in 1962.

Gifts may be made through any Church in the Presbytery. Make your check payable to the Church, marked for "The Presbyterian Home".

Contributions made directly to the Treasurer, 26 Church Street, Asheville, N. C., should be made payable to THE PRESBYTERIAN HOME FOR CHILDREN. If the name of the Church is indicated on the remittance, proper credit will be given that church.

COMMODITIES IN 1963

For many years churches have been generous in "Commodity Gifts". Lately, however, more emphasis has been placed on gifts of money.

Churches with "Commodity Gifts" are invited to contact the Superintendent and arrange to have same brought to THE HOME. If practical, the Superintendent will send for such gifts in nearby churches.

PRESBYTERY CANDIDATES
AND WHERE THEY ARE

There are now sixteen men under the care of Asheville Presbytery as Candidates for the Gospel Ministry.

Some of these have found it necessary to enter some other activity for the time being, but, according to the report of Rev. Wm. R. Covin to Presbytery, the following are actively pursuing their studies, in the institutions indicated:

- Thomas M. Byrd, Kenilworth, is a Junior at the University of North Carolina.
- J. Carlton Burrell, Hazelwood, is a Junior at Columbia Theological Seminary, Decatur, Ga.

Some of the above items were real necessities, some urgently needed, all were essential to the betterment of THE HOME.

None of these would have been possible without a special appeal for funds, of a heavy indebtedness, as there was no surplus in normal operating income for these significant extras.

INFORMATION ON RECEIPT
FORMS FOR "THE HOME"

Contributions are made to THE PRESBYTERIAN HOME FOR CHILDREN in various ways. The receipt forms used to acknowledge these gifts carry an explanation that is re-printed in OUR MOUNTAIN WORK, for general information.

THE PRESBYTERIAN HOME FOR CHILDREN OF BLACK MOUNTAIN, N. C., INC., formerly The Mountain Orphanage, Inc., was founded in 1904 as the first such home for needy children in the Appalachian Mountains.

THE HOME has been under the ownership and control of Asheville Presbytery, Synod of Appalachia, Presbyterian Church, U. S., from its founding, and is now located three miles west of Black Mountain, on old US 70, adjacent to Grove Stone and Sand Company.

THE BUDGET for operating THE HOME is provided through gifts of the Presbyterian Churches of Asheville Presbytery, an annual appropriation from the Duke Endowment, limited income from invested funds, from parents and relatives, occasional legacies, and gifts from interested friends.

THE HOME cares for a maximum of fifty-nine children at any one time. These are from the area of Asheville Presbytery and children are admitted on the basis of need, supported by a thorough investigation in each case, and with the knowledge of the Session of the Presbyterian Church nearest the place where the children live just prior to admission.

SPECIAL FUNDS are received from time to time in addition to those credited to the "Operational Cost" of THE HOME.

"Memorial Gifts", acknowledged to the donor with an official receipt, in the exact amount of the donation, and to the Family, as to the fact of the gift (not the amount) when sufficient information is furnished. Such gifts are held in reserve and used by the Board from time to time for urgent needs outside the regular operating budget of THE HOME.

"Educational Fund", maintained as a separate account to be used for the education of either boys or girls, attending some school or college, after High School graduation, in preparation for their life's work.

"Endowment Fund", maintained as an investment, the interest on which is used for operational costs, or educational needs in accordance with

All was done with contributions from MEMORIAL GIFTS during the past year, as shown in the financial statement below:

On hand, Oct. 1, 1962	\$5,200.24
Received during year	5,924.50
Disbursed during year	6,492.98
Balance, Sept. 30, 1962	4,361.76*

SINCE OCTOBER, 1958—

Total disbursements of over \$27,000 since October 1, 1958, from contributions as Memorial Gifts, have made possible improvements at THE HOME, and other items so important to the life of the family.

It Can Be Done!
\$210,000 GOAL IN SIGHT

In January 1963, Asheville Presbytery set \$200,000 as the minimum goal for contributions to the agencies the Presbytery, Synod and General Assembly.

\$151,000 was to come from the regular gifts of the churches, remitted for division for the benefit of the whole budget. Presbytery set the amounts for each cause, thus establishing the basis of distribution.

\$97,845.00 of this total had been received on October 10, 1963.

\$58,683 was to come from the gifts to specific causes in supplementary offerings. This goal was based on the amount actually given to each cause in 1962.

These causes and the amounts given in 1962 are:

World Missions	\$19,859
Church Extension	7,909
Christian Education*	1,003
Ministerial Relief**	6,447
*- Rally Day, **-Joy Gift	

To October 10, 1963, the Central Treasurer of Benevolences has received and disbursed to World Missions \$19,025.00, in supplementary offerings.

It is too early to report contributions to the other three causes.

To date (November 5, 1963) the receipts have been:

Church Extension	\$1,342
Christian Education	656.

The Joy Gift Offering will be made on December 22nd. Because the General Assembly requires remittance by December 31st, to receive credit for a contribution in 1963, it will be necessary for the Joy Gift Offering to reach the Central Treasurer by December 26, 1963.

Urge your treasurer to remit all funds on hand by December 26th to meet this dead line.

the purpose of the original gift. All "undesignated" Endowment Funds are available, as the Board may feel best, to be used for operational costs when and if needed.

Note: The Superintendent forwards all funds sent to his office, to the Treasurer for an official receipt. It will save time if all remittances are sent directly to the Treasurer, 26 Church Street, Asheville, N. C.

Contributions are made "In Lieu of Flowers" at the time of the loss of a loved one, or on the anniversary of such loss. When the necessary information is furnished, the fact of the contribution is acknowledged to the family. A receipt for the exact amount is sent the donor.

Each month the names of donors and those in whose memory the donations are made are published in OUR MOUNTAIN WORK. A form is also published for making other remittances. These should be sent directly to the Treasurer, 26 Church Street, Asheville, N. C., for prompt acknowledgement.

THE MODERATOR SAID: At The 175th Anniversary Of The Organization Of The Synod Of The Carolinas

Speaking at Mt. Mourne, N. C., on
the anniversary of the organization of
the Synod of the Carolinas, (November
5, 1788), Rev. Wm. H. McCorkle, D.D.,
Bristol, Tenn., and Moderator of the
General Assembly said in part:

"When we unfurled our banner in
1861 in our part of the Presbyterian
family, we said we were to be a mis-
sionary church.

"Fifteen percent of our membership
was then from the Negro race. If that
ratio had been continued, we would
have today 135,000 Negroes as members
of the Presbyterian Church in the South-
land.

"Do you know how many Negroes
there are in our church? There are

LAMMEY TO BE OAK FOREST PASTOR IN JANUARY

Rev. Gale Daniels LammeY will be-
come pastor of the Oak Forest Church
in January, succeeding Rev. R. L. Som-
mers.

Mr. LammeY and his family will
move after Christmas, in time to preach
his first sermon at Oak Forest on Janu-
ary 5, 1964.

A native of Memphis, Tenn., he was
graduated from Furman University, and
Union Theological Seminary in Vir-
ginia, he was associate minister at the
First Presbyterian Church, Charlottesville,
Va., before going to Elkton, Va.,
in 1959.

Mr. and Mrs. LammeY have two chil-
dren, Mary Louise, age 4, and Sarah
Margaret, age 1. Mrs. LammeY was the
former Miss Mary H. Carson of Bu-
chanan, Va.

He will ask to be received by Ashe-
ville Presbytery at the regular meeting,
January 21, at Hendersonville. A date
for his installation will be named after
he has been received by the Presbytery.

approximately 6,000.

"That figure in itself is a condemna-
tion to us. It should be. If we had
fulfilled our obligation to take the Gos-
pel to our Negro minority in the South-
land, would we today have the tension
and stress that we now seek to endure?"

And he added:

"We now have fewer missionaries on
the world frontiers than we had thirty
years ago. We give proportionately less
money to the extension of our Gospel
to the uttermost parts of the earth now
than we did thirty years ago."

AUTEN DISMISSED TO ACCEPT CALL TO TEXAS CHURCH

Dr. Joseph L. Auten, pastor of the
Kenilworth Presbyterian Church since
February 1959, was dismissed to South
Texas Presbytery on December 3rd.

At a called meeting of Asheville Pres-
bytery action was taken dissolving the
pastoral relationship with the Kenil-
worth congregation, and granting a let-
ter to the South Texas Presbytery, to
allow Dr. Auten to accept a call to the
First Presbyterian Church of Harlin-
gen, Texas. He expects to begin work
in his new pastorate in January.

Dr. Auten is the current moderator
of Asheville Presbytery, and has been
active in the work of the body. He has
served on the Church Extension Com-
mittee, and more particularly on the
Christian Education Committee, where
his major interest has been the develop-
ment of a Camp Site for the presby-
tery.

Under his leadership, as chairman of
the special committee in charge of the
work, the two hundred acre site near
Fairview in Buncombe County, now
boasts of a lake and roads, with com-
plete plans for future development.

Dr. Auten went as a candidate for
the Ministry from the Bryson City
Church of Asheville Presbytery, in 1943.
He had previously served as an attorney,
with special interest in title work in
connection with the Tennessee Valley
Authority. He entered Union Theologi-
cal Seminary, Richmond, Va., in the
fall of 1943, and served a pastorate in
Richmond from the date of his gradua-
tion at Union until coming to Ashe-
ville.

FROM AFRICA TO KOREA

The Women of the Presbyterian Church in Mutoto, Congo, sent their World Day of Prayer Offering (\$30.77) to the Women of a Presbyterian Church in Soonchun, Korea.

After hearing of the Korean congregation's need, the African women sent the offering with a note expressing "our love and sympathy in these troubled times."

The gift, according to a report from the field, will enable a new congregation in Kwang Choon to purchase a residence to use for a church. The little group of 30-40 adults have been meeting in a borrowed room of a stable.

"Moreover, brethren, we do you to wit of the grace of God bestowed on the churches of Macedonia (Korea);

"How that in a great trial of affliction the abundance of their joy and their deep poverty abounded unto the riches of their liberality." 2 Corinthians 8:1,2.

Dial 692 1417, and the voice is Rev. John L. Fain, Hendersonville.

There may be other similar programs in the Presbytery. If so, please give us the exchange, the local telephone number and the name of the minister, for recognition in a future issue.

THE PRESBYTERIAN SURVEY**The Official Magazine
Of Your Church**

It is estimated that THE PRESBYTERIAN SURVEY, monthly, official magazine of the Presbyterian Church, U. S., has a paid circulation of 263,472, and reaches an estimated 600,000 Presbyterians throughout the south.

More than 2,200 Presbyterian churches send THE SURVEY to their members on the "Every Family Plan" at One Dollar per year.

This ratio is:

55.8% for the General Assembly.

64% for the Synod of Appalachia.

79% for the Presbytery of Asheville.

There are still seven churches not included in this plan in Asheville Presbytery. They represent a little less than one eighth of the total membership of the presbytery.

Subscriptions, new or renewals, are available on an individual basis at \$2.00 per subscription until December 31, 1963. After January 1964 the rate will be \$3.00 annually.

If you get the magazine through your local church, a contribution of One Dollar will re-imburse your treasurer. If not, a subscription NOW will save you One Dollar.

WEAVERVILLE WOMEN MEET

The Women of the Churches of Weaverville met for their fall meeting in the Baptist Church Monday evening, October 28. A very inspiring program on Stewardship was presented by the Women of that Church with a Fellowship time following. The offering received was to be divided and sent as Christmas gifts to the six missionaries from the three Churches. The Church Women of the community enjoy wonderful Christian Fellowship and each Church looks forward to their time to entertain the groups.

Omitted From November Issue.

\$210,000 GOAL FOR PRESBYTERY, SYNOD, ASSEMBLY CAUSES

Will Goal Be Reached By Presbytery Congregations?

In January 1963 Asheville Presbytery allocated amounts to each cause of Presbytery, Synod and General Assembly.

These allocations were on the basis of either the amounts asked for the agencies of Synod and General Assembly or minimum needs of Presbytery agencies.

The amounts asked had to be cut because the total anticipated income for 1963 was only \$210,000 (based on reports of churches as to their probable gifts during the year.)

Presbytery Causes were cut to the minimum and every cause of Synod and Assembly was reduced the same percentage amount. It is hoped that the churches will indicate larger gifts in 1964, and that these causes can be assured of larger income next year.

The report of the Central Treasurer through November 10th, representing contributions in local churches through October 31st, is summarized below. Receipts subsequent to November 10th, will increase these totals. Additional funds from the Church Extension Offering, (October 20th), the Thanksgiving Offering and the Joy Gift will increase the total to each of these causes.

NOTE: The Joy Gift Offering in 1962 exceeded \$6,000, and there is every reason to believe that this offering in 1963 will be equally as great. For this reason this agency did not share in the division during the year.

*The final figure of the Thanksgiving Offering and other designated gifts will increase this amount.

**Church Extension in the Presbytery undertook to operate on a much smaller budget in 1964 to make funds available for Synod's and Assembly's agencies, even in the face of expanding needs for funds.

The following is a comparative report of receipts through the office of the Central Treasurer to Nov. 10, 1963, compared with last year's total and the allocation for 1963.

CHRISTIAN STUDENT SUNDAY DECEMBER 29, 1963

Churches throughout the General Assembly will be observing "Christian Student Sunday" on December 29th.

Students will be at home for the holidays and this recognition will emphasize the significance of education in the preparation for Christian Service.

High School students will attend, many of whom, as Seniors, will be anticipating entering some college during the coming year.

The October issue of OUR MOUNTAIN WORK listed students from Asheville Presbytery in attendance at colleges bearing a special relationship to the Presbytery.

Within the bounds of the Synod of Appalachia there are seven Presbyterian colleges, of either Junior or Senior level. Two of these are within the bounds of Asheville Presbytery.

The Presbyterian Church, U. S., of which Asheville Presbytery is a unit, has one Senior and two Junior Colleges:

- KING COLLEGE, Bristol, Tenn.—Senior
- LEES-McRAE COLLEGE, Banner Elk, N. C.,—Junior
- MONTREAT-ANDERSON COLLEGE, Montreat, N. C. — Junior
- The United Presbyterian Church, U. S. A., has three Senior Colleges and one Junior College:
- MARYVILLE COLLEGE, Maryville, Tenn.—Senior.
- TUSCULUM COLLEGE, Greeneville, Tenn.—Senior.
- WARREN-WILSON COLLEGE, Swannanoa, N. C. — Junior.
- KNOXVILLE COLLEGE, Knoxville, Tenn.—Senior.

Knoxville College was established for the education of Negro women, and was a unit of the United Presbyterian Church, prior to the forming of the United Presbyterian Church, U. S. A., by the United Presbyterian Church and the Presbyterian Church, U. S. A., several years ago.

Presbyterian students attend many other institutions, but prospective graduates in 1964 should examine the opportunities of the colleges in their own church before deciding definitely where they will attend in the fall.

ASHEVILLE PRESBYTERY HENDERSONVILLE, 10 A.M., JANUARY 21, 1964

The quarterly meeting of Asheville Presbytery, scheduled to be held at Hendersonville, January 21, 1964 will receive the annual reports from the churches.

It is expected that Rev. Gale D. Lamme, pastor elect of the Oak Forest Church will be present, asking to be received.

A distribution budget for funds for support of the agencies of the Presbytery, Synod and General Assembly will be adopted for 1964. This will be based on the anticipated gifts from the churches, as reflected in their Every Member Canvass reports.

Committee vacancies will be filled, as this is the annual meeting for such.

Rev. J. L. Auten, retiring moderator, will have moved prior to the meeting. He has asked another minister to preach the opening sermon.

Rev. Dan E. Carlton is moderator-nominee, subject to election at this meeting.

MAKE NO MISTAKE

It is not an unusual error in writing a Will, or drawing some legal paper, to make a mistake in the name of the institution to which the donor wishes to make a donation, or leave a legacy.

There have been at least six or more variations in the way checks have been drawn in contributions to *The Presbyterian Home for Children* during the Thanksgiving season alone. In the past it has been necessary to take legal steps to clarify the meaning of a will, because of failure to use the exact name, or some obscure designation of a bequest.

MAKE NO MISTAKE

Don't put it off!

If you intend to remember one or more agencies of your Church in your Will, Don't Put It Off!

Do It Now!

MAKE NO MISTAKE

In drawing a deed, trust or writing a will, consult your attorney. Show him this paper for the exact way to include the object to which you wish to make your gift.

If to your local church:

"The (specific name) Presbyterian Church, of (post office), of Asheville Presbytery, Presbyterian Church, U. S."

If to an agency of Asheville Presbytery:

"The Presbyterian Home for Children of Black Mountain, N. C., Inc."

"The Home Mission Committee of Asheville Presbytery, Inc."

If to any agency of the General Assembly or any of its congregations, Presbyteries or Synods:

"The Presbyterian Foundation, Inc. (US)" and specify the agency or agencies involved.

For detailed information, write Presbyterian Foundation, Inc., 1005 Wachovia Bank Building, Charlotte, N. C., 28202.

For further information regarding any of the above contact the Executive Secretary of Asheville Presbytery, 26 Church Street, Asheville, N. C., 28801.

SIXTIETH ANNIVERSARY JANUARY 19, 1964 MARK THIS DATE

Plans are under way to celebrate the sixtieth anniversary of the opening of THE PRESBYTERIAN HOME FOR CHILDREN as a child caring institution of Asheville Presbytery.

On January 19, 1904 a small family gathered in a humble cottage on Crabtree Creek in Haywood County, and with a prayer of dedication led by Rev. R. P. Smith, D.D., THE HOME opened its doors, under the name of "The Mountain Orphanage".

Well over one thousand boys and girls have been sheltered in this institution, which was the first such home for children in the Appalachian Mountains.

Plans for celebrating this occasion in a special way are being laid. These plans contemplate several features:

OPEN HOUSE

Visitors are always welcome at THE HOME but in a special way, "Open House" will be observed on Sunday, January 19, 1964.

Former members of the family, as far as possible, are being urged to attend, and be identified as such.

All members of churches of Asheville Presbytery are urged to visit THE HOME.

ANNIVERSARY ISSUE

The January issue of OUR MOUNTAIN WORK will be dedicated to THE HOME, and extra copies will be available at the Open House, January 19, 1964.

DETAILED ANNOUNCEMENTS

Details of plans will be sent every church in the Presbytery at an early date.

ALUMNI

The Superintendent, Don McKenzie, has a list of Alumni, which is admittedly incomplete. The names and latest addresses of all such Alumni, as well as former staff workers, will be greatly appreciated.

Not only are they invited to THE HOME for "Home Coming", but they will be added to the mailing list of OUR MOUNTAIN WORK, to receive the special anniversary edition.

AT THE END OF THE YEAR

Agencies of the Church are looking backward over their work and seeing much that was left undone because of the lack of money.

They are also looking forward to 1964 and the years to come, wondering how to project their plans in the light of anticipated income.

They are aware that the opportunities are limited only by their lack of resources and men to meet them.

AT THE END OF THE YEAR

Church Members might look backward over their support of the Church.

Is it possible that they have not contributed according to ability?

Have the providences of God made it possible to do MORE than they actually gave in 1963?

An Extra Contribution out of the Year End Balance, would help the local Church discharge her obligations in a finer way.

An Extra Contribution to the Agencies of the Presbytery, Synod and General Assembly would broaden the effectiveness of the work.

**ACT NOW—BEFORE
THE END OF THE YEAR**

THE "JOY GIFT"
AT CHRISTMAS

A supplemental offering will be received in every Church in Asheville Presbytery in December.

For years it has been called the "Joy Gift" Offering. It is given in joy, knowing that it will bring joy to the hearts of many retired ministers of the Church, and the widows and children of deceased ministers.

Since 1941 the Ministers' Annuity Fund has been in operation, building up a retirement plan that will guarantee a modest income, upon retirement, for all ministers. It will be approximately 1976 before this fund will afford its maximum benefit to any one man.

In the meanwhile the Joy Gift Offering for "Ministerial Relief" will serve to provide a small income to those retired ministers, widows and orphans of deceased ministers, who are not included in the "Ministers Annuity Fund", or whose income does not reach at least \$1,800.00 for an individual or \$2,800 for a couple.

The "Joy Gift" Offering is the principle source of such appropriations. Because of such gifts in the past these minimums were increased in 1963, but they still provide a bare subsistence.

Churches of Asheville Presbytery, in 1962, gave \$6,700 for this important work of the Church. At least that much is essential in 1963.

In most churches this offering will be received on December 22nd.

The General Assembly has instructed the Treasurers of Assembly's Causes to close their books for 1963 on December 31, 1963.

In order for the Central Treasurer to receive and forward local contributions for Assembly Agencies (including "Ministerial Relief") to meet this dead-line, funds MUST be in his hands on the morning mail, December 26, 1963. Local Treasurers Please Note.

PRESBYTERIAN HOME NEWS
by The Superintendent

"Thank You"

We would like to thank our many friends for making this Thanksgiving a special one for the children. Many of them had called and wanted the children for Thanksgiving so we decided to let all of them go into some home for the Holidays. All of them got to see the Christmas Parade and had a wonderful time.

All of us at the Home would like to express our thanks to all of you in the churches for the work that was done for us at Thanksgiving. We received so many cards from various groups that prayers were being said for us during this period and this meant a great deal to us.

Back To College

Cecil Caldwell returned to Western Carolina College December 2nd to continue his school work. Joe Robinson and the Carolina football team ended a wonderful season when they defeated Duke for their final victory. He called us and was very excited about going to Florida for the bowl game. He is still undecided about what to do after he graduates in January but will go into school work.

Christmas Plans

We are looking forward with eagerness to Christmas. The family will leave on Christmas Eve for a visit in homes of the Presbytery. This is one event that always brings us much happiness.

Our Christmas tree will be lighted on Christmas Eve, and presents will be distributed before we go on the visits to homes of our friends.

STATISTICAL REPORTS

Each local Session is expected to file a statistical report for 1963 with the Stated Clerk of the Presbytery, Dr. W. G. Thomas, on or before January 14, 1964.

These official reports are the basis of the report he will complete and send to the office of the General Assembly.

One part of this report will reflect the gifts of the local congregation to the work of the agencies of Presbytery, Synod and General Assembly. These contributions are made through the office of the Central Treasurer of the Presbytery.

All agencies of the General Assembly are ordered to close their books on December 31, 1963. In order to meet this dead line the Central Treasurer of the Presbytery will forward all funds on hand upon the receipt of the morning mail, December 26, 1963, to these several causes.

The Central Treasurer will close his books for the year on January 2, 1964. As soon as practical after that date reports will be submitted to individual churches, in a form to enable the local treasurer to enter the figures on the "Work Sheet" furnished by the Stated Clerk.

The "Work Sheet" provides a place to add other amounts that may have been sent direct to a particular cause and determine the final amount to be inserted in the official "Statistical Report".

PLEASE NOTE:

The work of the Stated Clerk is often hampered by failure to read carefully ALL instructions on the Work Sheet.

Be sure to put exact amounts on the Work Sheet in the proper column.

Be sure to transfer totals only to the Statistical Report, in even dollars. (Omit cents. If you do not, the Stated Clerk has to revise your figures to conform to this rule to secure uniformity of your report with others.)

Be sure your report is in his hands by January 14, 1964.

Church Extension Offering For 1963 — Under \$1,300

In 1962 the churches of Asheville Presbytery contributed a total of \$7,794.00 in the supplemental offering for Church Extension.

To December 5, 1963, a total of only \$4,286.13 had been remitted, to the Central Treasurer.

The offering was received in the local churches on October 20th, or close thereto.

This year's offering will be shared with the Board of Church Extension of the General Assembly, and that part retained for use in the Presbytery, will be divided between two land purchase projects: 1) For a church at Cullowhee (Western Carolina College), and 2) For a new church at Hendersonville.

Last year there was a remittance from every one of the thirty-four congregations. Five have not yet made a remittance in 1963, and doubtless the total funds on hand have not been remitted by a number of other congregations.

WARREN LEAVING PASTORATE AT GRACE COVENANT

Dr. Paul F. Warren, pastor of the Grace Covenant congregation since its organization in 1953, has announced his desire to accept a call to a newly organized church on Albemarle Road, Charlotte, N. C.

In a regularly called meeting on January 5th, the congregation voted to concur with his request to Asheville Presbytery, January 21, 1963, that the relationship of pastor and people be dissolved, with a view to his moving to Charlotte by February 1st.

Dr. Warren came to Asheville Presbytery in June 1946 to become the first pastor of the Arden Presbyterian Church, organized March 31st of that year. He accepted a call to the Kingston and Waccamaw churches of Conway, S. C., More on Page Seven

A NEW TYPE TV PROGRAM OFFERED BY W-L-O-S Featuring "Uncle Hank"

On January 6th WLOS-TV began a special religious program known as "The Uncle Hank Program". It is the continuation of the TV ministry of Rev. Henry Schum, now pastor of the Swannanoa Presbyterian Church.

The schedule, every week-day morning (except Saturday), at 7:15 A.M., is calculated to catch many boys and girls before school, and the program itself is geared to interest them in particular.

For the five years it was on television over WJHL in Johnson City, Tenn., it attracted a continually growing adult viewing audience. The backdrop in the picture herewith was prepared by WJHL and Mr. Schum is shown, open Bible in his hand, ready for a broadcast.

He illustrates Bible stories with charcoal sketches on news print. While acting out and telling these stories, he weaves into the fifteen minute program from three to six rapidly drawn pictures. These are a special form of stick figures drawn against a semi-realistic background.

The programs are distinctive in their character in that they are non-sectarian in nature. Mr. Schum makes no appeal for funds either publicly or privately to support the program.

The Asheville WLOS station has allocated this valuable time to Mr. Schum as a public service feature. Tentative plans call for a re-run the Friday morning broadcast each succeeding Sunday at 7:30 a.m.

This entire series gained such popularity in the Johnson City viewing area that many wrote for "stick-men" badges and leaflets dealing with the Bible lessons and Christian living. From time to time "Uncle Hank" has "write-in" contests.

Readers of OUR MOUNTAIN WORK are asked to view one or more of these programs and write in your evaluation of same. You may drop a postal to "Uncle Hank" care OUR MOUNTAIN WORK, 26 Church Street, Asheville, N. C. Your reaction will be relayed to Mr. Schum and to WLOS-TV.

REV. W. D. MORRISS HERE AS MISSIONARY SPEAKER

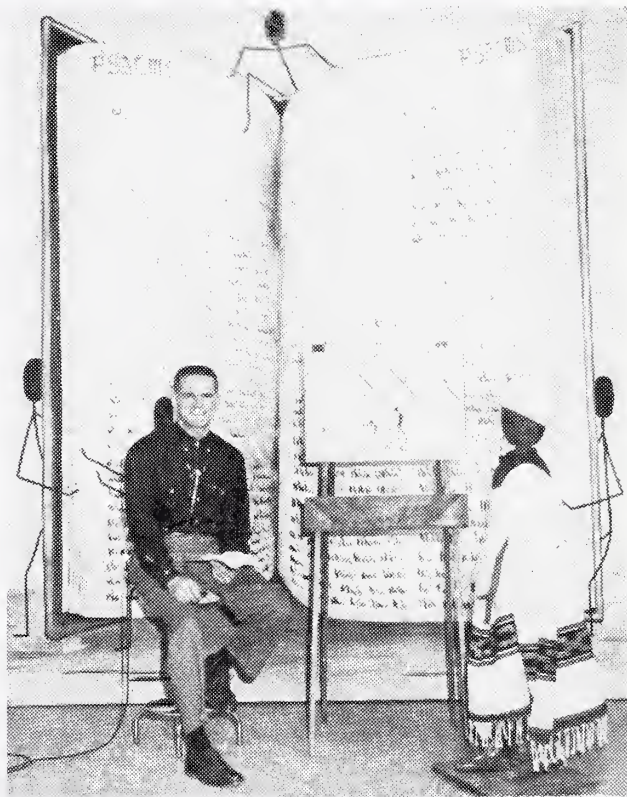

Mission Film Available

Rev. W. D. Morriss, Jr., missionary from Japan, will be in Asheville Presbytery for the week of January 29 through February 5 in the interest of World Missions.

His itinerary in the Presbytery is under the direction of Rev. J. L. Jackson, Chairman of World Missions for Asheville Presbytery. Mr. Jackson has sent a letter to local pastors and will arrange for Mr. Morriss to visit as many churches and local groups as possible.

Another feature of the World Missions season is the availability of a film, "Bright Flame", which can be used for a program. It can be secured through Mr. Jackson at any open date from January 19th to February 9th. The film deals with mission work in India and is in color. It runs twenty-five minutes.

Mr. Morriss, who will be the missionary speaker, is the son of a minister, and had a brief pastorate in Louisiana before going to Japan in 1958. He is a native of Memphis, Tenn., a graduate of Southwestern at Memphis and of Louisville Presbyterian Theological Seminary.

STILLMAN — A DREAM

With 550 students a faculty of 53 and 9 major buildings, Stillman College, Tuscaloosa, Ala., is serving this generation of Negro students in the name of the Presbyterian Church, U. S.

A dream in 1876, under the inspiration of the late Dr. Charles A. Stillman, for whom the college is named, has now reached a point of real service, under the present president, Dr. Sam Burney Hay, and has recognition as an accredited college.

With the impetus of a share of the recent Presbyterian Development Fund campaign, a step is being taken toward greater goals. They look forward to an endowment from the present \$850,000 to a much needed \$5,000,000, and the addition of at least six new buildings to meet the needs of a college of 850 students with a faculty of seventy-five.

January 19th, has been designated by the General Assembly as Stillman College Day, for special emphasis on this work. The General Assembly supports the operational cost of this college through a share of the General Fund. While the amount set up for this cause for 1962 was \$284,800, the contributions of the churches permitted the distribution of only \$152,291.

A definite percentage of all contributions of churches of Asheville Presbytery for the "General Budget" is disbursed to this agency, in addition to a few designated gifts during the year.

For further information ask your pastor, or write Stillman College, P. O. Drawer 482, Tuscaloosa, Ala.

CONFERENCES AT MONTREAT

It is characteristic of members of the Churches of Asheville Presbytery that they neglect one of their greatest available assets for personal development and specialized training for Church activities.

If the Montreat Conferences were held in some distant part of the country, doubtless many would attend from this area.

If some attention were paid to the dates of some of the Conferences, and plans made early enough, there are hundreds in Asheville Presbytery who could attend.

The 1964 schedule is published in the November 1963 issue of the Montreat Bulletin. Included are the following with special interest to individuals in Asheville Presbytery.

\$205,459 DISBURSED IN 1963 TO CHURCH AGENCIES

The Churches of Asheville Presbytery remitted through the Central Treasurer, for the benefit of the agencies of the General Assembly, Synod and Presbytery a total of \$205,459 in 1963.

In January 1963, on the basis of reports of the Churches indicating what they would probably give, a disbursement basis was adopted for contributions to the regular budget for distribution on a percentage basis.

All money contributed for a specific cause went to that cause in addition to the percentage share of divided funds.

Shown below is the total disbursed to each cause (Column Two).

Column One gives the basis adopted in January 1963, and Column Three is the corresponding amount given the cause in 1962.

What The Home Means To Members Of The Family

Several of the young folks in The Home have Written briefly.
These statements bear testimony to the work that has been
accomplished and continues to be accomplished.

By Sue Myers

I came here as a little girl of nine on August 21, 1955. At first, I was afraid to do anything because it was so different. But everybody helped me out and I felt at home before I even unpacked.

When school started and grades started coming in I was the happiest girl on the campus I had made A's, something I had never done before. Month after month I began to feel like a real part of this big family.

I still remember my first Christmas, the most wonderful any child ever had, at least it was for me. It was then I was shown the real joy of Christmas and the joy of being part of this wonderful family.

Summer came and as things began to gain their green color, THE HOME became a deep part of my life. I learned to swim, dive, skate, to play ball with all the others. As the year ended and new ones came, the love for the home grew and grew.

Things were about the same until the seventh grade when I moved upstairs with the older girls. I began to feel as if I were really growing up. I began to have laundry and kitchen duties. I fell in love with the kitchen and thought how wonderful it would be to have one of my own.

We have a new and wonderful superintendent in Mr. McKenzie who has done so much for THE HOME. Our rooms have been painted, we have new furniture and he has changed a lot of the rules. He will never know just how much his work has meant for us. At THE HOME we have everything we need. I know I have a lot more than many girls of my age.

I have been to New York and across the state. I have had opportunity to work at the Oteen Hospital. We get to go home the third Sunday of every month. We all love to go, but we can't wait to get back.

As I look back on the eight years my heart is filled with love for all my brothers and sisters and housemothers and with thankfulness for the wonderful blessing God gave me, when He sent me here. I can sincerely say that living here I have had the same experiences and privileges and love that any other girl my age would have.

There are fifty-nine in the family now, with three in college. Five more will be eligible for college work after graduation from High School in June.

By Vestal Caldwell

The first day I came to THE HOME I did not know anyone and I did not want to know anyone. All I knew was that I wanted to go home.

As time went on, I got to know everyone at THE HOME and I learned to play with the other boys and girls, but I really did not like THE HOME.

I considered THE HOME as only a place to live.

Later, when I was in the sixth grade I moved upstairs and learned to work with the older boys and girls, and began to consider THE HOME, not only as a place to live but as a real home.

When I came to the Presbyterian Home I didn't know that I would ever call the place, "Home". Now I know that the Presbyterian Home is the only place I will ever be able to call "Home". THE HOME has made me everything that I am now and hope to be in the future.

I will always attribute my success in life to the Presbyterian Home and to the workers here, but most of all to Mr. Robert L. York and Mr. Don C. McKenzie.

EDITOR'S NOTE:

Don C. McKenzie is superintendent and Robert L. York the farm manager at The Presbyterian Home for Children.

The Corporate name of the institution is: "The Presbyterian Home for Children of Black Mountain, N. C., Inc."

By Annie Mae Thurston

The Presbyterian Home has meant a lot to me in many ways since I came four years ago. It surely has changed my life from what it used to be.

Before I came to THE HOME I was not as fortunate as I am now. We should all stop once in a while and think about how fortunate we really are and how thankful we should be. God has truly been good to us. But what do we do? We just take it all for granted.

Since I came to THE HOME many changes have been made. Of course, we have problems once in a while, but we have found that no one can solve our problems better than our superintendent, Mr. McKenzie. We make our mistakes, but we learn from them.

I am a senior this year and I plan to go to college, which would be impossible if I were some other place. I could not do this without the help of THE HOME.

It takes the help of everyone to keep THE HOME running. We should stop and count our blessings and thank God for those who have made THE HOME possible.

By Jimmy Bell

In the summer of 1953, I came to THE HOME. I was about seven years old.

When I first came I was a little boy down stairs and did not realize the need of school, so I did enough school to barely get by.

As all little boys have, I thought to get up stairs where I would be a big boy was the greatest thing in the world. When I was eleven my dreams came true.

I was a house boy for a year. Being a houseboy means working with the housemother and in doing this you really learn how to keep house.

The next year I went out on the farm where I have been taught to do all kind of farm work. When I entered High School I began to take part in different kinds of sports.

We have an hour study hall each night to be sure we do our school work. We have every opportunity here that children have in a smaller home.

We have the opportunity to take part in many religious activities. We attend Sunday School and Church at the Black Mountain Presbyterian Church and all the Camps and Conferences.

During my year here I have been well cared for and wish to express my appreciation to every one who has contributed in any way to my support.

Let's Reminisce A Bit

The main unit of the present home of The Presbyterian Home for Children was built on a site of 170 acres about three miles west of Black Mountain in 1922.

The first home was on Crabtree Creek in Haywood County, opened in 1904 in a humble four room cottage. Some of the boys climbed to the unfinished attic. But it was a HOME.

In three short years there was a need for larger quarters and THE MOUNTAIN ORPHANAGE, as it was then known moved to Balfour, Henderson County, near Hendersonville, where it remained until 1922.

All the while it was under the watchful eye of the late Dr. R. P. Smith, Superintendent of Home Missions, under whose guidance the Home had been at work, as the first such institution for needy children in the Appalachian Mountains.

Shortly they moved to the present home, where they were caring for as many as sixty-five boys and girls at one time. At that time Dr. Smith was still living. Rev. J. H. Gruver was the superintendent, and Dr. R. D. Bedinger, now retired and living in Asheville, was the Treasurer. It was still a project of the Home Missions Committee of Asheville Presbytery.

It was probably thirty years ago that the following was written about the Home. It tells graphically of the early days, and summarizes the aims and ideals that still exist.

"Nearly thirty years ago when Dr. R. P. Smith, veteran superintendent of Home Missions of North Carolina, found in his travels many homeless children, he felt divinely led to gather a few in a small four-room cottage, not realizing that he was establishing an orphanage.

"More than five hundred children, who have grown up here and are now occupying places of usefulness and responsibility in the world look back to this institution to call it home. God alone can measure the good that has been accomplished by giving these young people a chance in life.

"Mountain Orphanage is owned and controlled by the Asheville Presbytery, but no child is denied its shelter because of creed, the applicants need being the first consideration. Because this is a small home mission Presbytery and we accept children from any or no denomination it is necessary for us to receive funds from sources outside our own bounds.

"Our aim is to make the orphanage a real Home, teaching the children the value of a home, the spirit of brotherliness and cooperation as well as faithfulness, honesty and industry. Since they have been denied a home by adverse circumstances we are striving to give them loving and understanding care and to replace what has been lost to them.

"Their spiritual welfare is the chief concern of the Home.

"There is no desire to make this a large institution, as we believe it would be difficult to keep the Home atmosphere in a much larger group. With the present equipment and administration, however, we could care for ten or fifteen more with a very small additional cost.

"Fifteen dollars a month will feed and clothe a child and give him an equal chance in life with others."

Now Stop And Consider!

Competent authorities claim that it is necessary to spend as much as One Hundred Dollars a month per child to accomplish in 1964 what Fifteen Dollars would in 1923. That is close to the average cost at THE PRESBYTERIAN HOME FOR CHILDREN today.

There are standards to be met, and life has changed in many ways. The farm no longer includes a dairy, for the cost of handling and pasteurizing milk is more than the cost of purchase. Staff salaries are higher. It has been found more efficient to limit the number of children to a maximum of sixty.

The five hundred who had received the benefits of the HOME in the early twenties has more than doubled, and there are now fifty-nine in the family.

And did you notice in your reminiscing how many times "The Mountain Orphanage" was referred to as a "HOME"? In 1958 it was decided that it would be better to call this institution by this name, and "The Mountain Orphanage" officially became, "The Presbyterian Home for Children of Black Mountain, N. C."

Already, in 1947, it had been made a separate corporation and with a Board of Trustees of nine men and three women. It has carried on the tradition and goals set out on the first night, January 19, 1904, when Dr. Smith dedicated the home with a family worship service.

The spirit of worship has been at the heart of THE HOME ever since. Members of the family, under a Christian staff, engage in family worship daily. There is an active participation in the work of the Black Mountain Presbyterian Church. Members of the family are leaders of youth groups at the church. Church Day Camps feature religious training during vacation periods. Over half of the family have united with the church on profession of faith. It is normal for every one, remaining at THE HOME through High School, to graduate as a professing Christian.

R P Smith Memorial Fund

One of the boasts of THE PRESBYTERIAN HOME FOR CHILDREN is that every qualified high school graduate has had the opportunity to go on to college or some specialized training for their choice life work.

Farsighted friends of Dr. Smith felt that this would have been a project nearest to his heart and set out to establish a *Memorial Fund* to assist in this goal. Shortly after his death in 1926 this fund was started. Only occasional small gifts have been added to the fund during recent years, and it now stands at \$15,800.00.

During past years there have been as many as four young people in college at the same time. Next year there may be five, as 1964 High School graduates continue their studies. Thus the need continues for such funds.

The R. P. Smith Memorial Fund requires that the principal be invested, and only the interest be used for such aid. It is evident that the maximum interest on \$15,800.00 does not go far in the face of current costs.

The Board of Trustees of The Presbyterian Home has approved, therefore, a suggestion that to increase this Memorial Fund on the sixtieth Anniversary of the "Home" founded by Dr. Smith, would honor the founder and contribute greatly toward meeting this major need.

Another story in this special Anniversary Supplement tells of the other "Memorial Fund" which has meant so much to the life of the Home in recent years. Friends are invited to contribute specifically to the R. P.

A TESTIMONY FROM A COLLEGE STUDENT

By Cecil Caldwell

July 12, 1950 is a date that I will long remember, the date I entered THE PRESBYTERIAN HOME at Black Mountain. It seemed so strange to a six year old boy to leave a small family and then find yourself a member of a large family as we have here at THE HOME. The first night was a night of crying for as a young boy I did not know what was in store for me. So many good things have come my way since I have been at the home. As I look back over the years I realize that everything I am and hope to be I owe to THE PRESBYTERIAN HOME.

My first six years were spent downstairs in the little boys department where I received my early training. This was a wonderful time in my life as I learned to play and work with all of the other children. When you are a little boy you always look forward to the time when you can move upstairs and be called a big boy. At twelve years old my time came to move and I was thrilled to death. I learned to drive the tractor and truck and to do so many things on the farm. As all of us worked together we could see the results of our work and it made us feel so good to go in to the dining room and see all of the other boys and girls eating the food that we had helped raise.

My high school days were happy ones and I shall always cherish their memory. I shall never forget the church camps and conferences that I had a chance to attend and the wonderful

JOE ROBINSON ON TV

If you were looking at the Gater Bowl game when the University of N. C. trounced the Air Force Academy by a score of 39 to 0, you may have seen a Tar Heel husky with the numbers 88 on his jersey.

If you did, you were looking at Joe Robinson, once as he caught a pass that made a touchdown possible, and again as he caught another pass in the end zone for a touchdown. He also caught the extra point pass that made him high scorer on the Tar Heel team. At any rate you saw him in action — the kind that helped the Tar Heels pile up that score.

If you are alert, you will know why OUR MOUNTAIN WORK carries a sports item.

Joe graduated from Owen High School in 1959 and has been at Chapel Hill on a foot-ball scholarship for he past four years. He is slated to graduate in January, and continue in graduate work until June.

Joe is a product of the PRESBYTERIAN HOME FOR CHILDREN, and while there was Moderator of the Senior High Council of Asheville Presbytery.

friends that I made. I was thrilled that I could represent my church and home by an office in the Presbytery and this has meant much to me in my later life.

The home was good for me and I shall never forget the wonderful years there. It has been the only home that I have had and I shall always be grateful to all who had a part in my life. I can never begin to thank all who have been responsible, for so many have, but I can try to live my life so those that have can be proud that they had a part in it.

Page Eight of this Anniversary Issue carries the monthly report of contributors to the Memorial Fund, and another article outlines how this fund was used in 1963. Contributors may use the blank printed on Page Eight and insert the name of Dr. R. P. Smith, or any other person to be so remembered. If Dr. Smith's name is used, or if specific instruction accompanies the gift, the contribution will be added to the current balance of the Scholarship Fund.

An acknowledgement of such gifts will be made to the person or persons named in the remittance blank, a receipt will be sent the donor, and a recognition of the gift will be made in a subsequent issue of OUR MOUNTAIN WORK.

Memorial Gifts

There has been a growing custom of making "Memorial Gifts" in memory of friends and loved ones, often "In Lieu Of Flowers". Such a custom started about fifteen years ago has resulted in a total of over \$20,000 for the use of THE PRESBYTERIAN HOME FOR CHILDREN during this time.

Such gifts are acknowledged in the amount of same to the donor, and in an appropriate "Sympathy Card" to the family. (The card never carries the amount of the gift.)

These gifts are kept entirely separate from the regular operating funds for THE HOME and are used from time to time for objects which the Trustees feel worthy, but not practical within the limits of funds available for "operating costs", in other words for "extras" over and above budget needs.

THANKSGIVING OFFERING EXCEEDS 1962 TOTAL

At the time of closing the books of the Central Treasurer on January 3, 1964, the total receipts for the Thanksgiving Offering had exceeded the 1962 record by seventy-five dollars.

There was a need for \$18,550 in 1963 due to increased costs, etc., and the actual receipts to January 3rd had reached \$16,233.68. After the books were closed a few extra checks were received in the amount of \$323.00. These were from the Waynesville and Lakey Gap churches.

With these receipts since January 3rd, the record shows that every church in the presbytery except one has shared in the offering. Add to the record shown below: Waynesville, \$299.00 and Lakey Gap, \$24.00.

Not including these two items, receipts from the churches have reached:

in 1950, and returned to this Presbytery in January 1953 to direct the organization of a new congregation in North Asheville.

First services were held March 1, 1953 after preliminary work under his leadership, and Grace Covenant Church was formerly organized in May. Under Dr. Warren's ministry the church contributed approximately \$3,000 to the benevolence work of the denomination in the first year of its organization, and is now engaged in the third building program in ten years.

Just before coming to Arden, Dr. Warren was married to the former Miss Anne O'Kelley of Atlanta. They have two children.

During his ministry in Asheville Presbytery, Dr. Warren has served as moderator, as chairman of the Presbytery's Council, and on other important committees. At present he is chairman of the sub-committee of the Appalachia Synod in charge of Campus Christian Life.

He is a graduate of Davidson College and Union Theological Seminary. In 1959 King College bestowed on him the honorary degree of Doctor of Divinity.

THREE TONS OF CLOTHING CHURCH WORLD SERVICE

When the Church World Service van pulled up to the Plummer's Radio Service, 270 Biltmore Ave., some weeks ago there were over 6,500 pounds of used clothing, blankets, and other materials for distribution overseas.

Much of this material had been accumulated through the efforts of the Women of Asheville Presbytery, but members of other churches learned of this depository and hundreds of pounds came from distant points and many groups, including gifts from as far away as Andrews, Tryon and Saluda.

Mr. F. A. Plummer has offered an extensive storage space back of his shop for this use, and bundles can be left there any time the shop is open. A contribution of eight cents a pound is asked to cover a part of the overhead cost of shipping and distributing the clothing.

This is a feature program of Church World Service with eastern headquarters in New Windsor, Maryland. Contributions of eight cents per pound should be mailed direct to the above address and not left at Mr. Plummer's Shop. Be sure to identify your Church in making the remittance.

Another van will come to Asheville in the early spring to pick up packages left between now and then.

MEDICINE — 210 GALLONS — THE MEN DID IT

The Men of Asheville Presbytery shipped four 55 gallon drums to Dr. Wm. Rule, medical missionary in the Congo, on February 6.

Now it was not all medicine, but all but the necessary packings was "sample medicines" collected by the men throughout the Presbytery in the past year, under the direction of Stan C. Settle, past president of the Men of the Presbytery. Fred F. Dodd, of the Sylva Church, spearheaded the movement and the packing was done at the Grace Covenant Church under the watchful eye of Odell Matthews registered pharmacist, who said that the total shipped has a conservative value of \$10,000. It was sent to Norfolk, Va., to be combined with other shipments, and sent to Africa. In Norfolk, Mrs. Jack L. Howard, Director of the Norfolk Sample Drug Program will add it to other supplies to leave there on February 23rd for Africa.

E. C. Conrad, of the West Asheville church, and secretary of the Men of the Presbytery, together with men of the Grace Covenant congregation, did the careful assorting and packing. Included in the "packers" were E. C. Conrad, West Asheville, Brandon Glasgow, William Wiley, William Breazels, Horace Adams, Arthur Matthews and others.

CONSIDER THE WORLD MISSIONS THE CHURCH'S TASK

"Go ye into all the world and
preach the Gospel to every creature."

This command of Christ has ever been uppermost in the minds of Christians. It is prominent in the thinking of Presbyterians in February, the month set apart for special emphasis on the work of the Board of World Missions of the General Assembly.

Rev. Woodrow D. Morriss, Jr., missionary to Japan, spent a week in the Presbytery. A movie "Bright Flame" has circulated among the churches. Other special programs were presented in local congregations.

On March 1st, each church is asked to receive a "supplemental offering" for this cause to continue and broaden an activity which calls for a total budget of over \$4,500,000, involves work in nine countries.

In 1963 the supplementary offering reached \$9,000 or more. The total contributions for World Missions remitted to the Central Treasurer of the Presbytery reached \$33,885.46.

During the year supplementary offerings for this work amounted to a total of \$23,737. It is essential that the churches contribute at least as much in this manner in 1964 so that the cause of World Missions will receive its full share of the total giving of the churches.

Make your contribution on March 1st through your local church. Use the special envelope or mark your check carefully, for "World Missions."

EXECUTIVE BOARD MEETS

The Executive Board of the Women of Asheville Presbytery held a luncheon meeting at the First Presbyterian Church, Asheville, on January 28th, with Mrs. J. E. Wilson, president, presiding and twenty-four members present.

Mrs. Joseph H. Armfield, Chairman of Spiritual Growth, conducted a helpful devotional, basing her message on the Feeding of the Five Thousand.

Special emphasis was laid on a careful study of the Manual of the Women of the Church, with close attention to provisions of organization and programs for locals. Manuals may be ordered from the Board of Women's Work, 341 Ponce de Leon Ave., Atlanta, Ga. 30308.

Miss Elizabeth Hoyt, historian, asked all local historians to get their histories in on time. Five failed last year. All committee members present made their reports, and the meeting adjourned with prayer to meet at Montreat in August. Details will be announced later.

SATURDAY NIGHT PRAYER

A resolution adopted at the January meeting of Asheville Presbytery calls on all ministers to form a "Saturday Night Prayer Band".

Each minister is asked to remember his fellow ministers in the Presbytery in their work, and to pray for a quickening of the spiritual life of the congregations served.

This request should be broadened to ask all Church Officers and leaders every congregation to join in the "Saturday Night Prayer."

Pray for your own minister, the services scheduled for the coming Sundays and for the total life of the church that her Christian testimony will honor the Lord Christ, and advance His Kingdom.

What Presbytery Asks In Support of All Church Agencies

A REASONABLE SHARE FOR EVERY AGENCY

Presbytery assumes two basic factors:

That every church will remit monthly definite percentage share of gross income (exclusive of Building Fund and other designated offerings), for the benefit of the General Budget, and indicate to the Presbytery each January how much can be reasonably expected from this source.

That Each Church will receive each of FIVE Supplementary Offerings during the year, and contribute for each of these causes as much designated during the current year as they did in the preceding year.

These Supplementary Offerings and the date for each are:

WORLD MISSIONS—MARCH 1, 1964.
CHRISTIAN EDUCATION, "RALLY DAY"—SEPTEMBER 27, 1964.
CHURCH EXTENSION—OCTOBER 18, 1964.
PRESBYTERIAN HOME — THANKSGIVING, NOVEMBER 26, 1964.
MINISTERIAL RELIEF, "JOY GIFT"—DECEMBER 20, 1964.

Presbytery receives the report of the Council:

This report indicates the probable income from the above sources for the current year, based upon—Actual Commitments to be divided for the benefit of the whole budget and Actual Receipts for the preceding year of Contributions to Specific Causes (Supplemental Offerings and all other designated gifts or the five above causes.)

This report recommends a distribution of these anticipated funds on a equitable basis as possible, taking into consideration the minimum needs of Presbytery's agencies, and the maximum available for all other causes in the Budget. All Causes of Synod and General Assembly are assigned a proportionate share of anticipated available funds, based on the amount assigned to this Presbytery for each cause by the Synod.

To help you understand the What and the Why of undergirding the work of the Church through regular, systematic and proportionate support of ALL the causes of Presbytery, Synod and General Assembly.

A Commitment From Every Church

- 1—A thorough "Pre-Budget" Canvass, that is, an appeal to the membership for commitments on the basis of their ability to give, and not merely to underwrite a budget.
- 2—A realistic estimate of the anticipated income for the current year from individual commitments, loose offerings Sunday by Sunday, and any other income applicable to the work of the Church, other than the Supplemental Offerings for specific causes.
- 3—Deduct from this total the amount that will normally be applied to Building Needs or the retirement of Building Obligations.
- 4—Determine what percentage part of the remainder represents a reasonable contribution to the work of the Presbytery, Synod and General Assembly.
- 5—Make a Commitment to Presbytery to forward monthly this percentage share of the total receipts (exclusive of all Designated Gifts and funds for Building Expenses or Debt Retirement).
- 6—Notify Presbytery of this Percent basis, and estimate the probable amount that this Percent basis will produce during the current year.

This Final Figure is the amount that Presbytery will consider, with similar amounts from other churches, in estimating the probable income for these agencies.

The Commitment of the Church is not for the amount in dollars, but for the Percent of total income, whether it be larger or smaller than the Dollar estimate.

PRESBYTERIAN HOME NEWS

by The Superintendent

“Open House”

We would like to thank all of our friends who attended our “Open House” celebrating our 60th year of operation. This was by far the largest group ever to come out and visit us at any one time. We appreciate all the nice things that were said about THE HOME and the improvements that have been made. It made us all feel good to see and talk with some of the “boys and girls” who were here in past years.

At School

Barbara Jean Rhodes has been selected as an attendant in the May Day Court at Owen High School. Barbara will represent the ninth grade in this big affair at Owen.

Vestal Caldwell has been chosen as the most friendly senior at Owen in their voting on “superlatives” in the senior class.

Five seniors have taken their college board exams and the results will be in soon. We hope that all did well and will be able to continue their education. They will be making choices for college attendance at an early date.

At Church

The Senior High Fellowship of the Black Mountain church, where the family attends, had charge of the morning worship service on January 26th. Vestal Caldwell, president, and other young people from THE HOME took an active part, including: Sue Myers, Mike Banks, Billy Laughter, Jimmy Bell, and Billy Foster. Four of our Pioneers were ushers and received the offering: Johnny Guthrie, James Adams, Charles Ballard, and Clifford Barnette.

In Atlanta

Edward Myer and Billy Foster were among a group of boys from Owen High who attended a city-wide meeting of the “Fellowship of Christian Athletes” in Atlanta on February 1st and 2nd. Under the supervision of Mr. Bill Stanley, they had a wonderful time and an opportunity to hear outstanding speakers in the two days. They worshipped at the First Presbyterian Church, Atlanta.

Warming Up

We are grateful to the Malvern Hills Church for the donation of a heating unit to be installed in the gym. The church is adding to their present building and putting in a new heating system. We are very grateful for this gift, as we have never had heat in the gym and this will make possible year-round activities there. This will be of special help when the children are at home from school in times of snow and bad weather.

CHURCH LEADERS WILL MEET TO SURVEY TOTAL NEEDS

The anticipated income from the thirty-four churches of Asheville Presbytery in support of the work of the Presbytery, Synod and General Assembly in 1964 is \$53,000 LESS than the actual needs, as approved by the Presbytery in July 1963.

Problems related to the fact that Presbytery recognized that the sum of \$259,000 represented the realistic needs of the twenty-six agencies involved, and the Churches indicated that they will give only \$206,000 in 1964 are to be considered.

A meeting is scheduled for March 2, 1964, at the First Presbyterian Church, Asheville to consider the situation. It was scheduled by the Council of the Presbytery, under the direction of a special committee of which T. H. Lamb, of the Oak Forest Church, is chairman. Other members of the committee are Rev. John L. Fain, Horace Adams, Jr., Grace Covenant, Rev. W. G. Thomas and Rev. R. E. McClure.

The meeting is being planned for the First Presbyterian Church, Asheville, at 6:30 P. M. The program will be primarily a discussion of the situation under the guidance of panel leaders.

A letter from the chairman to each minister sets forth the urgency of having at least five persons from each church, namely the minister, the clerk of the session, the chairman of the board of deacons, the church treasurer, and the chairman of the local committee on stewardship or of the Every Member Canvass.

Mr. Lamb is asking that a reply postal be used to promptly advise him of local plans to attend the meeting.

Emphasis is laid on the urgency of the matter, and the importance of having “lay representatives” from every church present, together with the minister.

BRITTAINS COVE TO HAVE AN INSTALLED PASTOR

There has been no "pastor" at the
Brittain's Cove Church for twenty or
more years.

This will be changed in June of 1964,
when Robert Jefferson Coker of Chat-
tanooga, accepts a call to serve this con-
gregation in connection with a ministry
is assistant to the pastor, Rev. H. B.
Dendy, D.D., at Weaverville.

Mr. Coker is a graduate of the Uni-
versity of Chattanooga, and will grad-
uate from Columbia Theological Semi-
nary, Decatur, Ga., on June 1st.

Under the proposed plan, the pastor
lect will give the Brittain's Cove con-
gregation a service every Sunday morn-

GENERAL ASSEMBLY AT MONTREAT APRIL 23, 1964 PRE ASSEMBLY CONFERENCE ON APRIL 22ND.

The General Assembly of the Pres-
byterian Church, U. S., opens the 104th
annual sessions at Montreat, with a ser-
mon by Rev. Wm. H. McCorkle, D.D.,
retiring moderator, at 4 P. M., Thurs-
day, April 23, 1964.

A Pre-Assembly conference on World
Missions and Evangelism will convene
at 2:30 P. M., Wednesday, April 22,
1964, to which all Commissioners are
urged to attend, with other visitors.

The conference will feature four brief
Bible study periods, led by Rev. R. Ran-
dolph Taylor, D.D., pastor of the
Church of the Pilgrims, Washington, D.
C., at the opening of the conference,
again Wednesday evening and at 8:30
and 10:00 A. M. Thursday.

Bishop J. E. Lesslie Newbigin, of Ge-
neva, Switzerland, will bring three ad-
dresses on Wednesday afternoon and eve-
ning and on Thursday morning. The
conference will close at 12:30 Wednes-
day.

The Pre-Assembly Conference will be
of special interest to all members of
churches of Asheville Presbytery who
can attend.

THE GENERAL ASSEMBLY

The General Assembly should be in
the minds and hearts of all Presbyte-
rians. Every Church is asked to engage
in special prayer for this court at the
regular hour of worship on April 19th.

\$53,000 ADDITIONAL NEEDED FOR CHURCH AGENCIES

Representatives of thirty of the thirty-
four churches in Asheville Presbytery
met at the First Presbyterian Church
in Asheville on March 2nd, and faced
the need for \$53,000 more in 1964 for
the agencies of the Presbytery, Synod
and Assembly than was in sight.

Over one hundred attended the meet-
ing, with lay-representatives from twen-
ty-nine of the churches present. The
matter was presented by a panel from
the Presbytery's Council, with Rev. B.
Blake Breitenhirt, chairman, presiding.

Speaking on the panel were T. H.
Lamb, Jr., Oak Forest, Horace Adams,
Grace Covenant, and Rev. W. G. Thom-
as, pastor of the West Asheville Church.
Rev. John L. Fain, Hendersonville, op-
ened the meeting with a strong presen-
tation of the spiritual basis of steward-
ship.

The primary fact that the agencies
need \$259,000 in 1964 from the
churches of Asheville Presbytery was
shown through the approval of this fig-
ure in July 1963. The report was made
that only \$206,000 of the total was in
sight, either through regular giving to
the whole budget or through supple-
mentary offerings.

No specific recommendations were
made by the council, but the response
from the group was enthusiastic and

\$5,899 TO WORLD MISSIONS SINCE JANUARY FIRST

Sixteen of the thirty-four churches of
Asheville Presbytery have contributed
in "designated funds" a total of \$5,-
899.89 to World Missions since January
1, 1964. This compares with \$3,779.36
for the same period of last year.

Most of this came in response to the
"Supplementary Offering" on March
1st, but some were commitments for
missionary support and other designated
funds.

Amounts received from the sixteen
churches, to March 13th, including all
designated gifts for World Missions
from all local sources, are:

ing, a mid-week service, and adequate pastoral care. He will assist at Weaverville in such ways as the Session of this church may direct.

The two churches will provide the full salary for Mr. Coker, and the Church Extension Committee of Asheville Presbytery, will furnish a manse, with basic utilities. The manse is the former home of Rev. Wade C. Smith, purchased a few years ago.

The manse is currently occupied by Rev. and Mrs. J. C. Cook. Mr. Cook, a retired minister of Orange Presbytery, has been serving the Brittain's Cove congregation since last fall. For the past twenty years the ministry of this Church has been possible through students and retired ministers for periods of seldom more than nine months each.

In spite of this handicap the church has held its own, and at times has shown some growth. The effort of the local people to erect a new building, which will probably be in use during the coming summer, and the coming of an installed pastor, will result of a growth in the area.

A fuller account of Mr. Coker, his family, and more definite plans for his coming to assume this work will be included in a later issue of OUR MOUNTAIN WORK.

PLAN NOW FOR 1964**SYNODICAL TRAINING SCHOOL**

The annual Synodical Training School will again be held at King College, Bristol, Tenn. The dates are June 8-12, 1964.

This should be an important date on the calendar of every local organization of the Women of Asheville Presbytery.

Plan NOW for your group to be represented by one or more delegates.

Complete details in a later issue.

ALSO INTERDENOMINATIONAL CHRISTIAN CONFERENCE

Since June, 1926, the Women of the Synod of Appalachia have been sponsoring an annual conference for Negro women.

With Mrs. Richard M. Goss, Director, the 39th Conference, now known as the "Interdenominational Christian Conference" will be held at Knoxville College, Knoxville, Tenn., June 8-13.

Local groups are urged to consider, alone or jointly, to send a delegate to this conference. Registration fee, room and board will be \$18.00.

Registrations, or contributions to help delegates, should be sent to Mr. C. J. Goddard, 1907 Highland Drive, Knoxville 18, Tenn.

definite. Two recommendations were made and adopted.

"One — To ask the Council to formulate some plan to challenge the Churches to an extra effort to increase their gifts to the *Whole Budget* by as much as possible, with a view to meeting the deficit of \$53,000.

"Two — To challenge all Church officers to tithe and to secure as many tithers as possible in each local congregation."

Considerable interest has already been shown in securing additional contributions from the churches for division directed by the Presbytery. The Central Treasurer reported increased giving of approximately \$1,000 over the first two months of 1963 in funds for the whole budget.

The only "Supplemental Offering" received thus far is that for World Missions on March 2nd. To date \$5,899.81 has been received for World Mission compared with \$3,779.36 for the same date in 1963.

PRELIMINARY ESTIMATE IS
\$20,000 FOR REPAIRS

The Presbyterian Home for Children faces the urgent need for funds to make major repairs and additions to the plumbing and sanitary facilities.

The Board of Trustees was advised in the situation which involved several factors. The first was the urgent necessity to replace existing plumbing facilities due to corrosion and in some cases actual leakage in drainage pipes. A thorough inspection confirmed the fact that this is a MUST item in the immediate future.

The second consideration is the lack of adequate facilities in each of the four departments. THE HOME fails to meet the minimum requirements of the state both as to space and number of tubs, showers and commodes, in ratio to the number of children.

The third is the fact that accommodations for the staff are too limited, and the fourth that there is no provision for rest rooms for visitors.

A committee of the Board of Trustees has the matter under careful study. This committee finds that the matter will also involve certain construction problems, as the floors of the present rooms are concrete, and it may be necessary to enlarge them with additional building.

No final estimate of cost has been presented, but it is certain that for the health and welfare of THE HOME, something must be done. When the final plans are made it is hoped that the actual cost will be less than the preliminary estimate. It may even exceed this figure.

PRESBYTERY MEN'S RALLY
SET FOR APRIL 21ST

The Men of Asheville Presbytery will meet at the First Presbyterian Church, Asheville, at 6:30 P. M., Tuesday, April 21st for a Presbytery-wide Rally, with adjournment by 8:30.

Please note the date. The tentative date announced in OUR MOUNTAIN WORK in February is in error.

Arthur H. Matthews, first vice president, has announced that Rev. Harold Borchert, for twelve years a missionary of the Presbyterian Church in Japan, will be the speaker. Jay Fesperman, president, will lead the singing.

This should be an unusually interesting and important meeting, and it is hoped that every one of the thirty-four churches will be represented. Plans for the meeting were made at a council meeting on March 8th, and an effort is being made to reach every church with this information.

The cost of the meal will be \$1.25, all of which will go to the First Presbyterian Church for this purpose.

GENERAL ASSEMBLY
FROM PAGE ONE

The General Assembly, as it convenes, is composed of an equal number of Ministers of the Word and Ruling Elders, from each of the eighty Presbyteries. They are elected on the basis of one Minister of the Word and one Ruling Elder for each 5,000 members or fraction thereof, providing a body of approximately 450, and other officials and guests will mean at least 550 in official attendance.

The General Assembly will hear reports from the Boards and Agencies, special committees and "ad interim" committees to whom have been referred certain matters for study. In addition there are over forty "overtures" for consideration this year.

An "Overture" is an official communication from one of the Presbyteries or Synods asking that the General Assembly take some action with reference to matters before the court.

The official docket for the 1964 General Assembly calls for the Moderator's Sermon at 4 o'clock, Thursday afternoon, April 23rd, followed by the celebration of the Communion of the Lord's Supper.

Thursday evening there will be a service when "Greetings" will be heard by the visiting "Fraternal Delegates" from other church bodies, in particular those of the Presbyterian and Reformed Churches, and the election of a new Moderator.

During the tabulation of votes various communications and other reports will be received for consideration later in the sessions, with greetings from the Mountain Retreat Association and recognition of Past Moderators present.

THE THURSDAY SESSIONS SHOULD BE OF SPECIAL INTEREST TO ALL VISITORS WHO CAN ATTEND. All sessions are open to the public as long as there is adequate seating, and this should not be a problem at Montreat, where the Anderson Auditorium, seating over 3,000, will be the place of meeting.

BUSINESS SESSIONS

Friday is the time for Committee Meetings, considering various reports, and there will be no meeting of the General Assembly as a whole during the day. Friday evening the docket provides for consideration of "Ad Interim Committees", three of which were named in 1963 to study certain matters.

Saturday will be spent in a similar way, as will me Monday and so much of Tuesday (Wednesday, if necessary) as is needed to hear all reports and conclude the business of the court.

SUNDAY

It is customary to invite some minister to be the preacher at the morning worship service. No announcement has been made at this writing as to who he will be.

REV. A. E. DALLAS IS AT
GRACE COVENANT CHURCH

Rev. A. E. Dallas, retired minister of Knoxville Presbytery, is the interim minister at the Grace Covenant Presbyterian Church.

Dr. Dallas, whose last pastorate was at the Fifth Avenue Church in Knoxville, Tenn., is serving the Grace Covenant congregation until a successor is chosen to Rev. Paul F. Warren.

Dr. Warren, the first pastor of the church, moved to Charlotte in January to become the first pastor of a new church on Albemarle Road.

EVERY MEMBER CANVASS TRAINING SESSIONS

Plans are going forward under the direction of Rev. B. Blake Breitenhirt, chairman of Presbytery's Council, for one or more "Training Sessions" for the Every Member Canvass in November.

Dates will be set for holding these sessions in June, after conference with the General Council of the General Assembly, which will supply the leadership for same.

This training session is being planned to give aid to local pastors, and the Every Member Canvass Director in each local church. It is imperative that these two people attend from each church.

Alternate dates have been suggested as June 7, 15 or 16. As soon as one

WELCOME GENERAL ASSEMBLY

Asheville Presbytery extends a welcome to the Commissioners from each of the other seventy-nine Presbyteries gathering at Montreat, April 23rd, for the 104th Session of this body.

Asheville Presbytery was erected in December 1896, under the leadership of the late Dr. R. F. Campbell, then pastor of the First Presbyterian Church, Asheville.

The work has grown through the expansion directed by the Church Extension Committee (formerly the Home Mission Committee), building on the work of the first Superintendent, the late Dr. R. P. Smith.

Eight or more schools have been sponsored by the Home Mission Committee, inspired by the leadership of Dr. Smith. Several of these are now a part of the public school system of the mountain area.

THE PRESBYTERIAN HOME FOR CHILDREN of which Don. C. McKenzie is now Superintendent, was begun January 19, 1904, as "The Mountain Orphanage", the first home for children in the Appalachian mountains. This is the only such institution now sponsored by the Presbytery.

THE PRESBYTERIAN HOME FOR CHILDREN is located three miles west of Black Mountain on old Highway 70. You are invited to visit THE HOME while in the

DOUG SLAGLE IS TO SERVE MORRISON-FRANKLIN

Douglas Slagle, Senior at King College, will serve the Morrison and Franklin Churches during the summer as assistant to Rev. Fred F. Guthrie, minister at these churches.

Doug Slagle, the son of Mr. and Mrs. Geo. M. Slagle, of Franklin, is a member of the Franklin Church and a candidate for the Gospel Ministry under the care of Asheville Presbytery. He plans to enter Columbia Theological Seminary to complete his studies for the ministry.

The Morrison church has been served by Mr. Guthrie, in connection with his work as pastor at Franklin. An appropriation from the Presbytery's Church Extension Committee provides for a summer assistant who will give the Morrison church a service every Sunday morning, and aid in other ways in both congregations.

This congregation is located about six miles south of Franklin, and about one half mile west of US 441. It is one of the older fields of the Presbytery, with a history of membership in Mecklenburg Presbytery there. The late Dr. W. W. Moore, president of Union Theological Seminary, Richmond, Va., was ordained on August 30, 1881 and served the Oak Forest and Swannanoa churches for one year before going to Millersburg, Ky., for one year before joining the faculty of Union Seminary, then at Hampden-Sydney, Va.

PRESBYTERY CAMP TO SEE PARTIAL USE THIS SUMMER DECLINES TO WITHDRAW FROM NC COUNCIL

Meeting in a one day session at Weaverville, on April 14th, Asheville Presbytery received an overture from the Swannanoa Presbyterian Church asking that it be sent to the General Assembly, April 23rd, seeking the withdrawal of the General Assembly from the National Council of Churches. Also full consideration was given to an overture from the Weaverville Church, presented in January and docketed for the April meeting, asking the Presbytery to withdraw from the North Carolina Council of Churches.

The latter was defeated by a standing

vote, by 35 to 23. The former was not voted on, but ruled out of order on two counts. The Presbytery had declined to take similar action at the January meeting, and the rules of the General Assembly prevent the sending any overture to that body so close to its meeting date.

J. J. Stone, Presbytery's representative to the NC Council, reported on the work of the Council, and the annual meeting in January. He also announced that the Council would hold its annual meeting in Asheville in 1965.

Candidate Sam Bradley

Sam Bradley of the Grace Covenant Presbyterian Church was received as a Candidate for the Gospel ministry. He

TWO SIGNIFICANT MEETINGS FOR WOMEN DURING JUNE

Women of Asheville Presbytery should find much interest in two significant opportunities for Christian training in June.

16TH ANNUAL TRAINING SCHOOL, FOR WOMEN OF LOCAL CHURCHES OF APPALACHIA SYNOD.

The first of these is the "official" effort of the Women of the Synod, to offer local leaders an opportunity for individual training and fellowship. The dean this year is Mrs. F. S. Clayman, Bristol, Tenn., currently President of the Women of Appalachia Synodical.

Outstanding leaders, including three ministers of the Synod and leaders in the Women's Work in the Church, will offer an inspiring program.

The sessions will open at King College, Bristol, Tenn., June 8th and continue through June 12th. Four Credit Courses will be offered.

Thursday, June 11th, will be "Commuters' Day" with special programs, 9:15 A. M. through the afternoon. Picnic Dinner on the ground, \$1.00 each.

Send \$3.50 Registration Fee to Mrs. Charles H. Walter, Lebanon Drive, Kingsport, Tenn., by May 25th. Pay balance \$2.50 Room and Board on arrival. Register for Picnic Lunch by noon, Wednesday.

38th INTERDENOMINATIONAL CHRISTIAN CONFERENCE FOR WOMEN OF LOCAL CHURCHES IN AREA OF APPALACHIA SYNOD.

Begun in 1926 as a Bible Conference for Negro Women, this Conference will be held at Knoxville College, Knoxville, Tenn., under the direction of Mrs. R. M. Goss, for her thirteenth year.

The opening session for 1964 will be at 8 P. M., June 8th and the conference will continue through the 13th. Classes will be held in Bible, Vacation Bible Schools, Christian Witnessing, Family Relationships (for youth and adult groups) and Crafts. Inspirational services will be conducted each evening.

Local organizations are being asked to sponsor delegates, by paying their full or partial expenses, or to contribute to the expenses of some delegate. Registrations, accompanied by a fee of \$3.00, and contributions should be sent to Mrs. C. J. Goddard, 1907 Highland Drive, Knoxville, Tenn.

In 1962 the Conference had the largest number of delegates in their history with 138 enrolled. This dropped in 1963 to 127. Presbyteries were represented as follows: Abingdon 15 (14 in 1962); Asheville, 18 (18 in 1962); Holston 41 (38 in 1962) and Knoxville 54 (68 in 1962).

\$18.00 for room and board includes Monday supper, lodging five nights and Saturday breakfast. Women 18 years of age and over are invited. Mothers of young children are specially welcome.

Contact your local President for further details about either conference.

The list below, and amounts shown, includes all the Churches, and the total received from each designated for World Missions, from January 1st to April 10th in each year.

The Supplemental Offering for World Missions was scheduled to be taken in the local church on March 1, 1964.

PLANS UNDERWAY FOR CAMP
ACTIVITY THIS SUMMER

By Rev. W. R. Covin, Chairman Subcommittee on Camp Development.

After several years of planning and development, Asheville Presbytery will use its Camp and Conference Center for the first time this summer. The campsite consists of 250 acres and is located in the Fairview section of Buncombe County. A 3½ acre lake and an all-weather road have already been constructed. Plans are now being completed for the erection of a Program Shelter and a Bath House. Canvas-covered "Hogans" will serve as sleeping shelter for this summer's activities.

Three camps have been scheduled for the month of July. A Work-Camp for 10th graders has been set for July 6-13. The enrollment for this camp will be limited to 10 campers who have had at least two years previous experience in church camping.

Two Pioneer Camps will be held, July 20-27, and July 29 - August 5. These will be for rising 7th, 8th, and 9th graders. They will be limited to 20 campers each.

The Camp will be available in August for Church picnics and other events.

Long-range plans call for the erection of a dining hall and winterized cabins so that the Center can be used the year around conferences, rallies, retreats, and training sessions. These other facilities will be built as soon as funds become available.

EASTER OFFERING EXCEEDS
\$1,000 TO APRIL 10TH

Twelve of the thirty-four churches had remitted their 1964 Easter Offering to the Central Treasurer, by April 10, for a total of \$1,023.61.

This compares with a total of \$1,715.06 from twenty-one churches in 1963. It is recognized that the 1964 figure is not complete as other churches will doubtless make their remittance, to be reported next month.

The Easter Offering is an exclusive fund, used by the Board of World Missions in a ministry of relief and special aid to the poor and needy overseas. This is a ministry in the name of the Church, and affords larger actual relief on the field than any other method of contributing.

Remittances have been received from the following churches, to April 10, 1964:

Asheville First	\$333.30
Black Mountain	30.14
Canton	79.60
Etowah	8.00

A SALUTE TO ANDREWS

Word has just come that the Andrews Presbyterian church, with seventy-one members, has completed payment on their \$25,000 educational building, and reduced their obligation on their manse lot to \$500.00.

Within the past two years they have purchased a lot with a view to building a new manse. The old manse, adjacent to the church had to be abandoned for this use, and the church has been renting a home for their minister.

Also, within the past month, the church has acquired new hymnals. They are donating their old hymnals to the Brittains Cove congregation.

The Andrews congregation is looking forward to a week of special services with the executive secretary of the Presbytery as the minister. These services will begin at 11 A. M., May 3rd and continue through the evening service on May 10th.

The church reported three additions on profession of faith and one by reaffirmation of faith at the service on April 12th.

Christian Education Plans

Rev. J. D. Whitesides, chairman of the Christian Education Committee made a report covering various phases of this work. The gist of his report with reference to the proposed use of the new camp site is covered in a special article furnished by Rev. Wm. Riley Covin, chairman of the subcommittee on development and use of the camp.

Other scheduled activities for special groups or individuals, as outlined by Mr. Whitesides included:

Senior Citizens

Rev. Wayne Aughinbaugh reported progress in plans for a proposed "Home for Senior Citizens". He presented a letter, which was distributed, and which local pastors and churches were asked to use in seeking to determine the potential users of such a home on the basis outlined.

The letter specified the possible use of a hotel in Asheville adjacent to the proposed re-habilitation program of the city, and on the basis of an initial cost of from \$3,000 to \$5,000 each, and a monthly charge of approximately \$175.00. This latter would cover meals, certain nursing services in case of illness, other specified nursing home care, and other expenses incidental to living in the proposed home.

It was stated that, if there were sufficient interest, on the basis of the proposed facility, the Presbytery would be asked to take official action toward sponsoring same on a strictly self-sustaining basis. Those interested in actually participating in such a program of retirement were asked to contact Rev. Wayne R. Aughinbaugh, Waynesville, chairman of the committee.

DUKE ENDOWMENT ANALYSES
CHILD CARE COSTS

The Duke Endowment made appropriations to approximately thirty child care institutions in North and South Carolina, including the PRESBYTERIAN HOME FOR CHILDREN.

The appropriation for 1964 for THE PRESBYTERIAN HOME was \$5,341.69 based upon the number of child care days given to children whose mother or father or both are dead. They make no appropriation for the care of children where one or both parents are living. This is in accord with the terms of the trust set up by the late James B. Duke, in the 1920's.

The Duke Endowment officials require an extensive report of actual costs, and classify these costs in terms of the size of the institution. The PRESBYTERIAN HOME is so classified in a group of twelve with an enrollment between 31 and 61 children. (There are sixty currently at THE HOME.)

The average total cost per child per day for the twelve was found to be \$4.22. The comparable cost at THE PRESBYTERIAN HOME was \$3.66: These figures are total overall costs.

Some other comparable figures speak of the extent and nature of the work at THE PRESBYTERIAN HOME, as compared with the other eleven institutions:

	Average	Pres. Home
INSTITUTIONAL OPERATING EXPENSES		
Per Child Per Day	4.05	3.62
Per Child Per Year	1,478.84	1,321.30
PERCENT OF COMMON COSTS		
Salaries	34.0	24.1
Supplies	46.6	57.2
Miscellaneous	19.4	18.7
CHILDREN CARED FOR		
Total Per Day, Average	45.9	58.6
Total Per Staff Member	4.9	5.9

was authorized to borrow an additional \$5,000 for completion of initial buildings at the camp site. Presbytery had already given permission to spend \$15,000, of which \$7,000 was spent for additional land. Only \$5,000 of the initial \$15,000 has been borrowed. The \$7,000 spent for land came from funds on hand.

It was pointed out that this would make possible the drilling of a well, providing electricity, erection of a shelter pavillion, a permanent bath house and temporary hogan or tent type shelters for use this summer.

Manual Amendments

Certain amendments to the Presbytery's Manual as proposed by a committee of which Rev. Joseph H. Armfield, Jr., was chairman, were adopted. These recommendations will clarify minor details, and particularly the length of service on any committee.

MAY IS BIRTHDAY MONTH!

The Women of the Church observe the anniversary of their organized work with a special program, accompanied by a "Birthday Offering" in May of each year.

The significance of the offering in 1964 is that it will enable the "Division of Homes and Christian Welfare" of the Board of Church Extension of the denomination to render a wider and significant service.

One half of the offering will be used in behalf of the established "Homes" for children and for senior citizens. There are nineteen such institutions for children, and ten for senior citizens.

In all of these there is special need for trained personnel, and the half of the Birthday Offering will be channelled to that end. Some of it will provide scholarships for short term training. A definite part will employ competent workers to visit existing homes for "in service training."

A part of the funds will be made available to THE PRESBYTERIAN HOME FOR CHILDREN through these means, and in particular the third, which will make it possible for such a worker to come and live in THE PRESBYTERIAN HOME, giving guidance to help both the staff and the children.

One half will go to aid an established work at Minden, La., the only such institution in the church for retarded youth. This school is doing a remarkable work with boys, under the leadership of Rev. Ralyn Parkhill. Another project will be to enlarge this ministry to and equally needy girls.

The birthday offering will offer special training for workers in this school, and for the expansion of the work.

There have been many worthy objectives aided by former Birthday Offerings. The Offering in 1964 is the first, however, to offer concrete aid to a project of Asheville Presbytery.

THE PRESBYTERIAN HOME FOR CHILDREN, in January, celebrated its Sixtieth Anniversary, as the first such institution in the Appalachian Mountains. The contributions from the Birthday Offering will aid the Superintendent, Don C. McKenzie, to develop it into an even more efficient activity.

The Birthday Offering of the Women of Asheville Presbytery amounted to \$4,230, as a part of over \$300,000 given for work in Latin America.

The Birthday Offering should be remitted promptly to Mrs. Charles H. Swift, 12 Robin Hood Road, Asheville, N. C., 28804.

Malvern Hills Presbyterian Church, was named moderator-nominee to succeed Rev. Dan E. Carlton, who was elected in January and will serve until July.

The July meeting of the Presbytery was set for July 14th, and the place will be the First Presbyterian Church, Asheville.

Five of the Family will graduate from Owen High School in June. All have successfully passed their college entrance exams. This is the largest number of High School graduates in any one year for some time.

MALVERN HILLS BUILDING IN PARTIAL USE NOW

The new educational building at Malvern Hills is being used on a partial basis.

The minister, Rev. James L. Jackson, is comfortably housed in a new study. One class room has been temporarily in use, and the new heating system is in operation.

There are six new class rooms for the nursery, kindergarten, young people and some adult classes. These will relieve congestion and allow for expansion and growth. In addition there are more adequate rest rooms.

Finishing details are being taken care of as rapidly as possible, and when they are completed, perhaps in May, a dedication service will be held with "Open House" to members and friends.

SWANNANOVA MOVING SOON TO NEW SANCTUARY

Rapid progress is being made on the new sanctuary at the Swannanoa Presbyterian Church, of which Rev. Henry Schum is the pastor.

This congregation moved out of their old building, the third in the history of the church, and it was rapidly razed. In its place a much larger sanctuary is being built, with fellowship facilities in the basement.

The time of final completion and moving has not been set, but it is hoped that it will be in early summer.

SYNOD — MAY 27 - 28 AT KING COLLEGE, BRISTOL

The annual meeting of the Synod of Appalachia is scheduled for 1:30 P. M., Wednesday, May 27, 1964, at King College, Bristol, Tenn. This is a change of one day from the original date set, because of the Commencement at the college.

Every minister in each of the four presbyteries and a ruling elder from each church is entitled to attend. The opening sermon will be preached by Rev. I. M. Ellis, D.D., retiring moderator.

Rev. Leighton Ford, Charlotte, a member of Mecklenburg Presbytery, and associated with Dr. Billy Graham's team, will address the synod on Thursday at 11:30 A. M.

The Synod will probably adjourn Thursday afternoon.

SENIOR HIGH CONFERENCE TO BE AT RABUN GAP

Schools closing late this year make it impossible to hold the annual Senior High Conference at the scheduled time and at Montreat.

Arrangements have been made, however, to have the Conference at Rabun Gap-Nacoochee School, Rabun Gap, Ga., and the dates will be from June 8th, Monday, supper, through June 13th Saturday, breakfast.

Rabun Gap-Nacoochee School is located on US 441, about 18 miles south of Franklin. It has been related to the work of the Presbyterian Church for many years, and offers an excellent preparatory school education, with an opportunity for work scholarships.

The dormitories and other facilities will give the leaders of the Conference and the delegates a place for fellowship and study. The program will afford inspiration and recreation.

The cost will be \$17.00 for room and board for the five days. Transportation will probably be by chartered bus from Asheville.

Rev. Fred F. Guthrie is the director of this Conference, which could have only three days at Montreat in 1963. He will announce definite plans for 1964, and details will be sent each church.

OUR MOUNTAIN WORK began publication in December 1910, under the joint sponsorship of the First Presbyterian Church, Asheville, and the Home Mission Committee. Except for a short period of several months, and a few occasional issues it has been published every month, and sent to all families related to the Churches of Asheville Presbytery.

A current project, making slow but steady progress, is the development of a camp site of some 200 acres, in the southeastern part of Buncombe County. It is hoped that it can be used on partial basis this summer.

MARQUIS ASKING DISMISSAL TO FLORIDA PASTORATE

Rev. Wm. H. Marquis expects to ask Asheville Presbytery to dissolve the pastoral relationship between him and the Hazelwood Church, effective June 1st, and to grant him a letter to Suwannee Presbytery in Florida.

After a ministry of nine years in his first pastorate, Mr. Marquis received the concurrence of his congregation, at a meeting on May 3rd, and plans to request Asheville Presbytery at a called meeting during the sessions of Synod, at King College, May 27th, that this action be taken.

He has indicated a desire to accept a call to the Northshore Presbyterian Church.

1964 ASSEMBLY HIGHLIGHTS MEETING AT MONTREAT

Out of a possible 465 Commissioners from eighty Presbyteries, 445 were present for the election of the Moderator, and ten others registered before the sessions were closed.

Dr. Felix B. Gear, Professor of Theology, Columbia Theological Seminary, Decatur, Ga., was elected Moderator, over three others who were nominated.

The Assembly adjourned at noon, Tuesday, April 28th, after an eventful five days.

Final action, enacting into church law, was taken giving local congregations the right to elect women as "Ministers of the Word and Sacraments, Ruling Elders and/or Deacons."

By a majority voice vote, the Assembly decided to continue as a member of the National Council of Churches, voted to increase the financial share of the denomination in support of the NCC, but declined to send a representative to the "National Interreligious Convocation on Civil Rights" which convened in Washington on April 28th, under the sponsorship of the NCC and other religious groups.

However, the Assembly declared that some actions of the National Council of Churches were out of keeping with the convictions of the Presbyterian Church, U. S., and were not binding unless they stood up "under the judgment of the Word of God, and to the extent to which it conforms to the Spirit and to the Word."

Citing supporting declarations of the Assemblies of 1865 and 1896, the Assembly took positive action on matters of integrated congregations and presbyteries.

SUMMER SERVICES PLANNED FOR MAGGIE VALLEY

Rev. J. I. Knight, of Montreat, and formerly associate pastor of the Second Presbyterian Church, Houston, Texas, will conduct services in Maggie Valley for three months beginning June 21, 1964.

A survey was made in this area two years ago by Miss Bessie May Stribling, Church Extension Worker of the Synod, and last year a piece of property was purchased for a future church plant.

Definite plans for the summer services are being made, and announcement of the exact place of meeting will be made as early as possible. It is expected that the service will be at 11 A. M. every Sunday morning, June 21 - September 13.

Preliminary plans include provision for a choir and other necessary details. The entire project will be financed by the Church Extension Committee of the Presbytery. An offering will be received at each service, and one half of same will go to the General Benevolence Budget of the Presbytery, and one half to the Committee to meet the expenses.

HENDERSONVILLE CALLING HOUSER AS ASSISTANT

Wayne Vernon Houser, senior at Columbia Theological Seminary, plans to accept a call to become assistant to the pastor, Rev. John L. Fain, at the First Presbyterian Church, Hendersonville, after graduation June 1, 1964.

**GENERAL FUND AGENCIES ARE
FOR EMPHASIS IN JUNE**

There seems to be continued questioning about the "General Fund Agencies" of the Church.

They are not the object of supplementary offerings or designated gifts.

According to the Assembly plan their sole income is through the giving of the local churches to the "General Budget" to be divided proportionately among all the causes of the Budget.

Grouping of certain agencies of the General Assembly and giving the group the name of "General Fund Agencies" is not a measure of their significance or importance. It is merely a measure of convenience. Rather than have the Treasurer send nine separate checks, after for very small amounts, one check is sent for the whole, and divided by a Treasurer for the entire group.

But it is important to know and recognize these Agencies, for they perform a significant service to the Church, each in its own way. As a group they are budgeted to receive approximately \$1,661,000, or one sixth of the total contributions to all Assembly Agencies.

Stillman College—\$300,000

The largest amount is allocated to Stillman College, the only educational institution at College level owned and operated in the name of the General Assembly.

Stillman College, P. O. Box 483, Tuscaloosca, Ala.

General Council—\$265,000

This agency coordinates the work of the Assembly, with special reference to budgets, cooperative activity of the agencies, and the promotion of the stewardship appeal of the church.

The General Council, 341 Ponce de Leon Ave., N.E., Atlanta, Ga. 30308.

P. S. C. E. — \$242,000

The Presbyterian School of Christian Education has a specialized curriculum for the training of lay leaders in church work, with emphasis on the needs of Christian Education. It offers degrees at the end of a two year course of either a Bachelor or Master of Christian Education.

The Presbyterian School of Christian Education, 1205 Palmyra Ave., Richmond, Va. 23227.

Woman's Work—\$210,000

The Board of Woman's Work directs and correlates the work of the Women of the Church, and offers help and materials for use in local groups in congregations and on the level of Presbytery and Synod.

The Board of Women's Work, 341 Ponce de Leon Ave., N.E., Atlanta, Ga. 30308.

Montreat — \$195,000

The Mountain Retreat Association, located within the bounds of Asheville Presbytery, is the conference center of the General Assembly, visited by 30,000 or more Presbyterians in each season, and providing conference experiences related to all phases of the Church's work.

The Mountain Retreat Association, Montreat, N. C. 28757.

Presbyterian Foundation—\$59,000

The Presbyterian Foundation is incorporated under the laws of North Carolina to receive and manage gifts, bequests, legacies and all forms of trust funds for the benefit of any agency of the General Assembly or any constituent Synod of Presbytery.

The Presbyterian Foundation, Inc., 1210 Wachovia Building, Charlotte, N. C. 28201.

IS YOUR ADDRESS CORRECT?
YOUR NAME AND ZIP CODE?

The Post Office is asking for a completely new set of mailing stencils for OUR MOUNTAIN WORK. This involves making approximately 4,000 new stencils. You can help.

An effort is currently being made to get a completely revised mailing list in 1964. It has to be done with care and attention to detail.

The information needed for each stencil includes:

The correct name and initials of the persons to whom OUR MOUNTAIN WORK is to be sent. This means one person at each local address.

The correct house and street number if living in a community where there is mail delivery, or P. O. Box number if delivered in that way, or Rural Route Number and Box number if delivered R.F.D.

The correct Zip Code number in every case.

A list of those to whom OUR MOUNTAIN WORK is being mailed in each local congregation is being furnished each minister. These will be corrected as rapidly as possible by church units.

New Names will be added at once, even if there is some delay in making new stencils for all in a particular church. It will be a great help to know the names of persons whose subscription is to be discontinued. This information should be furnished immediately.

Funds are provided to pay for the subscription for:

Every family in every congregation in Asheville Presbytery, living within the bounds of Asheville Presbytery.

Every minister in Appalachia Synod.

Every executive officer, on a Presbytery or Synod basis, throughout the General Assembly, engaged in comparable work.

Every individual having once lived at The Mountain Orphanage now THE PRESBYTERIAN HOME FOR CHILDREN, whose name and address is known.

Every individual having shown some definite interest in any phase of the work of Asheville Presbytery.

It is necessary to ask One Dollar for each subscription not included in one of the above classifications. Readers will confer a favor if they will fill out the form opposite, giving ALL information. Paste the form on a Four Cent Postal and address to *Our Mountain Work*, 26 Church Street, Asheville, N. C. 28801.

If you do not fall into one or the other of the groups named above, then insert form in an envelope addressed as above and enclose One Dollar.

INTER CHURCH AGENCIES OF THE CHURCH ASSEMBLY

The General Assembly participates in several interdenominational programs, and contributes to the Budget of each.

A share in the work of the American Bible Society is assumed, and this agency is supported as one of the General Fund Agencies.

There are:

They are:

THE NATIONAL COUNCIL OF CHURCHES

THE WORLD COUNCIL OF CHURCHES

THE LORD'S DAY ALLIANCE

RELIGION IN AMERICAN LIFE

WORLD ALLIANCE OF REFORMED

In 1963 this latter agency was paid \$9,028.00 from the "Operating Budget" of the General Assembly, supported by assessments on the Presbyteries on a per-capita basis.

For 1965 the amount approved by the General Assembly for the first four of these agencies totals \$27,750 or an average of Thirty Cents per member for the entire denomination, through the Benevolence gifts of the churches.

If the total amount were given for each cause, the amounts each would receive in 1965 would be: National Council of Churches, \$15,000; World Council of Churches, \$10,000; Religion in American Life, \$2,750; and Lord's Day Alliance, \$1,000.

CHURCH EXTENSION IN 1964

The Church Extension season is set for October 1-18, 1964, with special emphasis on the Urban Church and her needs.

A special study book, "The Presbyterian Task in an Urban South" is being written by John R. Smith, Secretary of Urban Church, for the Board of Church Extension.

STATEMENT APPROVED ABOUT SENIOR CITIZENS HOME

At the April Meeting of Asheville Presbytery, local pastors were asked to circulate a statement about a proposed "Home for Senior Citizens", under study for Asheville Presbytery.

Feeling that the future of the proposed home would depend largely on the demonstrated need for same, Rev. Wayne R. Aughinbaugh, submitted a letter, which the Presbytery endorsed as a preliminary statement.

It is reproduced herewith, and interested parties are invited to contact Mr. Aughinbaugh, as indicated therein.

HOME FOR SENIOR CITIZENS

Our church, recognizing the growing need for retirement facilities and other provisions for our retiring members, has appointed a committee to study this matter and to attempt to provide a facility which will offer security, help, and Christian fellowship to our older people. Since we do not have any available funds for this project and since our Presbytery can not build a facility or maintain it, it must necessarily be a self-supporting institution.

We have found a plan and a source of funds which will establish a facility in our Presbytery providing we can secure enough people who would be interested in using this facility, and that Presbytery will approve the details necessary in establishing it.

We are writing you this letter to briefly explain the plan and to see how many people in our Presbytery would be interested in using this facility. It will be under the constant supervision of Asheville Presbytery to assure the occupants of efficient management and a Christian concern. Since it must be self-supporting, we are asking that you be willing to pay for your room (\$3,000 to \$5,000) and that a monthly fee of approximately \$175 per month be collected which will cover the following expenses: food, resident medical care, maintenance, housekeeping services, recreation, and other expenses. Once a person is accepted there will never be a change in his monthly rate. Residents will be provided with on-premises medical care by weekly visits of a staff physician. When full nursing care is required, this is also provided at no extra charge

to occupant. Delicious meals will be served in an attractive dining room in restaurant style. We feel that this retirement plan offers the maximum security and will enrich the retirement years.

The proposed site which the Committee has in mind is an attractive hotel in Asheville which is located on the edge of the land which will be developed by the Urban Renewal Program of Asheville. Their plans are to make this the civic center of Asheville. It will include a park, recreation facilities, a cultural center and possibly a building for arts, crafts, and the performing arts. All of these advantages will be within walking distance of the hotel.

In addition to the financial requirements, the applicant should be in reasonably good health and he must be of good moral character and show good social habits. He must be 65 or over. By maintaining good standards we will be able to insure a pleasant surrounding for those using this retirement facility.

If you know of a person in your church or community who would like to use this facility, tell them about it and have them contact the Chairman of this committee, the Reverend Wayne R. Aughinbaugh, Waynesville Presbyterian Church, Waynesville, N. C. Applicants who qualify don't have to be Presbyterians but Presbyterians will be given preference.

April 13, 1964

Sincerely yours,

Wayne R. Aughinbaugh
Chairman, Home for
Senior Citizens

AN ERROR BRINGS A SMILE

In the January issue of OUR MOUNTAIN WORK in recognition of the Sixtieth Anniversary of The Presbyterian Home for Children, formerly "The Mountain Orphanage", this cut appeared.

Not knowing the exact date of the picture, the following was used as identification, "Dr. Smith, with two of the girls, at present home around 1923."

A letter received from Mrs. Tom Waddell, Jr., Melbourne, Fla., identified the two girls in the following manner:

"My good intentions were to write weeks ago and tell you how much I enjoyed your 'Anniversary' edition on THE HOME. You can imagine my surprise when I turned a page and there I stood with Dr. R. P. Smith and Ruby Watson. I am the little girl with the bandaged hand. Much to my husband's delight the picture is dated the year before I was born. I was born in 1924 and I think I was probably ten years old when the picture was made.

"Believe me we considered it an honor to be photographed with Dr. Smith, he was a dear wonderful man and we loved him.

"I believe the letters you printed from some of the young people express how all feel who had the privilege of living at THE HOME. They certainly brought back floods of memories. I enjoy keeping up with the news from THE HOME."

JUNE SERVICES PLANNED FOR SWANNANOA SANCTUARY

First services in the new sanctuary of the Swannanoa Presbyterian Church will be held in June. Since October the congregation has been worshipping in the graded school building.

MONTREAT OPPORTUNITIES

Right At Your Door

Presbyterians in Asheville Presbytery fail to take advantage of opportunities right at home.

The Montreat Conferences offer unique advantages for information, inspiration and real assistance to Church officers and leaders in every phase of the local program.

OUR MOUNTAIN WORK is privileged to call your attention to the 1964 schedule and urge every individual to study it carefully. Write the designated leader for more detailed information.

Plan to attend at least one conference at Montreat this summer. You will find personal help, and you will be better equipped for service in your local church.

PRESBYTERIAN CENTER, INC.

Final action taken in February by the Board of Christian Education, when they declined to move their headquarters from Richmond, Va., made it possible to reach definite decisions about the construction of the "Presbyterian Center" in Atlanta, Ga., on the present site of a group of old buildings currently being used by agencies of the General Assembly.

A six story office building, costing some \$2,000,000, will be constructed at 341 Ponce de Leon Ave., N. E., Atlanta, as soon as certain needed property is available and other details can be worked out. \$1,500,000 is expected from the Presbyterian Development Fund, and the remainder from private gifts.

When finished this building will house the Office of the General Assembly, The General Council, the Board of Annuities and Relief, the Board of Church Extension, and the Board of Women's Work, together with the Presbyterian Book Store for the Atlanta area.

A definite date has not been set, but plans call for a Consecration Service on the first possible Sunday in June.

SYNOD'S MEN'S CONFERENCE
MONTREAT — JUNE 6, 7

Dr. Wm. H. McCorkle, past moderator of the General Assembly, will be the key note speaker at the 1964 Men's Conference of the Synod of Appalachia, to be held at Montreat.

The conference registration opens at 10 A. M., Saturday, June 6th, and the conference will continue through noon on Sunday, June 7th.

Other speakers will include A. Walton Litz, Director of the Presbyterian Foundation, Charlotte, and James R. Kitchen, Jr., treasurer of the Board of World Missions of the General Assembly.

The announced theme is: "Confirm Your Call", and the program will include Panel and Group Discussions, special music, recreation and Christian fellowship.

This affords an excellent opportunity to profit from the conference, and to bring your wife for an enjoyable weekend. Aside from the registration fee, the cost of four meals (Lunch and dinner on Saturday, breakfast and dinner, Sunday) and Saturday night lodging will be \$9.50.

Reservations should be made with C. A. Stubbs, Montreat, N. C., for lodging and meals.

SUMMER SCHEDULE SET UP AT PRESBYTERIAN HOME

Five young people will graduate from Owen High in June, of whom one will go in the fall to Raleigh and register at N. C. State. Four will attend Montreat-Anderson.

(Cecil Caldwell is currently at Western Carolina at Cullowhee, which will mean six young folks at College at one time. This means an added strain to provide for this advanced training.)

SUMMER VACATION

All but three of the boys and Mr. and Mrs. York will be away on vacation from June 22nd to July 8th. The boys and girls will spend the time in the homes of relatives and friends.

The boys will live in the dormitory and keep the wheels turning on the farm, under Mr. York's direction.

DAY CAMP

Following successful programs of previous years, a Day Camp will be conducted on the campus from July 22-26, 1964. Youth from the Black Mountain Presbyterian Church will join the members of the family for active participation in this work.

PRESBYTERY CONFERENCE

Mr. McKenzie will be on the staff of the Presbytery's Senior High Conference at Rabun Gap Nachoochee School, Dillard, Ga., June 8 - 13, 1964. Seventeen will attend from THE HOME. The Superintendent recently reported that 34 of the 60 boys and girls in the family at the present time are teen-agers, the largest percentage in his six years as superintendent. (It may well be the largest in the history of THE HOME.)

CAMP MONDAMIN

Two boys will attend Camp Mondamin, near Hendersonville, again this year. It has been the custom of the camp to offer this opportunity to two boys for several summers past.

\$30,000 NEEDED FOR REPAIRS

Already several remittances have been received to help in the emergency growing out of old plumbing and inadequate toilet facilities. Plans are going forward with a view to adding wings on the back of the main building, to provide such for the boys, on one wing, and the girls on the other.

It has been estimated that it will cost less in the long run to add these new wings and install new fixtures, than to tear out and rebuild the present rooms. It should also be noted that the present rooms would have to be enlarged to provide all the space needed, even if they were used.

The old rooms would afford much needed storage space.

RAISING \$30,000

A special committee of the Trustees is considering ways and means of securing this urgently needed amount. More definite plans will be announced, and definite construction plans will be approved shortly.

UNIVERSITY OF N.C. WANTS OLD PRESBYTERY MINUTES

A letter received from the University of North Carolina Library indicates that they want to preserve the records of the Churches of the State.

Particularly, they are interested in copies of the Minutes of Asheville Presbytery, and Mrs. Susan Zarr, writes:

"We are trying to bring our file of Asheville Presbytery Minutes up to date. We have a bound file from 1921 through 1928 and unbound minutes for the following years:

"1902 April and September

"1903 October

"1904 April and October

"1905 through 1916

"1953 Winter (134th session)

"1959 Summer (Adjourned session)

"Any help or information you can supply us will certainly be appreciated.

"This is one of our smallest files of church minutes and we are anxious to fill it out as much as possible."

Readers of OUR MOUNTAIN WORK will render a service to the University and help preserve the history of Asheville Presbytery if they can furnish back copies of the Minutes of Asheville Presbytery.

Please send LISTS of copies which you can supply to OUR MOUNTAIN WORK, 26 Church Street, Asheville, N. C. (Do not send actual copies.) You will be notified which are needed to fill this gap at the University, and be requested to send them to OUR MOUNTAIN WORK, to be forwarded to Chapel Hill.

A reply at your earliest convenience will be appreciated.

VOTE OF CONFIDENCE

At the last meeting of the Board of Trustees a vote of confidence was given the Superintendent, in recognition of his work at THE HOME. Mr. McKenzie took over this work in August 1958.

FOLDING BEDS

THE HOME presently cares for the maximum number of boys and girls, and when they graduate from High School, they yield to others on the waiting list. These new children will be admitted during the summer in time for school opening the last of August.

But is still "Home" for those in college, and provision is made for their comfort as they return "Home" for vacation periods. With six at college next fall, there will be a real need for "a place to sleep" when they come back.

The Superintendent was authorized to get a number of folding beds to meet this need.

ASSEMBLY

FROM PAGE ONE

Order was sent down to the Presbyteries for advice and consent declaring that "No one shall be excluded from participation in public worship in the Lord's House on the grounds of race, color or class."

2) Declared that, effective in 1967, "The General Assembly established the policy of holding its annual meetings only in churches willing to accept all persons for worship and membership in the congregation regardless of race,"

3) "Instructed" seventeen Presbyteries to take prompt action and receive all Negro Presbyterian Churches within their geographical bounds into full membership, and "Instructed" three Synods involved to dissolve the three existing all Negro Presbyteries as soon as these transfers have been made.

Gave permission for the transfer of five churches now in Kentucky to that Synod, and authorized a study of Synodical boundaries.

Approval was given to the observance of the week before Easter in 1965 by various branches of the Presbyterian and Reformed faith in America, as a simultaneous expression of rededication and commitment, and instructed the Moderator to work with Moderators of other bodies to work out details.

A plan for uniform record keeping and reporting by the agencies of the General Assembly, and the forming of budgets, and cooperative planning was approved. This involves, effective January 1, 1966, the establishment of a Central Treasury in the office of the Stated Clerk.

An asking's budget for Assembly Agencies in 1965 was approved in the amount of \$9,968,380, an increase of \$55,200 over the current year.

Announcement was made that total pledges for the Presbyterian Development Fund had reached \$15,330,000, and payments of \$1,900,000 had been made to date.

A resolution signed by over 200 Missionaries was presented to the Assembly calling attention to the adverse effect on missionary endeavor experienced when news reaches the various fields of "incidents such as the rioting accompanying efforts at school integration or bombing of churches."

The Assembly declared that any form of demonstration that violated civil law was unwise and to be avoided.

Approval was given to the progress of the "Committee of Twenty-Four" studying relationships with the Reformed Church of America, recognizing that these studies can and may lead to union with this body. In addition the Assembly approved further correspondence with the UPUSA Church, the ARP Church, and any others of the Reformed faith.

The next meeting is to be in the Second Presbyterian Church, Memphis, Tenn., on April 22, 1965.

121 MEN FROM 21 CHURCHES HEAR BORCHERT AT RALLY

Twenty-one of the thirty-four churches of Asheville Presbytery registered at the annual spring rally on April 21st, and heard Rev. Harold Borchert, missionary from Japan, in an inspirational address.

In the absence of the president, Jay Fesperman, of Franklin, Arthur M. Matthews, Grace Covenant, presided. Mr. Fesperman was reported ill in a Sylva Hospital and unable to attend.

The men were told of the shipment of four barrels of drugs, valued at \$10,000, to Africa, and responded with an offering of \$68.00 toward the cost of shipping same, which amounted to \$93.00, overseas cost from Norfolk. They were shipped to Norfolk at no expense to the men.

The attendance cup was awarded to the Grace Covenant church for a total of twenty-one present. The meeting was at the First Presbyterian Church, Asheville.

The record of attendance, according to cards signed, indicated three visitors, and men from the following churches: Arden 5, Asheville 1st 5, Black Mountain 4, Bryson City 2, Canton 2, Franklin 8, Friendship 1, Grace Covenant, 21, Hazelwood 4, Hendersonville 5, Highlands 1, Kenilworth 4, Lakey Gay 1, Malvern Hills 8, Montreat 5, Oak Forest 10, Sylva 5, Waynesville 4, Weaver ville 4, West Asheville 6, Westminster 13.

BREITENHIRT RESIGNING AS WESTMINSTER PASTOR

Rev. B. Blake Breitenhirt has an-
nounced that he will ask Asheville Pres-
bytery to dismiss him to Holston Pres-
bytery that he may accept work in de-
veloping a new church in Johnson City,
Tenn.

Mr. Breitenhirt came to Asheville
Presbytery in 1958 from a pastorate in
Fayetteville, W. Va., and was instru-
mental in the organization of the West-
minster Presbyterian Church in October
of that year. The work he plans to ac-
cept is of a similar nature in the north-
ern edge of Johnson City.

When the Church was organized the
congregation called him and he has
served since that time as their pastor.
During his ministry over \$100,000 has
been spent in erecting an educational
and fellowship building, and the con-
gregation has grown from the initial 79
to approximately 250.

Mr. Breitenhirt is currently serving
as chairman of Presbytery's Council, and
has been active in the work of the Pres-
bytery. He has assisted a number of
the local congregations in fund raising
campaigns, and has developed his own
church in stewardship responsibility.

He expects to ask the Presbytery to
act on his request at the meeting July
14th. He hopes to move to his new
field shortly thereafter.

\$3,000 BIRTHDAY OFFERING FROM THE PRESBYTERIAL

With two churches to be heard from on June 10, 1964, the Birthday Offering of the Women of Asheville Presbytery had reached \$2,917.83.

The objectives of this offering were twofold:

One Half for a school for retarded youth in Minden, La., and to enable the school to enlarge and provide for girls. The present service is to boys.

One Half for a fund to assist in training personnel in Homes throughout the church, either for children or the aged. This fund will provide "inservice training" for present staff members and scholarships for special training. It will also provide scholarships for prospective workers in this field of service.

Mrs. Charles H. Swift, Treasurer of the Women of Asheville Presbytery, reports that the following churches have remitted, each in the amount named, for a total of \$2,917.83. When other churches report the total will be well over \$3,000.00.

TRAINING SESSION FOR EMC IS CALLED "BEST YET"

A Second Training Session is scheduled for Tuesday, July 7, 4:30 - 9 P. M., at the Waynesville Presbyterian Church.

Eighteen churches were represented at the annual "Training Session" for the 1964 Every Member Canvass, led by Rev. Bob S. Hodges, Jr., D.D., at the First Presbyterian Church, Asheville, on June 9th.

Ten were represented by both Minister and lay leaders in the coming Every Member Canvass. Five were represented by the minister only, while three were represented by laymen only. The total attendance was thirty-eight from these congregations.

Certain factors were recognized that prevented attendance, notably the conflict with the youth Conference where a number of the ministers are serving.

This led to the decision to hold a similar "Training Session" on July 7th, for the benefit of those who could not attend the one in June.

This will include lay representative from twenty-one congregations, not so represented this month, and the ministers from fifteen churches who were unable to attend. (Hazelwood, Grace Covenant, and Kenilworth were recognized as being without ministers at the present time.)

Dr. Hodges, who is retiring after fifteen years with the General Council of the church, reported that this meeting was his last scheduled assignment related to his work with the Council. He will be moving to Black Mountain in the near future.

Churches represented at the June meeting were: Andrews, M; Arden, M-2; Asheville First, M-4; Bethel (H), M; Brevard-Davidson River, 1; Dillingham, M-1; Etowah, M-1; Friendship, M-2; Grace Covenant, 1; Hayesville, M; Hendersonville, 1; Ivy Park, M; Malvern Hills, M-2; Mills River, M; Oak Forest, M-1; Sylva, M; West Asheville, M-Westminster, M-2. (M-Minister, Number of Lay representatives, if any.)

whose term expires with the calendar year.

There were only eighty in attendance from the entire Synod, with thirteen of these from Asheville Presbytery. (Official attendance was based on the number who paid the registration fee of \$3.00, although the unofficial attendance was larger.)

The body voted to meet at Montreat in 1965, if a later week-end in June is available. Otherwise the officers are to arrange for a meeting at some other place.

Other officers elected for the year 1965 were J. M. Maddox, Black Mountain, Secretary-Treasurer, and Dr. Herman H. Pinkerton, Abingdon, Va., Vice President.

SYNOD AT KING COLLEGE FOR 1964 SESSION

The fiftieth annual meeting of the Presbyterian, U. S., Synod of Appalachia, at King College, Bristol, Tenn., May 27, 28, approved an effort to raise \$2,000,000 for King College in 1965, and declined to order the immediate liquidation of the assets relating to the student work at the University of Tennessee at Knoxville.

Layman Stuart B. Campbell, Jr., of Wytheville, Va., was named moderator, to succeed the Rev. I. M. Ellis, Knoxville, regional director of Christian Education for the synod. The moderator was instructed to name a campaign committee to represent the Synod in the effort to raise the funds for King College in the spring of 1965.

The Synod heard a report from the special committee appointed in 1963 to consider matters pertaining to the student center at the University of Tennessee in Knoxville, indicating that active participation in this project was withdrawn in October 1963, but that the Synod was still meeting its obligation with reference to the property.

At the request of the Commission of which T. Mack Blackburn, Knoxville, is chairman, it was continued, and an overture from the First Presbyterian Church Knoxville was referred to this commission, without instructions, but with authority to act in the matter. The overture asked for immediate liquidation of the assets of the student center, owned jointly by the Synod of the Mid-South, of the United Presbyterian Church, U. S. A., and the Synod of Appalachia, of the Presbyterian Church, U. S.

The Rev. J. M. McChesney, D.D., Bristol, Tenn., and the Rev. James M. Smith, Big Stone Gap, Va., were honored as ministers who had been in the synod since its organization in 1915. The evening service was held in the new sanctuary of the First Presbyterian Church, where the organization was effected in that year.

A benevolence budget for 1965, in the amount of \$813,000 was approved by the agencies of the Synod and General Assembly of the Denomination, and the body gave its approval for the raising of \$35,000 to construct a building in the King College campus for the "Vocational Guidance Center", headed by Rev. Ben F. Williams.

Mrs. F. C. Clayman, Bristol, made a report for the Women of the Synod, and special recognition was given to Mrs. R. M. Goss, Knoxville, serving for the thirteenth year as director of the International Conference for Christian Women to be held at Knoxville College, Knoxville, June 8-13.

The Rev. Leighton Ford, Charlotte, N. C., associate evangelist with Dr. Billy Graham, brought the inspirational message on Thursday morning on evan-

PRESBYTERIAN GUIDANCE CENTER

—ON KING CAMPUS

The Presbyterian Guidance Center, sponsored by the Synod of Appalachia, is located in temporary quarters on the campus of King College, Bristol, Tenn.

The work is under the direction of Rev. Ben F. Williams, and specializes in conferences with high school youth, seeking to help them determine their life's work and proper preparation there for.

In 1961-1962 there were 202 young people who came to the center, or received direct counselling. Of these 135 reported later, showing that:

78% were now attending Senior Colleges (20% to Presbyterian Schools, 22% Other Private Schools, and 58% at Universities).

4% are now attending Junior Colleges, 6% in other institutions (Nursing, art, technical, etc), 9% are employed and 3% married.

In fields of occupational choices, they classified:

Health, 30; Business, 28; Teaching, 26; History, law and government 16; Physical sciences 13; Church 10; Homemaking, 2; Skilled occupations, 3; Unskilled occupations, 1, Undecided 6.

The Synod heard the report of the work of this Center, and of their need for a permanent home. King College has been cooperating in the work since it was started a few years ago, and offers the land on which to erect a permanent home.

Plans for a one story structure 35 by 58 feet was presented, and the Synod unanimously approved the construction of same as soon as \$35,000 can be assured by privately solicited gifts.

Visitors to King College should visit the Center and learn of the work being done. This work is dependent on preliminary conferences in the home church, and information regarding these conferences can be secured from Mr. Williams at the Center.

gelism. In his message he called on the Church to recognize the "authority of Jesus Christ" as a response of the mind, an "experience with Jesus Christ" as a response of the heart, and "obedience to Jesus Christ" as the response of the will.

An interesting feature of the report of the committee on world missions was the tape recorded messages of two couples recently gone from the Synod as missionaries to Africa. The Rev. and Mrs. James L. Jackson, Jr., Kingsport, and the Rev. and Mrs. Orville D. Slaughter, a graduate of Columbia Theological Seminary, and recently ordained by Holston Presbytery, spoke from Brussels, Belgium, where they are currently studying.

DR. SAM S. WILEY IS HEAD COUNCIL OF CHURCHES

For the past few months he had been serving the Howard Memorial Presbyterian Church, Tarboro, N. C., as interim minister.

Dr. Wiley succeeds Rev. Morton R. Kurtz, member of Granville Presbytery, Synod of North Carolina, who served for thirteen years. The first executive director was Rev. E. J. Arnold, D.D., of Atlanta Presbytery, Synod of Georgia, where he is President of the Protestant Radio and Television Center, Atlanta. He served from 1939-1948.

The N. C. Council of Churches has headquarters in Durham, N. C.

A memorial service was held in memory of the Rev. Wm. J. Conrad, Wytheville, Va., Rev. Samuel H. Bradley, of the faculty of King College, and of the Rev. Fred W. Hoffman, formerly of Fountain City, Tenn.

C., announced a total enrollment of 244, the largest in recent experience, out of a possible 500, including the 249 ministers and representatives from the 248 churches, reaching from Pulaski, Va., to Chattanooga, Tenn., with fifteen counties in North Carolina.

PRESBYTERIAN HOME NEWS*by The Superintendent***TO CONFERENCE**

Fourteen of our young people, with the Superintendent attended the Senior High Conference of the Presbytery, at Rabun Gap, Nachoochee, School Rabun Gap, Ga., June 8-12th. This is one of the largest groups ever to attend such a conference from THE HOME.

SCHOOL OUT

It was over on June 6th until the end of August, and all of the children did well this year. Two young people, Ronald Steppe and Sandra Laughter, made all A's for one report period, and we are proud of them.

GRADUATES

We graduated five in the senior class at Owen High, and eight from the eighth grade will enter High School in the fall. This will give us twenty-two in High School in 1964-1965. Six will be in the senior class.

IN COLLEGE

Joe Robinson and Dan Hensley are college "has beens" and will engage in special work this fall. Cecil Caldwell's back at THE HOME for a few days before returning to Western Carolina for the summer session.

NO BIRTHDAYS

None of our family were born in July. We will have some August birthdays to announce next month.

DAN HENSLEY TAKING WORK AT RABUN GAP SCHOOL

Dan Hensley graduated at N. C. State early in June and will report for work at Rabun Gap Nachoochee School, Dilard, Ga., on July 1st. He finished his course in agriculture and will be working at the dairy at Rabun Gap.

Mrs. Wallace, older boys matron at the Presbyterian Home went to Raleigh for the graduation, and accompanied Dan for an interview at the school. She also reports on "that fine looking baby."

A daughter, Sandra Lee, arrived on May 9th, 8:28 A. M., 8 lbs, 2 ozs., Mrs. Hensley is the former Miss Susan David-Black Mountain.

JOE ROBINSON TO BE COACH ASSISTANT AT WILSON

Joe Robinson has qualified for fifteen hours credit at the University of North Carolina for his master's degree. He finished the required work for his bachelor's degree at the end of the first semester.

He plans to take a special course for one month to qualify as an instructor of students seeking driver's licenses, and to report in July for work at Wilson, N. C.

At Wilson, he will be an assistant coach in the High School.

Three Camps Planned For Pioneers This Summer

Three camps are planned for youth of Asheville Presbytery in 1964, according to Rev. W. R. Coviin, chairman of the Camping Committee. Complete details are not available at this writing, but will be sent to each pastor. The camps will be in July and August.

7th, 8th GRADERS

A maximum of thirty-six rising seventh and eighth graders can be accommodated at Banner Elk for the period from July 30 - August 30.

**THE LAKE**

The cost will be \$21.00 each for the week, plus \$5.00 transportation from Asheville and return, if a sufficient number register to justify a bus.

This will be a joint camp with other youth from Holston Presbytery, with Asheville Presbytery providing a number of staff leaders. A registration fee is being asked. Complete instructions are being sent each pastor.

9th, 10th GRADERS

A maximum of twenty rising ninth and tenth graders will be accepted in two work camps, planned for five days each on the new camp site in Broad River Township, on Garren's Creek, Buncombe County.

These camps will begin on Thursday, July 9th, and on Thursday, July 23rd, with a camp director and two adult leaders for each camp. The enrollment for each camp will be limited to ten boys and girls.

A program of spiritual emphasis will be included, with special attention to activities on Sunday. Sleeping accommodations will be in hogans, and the two camps will offer an opportunity for those attending to initiate the actual use of the camp site.

It is estimated that the cost will be approximately \$15.00 each, plus transportation to and from the camp site. It will be necessary to limit enrollment this year.

FUTURE PLANS

Delays in getting plans and specifications for a bath house, and a recreational shelter have made it impossible to construct these two essential units in time for a larger camp program in 1964.

Already there is a lake at the site, electric lines have been installed, and definite plans are underway for drilling a well and arranging sanitary facilities. A road has been constructed into the property, and a diving platform built into the lake.

When the well is finished, it will be possible for groups to use the property for picnics, and other limited activities. It is hoped that definite construction plans will provide at least the minimum bath house and recreation pavillion before the summer of 1965.

Plans for the camp were started under Rev. Joseph L. Auten, with the aid of others on the committee. A substantial amount of practical engineering planning was made possible through the services of Mr. Charles Verner, of the Asheville First Church.

Those interested in the Camp at Banner Elk, July 30 - August 6th, or either of the two "work camps", July 9 - 13, or July 23 - 27, should get full information from their pastor, and register as promptly as possible for the appropriate camp.

BENNETT TO BE MINISTER AT WESTERN CAROLINA COLLEGE

MANSE BEING PURCHASED

To Serve 200 Students

Organized Church Seen

Rev. Stanley L. Bennett has accepted calls from committees of the Synod and Presbytery to serve the college community of Western Carolina College, at Cullowhee, N. C.

He will move to the field by August first and be the minister to over 200 Presbyterians in the student body and faculty of the college there, and will initiate services which it is expected will result in the organizing of a Presbyterian Church to minister to the community.

In a venture of faith, the Church Extension Committee of Asheville Presbytery, has purchased a manse for the field, and is hoping to secure land in the near future on which to build a permanent church home.

For a number of years there has been a "Presbyterian Student House". Is was purchased in 1954 during the ministry of Rev. D. P. McGeachy, III, who served the students in connection with his pastorate at Sylva. His successor, Rev. J. D. Whitesides, Jr. has developed the work further, as the number of Presbyterian students has steadily grown, and has directed the remodeling and improvement of the Student Center.

CULLOWHEE WORK TO BE 1964 CHURCH EXTENSION GOAL

The challenge of work at Western Carolina College and the potentials with Rev. Stanley L. Bennett on the grounds as resident minister were recognized by Asheville Presbytery when approval was given to make this work the Church Extension Goal for 1964.

In 1944 the Executive Secretary met occasionally with the eighteen Presbyterians on the campus of Western Carolina College. During the years the ministers at Sylva have given part time service to this need, beginning with Rev. W. H. Wakefield, the first resident minister in Sylva.

The work has grown under this part time ministry of pastor of the Sylva church, Rev. R. R. Collins, who succeeded Mr. Wakefield, then Mr. McGeachy, and finally Mr. Whitesides.

For a number of years the Church Extension Committee of the Presbytery has been interested in acquiring property in the area for a future church plant. For the past two years, contributions have been made during the Church Extension season for this project for property, and there is now on hand a total of \$4,513.00

PRESBYTERIAN HOME GETS SUBSTANTIAL LEGACY

THE PRESBYTERIAN HOME FOR CHILDREN received a legacy of \$100,000 from the estate of the late R. J. Sprang, a Ruling Elder of the Canton Presbyterian Church, and former member of the Board of Trustees of The Home.

The check was delivered to the Trustees at their regular monthly meeting, July 16th, and was ordered invested as a permanent capital fund of the institution. The trust which made this gift possible restricts its use and no part of the principal may be used for operational costs.

The initial step taken by the trustees was to place the amount in a Certificate of Deposit with the Wachovia Bank

EMERGENCY BUILDING PLANS FOR PRESBYTERIAN HOME

Asheville Presbytery on July 14th, gave the Trustees of *The Presbyterian Home* authority to borrow \$30,000 to finance the immediate construction of bath and toilet facilities at *The Home* and to completely replace the existing steam pipes in the heating system.

This has been a need for some years, but has been made more acute as the drainage pipes in the plumbing and the steam pipes have given way to rust and corrosion. The work must be done before cold weather if *The Home* is to continue operation.

Another factor is the lack of adequate equipment at present, where there is

MORRISON-MAXWELL GROUP MET ON JUNE 28TH

A group of former students from the Morrison School for Girls and the Maxwell Home for Boys, both in Macon County held a reunion on June 28, at the Carson Community Building, 3 miles west of Franklin.

Mrs. Fred Moore, Franklin, was re-elected president and Miss Grace Carpenter, Franklin, as secretary. A memorial service was conducted by Mrs. Roy Robinson, Waynesville, in memory of J. S. Gray, and Mrs. Fred Slagle of Franklin, and Mrs. Hayne Arthus, Asheville last meeting.

In connection with this, Mrs. Lee Ralston, of Morganton, Ga., sent a picture of the students at Morrison School in 1917, with an identification of each. In the group is the late Rev. J. Q. Wallace, pastor at Morrison and principal of the school.

Mrs. Ralston identifies herself as a former member of the Mountain Orphanage family when the home was at Ballfour. She was at Ballfour for three years before going to Morrison School.

The school continued to serve, under the direction of the Home Mission Committee of Asheville Presbytery until the mid twenties. When it was closed, the Presbytery voted to transfer their support to the school at Montreat, now Montreat-Anderson College.

\$265,489 NEEDS APPROVED FOR 1965 BUUDGET GOAL

Asheville Presbytery approved the total of \$265,489 as the minimum need of the agencies of Presbytery, Synod and General Assembly in "support funds" for 1965.

This does not include funds for capital improvements, special funds needed for emergencies, or any building programs. It is asked of the local congregations through regular giving channels over and above their local building programs and current expenses.

The churches will be asked to present these needs through the Every Member Canvass appeal in October and November, and to indicate what share each will underwrite for the coming year.

The Central Treasurer of Benevolence reported that receipts for the first six months of the current year have reached \$88,451 against a total of \$259,460 approved in July 1963 as comparable needs for 1964.

The total for next year includes:

SERVICES BEING HELD AT MAGGIE VALLEY SCHOOL

Services have been held at 11 A.M., each Sunday at the Maggie Valley school since July 5th, with Rev. J. I. Knight as the minister.

These services were planned to initiate work in that area and will be continued through August, and longer if there is need for same. It is hoped that they will lead to the establishment of a permanent work in that area.

Mr. Knight is now living at Montreat. He retired after a pastorate at Russellville, Ala., and was formerly associate minister of the Second Presbyterian Church, Houston, Texas.

The first contribution for a "Church" in Maggie Valley has been received and acknowledged. It will be held in trust for this purpose when the way is clear to construct such a building.

THE MANSE

With the coming of a resident minister it became necessary to secure a place for him to live. A new home, within thirty days of completion has been purchased on faith. It cost \$19,000, with three bedrooms, two baths, and a half basement. This calls for \$15,000 of borrowed money to be liquidated as rapidly as possible.

CHURCH PROPERTY

There is need to purchase a site of at least three acres for a future church plant. The exact cost of this will be known when the location is found and the size determined.

Then there is the matter of building the first unit of a plan that looks forward to a complete plant over a period of years. The present student building can be used in a limited way until some better building is erected.

1964 GOAL

With these basic facts in mind, Asheville Presbytery, approved a special appeal to the churches in the Church Extension season of 1964 for a minimum of 10,000. The Church Extension season is scheduled from October 1-18. The promotion of the season will be in the hands of the Presbytery's Church Extension Committee.

BILL SOLOMON ACCEPTS CALL TO CHATTANOOGA CHURCH

Charles William Solomon, Jr., son of Rev. and Mrs. C. W. Solomon of Montreat, will become pastor of the St. Elmo Presbyterian Church in Chattanooga this summer.

Bill, as he is popularly known, attended Belhaven College, Jackson, Mississippi, for one year and was graduated from Columbia Bible College, Columbia, S. C., in 1961 with the degree of Bachelor of Arts. On June 2, of this year he received the B.D. degree from Covenant Seminary, St. Louis, Mo.

On June 2, 1963, he was married to Miss June Steerly, of Columbia, who is also a graduate of Columbia Bible College. He is asking to be ordained by Knoxville Presbytery and this will be scheduled after being received at their July meeting.

In Memory Of Rev. Robert Excell Fray

1885 — 1964

Dr. Fry united with Asheville Presbytery, as a retired minister, in April 1962. He served as Interim Supply at Forest Church, and was buried at Oak Forest on June 30, 1964.

SURVEY IN HENDERSONVILLE CURRENTLY BEING MADE

Miss Marie Gibbert, Church Extension Worker of the Board of Church Extension of the General Assembly, is engaged in a survey of Hendersonville, with a view to the possibility of another Presbyterian congregation in that area.

The survey is being made at the request of the Church Extension Committee of Asheville Presbytery, with the full approval and co-operation of the session of the First Presbyterian Church. Each body has named members of a "Resource Committee" to aid in the work. Volunteers from the Hendersonville congregation are assisting Miss Gibbert.

The survey is a followup of a similar work by Miss Bessie May Stribling, whose work in 1963 was limited to one geographical area. Both the Church and the Committee felt that wider survey was needed before reaching any final conclusions regarding another congregation. It is under the immediate direction of the Department of Survey and Church Location of the Assembly's Board of Church Extension.

BENNETT

FROM PAGE ONE

The Campus Christian Life Council of the Synod's Committee on Christian Education met in Asheville on July 13th and extended a call to Mr. Bennett to serve the students and faculty at Cullowhee, while the Church Extension Committee of Asheville Presbytery extended a supplemental call with the expectation that his ministry will include regular Sunday services, and a pastoral ministry to the community.

Mr. Bennett came into Asheville Presbytery in 1954 to be pastor of the Montreat church and to minister to the students of the Montreat-Anderson College. He was formerly pastor of the Craig Avenue, ARP church, Charlotte.

Born in York, S. C., Mr. Bennett was educated at Erskine College and Erskine Theological Seminary, Due West, S. C. He was married to the former Jo Ella Dunaway, a graduate of Montreat College.

After five years as pastor at Montreat, he went to Brazil as a missionary, with a special assignment as an aviator in piloting the mission plane. He has been in this country, studying at Union Theological Seminary, Richmond, Va., for the past year.

Mr. and Mrs. Bennett and their four boys, Lee, aged 8, Timothy, 6, Joseph 4 and Mac three months, plan to move to Cullowhee in July.

PRESBYTERY MEETINGS ARE SCHEDULED AUG. - OCT.

At the request of the Chairman of the Commission on the Minister and His Work, Asheville Presbytery adjourned to meet, if the way be clear; on August 5th, at 2 P. M., at the Grace Presbyterian Church, to examine their pastor elect.

At a congregational Meeting, July 12th, Rev Robert S. Bussey, associate pastor of the Trinity Presbyterian Church, Atlanta, was called to succeed Dr. Paul F. Warren. The meeting was arranged pending a formal reply from Mr. Bussey in response to this call.

OUR MOUNTAIN WORK will have a fuller story in the next issue.

The regular Fall meeting was set for 9:30 A. M., at the Bethel Presbyterian Church in Haywood County. This church hopes to have their new church plant completed and available to entertain Presbytery at that time.

The Presbytery heard invitations from Brevard-Davidson River for the January 1965, and Canton for April 1965.

DAVIS. RENFRO RECEIVED AS MINISTERIAL CANDIDATES

James McD. Davis, of the First Presbyterian Church, Asheville, and Joseph D. Renfro, of the First Presbyterian Church, Hendersonville, were received by Asheville Presbytery as Candidates for the Gospel Ministry.

Both appeared before Asheville Presbytery on July 14th, and in their reception, Rev. John L. Fain, Hendersonville pastor, delivered the prayer and Dr. C. Grier Davis, former pastor of the Asheville First Church and father of one candidate delivered the charge to both.

James Davis is a graduate of Davidson College and a Senior at Union Theological Seminary, Richmond, Va. Joe Renfro is a graduate of Montreat-Anderson College and is now a Senior at the University of North Carolina, at Chapel Hill.

TROTTI IS DISMISSED

John B. Trotti, Ph.D. has been granted a letter of dismissal as a Candidate for the Gospel Ministry to Appomattox Presbytery in Virginia. Tentative plans, subject to approval by that Presbytery, schedule his ordination at 7:30 P. M., July 26th, at Alta Vista, where he is pastor elect.

Dr. C. Grier Davis, of Montreat, and formerly pastor of Dr. Trotti, who is a member of the Asheville First Church, will preach the ordination sermon. Dr. Trotti received his doctorate at Yale university in June.

COKER ORDINATION TO BE EVENING OF OCT. 26TH

Robert Jefferson Coker, Jr., whose examination before Asheville Presbytery was approved on July 14th, will be ordained to the Gospel Ministry, at a special service, Sunday, July 26th at 7:30 P. M., at the Brittain's Cove Presbyterian Church, near Weaverville.

Mr. Coker is a member of the First Presbyterian Church, Chattanooga, and was graduated from Columbia Theological Seminary, Decatur, Ga., in June. According to Presbyterian policy he remains a member of his home church until his ordination, when he becomes a member of the Presbytery.

His ordination will be the first at Brittain's Cove since the congregation became a part of Asheville Presbytery in 1943, and he will be the first installed pastor of the Congregation since that time.

In addition to serving the Brittain's Cove Church as pastor, he will be assistant to Dr. H. B. Dendy, pastor at Weaverville. He and his wife are living in the Brittain's Cove Manse owned by the Church Extension Committee of the Presbytery, and furnished the church for this purpose.

Presbytery named Dr. Dendy to serve as Chairman, and approved an invitation to Rev. J. S. Cook, Montreat, and member of Orange Presbytery to preach the sermon. Mr. Cook has been a beloved supply at Brittain's Cove for nearly two years. Rev. Browne Hoyt, who is a former supply was named on the Commission.

Other members to complete the Commission are Rev. Dan E. Carlton, Dr. R. E. McClure, and three Ruling Elders of the Brittain's Cove Church, Charles Hensley, Harold Sluder and Bert Ward. Also asked to serve on the commission will be Robert J. Coker, father of the candidate, Mark K. Wilson, and Furman L. Young, Ruling Elders of his home church in Chattanooga.

RE: DEACONS AT PRESBYTERY

Asheville Presbytery took formal action urging attendance of Deacons at the July meeting of Presbytery, when matters of the Benevolence Asking for the coming year are presented.

The following quotation from the April issue of Our Mountain Work in 1916 adds interest to the above:

Asheville Presbytery has taken action requesting every church within its bounds to send a deacon to each stated meeting of this body. At these meetings the deacons will be invited to take part in the discussions and give information on their departments of church work.

—April, 1916.

TOM H. LAMB IS CHAIRMAN PRESBYTERY'S COUNCIL

Asheville Presbytery, on July 14th, named Tom H. Lamb of the Oak Forest Presbyterian Church to succeed Rev. B. B. Breitenhirt, as chairman of Presbytery's Council. Rev D. E. Carlton was named to succeed Mr. Breitenhirt as a member of the Council.

Other appointments to fill vacancies made the 14th include naming Rev. Wayne Aughinbaugh to succeed Mr. Breitenhirt as Trustee of The Presbyterian Home, and Rev. G. D. Lamney to succeed Rev. Wm. H. Marquis on the Christian Education Committee.

All appointments were to fill unexpired terms.

THOMAS REPRESENTATIVE TO NEW APPALACHIAN COUNCIL

Asheville Presbytery named Dr. W. G. Thomas to represent the Presbytery in the organization of a proposed Appalachian Council, to be composed of representatives of Presbyteries (Classis in the Reformed Church of America) of Presbyterian Bodies in the Appalachian area.

The initial meeting is scheduled for Kingsport in November, having been approved by the Synod and General Assembly, when representatives from sixteen Presbyteries of the Presbyterian Church, U.S., together with representatives of similarly situated Presbyteries of the United Presbyterian Church, U.S.A., Cumberland and Associate Reformed Presbyterian Churches, together with the Reformed Church of America will attempt to evaluate the opportunities of this area.

There will be two representatives from each Presbytery, the executive and the elected representative. The Council will have only advisory powers, and such programs as may be proposed will be implemented by the Presbytery or Presbyteries involved.

SWANNANOVA TO WORSHIP IN THEIR NEW SANCTUARY

Announcement was made at the meeting of Asheville Presbytery that the Swannanoa Presbyterian Church would hold their first service in their new Sanctuary at 11 A. M., Sunday, July 19th. A consecration service was planned for the evening hour of 7:30.

The old sanctuary was demolished last Fall to make way for a new and larger one. This is the fourth sanctuary in the history of the congregation. The structure includes a full basement for fellowship activities.

FOUR STUDENTS ENROLLED IN PRE-COLLEGE COURSE

Four of the recent graduates at THE PRESBYTERIAN HOME FOR CHILDREN will enroll August 6th, for the special four weeks pre-college course at Montreat Anderson College.

Billy Foster, one of the five graduates from Owen High school will attend N. C. State at Raleigh, and the other four will go to Montreat-Anderson. The special four weeks course, being inaugurated at Montreat for the first time, will give special attention to remedial reading, mathematics and preparation for college life.

THE HOME faces a heavy responsibility for the support of six students in college this fall, none of which is provided for in the regular budget income. In order to see these young people through this year there will be a real need for extra funds.

Limited endowment funds, earmarked for educational use, will produce a little over \$2,000 for the entire year, and the initial cost of the pre-college course at Montreat will reach \$1,000 or \$250.00 per student.

Individuals or groups interested in helping any one or more of the students should contact the Superintendent. Contributions made to the Treasurer for the above purpose will be handled entirely separate from any operational income, through a special account for higher education.

Cecil Caldwell will return to Western Carolina College to continue his college work. Billy Foster is entering N. C. State.

At Montreat-Anderson will be, Anne Mae Thurston, Vestal Caldwell, Dale Hurst and Eddie Teeters.

and Trust Company, through whom the trust was received, until a careful study of the best plan for investment can be determined.

Mr. Sprang initially set up a trust fund for "The Mountain Orphanage" as it was then known, to be paid to THE HOME at the death of his wife, if she should survive him. Mrs. Sprang's will also included the Canton Church, where they were members. She died last month.

The Trustees in receiving this legacy voted to hold the entire amount in tact for investment, hoping that it would form a nucleus for still larger endowments producing income for future operational needs.

The legacy restricts the use of the fund to investment, with no restrictions on income therefrom, or for capital improvement, thus there continues to be urgent need for current funds to meet an annual budget of \$72,000.

only one shower head and one tub for each fourteen children, on the average. To secure space for this, it has been found to be more economical to build two story ells to the building, one for the boys and one for the girls, rather than tear out and replace present piping.

A thorough study is being made and it is hoped that the actual building program can be underway immediately. Contributions amounting to \$1,160.00 have been received for this project, and the exact amount that it will be necessary to borrow will depend on the ultimate cost, and amount contributed by the time bills are due.

Asheville Presbytery authorized the Trustees of *The Home* to make a special effort to raise funds to meet this need, and if possible eliminate the borrowing of any money at all. Details of the plan approved will be publicized after the Trustees meet in their regular session on July 16th.

Contributions sent to the treasurer, R. E. McClure, 26 Church Street, Asheville, and clearly designated for this purpose will be so used, and these contributions will in no way affect the distribution of any funds contributed for "operational budget" of *The Home*.

MANUAL CHANGES PROPOSED FOR FURTHER STUDY

A number of changes in the Manual of the Presbytery will be considered in the fall. Changes must be proposed at one meeting for adoption at a subsequent session of the Presbytery.

In October the Presbytery will consider a proposed re-organization of the Committee on Christian Education, and the setting up of a Permanent Committee on Candidates for the Gospel Ministry.

A proposal was also made to have the Committee on the Office of Executive Secretary elected by the Presbytery in its entirety, rather than have it named by the executive committees, council and women of the church, as at present.

DR. BELL OFFERS OVERTURE TO GO TO 1965 ASSEMBLY

An overture offered by Dr. L. Nelson Bell to be submitted to the next General Assembly was docketed for consideration at the October meeting.

The overture had reference to an action of the 1964 General Assembly in "instructing" certain Presbyteries to receive Negro churches within their bounds, certain Synods to dissolve all Negro Presbyteries organized on a segregated basis.

Dr. Bell stated that he was "all for the action of the General Assembly" except for the use of the strong directive. "This thing must be done", he further said, with reference to the purpose of the entire action of the Assembly.

Because of the late hour when the matter reached the floor of Presbytery, the overture asking that the language read "strongly urge" rather than "instruct," will be voted on in October.

The 1965 Birthday Offering will go to the Presbyterian Medical Center at Chunju, and the Taejon Presbyterian College, also in Korea.

HOMECOMING AUGUST 9**

The Bethel Presbyterian Church of which Rev. Wm. R. Covin is the pastor was organized in 1834. "Homecoming Day" is an annual event of great interest.

The moving of the Church and construction of new facilities has cost some \$30,000. A picture and story will be in the next issue of OUR MOUNTAIN WORK.

Rev. R. E. McClure, D.D., Executive Secretary, was the preacher at the morning service. Rev. R. D. Bedinger, D.D., who supplied the congregation for some time, while he was Superintendent of Home Missions of the Presbytery, was a guest on August 9th.

47 NEW MISSIONARIES GOING
TO SEVEN FOREIGN FIELDS

The annual commissioning service at Montreat on August 5th, recognized forty-seven people, from ages 22-66 who will go to seven foreign lands as missionaries under the Board of World Missions of the Presbyterian Church, U. S.

This was the climax of the World Missions Conference, with the largest attendance in the history of Montreat. There were 1,323 attending the sessions and over 700 of these young people, who are potential missionaries of the future, and the backbone of the next generation of Church leaders.

The largest number, 15, were commissioned to go to Africa. Eight will go to Brazil, eight to Mexico, six to Korea, 4 to Taiwan, and two each to Iraq, Japan and Portugal.

Included in the group are an architect, seven ministers, three directors of Christian education, five evangelistic workers, three doctors, one dentist, five nurses, a medical technician, fifteen teachers, two radio and TV technicians, a printer, two businessmen and an agricultural specialist.

LEARNING BY SEEING
LEARNING BY LISTENING

— AUDIOVISUALS —

There are audio-visuals prepared specifically for workers with Covenant Life Curriculum courses. They are listed on the "order blanks".

The office of the Regional Director of Christian Education of the Synod has a large supply for lending. A limited number of units may be borrowed from the office of the Executive Secretary of the Presbytery.

Audio-visuals will often add materially to the interest of the class, and give better understanding of the course.

PRESBYTERIAN CHURCH U.S.
IS FIRST PROJECT
HOME AND FAMILY NUTURE

One of the results of the extensive Covenant Life Curriculum Planning is that the Presbyterian Church, U. S., is the first major denomination in America to provide local churches with specific material dealing with "Home and Family Nurture."

This phase of the Covenant Life Curriculum will provide material for study by newly-weds, for established families, for young people looking forward to having families of their own.

This is a new step in the educational program of the Church. A special section of the Previews outlined elsewhere in this issue, will deal with this new feature.

CULLOWHEE STUDENT WORK FEATURED THIS FALL

CHURCH EXTENSION PROJECT

Representatives of twenty-five of the
thirty-four churches of Asheville Pres-
bytery heard the story of work at Cul-
lowhee, at the Church Extension Sup-
per, September 8th, at the First Pres-
byterian Church, Asheville.

Kenilworth and Lakey Gap were pres-
ent with ten representatives each, while
nine of the churches failed to respond
at the supper roll call. Several came
after the meal and the total attendance
was approximately one hundred.

Rev. J. D. Whitesides, Jr., pastor of
the Sylva Church brought the principal
message, with emphasis on the strategic
importance of a Christian ministry to
students, with a recognition of work un-
der way at Cullowhee, the home of
Western Carolina College.

Rev. Stanley L. Bennett, minister in
charge of the Cullowhee work was in-
troduced and told of plans for regular
worship services every Sunday morn-
ing, vesper services in the evening and
other activities among the 250 Presby-
terian students at Western Carolina, and
the 400 or more who give no denomina-
tional preference other than "Protes-

THE CALLOWAY FUND

Have you ever heard of "The Florence Callaway Scholarship"?

The Women of the Synod of Appalachia established this fund in 1911, and named it in honor of the late Mrs. Florence N. Callaway, who served for nine years as the first director of the "International Christian Conference", at Knoxville College, Knoxville, Tenn.

This conference was the first such conference sponsored for Negro Women in the General Assembly, and has been held annually since 1926. It was appropriate that the "Callaway Scholarship" should be used for a student at Stillman College, and the cost of a "tuition scholarship" at that time was \$500.

Negro young women from each of the Presbyteries have at one time or another been the recipients. Last year Miss Darlene Long, from a family of thirteen children at Big Stone Gap, Va., received this scholarship. Seven of her brothers and sisters, have completed their college education, a high tribute to her father, a retired coal miner.

Today the tuition is \$800, and there is a real need for larger support of this fund.

Every local women's organization in the Synod of Appalachia has been asked to put this item in their annual budget, and remit through the Treasurer in the Presbyterial of which they are members. Some have responded, but many have not. The need is great, and if the response should justify it, there might be two students helped in this way rather than only one each year.

Consult the President of the Women in your church and see what provision has been made for the scholastic year 1964-1965.

CANCELLED STAMPS SENDING 647 TONS FOOD TO NEEDY

A suit box full of cancelled stamps, sent in June by women of the Asheville area, became a part of those collected and sold for \$4,284.38 during the first six months of 1964, and made it possible for Church World Service to deliver 647 tons of U. S. Government Surplus Food to needy families and orphanages over seas.

This compared to a total of \$8,433.72 from similar collections in 1963, from all over America. Each dollar received makes possible the delivery of 300 pounds of food in the name of the Church.

Mrs. K. J. Durant, 12 N. Forest Drive, Asheville, will receive such stamps and forward same to be added to others for similar use. It is requested that all stamps have at least 1/4 inch margin when cut from envelopes, etc., and that there be no missing

to conflicts with the opening date of the college, other students could not attend. One of these is Cecil Caldwell, a second year student, who is a member of the family of the Presbyterian Home for Children, operated by Asheville Presbytery.

Emphasis was placed on the need of a generous offering, with the possibility of using as much as \$100,000, if available, for property, liquidating the indebtedness on the manse bought in July and the erection of the first unit of a permanent plant.

Following a plan proposed by the Board of Church Extension of the General Assembly, 80% of the offering or October 18th, will be retained for use in this Presbytery, and all thus retained will be used for the Cullowhee work.

J. C. Ward, member of the Church Extension Committee of Asheville Presbytery, presided, and Rev. W. G. Thomas, D.D., Chairman of the committee led the opening devotional and introduced the speakers.

The meeting was opened with prayer by Rev. H. B. Dendy, D.D., and closed with prayer by Rev. J. L. Jackson, both of whom offered special petitions for the work being sponsored at Cullowhee.

MOTHER, DAUGHTER GET PINS

The Women of the Oak Forest Presbyterian Church decided to give a "Life Membership" certificate and pin to Miss June Lamb, a missionary in Japan, and from that church.

Mrs. Hugh Lamb, her mother, president of the Women of the Oak Forest Church and active in the Asheville Presbyterial, was asked to make the presentation.

Rev. Gale Lammey, pastor of the church, in behalf of the Women of the Church, then presented Mrs. Lamb with a "Life Membership" and pin.

Miss Lamb is a social worker at the Yodogawa Christian Hospital in Osaka, Japan, and is in this country on furlough for a year.

perforation points, clipped edges or corners. Torn stamps or those peeled off an envelope have no value for this purpose.

Women of Asheville Presbytery are cooperating in this project.

CHURCH EXTENSION SEASON

"Presbytery Emphasis"

For the past several years certain projects have been presented to the churches of Asheville Presbytery, as the recipients of the Church Extension Offerings.

This year, with the approval of Asheville Presbytery, meeting in July, it was agreed that all of the funds for use in the Presbytery would be earmarked for the development of a work at Cullowhee.

A careful reading of the other pages of this folder will give the reasons for this decision. It should be evident that a response MUCH greater than past years will be needed to make a nominal start in this work.

The immediate and urgent need NOW is for enough money to purchase land for a Church Plant at Cullowhee. This will require a response at least two and one half times any previous Church Extension Offering, if this is to be done NOW.

It will still be necessary to BORROW funds to finish paying for the Manse, and to construct a building for permanent Church and Student activities. Thus it is clearly evident that a generous offering is essential.

The July issue of OUR MOUNTAIN WORK told the story of the coming of Mr. Bennett, and of the Challenge at Cullowhee.

The response on October 18, 1964 will give the Church Extension Committee some idea of how much Asheville Presbytery is willing to sacrifice for this outstanding opportunity.

This project should be in the heart and prayers of every member of every Church in the Presbytery.

See the record of your Church in the past two Church Extension Offerings.

In this day of opportunity, see that your Church responds generously.

"Comparative Giving"

Below are the records of Church Extension Offerings, by Churches, in Asheville Presbytery for 1962 and 1963.

The challenge in 1964, financially speaking, is far beyond gifts in previous years.

A sacrificial offering is demanded if the need is to be met.

OUR MOUNTAIN WORK

CHURCH EXTENSION SEASON

October 1 - 18, 1964

The General Assembly approves an annual emphasis on some particular phase of the work of the Board of Church Extension for each year.

The 1964 emphasis is, "The Presbyterian Task in an Urban South," a vitally significant opportunity before the Church today.

In a very special way the South is becoming more and more urbanized. In Asheville Presbytery this is particularly true of the Asheville area, and in a lesser degree in the Hendersonville area.

There are special materials for all age groups, and in the younger groups it would be well to stress the unit available. Adults and Senior Highs are challenged to take a special interest in the particular project for Asheville Presbytery.

IN ADDITION, secure the reading of the text for the age group involved. These are listed in the pamphlet, "The Presbyterian Task In An Urban South", available at the Church Supper, September 8th, or from the Board of Church Extension, 341 Ponce de Leon Ave., N. E., Atlanta, Ga. 30308.

A percentage part of the Offering received in the local congregation on October 18th, will be forwarded to the Assembly's Board for church wide use. (This has been the custom for several years).

Contributions on October 18th should be sent to the Central Treasurer of Asheville Presbytery, 26 Church Street, Asheville, N. C., 28801, and marked "Church Extension Offering."

In Asheville Presbytery all of the receipts from the Church Extension Offering are used for capital needs. This year the Challenge is at Cullowhee, as set forth in this folder.

THE CULLOWHEE SITUATION

"Presbyterian Students"

Over two hundred young men and women will be at Western Carolina College this fall from Presbyterian homes.

There will be many who will have no church affiliation, and who should be served through a Presbyterian ministry.

A survey has shown a number of Presbyterian faculty members, who should be served by an active Presbyterian Congregation in the area.

The Baptists, Methodists and Episcopalians have been active for a number of years, providing an aggressive Christian ministry to students at WCC. They have done a splendid work.

The Presbyterian work began actively under the ministry of Rev. W. H. Wakefield, in a small way. It has been enlarged by each succeeding minister at Sylva. The Student House was purchased during the pastorate of Rev. D. P. McGeachy, III, and remodelled and enlarged under Rev. J. D. Whitesides, all pastors of the Sylva Church, serving Cullowhee on a part time basis.

Rev. Stanley L. Bennett moved into the new manse the last of July and is getting started on a new and challenging work. He will provide a regular Worship Service for the college community, as well as continuing ministry to students, both Presbyterian and others not reached by other churches.

If all the students at Western Carolina desired to attend a worship service at 11 A.M., on any one Sunday, the combined sanctuaries of the existing churches might possibly seat half of them. And plans are under way to increase the student body by at least one third in the next ten years.

THE CULLOWHEE SITUATION

"A Presbyterian Church"

Presbyterians who have joined the faculty of Western Carolina College, or have moved into the area in the past, have united with the Sylva Church, seven miles away, united with one of the local congregations, or have dropped by the wayside and lost interest in Church activity.

There has been no Presbyterian Church in the area.

With nearly three thousand students and several hundred families associated with the College faculty, administration and in other fields, there have been the proportionate number of Presbyterians.

There is room for a Presbyterian Church without drawing on, or reducing the service rendered by any local congregation.

There is a need for a Presbyterian

Church now.

A recent survey indicates that such a Congregation can be organized with a potential of thirty or more, and can offer a Church Home to Presbyterians as they come, either as students, faculty members, or others in the community.

In providing the services of Rev. Stanley L. Bennett, under the sponsorship by the Church Extension Committee of Asheville Presbytery and the Campus Christian Life Council of the Synod of Appalachia, it was proposed that this organization be affected as soon as possible.

This will make it possible to minister to the needs of the students through a local church, rather than a student program completely separated from the life and activities of a congregation.

THE CULLOWHEE SITUATION

"Financially Speaking"

Combined funds from the Sylva Church, local community, Assembly's Board, Synod's Capital Funds Campaign, the Campus Christian Life Council of the Synod and the Church Extension Committee of Asheville Presbytery have purchased and equipped a Student House, just off the Campus of Western Carolina College. It has a minimum estimated value of approximately \$17,000.00.

Previous offerings, designated for "property" at Cullowhee had reached \$4,500, awaiting the opportunity to purchase property for a combination Church and Student Center building.

The immediate need was for a place for the Minister to live. A manse has been purchased at a cost of \$19,000, plus necessary closing costs, insurance, interest, etc.

\$4,000 of the reserve was used for this purpose and \$15,000 was borrowed from a bank. It is expected that this loan will be repaid in part from the Church Extension Offering, and the remainder re-financed through borrowing on a mortgage loan basis.

Funds from the Church Extension Offering not used for this purpose will be used for the purchase of property for a permanent building.

THE URGENT NEED

For property only, the Dollar Need can be interpreted:

Balance due on Manse	\$15,000
Land for Church Plant	15,000
Initial Building Cost	75,000
Minimum Needs	\$105,000

WHAT CAN BE DONE NOW?

How rapidly the work can progress depends on the response of congregations and friends in Asheville Presbytery on October 18th.

en pastor of the White Bluff Presbyterian Church since 1955. He was also Clerk of Savannah Presbytery.

Mr. Bates succeeds Dr. Auten, and will be the third pastor in the history of the congregation, Rev. Paul N. Gresham having served as the first pastor from 1934 to 1958. He expects to move to Asheville later in September.

Mr. Bates is a native of Washington, D. C., and Mrs. Bates is the former Edith Ketner of Maryland. He is a graduate of Lafayette College, Easton, N. J., and Columbia Theological Seminary, Decatur, Ga.

Ordained by Atlanta Presbytery, he served as pastor of the Villa Rica and Westell churches from 1950-1952, and then for three years at Georgia Avenue Church, Atlanta, before going to Savannah. He spent some time in graduate work at Yale University.

The Bates have three children, J. E. Bates, III, married and living in Alexandria, Va., Henry Caldwell, a student at the University of Georgia, and a daughter, Nancy Newcombe who will enter Lee Edwards High School, Asheville, as a senior.

Mr. Bates also attended George Washington University School of Pharmacy. He was active in the drug business before entering Columbia Seminary. During World War II he served in Washington for the U. S. Civil Service Commission.

The Commission to install Mr. Bates includes three Ministers of the Presbytery who were fellow students at Columbia Seminary, three Ruling Elders of the Kenilworth Church, and Dr. Wade C. Boggs, who has been interim minister for the past six months.

Rev. Leroy Secrest was named chairman, Rev. A. Allen Gardner, Jr., to preach the sermon, Rev. Henry Schumacher to charge the congregation. Dr. Boggs will charge the minister. Ruling Elders are George Lowry, H. E. Johnson and Crawford Pearson. Dr. Boggs, now retired, is a member of Atlanta Presbytery, and resides in Black Mountain.

To date this should have produced \$98,570, subject to division (not including contributions for specific causes). The actual amount received as shown below is \$96,502.75.

News of the death of Rev. J. V. N. Talmage, D.D., on September 13th, arrived just as "Our Mountain Work" was going to press.

Dr. Talmage, 79, a retired missionary from Korea was called home in Decatur, Ga., after a brief illness. He is the fourth member of Asheville Presbytery to pass away during 1964.

pleted before cold weather. In the meanwhile, it will be necessary for the family to use equipment in the gym, during the period when the actual transition is made, and new connections are established.

As announced earlier the estimated cost would be around \$30,000. The Trustees are counting on the response of the Men of Asheville Presbytery to liquidate a loan obtained from the bank to finance the project.

BUILDING

FROM PAGE ONE

The purpose of the fund raising effort is to reduce the amount of a necessary debt on the project.

The church was organized in 1834. Rev. W. R. Covin is the pastor.

Presbytery meets at Bethel on October 13th.

BRITAINS COVE

The congregation at Britains Cove hopes to worship in their new sanctuary before cold weather.

The building, approximately 30 by 60 feet, is two stories, with class rooms, kitchen, rest rooms, and fellowship hall on the first floor. Built against a sloping terrain, there will be a ground level entrance to each floor.

The unique feature of the construction is the large amount of contributed labor, both in the local congregation and by members of the Weaverville church. Dr. H. B. Dendy, pastor of the Weaverville Church, and building engineers in his congregation, have directed the project.

The Brittain's Cove church came into Asheville Presbytery from the Presbyterian Church, U. S. A., in 1943. Rev. R. J. Coker, was ordained and installed in July as their first installed pastor. The work was started initially as educational project of the Board of National Missions of the Presbyterian Church, U. S. A., in the 1880's.

CHURCH EXTENSION

This is a Church Extension Issue of
OUR MOUNTAIN WORK.

Pages three and four contain facts of great importance to this work, and the challenge is so great that the full cooperation and response of members of the thirty-four churches is imperative.

Rev. Stanley L. Bennett is already in the new manse, actively at work among the over two hundred and fifty Presbyterian students at Western Carolina College.

The college authorities have given Mr. Bennett the names of over sixty Presbyterians who are in the Freshman Class, which reported earlier this month. This will probably increase the total for 1964-65 over the past year.

This is the greatest single challenge for Church Extension in the past two decades. It merits a response far beyond any previous Church Extension Offering.

PRESBYTERY-PRESBYTERIAL Meetings, Oct. 13, 15

Presbytery will meet at the Bethel Church, Haywood County, at 9:30 A. M., October 13th.

Presbyterial will meet at the Waynesville Church, at 10 A. M., October 15th.

A feature of the meeting of the Women will be an address by Dr. W. D. Weatherford, Black Mountain, on the situation in the Appalachian Area.

GENEROUS GIFT MADE FROM VALUABLE SURPLUS STOCK

A Presbyterian merchant in Asheville Presbytery sent an assortment of supplies from his "out of season" stock to the PRESBYTERIAN HOME FOR CHILDREN.

Included were various items of clothing, and other items of practical value, which will reduce the need for purchasing much needed supplies for both boys and girls.

Many friends express interest in THE HOME in various ways. This latter is greatly appreciated.

In making the gift, it was recognized that there were a few items that might not be immediately useful, and permission was given to contribute such items to other agencies.

Doubtless some of this can be included in the shipment overseas through Church World Service, a project receiving the attention of the Women of the Church (see related story.)

Any other merchant interested in making a similar donation will render a great service by contacting the Superintendent, Don C. McKenzie, who will arrange to have it picked up.

MORE LIFE MEMBERSHIPS
GIVEN WOMEN LEADERS

MRS. SCHREIBER

The Women of the Arden Presbyterian Church conferred a Life Membership on Mrs. Louis Schreiber on June 28, 1964.

The award was made during the morning worship service, in recognition of her dedicated service to the Arden Church, of which she was a Charter Member.

THE AWARD

Honorary Membership means that a contribution has been made to a special fund, administered by the Board of Women's Work of the General Assembly, in recognition of the woman so honored. A special pin is given as evidence of the recognition.

OUR MOUNTAIN WORK would like to recognize those receiving these awards, if Name of person so honored, Church, and Date are reported.

CULLOWHEE WORK GROWING
REGULAR SERVICES HELD

Regular worship services are being held every Sunday at the Presbyterian Student House at Cullowhee, under the ministry of Rev. Stanley L. Bennett.

Interest in the work continues to grow, and the promise among the students, faculty and other potential members of this congregation increases week by week.

There are many needs, and it is possible that some church, individual or group of individuals can help in one or more of the following. If you can help, in any way, please contact Rev. Stanley L. Bennett, P. O. Box 1517, Cullowhee, N. C. 28723.

A LIBRARY —

A small library of volumes definitely related to the Christian Life would be helpful. There are many books that would be appropriate, which would not normally be found in the library of Western Carolina College.

A READING ROOM —

With special emphasis on Church literature, subscriptions to Church papers, and other appropriate magazines would be welcome. All national and secular magazines are available through the Reading Room at the College.

A COMMUNION SERVICE —

There is no organized congregation, at yet, but a modest Communion Service, could enable Mr. Bennett to conduct the Communion, without the necessity of borrowing. It would add stability to the work to know that they owned their own service.

The same would be true if a Baptismal Font were available, but the Communion Service is more urgently needed now.

Already Mr. Bennett has acknowl-

OVERSEAS RELIEF THROUGH
CHURCH WORLD SERVICE

Contributions of used clothing, bedding and other articles of usefulness have been contributed through Church World Service, and Plummer's Radio Repair Shop on Biltmore Avenue has been the place to bring same.

One feature of this has been the request that a contribution be made to cover the over-head expenses of handling and shipping same to points of usefulness overseas.

Church World Service, New Windsor, Md., is the eastern depository, to which these shipments are made and the request now is for TEN CENTS PER POUND for this overhead cost. (Previously eight cents per pound.)

Please note that the van will pick up clothing on hand at Plummer's Radio Shop, early in December. Check for the over-head cost should not be sent with the clothing, but mailed directly to Church World Service, New Windsor, Md.

WORLD MISSIONS WORKSHOP

The workshops are planned to give ministers, and all individuals in women's, youth or other local organizations an insight into the materials needed for and purposes of the World Mission Session.

A missionary film, "Two Rivers", will be shown, study books for 1965 for Adults, Youth and Leaders of Children will be reviewed by Rev. Henry Schum, Swannanoa, Rev. John T. Newton, Jr., Montreat, and Mrs. Earl McGuire of Asheville First Church.

AT ASHEVILLE FIRST CHURCH

The program will begin at Asheville First Church, at 3:30 P. M., Sunday October 25th, and Miss Lamb will speak after the supper period. Supper will be served at 75c each.

AT BRYSON CITY

ASHEVILLE
PRESBYTERY

EVERY
MEMBER
CANVASS

NOV. 8, 1964

Through The Local Church

The ministry of the Church of which you are a member must provide for the spiritual needs of the congregation. This calls for the salaries of the minister, and other necessary helpers, according to the size of the church, building and equipment, and upkeep thereof, and necessary operational costs of insurance, lights, heat, telephone, literature and supplies.

As An Individual

Your response is an index to the extent this total program will be effective — in the Local Congregation, in the Presbytery, in the Synod, and in the General Assembly.

For you and others, who share the same responsibility, and face the same opportunities, your part is measured by your ability, as God has given to you, and not by any prescribed budget or list of opportunities.

The measure of your Commitment, indicated in the response you make in the Every Member Canvass, with similar commitments from others will indicate to the Officers of your Church the extent to which your Church can meet the local needs of the Congregation and share in the support of the total needs of the Presbytery, Synod and General Assembly.

Give As God Has Given

The Tithe, compulsory in the Old Testament dispensation, is commended in the New Testament, as the expression of proportionate dedication of substance, "as God hath prospered."

It underscores the basic responsibility that every believer has for the support of the work of God's Kingdom, through the Church — GIVE AS GOD HAS GIVEN YOU.

"Christ for the world we sing;
"The world to Christ we bring

"With loving zeal;
"With fervent prayer;
"With one accord;
"With joyful song."

..... Thus are the words of Samuel Wolcott's
hymn often sung in public worship.

With Loving Zeal

Fulfilling the obligation, in response to His command, "Go ye into all the world."

With One Accord

We share with one another in the privilege of advancing His Kingdom throughout the world.

With Loving Zeal

We make our commitment in support of the total program of His Church at home and abroad.

With One Accord

We unite with fellow Christians to accomplish together what we cannot do alone.

With Loving Zeal

We make it possible for others to serve in distant places and in work which we, alone, could never accomplish.

With One Accord

We assure our representatives of our continued support and of our dedication to their ministry throughout the world.

BACK TO FUNDAMENTALS

The Primary Worship And Work Of The Church

"God Who chose us to be His people calls us to serve Him through worship and work. Therefore the Church must examine its common life, and Christians their private lives, to the end that all may live as servants of God obeying His Commands."

—From "Preface of THE DIRECTORY FOR THE WORSHIP AND WORK OF THE CHURCH", approved and enacted by the General Assembly of the Presbyterian Church, U. S., April 23, 1963.

Ministers and Ruling Elders of Asheville Presbytery (together with similar groups from all 80 Presbyteries of the General Assembly) have been facing the implications of "The Worship and Work of the Congregation" in sixty seminars throughout the General Assembly.

The Challenge in each seminar is to quicken the interest and zeal of each local Session, under the leadership of the Minister of the Word, to determine to what extent the congregation involved is participating in the total program of the Church, through an alerted, informed and committed membership.

Four documents were presented to these seminars, which in turn should be a challenge to the local Session, and then to the local congregation. The basis of these four documents is found in a quotation from one, printed above.

These four should be considered first by the Session, and in the order named below. This presentation involves first a look at the Church and its failures or accomplishments. Second, a look at what the General Assembly sets forth as being ideals for Worship and Work.

Having done this, an intensive study of Biblical backgrounds from which come an understanding of the Nature and Mission of the Church, and issues growing therefrom.

Every local Session should face these issues and problems, in the light of available guides, and in the order suggested, if at all possible.

1—THE WORSHIP AND WORK OF THE CONGREGATION. 32 pgs. Published by the Inter-Agency Committee of the General Council, and already mailed to each minister.

2—THE DIRECTORY FOR THE WORSHIP AND WORK OF THE CHURCH, adopted by The 1962 General Assembly, and printed as a part of the latest edition of the Book of Church Order.

3—A careful study (which involves basic Scriptural backgrounds) of "THE WORSHIP AND WORK OF THE CONGREGATION" 72 pgs, by Rev. John H. McKinnon, pastor, and Miss Gladys Jackson,

THANKSGIVING NEXT MONTH

THE PRESBYTERIAN HOME FOR CHILDREN will receive special emphasis in the November issue of OUR MOUNTAIN WORK.

This is natural for the many friends of this home, formerly "The Mountain Orphanage", have provided funds at Thanksgiving to meet the operating costs for at least three months of the year.

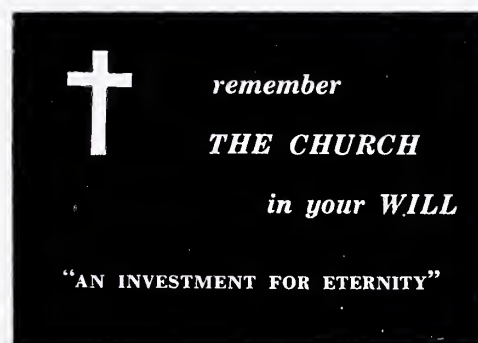

The Superintendent is striving diligently to keep those costs within the projected budget of approximately \$72,000, per year, or \$6,000 per month.

When the Executive Secretary first became treasurer of THE HOME in 1943, the average cost of caring for a child in the forty-two homes in North and South Carolina aided by the Duke Endowment, was \$431.47, or \$1.18 per day. By 1953 the average cost had risen to \$995.02, or \$2.62 per day.

Last year the total cost averaged \$1,314.68, or \$3.60 per day.

To meet this cost for three months presents a challenge for \$18,000 in the 1964 Thanksgiving Offering.

In 1963 the Churches of Asheville Presbytery contributed a total of \$16,233.68 as a Thanksgiving Offering.

D.C.E., First Presbyterian Church, Knoxville, Tenn., published by the Inter-Agency Committee of the General Council.

4—The development of a program of Worship and Work, to meet the needs of the local congregation, as suggested in, "A SUGGESTED GUIDE FOR ADMINISTRATION IN THE LOCAL CONGREGATION" and THE PLAN BOOK FOR 1965.

Two copies of the Visual Aids-Audio Kit, for use in this presentation and study, are available on loan from the Office of the Executive Secretary of Asheville Presbytery. Other supplies can be ordered from the General Council, 341 Ponce de Leon Ave., N.E., Atlanta, Ga. 30308, except the Plan Book, which is \$1.25 from and Presbyterian Book Store.

A SPECIAL REQUEST

Following an annual custom, OUR MOUNTAIN WORK will print in November a list of all missionaries related directly or indirectly to the churches of the Presbytery.

Forty-Seven names were read at the Fall Meeting of Asheville Presbytery. To avoid omitting any name, OUR MOUNTAIN WORK requests, by November 5th, a written statement from each church involved giving:

Name(s), field of service, and present address of any missionary who has gone out from that congregation and is now in active service, and/or any missionary being supported in whole or in part through contributions from that congregation.

Please do not telephone. To avoid errors in spelling, and other details, only written information will be used in making up the list for publication in November.

HUNTER IS PRESIDENT MEN OF PRESBYTERY

R. C. Hunter, of the Arden Presbyterian Church, was named President of the Men of Asheville Presbytery, at a supper meeting at THE PRESBYTERIAN HOME on September 17, 1964.

A large and enthusiastic gathering heard Dr. C. Grier Davis, bring an inspirational message, and enjoyed the traditional barbequed chicken dinner. Don C. McKenzie, superintendent, spoke briefly about THE HOME.

Jay Fesperman, Franklin, presided, as the outgoing President. Others named to serve with Mr. Hunter included: Arthur H. Matthews, Grace Covenant, First-Vice President; Kendall O'Barr, Westminster, Second Vice-President; E. C. Conrad, West Asheville, Secretary-Treasurer; with District Chairmen — No. I, Sam Jordan, Westminster; No. II, Jerry Jerome, Brevard; and No. III, Horace Nolen, Franklin.

TIME FOR THE "E.M.C." CHURCH WIDE DATE—NOV. 8

Whether your church uses November 8th, or some other more appropriated date for your EVERY MEMBER CANVASS pages three and four of this issue should be of interest.

All the causes approved by the General Assembly, Synod and Presbytery are outlined, with a descriptive word about each.

Your church will report to Asheville Presbytery at a later date, indicating the approximate amount they will contribute in 1965 in support of these agencies.

What the reply will be will depend on the response of members in the local EVERY MEMBER CANVASS.

BENEVOLENCE RECEIPTS AS
OF OCTOBER 10, 1964

The Central Treasurer of Benevolences reported to the Fall Meeting of Asheville Presbytery that \$107,626.94 of an anticipated minimum annual total of \$147,859, for regular benevolences had been received on October 10th.

This represents local giving through September 30, 1964, for those churches which have remitted funds on hand to date.

At a special meeting on March 2, 1964, it was pointed out that a total of approximately \$200,000 was needed from this source if the Presbytery met the amounts asked for Synod's and Assembly's agencies in full, and meet the basic needs of Presbytery's causes.

Here are the amounts received to date, month by month, with comparable receipts to the same date in 1963 for regular benevolences (i.e. Funds for division as ordered by the Presbytery for the benefit of the whole budget.)

All gifts for any cause or causes, so designated, have been disbursed as designated, over and above any division.

NEW PROJECT PLANNED FOR HENDERSONVILLE AREA

The Church Extension Committee of
Asheville Presbytery hopes to begin a
new work in the Hendersonville area
early in 1965 following conferences with
the pastor and session of the First Pres-
byterian Church there.

The Session and the Committee jointly
sponsored a survey in May 1963, con-
ducted by Miss Bessie May Stribling,
Church Extension Worker of the Syn-
od of Appalachia. This survey indicat-
ed the wisdom of starting a new work,
but this was not carried forward due
to inability to find a suitable minister
to lead the effort.

Later, it was decided by both the
Committee and the Session that a wider
survey would be wise, and the Depart-
ment of Survey and Church Location,
of the Board of Church Extension of
the General Assembly, was asked to con-
duct same. They assigned Miss Gilbert,
Church Extension Worker for the Syn-
ods of Louisiana and Mississippi to this
work, which was completed in July
1964.

Mr. James Earhart, associate secre-
tary of the department, made a further
study of the area and both he and Miss
Gilbert recommended steps as soon as
practical to undertake this work.

The Session of the First Church has
endorsed the steps under way, and it is
hoped that some definite announcement
can be made within the next sixty days.

On January 1, 1964, the First Church
Hendersonville, reported a membership
of 933. The church has recently built
a new sanctuary, which has been paid
for and is contemplating extensive im-
provements.

\$3,700 FROM 23 CHURCHES FOR CHURCH EXTENSION

To November 10, 1964, receipts from
twenty-three Churches, plus \$13.95 from
Cullowhee, as yet unorganized, have to-
taled \$3,731.22 from the Church Exten-
sion Offering.

Sixteen of the twenty-four (including
Cullowhee) increased their total gifts
to Church Extension by 100% over 1963.

Because some of the remittances are
known to be incomplete, a detailed re-
port is reserved for the December issue
of OUR MOUNTAIN WORK.

THE CHRISTMAS "JOY GIFT"
IS A JOY TO GIVE

The "Joy Gift" offering received on the Sunday before Christmas is for "Ministerial Relief".

There are still ministers in retirement who are not receiving full pensions from the Ministers' Annuity Fund, and will be until the Fund has been in effect for fifteen or more years.

There are always exceptional cases where special needs arise because of sickness or other problems.

\$674,000 was disbursed in 1963 to meet these urgent needs, and the need will be as great in 1965.

The Churches of Asheville Presbytery gave in 1963 \$6,993.00, through the Central Treasurer of the Presbytery.

PLEASE NOTE:

The normal date for receiving the Joy Gift Offering in the local Church is December 20, 1964.

By order of the General Assembly this contribution MUST reach the Board of Annuities and Relief by December 31, 1964, to be a part of their fiscal record for 1964.

Local treasurers are earnestly requested to forward funds on hand to the Central Treasurer, to reach him, 26 Church St., Asheville, by Noon, Monday, December 28, 1964. (Funds received after that date will be forwarded as a credit on the receipts for 1965.)

MAKE CHECKS PAYABLE TO YOUR CHURCH
MARK "THANKSGIVING OFFERING"

November, 1964

Thanksgiving 1964

No season of the year affords a better and more appropriate opportunity to demonstrate a spirit of Christian Love and Concern for needy Boys and Girls than does Thanksgiving.

It has become a tradition in Asheville Presbytery to express this concern through the support of the work at THE PRESBYTERIAN HOME FOR CHILDREN, formerly The Mountain Orphanage.

Contributions of Cash and Commodities enrich the treasury and the larder of THE HOME.

Many churches receive such commodity gifts of food, clothing and other needs. In some a special day is recognized, usually the Monday before Thanksgiving. These gifts are much appreciated and needed.

Offering Envelopes have been printed in units for each congregation. Return your gift to the church of which you are a member. Make your check payable to the Church, and mark it "Thanksgiving Offering."

Make a date and visit THE HOME.

It is located on old US 70, three miles west of Black Mountain. Turn north by the athletic field of the N. C. Rehabilitation Center. Turn right to the campus in less than a quarter of a mile.

A welcome awaits you anytime.

Groups are requested to notify the Superintendent in advance. Special meetings may be held at THE HOME, by advance arrangement.

College Students

There is a real need in 1964 in the Educational Fund.

To have six young people in college at the same time reflects a fine accomplishment at THE HOME. For they have graduated from High School with a record that merits further education.

It also increases the need for money.

The primary purpose of THE HOME is to offer a Christian Home and educational opportunity through High School, and the basic budget covers this.

When they go to College, the money must come from other sources. (No regular contributions through Church Budgets is used for this need.)

Even with scholarship aid, the small reserve for Educational Purposes is inadequate to meet these additional demands.

The Board of Trustees recognized that the normal response at Thanksgiving is needed to meet the operating costs of THE HOME. But the Trustees felt that there was sufficient need and challenge for funds for College Expenses and many would like to make the Thanksgiving Offering help BOTH.

The action taken by the Board provides that after Operational Needs are met, all in excess of this amount (estimated to be at least \$16,000), would be channeled into the Educational Fund.

In College this year are:

AT MONTREAT-ANDERSON, MONTREAT — Vestal Caldwell, Dale Hurst, Eddie Teters, and Annie Mae Thurston, all freshmen.

AT N. C. STATE, RALEIGH — Billy Foster, freshman.

AT WESTERN CAROLINA, CULLOWHEE — Cecil Caldwell, sophomore.

Thanksgiving Returns, In Excess Of
Operational Needs, Will Be Added

The Superintendent and His Staff

The administration of THE PRESBYTERIAN HOME FOR CHILDREN is in the hands of dedicated men and women.

Under the direction of Don C. McKenzie, superintendent, there have been significant accomplishments. There is a wonderful spirit in "the family". Boys and girls are making progress in school. Five graduated from High School in 1964. Five more will graduate in 1965.

The entire family worships at the Black Mountain Presbyterian Church, under the ministry of Rev. Robert W. Gray. Forty-three have united with the Church on Profession of Faith.

A visit to THE HOME will reveal evidence on all sides of a well kept building, and the smiles on the children's faces will make you know there is love and happiness there.

On your visit, you will want to know the staff by name:

The Superintendent—Donald C. McKenzie
Housemothers—

Mrs. Tippiie Wallace, Big Boys
Mrs. Ruth Sales, Little Boys
Mrs. Virginia Kirkpatrick, Big Girls
Mrs. Mary Hall, Little Girls
Mrs. Robert York, Relief Housemother.
Kitchen Matron—Mrs. Mary Nesbitt
Farm Manager—Robert L. York
Maintenance—Floyd Duvall.

The Children and Their Needs

A HOME

Each child admitted to THE HOME came because the Superintendent found him or her in need of the security of a home.

Each child was commended by the session of the nearest Presbyterian Church, because they agreed with the decision of the Superintendent. Forty-eight boys and girls now enjoy the security of this Christian home.

A SCHOOL

While members of the family would have had an education in a public school elsewhere, they are attending local schools, under the watchful eye of the Superintendent of THE HOME, a former school principal.

His personal interest in each child, and his training and experience has proven helpful in a number of cases where private tutoring in remedial reading, mathematics, etc., has been needed.

This year there are 10 in the Black Mountain Primary School, 18 in the Black Mountain Elementary School, and 20 at Owen High.

A CHURCH

THE HOME exists to give these boys and girls a Christian atmosphere and nurture. This is done through the ministry of the Church, supported by the Christian training at THE HOME.

The family worships with the Black Mountain Presbyterian Church, where the boys and girls have an active part in the work of the Church School and youth activities.

The Family — Children and Staff — seek the continued support of members of Churches of Asheville Presbytery, and other loyal friends, not only in substantial financial aid at Thanksgiving, but in daily prayer and sustained interest during the year.

Asheville Presbytery and Her Support.

When The Mountain Orphanage opened its doors on January 19, 1904, with two matrons and eight or ten small children, a project was launched, which today cares for 48 boys and girls at THE HOME, with six in college.

Fifty-two men and women of Asheville Presbytery have served on the Board of Trustees since THE HOME was chartered as a separate organization in 1947. (Previously it had been a project of the Home Mission Committee of Asheville Presbytery). In 1958 the name was changed to THE PRESBYTERIAN HOME FOR CHILDREN OF BLACK MOUNTAIN, N. C., Inc.

Each year the churches of Asheville Presbytery contribute approximately \$45,000 for the support of THE HOME. Other support comes from the Duke Endowment, interest on invested funds, contributions of parents and relatives of children, other individuals, legacies, trust funds, etc., to provide annual budget needs of approximately \$72,000.

The Thanksgiving Offering provides over one third of the total contributed through the Churches.

But the success of THE HOME is due to the continued interest of the Churches of the Presbytery, as manifest in the prayers and love of their members for these boys and girls.

WILLIAMS ACCEPTING CALL TO WAYNESVILLE CHURCH

Rev. Bill Williams has indicated his
willingness to accept the call of the
Waynesville Presbyterian Church, and
plans to begin work there in January.

Mr. Williams is serving a field at
Mountain City, Tenn., in Holston Pres-
bytery, having been ordained there in
1962, and is a native of Kingsport, Tenn.

He was graduated from Virginia Poly-
technic Institute, Blacksburg, Va., in
1945, with the degree of B.S. in Electrical
Engineering. After serving five and
one half years with the Westinghouse
Electric Corporation and then eight and
one half years as special agent for the
F.B.I., he entered Gordon Divinity
School, Wenham, Mass., where he re-
ceived the B.D. degree in 1962.

He is married to the former Miss Anne
Bishop, of Montclair, N. J., and they
have three children, Richard Alan, age
10, Linda, age 8, and Susan, age 6. The
Williams expect to move to Waynes-
ville in January, where he will succeed
Rev. Wayne R. Aughinbaugh, now pas-
tor of the Cook's Memorial Presbyterian
Church, Charlotte, N. C.

Mr. Williams will ask to be received
at the meeting of Asheville Presbytery,
January 19th, and will be installed at
Waynesville after his reception.

Chairmen of the four committees are:

POTTER LEAVES MURPHY FOR TENNESSEE WORK

Rev. Robert A. Potter will leave Mur-
phy at the end of the year for a new
pastorate at Lenoir City, after nearly
ten years as pastor of the Murphy con-
gregation.

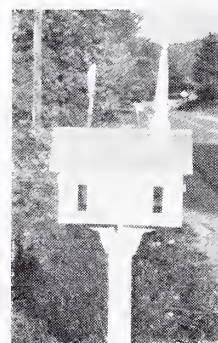

Permission was granted at a called
meeting of Asheville Presbytery on No-
vember 30th, held at the First Presbyte-
rian Church, Asheville. At this meet-
ing the pastoral relationship with Mur-
phy was dissolved and Mr. Potter was
granted a letter of dismissal to Knox-
ville Presbytery.

Mr. Potter first united with Asheville
Presbytery in January 1951 when he
was called to be pastor of the Arden
Presbyterian Church, organized five
years earlier. During his Arden pas-
torate he led the congregation in secur-
ing a seven acre site near Asheville,
and in plans for the construction of the
first unit of their present plant. The
construction work was under way when
he resigned to accept the Murphy pas-
torate.

He moved to Murphy and was in-
stalled pastor there on July 31, 1955.
Since then the Murphy church has re-
decorated the interior of their sanctuary,
installed new pews, purchased a new
manse, and turned the old manse into
a fellowship hall and educational build-
ing. While a member of Asheville Pres-
bytery he has been active on committees,
being currently on the Church Extension
Committee, and actively chairman of
the sub-committee promoting the work
at Cullowhee.

Mr. and Mrs. Potter and their two
sons will move to Lenoir City, Tenn.,
during the holidays. He will be pastor
of the First Presbyterian Church, of Le-
noir City.

MORE LIFE MEMBERS

OUR MOUNTAIN WORK has learned that the Women of the Black Mountain Church have presented Life Memberships to Mrs. C. C. Cooley, Mrs. J. O. Williams and Mrs. Clifford Porter. The letter was in absentia, as she is now living with her daughter in Summit, New Jersey.

LET'S TALK ABOUT
CHURCH PAPERS

From a conversation reported by a minister of Asheville Presbytery, a member of his congregation was asked about his subscription to the "Presbyterian Survey."

The member did not subscribe, and gave as his reason, "I read OUR MOUNTAIN WORK."

The confidence in the publication of Asheville Presbytery is greatly appreciated, but there was an implied misunderstanding about "Presbyterian Survey".

It is possible that others feel that they do not need a Church-wide publication. To clarify the situation a few observations are in order.

"Presbyterian Survey" is the only official publication approved by the denomination to inform the membership of the life and work of the Presbyterian Church, U. S. It is available at Three Dollars per year on individual subscription, but where a congregation subscribes for ALL the families, as a group, it can be secured at a cost of One Dollar per year.

"OUR MOUNTAIN WORK" is a publication of Asheville Presbytery, but has no "official status" beyond the effort to give information about the work of the Presbytery, and of the church as it related directly to the Presbytery. ("OUR MOUNTAIN WORK" is sent to every family in the Presbytery, when such names are furnished the Editor by the church.)

There are three "Independent Church Papers" each dedicated to the presentation of news of the church, but neither has any authority to express anything in the name of the Church. Each paper is privately owned and published and receives no subsidy from the church or church agencies, nor financial assistance other than the use from time to time of display advertising space.

MISSIONARIES INVITED TO
SPECIAL SUPPER MEET

The Presbyterian ministers and their wives in Asheville and vicinity meet monthly, from September through June for a fellowship luncheon. This informal gathering includes representatives of all branches of the Presbyterian Church in the Asheville area.

An innovation is planned for January.

The meeting is changed to a supper hour, and an effort is being made to locate every individual who has ever served, or is now serving, as a missionary of any branch of the Presbyterian Church in a foreign field.

Every such individual is invited and urged to attend an informal supper meeting at the First Presbyterian Church, Asheville, at 6:15 P. M., Monday, January 11, 1965.

The cost of the meal will be \$1.25 each, and reservations should be made not later than Friday, January 8th.

It will be much appreciated if the names and addresses of all persons living or visiting in the Asheville area and who have served at any time on the mission fields of the Presbyterian Church, U. S., the United Presbyterian Church, U. S. A., the Associate Reformed Presbyterian Church, or any other branch of the Presbyterian or Reformed Churches, with address and phone number can be reported to Rev. R. E. McClure, 2 Church Street, Asheville, N. C.

Please report in writing. If the names are received in time, personal invitation will be extended.

LETTER FROM FRANCE

A number of years ago Rev. and Mr. P. C. Toureille became identified with Asheville Presbytery. He as a member of the Presbytery and she a member of the Montreat Church. They went as short term missionaries to the Congo and are now living in France where he teaches in a French Government School leading to the French B.A.

He has maintained his membership in the Presbytery, and writes, "I would also very much appreciate to get, the monthly paper of Asheville Presbytery which would inform me on what is going on."

These three papers, listed in the order of their length of publication, together with their correct mail addresses, are:

ATTENTION TEENAGERS - Reading Time Four Minutes

When 17-year-old Robin Lee Lovett decided that she would like to go to Ecuador last summer, her father, a Miami insurance company executive, was not easily sold on the idea.

So Robin presented him a carefully-written essay, explaining that the trip would (1) help her prepare for her chosen profession in medicine, (2) give her a "better insight into humanity," and (3) show her "how missionaries really live."

Apparently her father was convinced, for in a few weeks, she was off to Ecuador to visit Dr. and Mrs. Richard B. Stewart, a missionary couple supported by the Lovett's church, Shennandoah Presbyterian, through the Presbyterian Church U.S.

During the following two months, Robin became acquainted with new people, a new language and a new way of life, and altered considerably some preconceived notions about Ecuador—and about missionaries.

Each year, 15 or more Presbyterian U. S. students share in overseas work under the summer service program of the denomination's Board of World Missions. Applications are being taken now for 1965.

"Before I went to South America," Robin recalls, "I could just visualize the poor missionaries, living in little mud or grass huts without water or electricity. I couldn't have been more wrong!"

When she reached Uyumbicho, where the Stewarts are stationed, she found the missionaries as busy as she'd imagined, but they were living in a comfortable home, complete with plumbing and electrical conveniences, with a picture-window view of magnificent, snow-capped volcanic peaks.

In Ecuador she also found a great deal of need, especially among the Indian population living under primitive conditions in remote mountain villages. There she encountered illiteracy, disease and superstition.

As she travelled among the villages with Dr. Stewart, she saw how the United Andean Indian Mission* is helping to meet the needs of Ecuador's most isolated ethnic group. Missionaries of four denominations are working together to provide the Indians

with primary and adult education programs, clinics, vaccination campaigns — and as a result of this work Christian churches are beginning to dot the Andean ranges.

But the work of the UAIM is not limited, she found, to the mountains. In Quito, the capital city, new churches are also being built, one in a slum area so crowded with Indians that it is called "the beehive," and another in a suburban neighborhood where businessmen and government employees live in spacious, modern homes. And student work has been begun near the city's university.

Soon to enter college herself, Robin was especially interested in this new aspect of the cooperative missionary endeavor in Ecuador, formerly aimed exclusively at the Indians. "If we can reach the educated Ecuadorian," she explained, "and train them as evangelists, I believe more and faster progress will be made."

Robin returned home full of enthusiasm and of hopes for her own future. She had learned a great deal about Ecuador and her church's work there, and even something about dentistry—at one village, she had helped the doctor pull a tooth!

She hopes that her trip will help to encourage other church members to visit their missionaries overseas, to become more deeply involved in the world mission enterprise. As for herself, the taste of missionary life reinforced her decision to begin a pre-medical curriculum when she entered the University of Tennessee this fall, and within the next few years, Ecuador may well obtain the services of a lady doctor from Miami, Fla.!

(Note: Each year, summer service opportunities overseas are available to college students through the Presbyterian U. S. Board of World Missions' Department of Student World Relations. For information or to apply, write that Department at Box 330, Nashville, Tenn., 37202.)

* The United Andean Indian Mission is a cooperative enterprise of the Presbyterian Church U. S., the United Presbyterian Church, U. S. A., the United Church of Christ and the Evangelical United Brethren.

UNDER WATER MUSIC AT CHRISTMAS

An emergency call came to the Protestant Radio and Television Center, Atlanta, a cooperative enterprise launched by the late Rev. John M. Alexander, and now headed by Rev. Ernest J. Arnold, both ministers of the Presbyterian Church, U. S.

The U. S. Navy was sending submarines on a mission that would keep them submerged for many weeks, including Christmas. Thousands of men would be "below" at this holiday season, and the urgent call was for recorded Christmas materials.

Within a week the Center had supplied all these submarines with music and programs such as will be enjoyed by families ashore, "at home."

Mr. Arnold wrote, "For this Center there seems to be no end to the number of new open doors for sharing electronically the good things of our faith with the peoples of the world. I hope this thrills you as much as it does me."

The Center has produced "The Protestant Hour" from its first presentation over 1,000 weeks ago.

AT CULLOWHEE

Rev. and Mrs. Stanley L. Bennett live in the manse, pictured above, at Cullowhee, where he is ministering to a prospective church and over two hundred Presbyterian students at Western Carolina College.

Regular services are held at the "Student Center" every Sunday with an attendance of thirty or more. The work is progressing and much interest is being shown in this project.

The Church Extension Offering in Asheville Presbytery yielded only \$5,000 of the needed \$15,000 to finish paying for this manse. Limited space in this issue of OUR MOUNTAIN WORK prevents a detailed report of this offering, but it was nearly \$1,200 LESS than in 1963.

THE PROTESTANT HOUR

The Protestant Hour has been heard around the world on more than 1,000 Sundays, over 470 civilian Radio Stations and an additional 100 stations of the Armed Forces Network.

Currently, Rev. John A. Redhead, Jr., D.D. of the First Presbyterian Church, Greensboro, N. C., is the preacher in his seventh series in the past fifteen years.

The music is furnished by the Chancel Choir of the Highland Park Presbyterian Church, Dallas, Texas.

Consult local stations for time, as this unit is currently on the air through January 24, 1965. The entire series is in cooperation with four other denominations, namely:

Lutheran — Jan. 31 - April 18, 1965

United Presbyterian — April 25 - July 11, 1965

Episcopal — July 18 - October 3, 1965

Methodist — October 10 - December 26, 1965.

TRAV (Television, Radio and Audio Visuals) is the agency of the General Assembly, supported through gifts to the denomination's benevolent program, that makes this work possible.

MALVERN HILLS ASSUMING MISSIONARY SUPPORT

The Malvern Hills Presbyterian Church has placed an item in their 1965 budget that will provide partial support for Rev. and Mrs. James L. Jackson, Jr., who have gone to the Congo as missionaries after extended studies in Belgium.

It is reported that they are living in a house that was occupied by Mr. Jackson's parents, when they were in active service in Africa. His father is now pastor at Malvern Hills. Mr. Jackson went to Belgium from a pastorate in Kingsport.

Malvern Hills becomes the eleventh church in the Presbytery to take this step. The Jacksons are two of the forty-eight missionaries related to the Presbytery, as coming from one of the churches, members of the Presbytery, or receiving any support from one of the churches of the Presbytery.

MISSIONARIES WILL VISIT CHURCHES OF PRESBYTERY

Rev. and Mrs. John Talmage, missionaries from Korea, are in America on furlough and will visit churches in Asheville Presbytery during the week of February 22-28, 1965.

Rev. James L. Jackson, chairman of the Presbytery's Committee on World Missions, is arranging their schedule. Already the week is well filled, but it is still possible to secure either Mr. or Mrs. Talmage for special appointments.

Contact Mr. Jackson at the Malvern Hills Presbyterian Church for further details. They will not be available on any other basis during this week.

USE WORLD MISSION FILM JANUARY, FEBRUARY

"The Tale of Two Rivers", is the title of a color film, approximately 30 minutes in length, for use during the World Mission Season in 1965.

By arrangement with Rev. J. L. Jackson, this film can be booked for showing to local groups from January 24th through February 14th. It depicts the work of the Presbyterian Church, U. S., in the Congo.

There is no charge for the use of same, but a free will offering is requested to help defray rental costs. To get a date that suits your group prompt action is necessary.

THANKSGIVING RETURNS

All but six churches had made at least a partial remittance of their Thanksgiving Offering by December 10, 1964.

At that time the total had reached \$13,110.

WITH SINCERE THANKS— EVEN IF —

Churches of Asheville Presbytery and friends have responded to the Thanks-giving appeal for "The Presbyterian Home for Children of Black Mountain, N. C.", Inc., as THE HOME is officially designated in the Charter granted by the State of North Carolina.

Receipts in the hands of the Treasurer up to the date of publication of this issue of OUR MOUNTAIN WORK has reached the sum of \$13,00.00, although some of the contributions made locally are yet to be received.

A growing custom of remembering THE HOME in wills and trusts prompts the "postscript" to this story, "Even if . . ." the checks were made payable to:

"The Mountain Orphanage", which was the official name from January 19, 1904 to December 28, 1960, when it was changed to: "The Presbyterian Home for Children, of Black Mountain, N. C., Inc."

And these:

"Presbyterian Orphanage, Asheville, N. C.

"Mountain Home Presbyterian Orphanage."

"Presbyterian Children's Home."

"Black Mountain Orphanage"

And of course, the short form of the correct name:

"Presbyterian Home for Children."

The need in 1964 was for at least \$16,000 to repay funds borrowed for operating costs during the past year. After current operating needs for 1964 are met, any surplus from the Thanksgiving Offering will be used to meet the expenses of the six young people in college this year.

A more complete report of Thanksgiving receipts will be published in the January issue.

MRS. JACK MASTERS IS DCE AT BLACK MOUNTAIN

Mrs. Jack Masters, of Montreat, began work in October as Director of Christian Education at the Black Mountain Presbyterian Church.

The family of *The Presbyterian Home for Children* is involved in a large part of the educational activities at Black Mountain, as they attend this church, and as consequence a large part of her work will be with the children and staff at the Home.

A tentative schedule has been arranged with the Superintendent, Don C. McKenzie, and Mrs. Masters, is on the campus several days each week. For this reason the Board of Trustees agreed that

NEW DAY AT BETHEL CHURCH WITH BETTER BUILDING

When Asheville Presbytery met at the Bethel Presbyterian Church in Haywood County, some of the older members almost drove by the new church.

At a cost of some \$30,000 the old sanctuary was moved to a corner of the lot, turned to face north instead of west, and brick veneered. New classrooms, ministers' study, rest rooms, kitchen and fellowship hall, make a broader church ministry possible.

The picture on page one, is of the "Mail Box" made by one of the members, being modeled to a large extent on the Old Church building. Hence, the inscription, "Where mail is delivered to the Church."

Rev. Wm. R. Covin has been pastor of this church since 1959.

RECEIPTS GENERAL BUDGET EXCEEDS 1964 TO DATE

With at least one contribution from every church in Asheville Presbytery, the receipts for the "General Budget" for benevolences in 1964 on December 10th was \$13,210 ahead of the same date in 1963.

\$148,000 is needed through this channel to meet the goal set by Presbytery in January. If December receipts are as much as was received in December 1963, this will be met with a margin.

Below is the complete record for 1963, with comparable figures through December 10, 1964. Remittances received by Noon, December 28th, will be credited to 1964.

TOTAL BENEVOLENCE GOAL FOR 1964 IS POSSIBLE

Not only to reach the total goal approved by Presbytery in January for 1964 giving to Benevolences, but also to give every cause the full amount allocated, it is necessary that "Designated" gifts to each of five agencies reach the totals given to each in 1964.

A report of progress in reaching the goal for "General Benevolences" is shown elsewhere. This goal will in all probability be met with a margin.

Below is the amount given to these five agencies receiving "supplementary offerings" during the year. For comparative purposes, the total amount for 1963 is shown in one column, and the amounts received to December 10th, for each cause is shown in another column.

"MEMORIAL GIFTS"

Reprint from new leaflet explaining the nature and purpose of "Memorial Gifts."

"Memorial Gifts" are appropriate ways to to express sympathy to bereaved families, or to honor the memory of a loved one.

The work at *The Presbyterian Home for Children* is particularly appropriate for such gift, for the contribution adds to the basic needs of *The Home*, providing "extras" not pos-sible from normal operating income.

The Home was established in 1904, under the "Home Mission Committee of Asheville Presbytery", as The Mountain Orphanage, the first such home for children in the Appalachian Mountains, and has cared for hundreds of boys and girls since that date.

Gifts to this fund have been used in vari-ous ways: Re-decorating *The Home*, purchase of better equipment, sending youth to Church camps and conferences, and more recently (Oc-tober 1964) sharing in the salary of a Director of Christian Education at the Black Mountain Presbyterian Church, who will give a sub-stantial part of her time to work on the campus.

The first gift to this fund was made in 1944 and it has grown annually to as much as \$7,878.25, for the fiscal year ending September 30, 1964 and has enabled *The Home* to do many otherwise impossible things.

An older fund, "*The R. P. Smith Memorial Fund*", with other restricted gifts, provide a limited income for the education of young people after graduation from High School. Occasional ly a donor requests that his gift be used for this purpose, but the gift is always used as outlined above, unless specifically directed.

If information is given on the attached "Re-mittance Form", and accompanies the contri-bution, an "Acknowledgement" is sent to the family of the bereaved. The form of this "Ac-knowledgement" appears on the back of the "Remittance Form".

A receipt is sent to the donor, but no ref-erence to the amount of the contribution is made on the "Acknowledgement" to the family.

For prompt acknowledgement send contri-bution to the Treasurer, 26 Church Street, Asheville, N. C., 28801, as shown on "Remit-tance Form".

Mr. Evans was received by Asheville Presbytery on January 19th, by transfer from Mecklenburg Presbytery, and a commission named to install him at Westminster at 7:30 p.m., January 27th.

ASSEMBLY-SYNOD SUPPORT IS INCREASED 13% OVER 1964

Asheville Presbytery approved a distribution budget of \$219,000 on a basis that will increase the proportionate support of Assembly's, Synod's and Presbytery related agencies by 13 percent over the 1964 basis, in adopting the recommendation of the Presbytery's Council at the January meeting.

The budget appropriates to each cause (see list below) approximately 77.5 percent of the total asked for each, as requested by the Synod in 1964, and approved for Presbytery's Related Causes. This is a 13 percent increase over the amount assigned to the same causes in 1964.

This action was possible because of reduced askings for Presbytery's agencies, as a whole. The only cause increased was Christian Education (increased \$1,000 to enable a faster development of the Presbytery's Camp). Church Extension was assigned the same amount as in 1964, and the amounts for the Presbyterian Home and Office of Executive Secretary were reduced.

The reduction on the part of THE PRESBYTERIAN HOME was based on strict economies in the 1965 operating budget at THE HOME, and anticipated income from other sources.

Presbytery.

(A summary of Mrs. Wilson's report
will appear in February issue.)

ADOPTED THE REPORT of Presbytery's
Council, presented by T. H. Lamb,
Chairman, as reflected in feature story
in this issue.

RECEIVED THREE MINISTERS:

Rev. B. Hoyt Evans, Jr., (see story on
page one) to be installed February 7th
at 7:30 p.m.

Rev. Bill Williams, pastor elect at
Waynesville, who was featured in a story
in the December issue. Named a Com-
mission to install him at Waynesville,
at 7:30 P. M., February 21st.

The commission: Rev. Henry S. Schum, chair-
man, Dr. G. Aiken Taylor to preach, Dr. H.
B. Dendy to charge the pastor, Rev. John New-
ton, Atlanta Presbytery, on faculty of Montreat
Anderson College to charge the Congregation,
with Ruling Elders Joe Emerson Rose, Wm. F.
Swift, Jr., and Robert H. Hall, of the Waynes-
ville church.

HEARD MESSAGES from Mrs. John N.
Somerville, Montreat and Korea, regard-
ing the work of her husband, Rev. John
N. Somerville, member of this presby-
tery, and member of the faculty of what
has been the largest theological semi-
nary in the world, located in Seoul, Ko-
rea, and from Rev. Sam S. Wiley, D.D.,
Durham, Executive Director of the
North Carolina Council of Churches,
concerning the work of the Council.

CONSIDERED TWO OVERTURES propos-
ing to ask the 1965 General Assembly
to take steps to make it possible to ne-
gotiate with two or more denomina-
tional bodies at the same time, and to
amend the Book of Church Order to
permit this.

Presbytery declined to so act by a vote
of 29-9.

At the present time negotiations are in
progress with the Reformed Church of Amer-
ica, and have been for some four years. Presby-
tery was told that overtures would be presented
to the 1965 Assembly for similar negotiations
with other bodies, which the last four Assem-
blies have declined to enter into, as long as
the RCA negotiations are in progress.

HEARD PRELIMINARY REPORT from the
Stated Clerk:

Every Church has submitted a statisti-
cal report, but at least twelve did not
follow instructions and forced editing
and rewriting by the clerk.

Every Church has paid Presbyterian
Tax and there is a reasonable margin
of cash in the treasury.

Statistics, subject to revision, show 34
Churches, 47 Ministers, of whom 28 are
pastors, 6 administrators, 4 missionaries,
and 9 honorably retired; 8,817 members
with 5,519 in Church School; Gifts of
\$213,453 to Budgeted Benevolences, and
total contributions, \$1,467,000.

HEARD Rev. Ben. F. Williams, Direc-
tor of the Presbyterian Guidance Cen-
ter, at King College, regarding cam-
paign for new building and work for
1964, reflecting only 17 Counselees from
four churches in Asheville Presbytery.

HIGHLANDS COMPLETES NEW
EDUCATIONAL BUILDING

The Highlands Presbyterian Church
celebrated on January 20, 1965, the com-
pletion of a new brick Christian Edu-
cation-Activity building on the eastern
half of their lot, and facing Fifth Street.

The sand finished brick structure pro-
vides approximately four thousand fee-
of floor space, including a spacious gen-
eral purpose room, with kitchen, boiler
and storage rooms, with rest rooms ad-
jacent.

The class-room area is on the second
floor, providing for the needs of five
classes, large enough to accommodat-
the increased number of summer visitors
with rest rooms and storage rooms als-
on the second floor.

The total cost has been about \$45,000
and contributions have almost reached
\$40,000. Rev. George D. McCall is pas-
tor of the Highlands church, which has
maintained their full self support while
continued its gifts to benevolences and
undertaking this ambitious building
program.

WEAVERVILLE HAS CALLED DENDY FOR ONE YEAR

Asheville Presbytery approved the call of the Weaverville Church for the pastoral services of Dr. H. B. Dendy for one year from September 1, 1965.

By one of those unexplained and unexplainable lapses somewhere along the way, Dr. Dendy has never been installed as pastor at Weaverville, in spite of his outstanding record as their minister since he graduated from Columbia Theological Seminary in 1922.

Judging by his activity, it would not appear that he would have to report to the Presbytery that within the next six months he will be of retirement age, which becomes effective, according to church law on September 1st, following his 70th birthday.

The church may, in such a case, call him for one year at a time for a period not to exceed five years. This they have done. And this Presbytery approved with their blessing.

Dr. Dendy came to Weaverville, as student assistant to Rev. Paul N. Gresham, at West Asheville. He preached at Weaverville the first summer that work was in progress there in 1921.

The church was organized during the fall, and was grouped with the Dillingham Church, then Covenanters, by

EVANGELISM STRESSED FOR PRESBYTERY EMPHASIS

The Presbytery's Committee on Evangelism, with Dr. H. L. Bacon, Bryson City, Chairman, reported to Asheville Presbytery through the Secretary, Rev. E. B. Whitson.

The report urged cooperation in the synod-wide emphasis, urging churches to participate in some form of evangelism, and to give publicity to the program, especially during the week assigned to Asheville Presbytery.

The schedule for the Synod is: Knoxville Presbytery, March 7-16; Holston Presbytery, March 21-28; Asheville Presbytery, April 4-11; and Abingdon Presbytery, May 2-9.

Three meetings, in the interest of evangelism, are scheduled for March 2, from 7-9:30 P. M., simultaneously at Lenilworth, Brevard-Davidson River and Bryson City.

The Committee stated, "These will be informal meetings for sharing mutual problems and methods which have been found effective in personal evangelism. . . . We would urge ministers to bring as many of their laymen as possible to these meetings."

For further information consult Rev. E. B. Whitson, Andrews, or Dr. H. L. Bacon, Bryson City.

THREE WOMEN ORDAINED AT ASHEVILLE FIRST CHURCH

At a recent morning service at the First Presbyterian Church, Asheville, Mrs. F. A. Plummer (l), and Miss Ora Blackmun (r), were ordained and installed Ruling Elders and Mrs. S. C. Minnich, Jr., was ordained and installed Deacon.

F. A. Plummer (l-r) a Ruling Elder in the Asheville First Church, husband of Mrs. Plummer and Rev. Stuart A. Plummer, their son assisted in the service. Mr. Plummer, a minister of the United Presbyterian Church, U. S. A., is Chaplain of the Presbyterian Hospital, Denver, Colorado. Thus, each member of this family is ordained in the ministry of the church.

name. The Dillingham Church called the young preacher, and he was duly ordained and installed there. As the Weaverville work grew, he moved to Weaverville, gave up Dillingham and just grew up with the Weaverville congregation, with the good wishes of the Home Mission Committee, the knowledge of Presbytery, but apparently without a formal call.

Everything at Weaverville, bearing the Presbyterian name, has grown out of his ministry, and now at the end of over four decades — in his only "pastorate" — he has received a "formal call".

His contribution to Asheville Presbytery has been great. Soon after his ordination he was put on the Home Mission Committee and within ten years was made chairman of the sub-committee on "The Mountain Orphanage". When "The Presbyterian Home" was chartered in 1948, then under the original name, he was named President of the Board of Trustees. He has been active in many other ways in the Presbytery and Synod.

He has now been called to the Weaverville Church!

HENDERSONVILLE

er for the Synod of Appalachia, made a preliminary survey. After unavoidable delays, a broader survey was made by the late Miss Marie Gibert, Church Extension Worker for the Synods of Louisiana and Mississippi, under the direction of the Department of Survey and Church Location of the General Assembly's Board of Church Extension.

Mr. James Earhart, assistant secretary of this department, made a further study of the area, and with the results of the two surveys and his additional information, recommended the organization of a second Presbyterian Church in that area as soon as practical.

The initial meeting, set for February 14th at 3 P. M., was delayed from an earlier date to meet the convenience of Dr. Scott, who completed an interim ministry at the First Presbyterian Church, Clinton, S. C., the first of the year. The meeting is being held with the full approval of the session of the First Church, which will make the new congregation possible by giving a substantial proportion of the charter membership letters of transfer from the Hendersonville First Church.

It is expected that Dr. Scott will serve until the organization of the new congregation is effected, and that the newly organized group will then call their own pastor. The Church Extension Committee of the Presbytery has extended a call to Dr. Scott for this temporary ministry, and is underwriting the expense of the project until the new group is able to assume a portion of the cost.

There is a small fund of \$3,227 on hand derived from an anonymous Hendersonville donor about three years ago, and the proceeds from the 1963 Church Extension Offering in the Presbytery, all of which is in a savings account until needed for property.

Rev. John L. Fain, Jr., is pastor of the First Church which is making the new work possible, with Rev. Wayne Hauser as his assistant. The session of the First Church has expressed a continued interest in the work and voted concurrence with the plans of the Presbytery's Church Extension Committee.

Dr. Scott, whose home is in Atlanta, was assistant Stated Clerk, Acting Stated Clerk and then Stated Clerk from 1926 to his retirement in 1959. He has supplied a number of congregations for short periods including the Hayesville Church in Asheville Presbytery. He is a native of Columbus, Miss., a graduate of Southwestern University, and of Union Theological Seminary, Richmond, Va.

In attending Asheville Presbytery on January 19th, he came up from Atlanta, spending the night at Hendersonville, and came to the meeting of Asheville Presbytery with Mr. Fain and the Ruling Elder of the Hendersonville session.

ces during 1965. It does not reflect any decrease in the actual needs of THE HOME, and it does count on a continuation of contributions through Church School offerings, Clothing Funds, Thanksgiving, and other designated gifts on at least an equal basis as during 1964.

The Churches have responded in their commitments for money to be divided as directed by the Presbytery for the benefit of the entire budget. These commitments showed an increase for 1965 from \$157,000 for similar commitments in 1964 of \$148,000.

In addition, the Churches not only made commitments of \$148,000 in 1964 but actually exceeded their commitments, enabling the Presbytery to meet practically all goals in full, and those that fell short were met by at least 99% of the total assigned each.

With similar response in 1965, it is reasonable to assume that each cause will receive the entire amount assigned to it. For comparison, the distribution budget for 1964 (met 100 percent) is shown in parenthesis, with the figures for 1965 which can be confidently expected.

WORLD MISSIONARIES AND ASHEVILLE PRESBYTERY

The names of forty missionaries were printed in the November issue of OUR MOUNTAIN WORK. Three of these are ministers, members of Asheville Presbytery. A substantial number went to the foreign field from churches of the Presbytery. Some are being supported, in whole or in part, by congregations in the Presbytery.

A letter came on the morning of January 11th from one of these latter, Dr. Paul Alexander, supported in part by Oak Forest Church. He wrote from Taichung, Taiwan, China —

"I teach advanced courses in psychology and supervise a bird-banding team of four of our graduates (TungHai University).

"Our campus community six miles out of the city is like a family in many ways. Relationships deepen as the years pass and we have a growing understanding of our responsibilities and opportunities in the larger life of the Church in China. I teach a Sunday morning Bible class of Senior High Students and we have a college group on Thursday evening at home for Chinese Bible study led by the students.

"Christmas is the high point of the year in the community life at TungHai. Both Christians and non-Christian graduates often refer to their experience of Christmas at TungHai as their most treasured memory. The singing of the Messiah by our combined university and Church choirs is a powerful witness to the Good News.

"On Christmas eve the entire student body, faculty and staff eat together in the gymnasium. Afterwards we go to the chapel to hear the Messiah in a candlelight service."

Remember Dr. Alexander, and the other missionaries in a special way during "World Mission Season."

MISS MARIE GILBERT PASSES

Many friends of Miss Marie Gibert were grieved to learn of her death early in December. She passed to her reward during a operation for a brain tumor and was buried at Mayesville, S. C.

Miss Gibert was known by many friends through contacts at Montreat, and spent three weeks in July 1964 making a survey which led to the start of the new work in Hendersonville.

Distribution on the above basis brings the Presbytery in sight of a goal, namely, to contribute annually the full the full amount asked by the General Assembly and Synod of each agency in their approved budgets.

The 1965 Budget is within \$20,000 of a 100% goal.

EVANS
FROM PAGE ONE

He began his ministry in Asheville Presbytery, being ordained and installed pastor at Franklin on July 7, 1946, where he served until 1951, when he accepted a call to the Union Presbyterian Church, near Gastonia.

He attended Mars Hill College, and was graduated in 1944 from Davidson College and from Princeton Theological Seminary in 1946. While pastor at Franklin he did graduate work at Columbia Theological Seminary, Decatur Ga. It was during this pastorate that the educational building at Franklin was erected.

Mr. Evans was married June 19, 1947 to Miss Martha Elizabeth Troupe, of Philadelphia. They have five daughters Alma Elizabeth 14, Mary Catherine 10, Marcha Ellen 9, Esther Troup 7, and Ruth Ann.

He was active in the work of Asheville Presbytery during his Franklin pastorate, and served as moderator of the Presbytery in January 1949. He succeeds Rev. B. Blake Breitenhirt, organizer and first pastor at Westminster, and who moved to Johnson City, Tenn., in July of this year, to lead in the organization of a new congregation there.

The Evans will be at home at the manse of the Westminster Church, Governor's View Court, which the congregation purchased from Mr. Breitenhirt.

Four members of the Commission named to install Mr. Evans at Westminster on February 7th at 7:30 P. M., were members who had the same assignment for his ordination at Franklin in 1946. They are: Rev. R. E. McClure, Chairman, Rev. H. B. Dendy, pastor of M. Exans' home church, to preach the sermon, Edward G. Roberts, to charge the pastor, and B. H. Evans, father of the minister, and Ruling Elder at Weaver ville. Rev. Henry Schum, former pastor of the Hopewell Church which Mr. Evans is leaving, and W. F. Gettys, ruling elder of the Westminster Church will complete the commission.

STILLMAN COLLEGE DAY

Did your congregation observe Stillman College Day on January 17th?

The General Assembly asked that you should, in recognition of their outstanding work in the education of Negro youth in the south.

Stillman is the only institution of college academic standing owned and operated by the General Assembly. It receives regularly a definite share of a gifts to the General Fund Agencies.

The Women of the Synod of Appalachia provide a scholarship for a young woman for this area who is attending the College.

Other churches may have reached the same goal, but the first to report for 1964, in Asheville Presbytery, that their contributions to Benevolences, \$79,782 exceeded their Current Expenses, \$75,581, was the Asheville First Church, according to a report made to the congregation and to Presbytery.

SENIOR HIGH PLANS RALLY AT BREVARD-D. R. CHURCH

The Senior High Council has planned
the Mid-Winter Rally to convene at 9
P. M., February 20th at the Brevard-
Davidson River Church.

It will be a day of Christian fellow-
ship, Bible study, and discussion under
the theme, "Beliefs in Action," accord-
ing to Rev. G. D. McCall, adult advisor
of the council.

Rev. Stanley L. Bennett, Cullowhee,
will lead the Sunday morning worship
service, while Rev. Robert S. Busey,
pastor at Grace Covenant, will be the
special speaker, Saturday evening.

Details will have reached local pastors
before reading this announcement. It
is hoped that every church in the Presby-
tery will be represented at this rally.

CULLOWHEE IS CHALLENGING SERVICE OPPORTUNITY

Rev. Stanley L. Bennett has opened
a work at Cullowhee which offers many
opportunities for real service in the
name of the Presbyterian Church.

He moved last summer into a new
manse which the Church Extension
Committee of the Presbytery purchased,
and began work in the Student House,
purchased some years ago.

Today, under his leadership, there is
a regular schedule of activities, with
many other features added from time
to time.

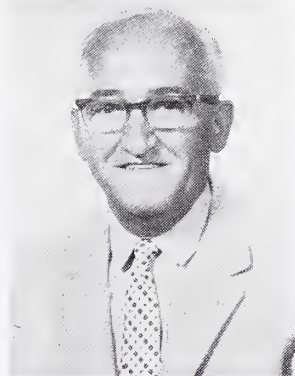

Doughnuts and coffee are served at
the Student House every Sunday at
10:15, and a regular worship service is
conducted there at 11:00 with an average
attendance of thirty or more.

Sunday evenings at 6:30 a group of
students gathers for programs that vary
in nature, but include a "business meet-
ing", at which time the students arrange
their own activities.

JEROME CHURCH TREASURER FOR THIRTY SEVEN YEARS

Mr. Philip Jerry Jerome retired in
1962 as treasurer of the Brevard-David-
son River Presbyterian Church, and was
succeeded by his son, Jerry H. Jerome.

At the time of his retirement he was
presented a plaque, bearing the signa-
tures of about 85% of the membership
of the church.

The plaque read:

Davidson River Presbyterian Church in rec-
ognition and grateful appreciation to Jerry
Jerome for 37 years of devoted and faith-
ful service as Treasurer. 'Well done, thou
good and faithful servant.'"

RUSSELL SUCCEEDS AUSTIN AS HAYESVILLE SUPPLY

EFFECTIVE JUNE 1, 1965

George David Russell, of Waynesville,
will succeed Sam Austin as student min-
ister at Hayesville, for one year effective
June 1st, 1965.

Sam Austin has been at Hayesville
since June 1963 and has rendered a fine
service to the church and community.
He was able to continue for two years,
by commuting to Columbia Theologi-
cal Seminary, Decatur, Ga., for classes
one day each week. He will return
to the Seminary in the fall for his sen-
ior year. His work in the summer of
1965 has not been determined at this
date.

David Russell, who is a Candidate for
the Gospel ministry under the care of
Asheville Presbytery, is a member of the
Waynesville Presbyterian Church, son of
Mr. and Mrs. J. T. Russell of Waynes-
ville, and a graduate of King College.

His wife, the former Miss Geraldine
Jones of Winchester, Ky., is a graduate
of Montreat-Anderson and King College.
They were married in June 1964 at
Bristol, Tenn., and plan to serve on the
mission field in Iraq after graduation at
the Columbia Seminary.

For a number of years the Hayesville
church has been served by students on
an intership from Columbia Seminary,
which is only 125 miles away.

The Church Extension Committee of
the Presbytery owns the manse, which
is made available to the resident student.

Looking Forward In 1965

Women of Asheville Presbytery should normally take special interest in the annual Synodical Training School, scheduled June 7 - 11, 1965 at King College.

Just the advantages of the school for fellowship and instruction should be challenge enough to have at least one representative from every local. This year there are other factors.

TEACHING TO READ

In 1965 there will be a special course in the Laubach method of teaching adults to read. This has been used extensively throughout the world with great success.

If every local would send a delegate to learn this method, she could return to her local neighborhood and render a valuable service to many who need this help.

SYNODICAL MEETING

On Wednesday of the School period, the annual meeting of the Women of the Synod of Appalachia will be held.

Of special interest is the fact that Mrs. F. A. Plummer, President-elect, will be installed for a term of two years.

Other offices, where terms expire in 1965, will be filled, and approximately half of the Council (formerly called "The Executive Board"), will continue in office for the second year of their two year term.

THE NEW PLAN

Since October 1964 the Women have been operating under a new plan of organization. While similar in many ways to the old plan, local officers will find much help by attending the Training School, for special help in their specific work.

Ask your local President for further details.

Make this a MUST for at least one from every local.

The date is June 7 - 11.

The place is King College, Bristol.

The person is "You", if you are a woman related to any church in Asheville Presbytery, or the Synod of Appalachia.

MRS. ARCHER IS NAMED AS RECORDING SECRETARY

Mrs. I. H. Archer, 319 Lakewood Drive, Asheville, a member of the First Presbyterian Church, Asheville, has been named Recording Secretary of the Women of Asheville Presbytery.

Mrs. Archer is filling the unexpired term of Mrs. W. B. Helton, who found it necessary to resign.

COMMUNION JANUARY 4TH FOR U. S. CONGRESSMEN

Each year on the eve of the opening of Congress, a Communion service is held for Presbyterian and Reformed members, conducted by the denominations' moderators.

Last year, Dr. William H. McCorkle of Bristol, Tenn., moderator of the Presbyterian Church in the U. S. asked his fellow churchmen what they thought about the idea of joining together this year in a statement on the unity of the nation.

This year Communion was celebrated the evening of January 4.

The accompanying statement by the present moderators is the result.

"A CALL TO NATIONAL UNITY"

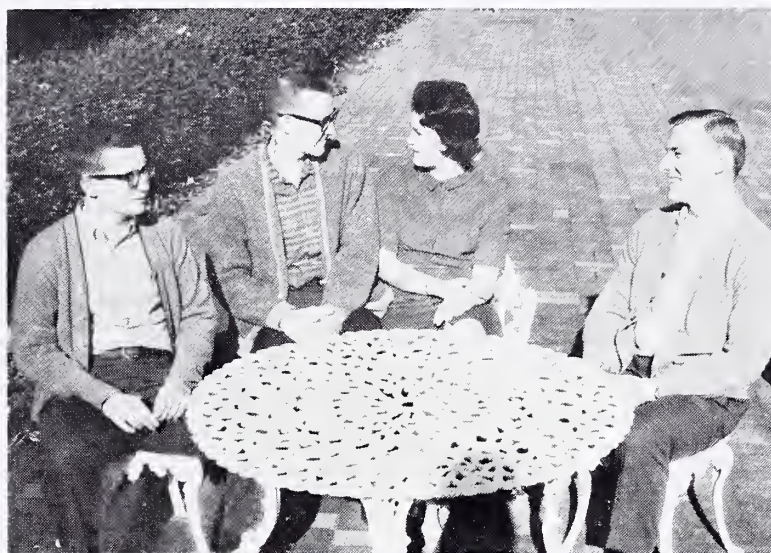

As today we celebrate Holy Communion in Washington with those who are responsible for serving our nation through government, we have reason to think seriously concerning the state of our country. Conditions within our nation, as well as throughout the world, should impel Christians, as never before, to seek a dynamic and united witness to the faith we confess.

In past decades Christian convictions and the resultant style of living have permeated social, economic and political structures with significant impact upon the life of our nation and its people. We hope that as we enter the new year Christians throughout our land will be keenly sensitive to the urgency of being more alert to the challenges to our common witness offered by the situation in our own nation and in the changing, troubled world.

All of us no doubt recognize that the Church is caught in the midst of the same world and must share the responsibility for the kind of world in which we live. Christians have not always worked for peace and unity of either the Church or the nation. We have not consistently sought the truth nor declared it; often we have refused to accept it. We have not fostered the conditions that make for openness among people. Often we have failed to serve as "agents of reconciliation" within families, within congregations, and among our several churches. But our hope lies in the fact that we do not proclaim ourselves but Him who can break down barriers among us and build us into a single humanity — thus making peace. For "God was in Christ reconciling the world unto himself."

A surging technology and sustained material progress continue radically to alter the work and leisure life of people. Changing forms and patterns of a highly mobile society have thrust upon the Church and nation responsibilities that a divided people cannot adequately fulfill. Because the world needs so much what our nation in unity could offer and because our church can truly minister to our nation only if we try to demonstrate in our lives the Gospel we proclaim, we call all Christians to a new dedication in 1965 to the end

CULLOWHEE IS CHALLENGING FROM PAGE ONE

Wednesday evenings at 9 o'clock, an interesting study is being sponsored, using the Covenant Life Curriculum Text by Dr. Wayne A. Meeks, "Go From Your Father's House."

STUDENT OFFICERS

A nucleus of the 200 or more Presbyterian students are organized with Bill Gray, Hayesville, as Moderator; Diane Smith, Laurel Hill, as Vice-Moderator; Linda Nichols, Spruce Pine, Secretary-Treasurer; and David Heminger, Jacksonville, Fla., Chairman of the Social Activities.

Lindsey Dorsett, Winston-Salem, and Clark Dexter Wagner, Fort Lauderdale,

that together we may strive to bring greater unity within our nation.

We would urge, therefore, all those who belong to the Reformed family of churches and all others sharing our concern in these crucial times, to gather for prayer, meditation, Bible study and fellowship so that the Holy Spirit may lead us in every possible way to manifest that unity we have in Jesus Christ which in turn will inevitably enhance the spirit of unity in our national life.

VAUGHN FULTS, MODERATOR OF THE GENERAL ASSEMBLY, CUMBERLAND PRESBYTERIAN CHURCH
ROBERT J. MARSHBURN, MODERATOR OF THE GENERAL SYNOD, ASSOCIATE REFORMED PRESBYTERIAN CHURCH

ELDER G. HAWKINS, MODERATOR OF THE GENERAL ASSEMBLY, UNITED PRESBYTERIAN CHURCH IN THE U. S. A.

J. A. FISHER, MODERATOR OF THE GENERAL ASSEMBLY, SECOND CUMBERLAND PRESBYTERIAN CHURCH

Fla., occupy rooms in the Student House, and are custodians of the property.

The work at Cullowhee, the location of Western Carolina College, has been in progress for some years, under the leadership of the pastors who have served at Sylva, seven miles away. The Student House was purchased during the ministry of Rev. D. P. McGeachy, III, although a more or less active work was begun by Rev. W. H. Wakefield in 1946, and continued under Rev. Robert R. Collins.

Rev. J. D. Whitesides, present pastor at Sylva, has seen the Student House paid for, remodeled, and made more usable for the growing number of Presbyterian Students at WCC.

The Church Extension offering in Asheville Presbytery in 1964 was earmarked for this work, which is under the joint sponsorship of the Synod's committee on Campus Christian Life, and the Presbytery's Committee on Church Extension.

Presbytery's Committee shares in the salary, has purchased the manse (at a cost of \$19,000, of which \$11,000 is being financed over a period of time) and is interested in acquiring property for a permanent church structure.

There are several Presbyterian faculty families, with others in the community sharing in the regular worship services. There is no indication at the present time as to the date of a possible organization.

This project is considered by many to be the most outstanding opportunity in the Presbytery because of the growing work there. Two new dormitories are now under construction and more are planned.

When Western Carolina College reaches its projected maximum enrollment, it is not beyond reason to expect to have from three to four hundred Presbyterians in the student body.

DIRECTORY OF PRESBYTERY APPROVED IN JANUARY

If you are preserving the Directory of Asheville Presbytery, as printed in the January issue of *OUR MOUNTAIN WORK*, please note:

The name of Leon C. Walker on the Nominating Committee is in error. Insert the name of William McKay, Hendersonville in this place.

J. F. Dunn, member of the Board of Trustees of the Presbyterian Home for Children, is from the Sylva Church.

Three entirely new Committees were named:

Christian Education

Instead of a large committee of some twenty-four persons, a committee of six was named, and this committee will name sub-committees and councils to carry out the work of Christian Education.

As soon as these sub-committees and councils are named *OUR MOUNTAIN WORK* will carry this information.

Candidate Committee

Instead of being a sub-committee of the Christian Education Committee, a Permanent Committee on Candidates has been named. This committee will have charge of the reception and contacts with Candidates for the Gospel Ministry, and their presentation to Presbytery for examination for ordination.

Office of Executive Secretary

Instead of a committee, composed of representatives of various committees of the Presbytery, an independent committee of six, composed of three ministers and three laymen was named to supervise the work of the Executive Secretary and his office.

Chairmen of these Committees are:

Rev. J. D. Whitesides, Jr., Sylva, of the Christian Education Committee.

Rev. W. L. Hodgkin, R. F. D. 1, Horse Shoe, N. C., pastor of the Mills River Church, of the Committee on Candidates.

Rev. J. C. Lime, P. O. Box 784, Canton, N. C., pastor of the Canton Church, of the Committee on Office of Executive Secretary.

The names of members of the smaller committee on Christian Education for Asheville Presbytery were carried in the January issue of *OUR MOUNTAIN WORK*.

The Presbytery's Committee plans three councils to direct their work, and have indicated a chairman for each:

On Program and Leadership — Rev. R. W. Gray.

On Camp Site Development — Rev. W. R. Covin.

On Camp and Conference Programs — Rev. G. D. Lamme.

TWO "CHEERS" FROM ASHEVILLE PRESBYTERY

One third of the "cheers" at the new Kline Gymnasium at King College hail from Asheville Presbytery. The six cheerleaders are identified in the January King College Bulletin, as (left to right) Penny Camper, Bristol; Linda Fain, Hendersonville; Judith Thuston, St. Albans, W. Va.; Jane Breazelle, Asheville; and LaVerne Forbes, Roan Mountain, Tenn., and Sue Cardea, Welch, W. Va.

Jane Breazelle, of the Grace Covenant Church, daughter of Mr. and Mrs. W. C. Breazelle, was chosen queen of the 1965 Dogwood Festival to be celebrated April 24th. Judith Thuston is the daughter of Rev. and Mrs. Warren Thuston. Her father was formerly pastor in Hendersonville. Linda Fain, is the daughter of Rev. and Mrs. John L. Fain, present pastor at Hendersonville.

WOMEN NAMED AS OFFICERS CHURCHES OF PRESBYTERY

The first woman to be ordained in Asheville Presbytery is Mrs. Paul Ellis, who was ordained a Deacon at Sylva, on December 24, 1964.

Since that time there have been twelve others ordained either Ruling Elder or Deacon, three of whom were recognized by a picture last month.

The complete list, as reported to *OUR MOUNTAIN WORK* through February 12, 1964 is given below, showing name of church, names of women, R.E.—Ruling Elder, D.—Deacon, and date of ordination and installation, where known.

ANDREWS — Mrs. Ben Ray, D., January 10, 1965.

OLD CLOTHING-BLANKETS CHURCH WORLD SERVICE

Early in March the truck for Church World Service will call at Plumber's Radio Service, 270 Biltmore Avenue, Asheville to pick up contributions of old clothing, blankets, etc., for distribution over-seas.

Late in January, Mr. F. A. Plummer, reported that there was only one package on hand at the time. The truck picked up 4,500 pounds when they called in the spring of 1964.

Mrs. F. A. Plummer is Chairman of this Relief Project for the Asheville Council of Church Women, and local organizations and individuals in the Presbyterian church have responded generously in the past.

The clothing should be clean, carefully packed and delivered before March 10th, to be sure it is on hand before the truck arrives.

The Church of the Brethren make their contribution that of picking up this clothing, which is delivered to the warehouse at New Windsor, Md. In 1963 73,000 pounds were picked up in North Carolina, and 13,500 of this total at Plummer's Radio Service.

The cost of processing this clothing is estimated at Ten Cents per pound and each donor is asked to send a check for this amount (based on weight of package delivered in Asheville) to Church World Service, New Windsor, Md.

When you remit, give your name, address and church affiliation.

PRESBYTERIAN MINISTERS AND WIVES — MARCH 9

The Presbyterian Ministers and their Wives of Asheville and Vicinity is an informal fellowship of ministers and ministers' wives of any branch of the Presbyterian Church, who can conveniently attend a monthly luncheon meeting.

The date for the next meeting will be Tuesday, March 9th, at Bailey's Cafeteria, Westgate. This is a change of date, in an effort to meet the convenience of a larger number.

Some sixty letters are mailed monthly with a reminder of the meeting. Any minister who can attend, and would like to be on the mailing list is invited to come to the March meeting. His name will be then added to this list for a monthly reminder.

PRESBYTERIAN CENTER HAS SAME ADDRESS-TELEPHONE

Announcement has been made that approximately 175 staff members, employees of nine boards and agencies of the Presbyterian Church, U. S., will move March 1st to a new location.

This is a temporary move, made necessary because of the work starting immediately to build a new Presbyterian Center at the present address, 341 Ponce de Leon Ave., N.E., Atlanta. The new facilities will be occupied sometime in 1966.

In the meanwhile, continue to send mail to the old address, and if you call by phone, use the old number, Area 104, 875-8921.

During the construction period these agencies will be housed in the Caro-Up-Right Building, 2115 Monroe Drive, N. E., which is just off the north east expressway, Interstate 85, as you enter Atlanta from the north.

INTEREST SHOWN BY GROUP

FROM PAGE ONE

A short period before announcement is made of the time and place of the first regular worship service. After this first service, the new group will make further organizational plans, including a Church school and other activities.

The entire project has been approved by the Session of the First Presbyterian Church, Hendersonville, and Rev. John L. Fain, pastor of the Church, spoke briefly at the gathering on the fourteenth.

Rev. W. G. Thomas, D.D., presided at the meeting, at which time, a number of others spoke briefly, and Dr. Scott responded. Dr. Scott was asked to select two or three from those present and indicating an interest in the new church to aid him in arranging the time and place of the first worship service.

A steering committee for the group will be set up after this first worship service, to function until the church is organized by Asheville Presbytery at some future date.

MONTREAT WILL ENTERTAIN 1965 GENERAL ASSEMBLY

The 1965 General Assembly will convene at Montreat at 4 P.M., Wednesday, April 21st, for the 105th Annual sessions.

This meeting will be preceded by a special conference, convening at 2:30 P.M., Tuesday, in the interest of evangelism and missions.

The time and place were changed by order of the Moderator, Rev. Felix B. Gear, Ph.D., who is a professor at Columbia Theological Seminary. Original plans were to meet at the Second Presbyterian Church, Memphis.

Meeting at Montreat, the General Assembly, offers Presbyterians in this area an unusual opportunity to learn about the church. The Pre-Assembly conference should have special interest to a large number.

Put these dates on your calendar, and plan to attend.

*Rev. Walter R. Baldwin, Jr.,
Writes From Japan*

"The changes in Japan in 1964 were striking . . .

"We were moved by the spontaneous demonstrations of humanity, the failures and disappointments . . . the heroic performance of champions.

"At the General Assembly of the United Church, the Vice-Moderator, the Rev. Ken Saeki said in a communion sermon, 'The Japanese champion girl volleyball team has reminded us that as Christians we are also called to lay our lives on the line, not counting the cost, fighting for the spread of the Gospel.'

"Hours of watching the Olympics on television made it clearer than before why Paul so often used the ancient Olympic games to recall the Christians to discipline and singleness of purpose."

Mr. Baldwin was formerly pastor of the Brevard-Davidson River Church. Mrs. Baldwin is the former Miss Clare Bedinger, daughter of Dr. and Mrs. R. D. Bedinger, Asheville.

HOME ECONOMICS
MEASURING SPOON

OR HOSPITAL
CLOTHES DRYER

When you think of your "Supplemental Offering for World Missions" on February 28th, there are a number of interesting factors.

The 553 Missionaries now serving the Presbyterian Church, U. S., is the all time high, exceeding the previous high of 522 in 1920.

They classify: Evangelists 263; Teachers 151, Doctors, nurses, medical personnel 76; Treasurers and Business managers 25; Agriculturalists 17; Other Specialists 17; Special Assignments 4.

Assigned: Brazil, 165; Congo, 129, and others in Equador, Iraq, Korea, Mexico, Portugal and Taiwan.

If you want to feel that you have helped meet some specific need, there are opportunities which range from Fifty Cents for a set of measuring spoons in the Home Economics department of a Japanese high school, on up to equipping a Hospital Laboratory of the Science department of some college.

If the total given by your church or group is as much as \$400, you can have the partial support of a Missionary assigned to your church or group.

Write: Presbyterian Board of World Missions, P. O. Box 330, Nashville, Tenn., 37202 for further details.

TWO CHILDREN ADMITTED PRESBYTERIAN HOME

John Randall Clouser, aged 7, and Melaine Hyatt, aged 9, have become members of the family at THE PRESBYTERIAN HOME since the last report.

These children came with the recommendation of the Session and Pastor of the Dillingham Church. They are from the Barnardsville section of Buncombe County.

John Clouser is in the second grade and Melaine Hyatt in the fourth grade in the Black Mountain Primary School.

POTTER AT ARDEN

The story in December about Rev. R. A. Potter accepting a call to Lenoir City, Tenn., failed to be as specific as it should have been about his Adren pastorate.

When he accepted the call to Murphy, the second unit of the Arden plant was under construction. The fellowship hall, first used as a temporary sanctuary, had been erected some six months before he moved to Murphy.

Mr. Potter moved to Lenoir City on January 1st, after a pastorate at Murphy of almost ten years.

ORMAND MOVES TO LAURENS FROM BREVARD PASTORATE

Rev. Ben F. Ormand, Jr., D.D., pastor of the Brevard-Davidson River Presbyterian Church, since June 16, 1955, was dismissed to South Carolina Presbytery to become pastor of the First Presbyterian Church, Laurens, S. C. this month.

Dr. Ormand came to Asheville from a pastorate in Pee Dee Presbytery in South Carolina, and immediately began a ministry that has seen the present sanctuary and educational building erected. He has been active in the Presbytery, serving as moderator, chairman of the Commission on the Minister and His Work, a member of the Church Extension Committee, the Presbytery's Council, and in many other ways.

On December 9, 1956, at the first service in their new sanctuary, he called it the "third great event in history of our church", and added, "Let me remind you that the fourth milestone will be the day we burn the mortgages on this building." The mortgages have been burned and the church is launching another expansion to cost nearly \$100,000 to meet their educational needs.

Asheville Presbytery met on March 24th, in called session, and dismissed Dr. Ormand to South Carolina Presbytery. He moved to Laurens the first of the month.

1965 GENERAL ASSEMBLY AT MONTREAT IN APRIL

A Standing Request, made of all Churches and Ministers, is that special prayer be offered at the public worship services on the Sunday prior to the annual meeting of the General Assembly.

This request was first made in 1863 and was ordered printed "annually in the Appendix to the Minutes of the Assembly."

As previously announced the General Assembly of the Presbyterian Church, U. S., will meet at Montreat in April, and will be preceded by a one day conference on evangelism.

These two occasions offer Presbyterians in this area an unusual opportunity to become better acquainted with the work of their church.

The General Assembly will convene at 4 P. M., Wednesday, April 21st, at which time the retiring moderator, Rev. Felix B. Gear, D.D., will preach the

HENDERSONVILLE GROUP TO WORSHIP AT SCOUT CENTER

Worship services were begun on February 21, 1965, by the group looking toward the organization of another Presbyterian Church in the Hendersonville area.

Under the leadership of Rev. E. C. Scott, D.D., and following the initial meeting reported in February, the group has named a Steering Committee of seven: Wm. L. Gilbert, Chairman; R. A. Paden, Secretary-Treasurer; Wm. D. Bacon, Robert H. Cox, H. L. Dantzler, Jr., Dr. P. A. Sellers, and Robert E. Warner.

In their first bulletin, on March 7th, appears:

"We had our first week-night gathering . . . with twelve present. Others were prevented from attending because of illness."

"Last Sunday we began our Sunday School with a good attendance."

Dr. Scott wrote on March 5th:

"Some have been out of town and some are ill. There were thirty-two adults at the service last Sunday At Sunday School there were 19 adults in their class."

Services are being held in the Girl Scout Center at Hendersonville.

EDUCATION FUND AIDED BY GIFT FROM HOME ALUMNUS

The Presbyterian Home for Children gratefully acknowledges a contribution from Dan C. Hensley to be added to the Educational Fund at THE HOME.

Dan Hensley graduated last June from N. C. State, at Raleigh, with a degree in Animal Husbandry. He is at present employed on the staff of the Rabun Gap School, Rabun Gap, Va.

There is a real need for educational funds, as more and more of the young people at THE HOME complete their high school work and qualify for college or other advanced studies.

Miss Winnie Bates, active in the work of the Morrison Church and also on the staff of the Rabun Gap School, has written in appreciation of the help Mr. Hensley has given at the Morrison Church. He had conducted worship services for them on two different occasions.

CALENDAR FROM JAPAN

An attractive 1965 desk calendar has been received from The Dan Moores 41 Kumochi Cho, 1-Chome, Fukai Ku Kobe, Japan. It was produced by "Word of Life Press" in Tokyo.

There is an attractive Japanese scene on each page of the monthly calendar with a Scripture quotation.

At the bottom of each page is a statement reflecting something of the religious situation and challenge in that country.

"In indifferent Japan only 90,000 people are found in Churches on Sunday."

"In radio-conscious Japan, all of the 12 commercial stations carry some Gospel weekly."

"In reading Japan, 12,000 new books appear annually, but only 200 Christian titles."

"In complex Japan, anxieties have produced 1,240,000 mental breakdowns and last year alone 15,250 suicides."

"In open Japan, 2,400 missionaries and 3,800 pastors preach the Gospel."

"In modern Japan, according to a recent survey 65% of the people claim to be atheists."

"In rural Japan, less than 300 of the 95,000 villages have a local Gospel witness."

"In educated Japan, 800,000 university students prepare for life and leadership."

"In heathen Japan, 77,000 Buddhist temples and 99,000 Shinto shrines dot the land."

"In crowded Japan, over 96 million people vie with one another for a living."

"In pleasure-mad Japan, 8,000 theaters and 82,000 bars flourish."

"In religious Japan, new religions like Shinto claim 20% of the population."

The front cover of the calendar is inscribed:

*Where 20th century hopes challenge ancient traditions,
Where millions jostle one another yet are overcome by desperate loneliness,
Where everything modern abounds, but hearts feel an aching emptiness,
Where a nation faces its greatest hour but is confused, perplexed, spiritually destitute,*

PRESBYTERY — APRIL 13TH
AT CANTON — 9:30 AM

Asheville Presbytery will meet at the Canton Presbyterian Church Tuesday, April 13th, at 9:30 A. M., for the opening spring session.

The communion service will be conducted by Rev. J. C. Lime and Rev. Robert S. Busey. Ruling Elder W. A. Singleton, Murphy, is the moderator, elected in April to serve for six months.

CHURCH CALENDAR IN APRIL

CHRISTIAN HIGHER EDUCATION

The month of April is the time for emphasis on CHRISTIAN HIGHER EDUCATION, and April 25th is to be observed with a dual emphasis. Interdenominationally, it is National Christian College Day. In the Presbyterian Church U. S., it is PRESBYTERIAN SCHOOL OF CHRISTIAN EDUCATION — SEMINARY DAY.

Asheville Presbytery through the Synod of Appalachia has a controlling interest in Union Theological Seminary, Richmond, Va., and the Louisville Presbyterian Theological Seminary, Louisville, Ky., and in King College. The Presbytery elects two trustees to Davidson College, and has an interest in Montreat-Anderson College through budget contributions.

The picture elsewhere in this issue of students from Asheville Presbytery in Richmond, Va. Last month there was a picture of students at Columbia Theological Seminary, Decatur, Ga.

EASTER OFFERING

The Easter Offering on April 18th will be participation in "One Great Hour of Sharing", with emphasis on Church World Service, a cooperative effort of twenty-eight denominations to meet the needs of the hungry and suffering overseas in the name of the Church.

The contribution on April 18th is over and above regular budget contributions, although it will be disbursed through the Board of World Missions of the General Assembly. It should be emitted through the Central Treasury of Benevolences of the Presbytery.

These gifts will, as stated on the Bulletin Cover for April 11, 1965, "help extend His hands into war-torn, famine-stricken, storm-shattered, epidemic-blighted communities that are still open to His redeeming and reconciling Word. The money provides for gathering and ministering donated foods, clothing, beds, shelter and medicines at points of greatest deprivation in 50 or more countries all through the year."

PRESBYTERIAN SURVEY

Presbyterian Survey Week, April 18-22, is to call attention to PRESBYTERIAN SURVEY, the official magazine of the General Assembly. It goes into approximately 75 percent of the homes of Asheville Presbytery, under a special subscription plan whereby the local congregation subscribes for every family at the rate of \$1.00 per year. The total circulation is nearly 260,000 throughout the General Assembly.

PRESBYTERIAN SURVEY has grown from its beginnings as early as 1862 when the Execu-

Sandra Lee Giber, age 7, has joined the family at THE HOME. Sandra comes from Hendersonville, and is sponsored by Mrs. M. K. Taylor of the Malvern Hills Church.

Miss Frances Floore, consulting dietitian of the State Board of Health paid us a visit on March 6th. This is a first for THE HOME and it made us feel good to hear the nice things she had to say. In the kitchen she helped the girls a great deal showing them how to prepare the food and make menus.

Dale Hurst and Vestall Caldwell, two of our 1964 High School graduates have started work, Dale at Kerfott Company and Vestall at the Parboard Company.

We want to thank all our friends who have helped provide our new bath room facilities. This is the most wonderful thing that has happened to us in a long time. A special thanks to our Board of Trustees for seeing the need and getting the job done. And with the recently installed electrical work, a real danger has been averted and THE HOME can pass all inspections.

A number of our boys and girls are taking part in the Spring sports program at Owen High. Jimmy Bell and Terry Haney are members of the baseball team. Clifford Barnette, Edward Myers, Charles Cooke and Sheila Barnette are members of the Square Dance team that will enter a number of competitions this spring.

We have a custom to give a cash prize to any child who brings home all A's as a school record. It looked as if there would be no prizes given this year, until Melenie Hyatt, a fourth grade student, turned in a perfect record. Melenie is one of our newer girls, a transfer from one of the Buncombe County schools. She has not made a "B" all year, all twenty-three of her grades are A's.

The Executive Committee on Foreign Missions launched "The Missionary", and in 1890 when the Executive Committee on Home Missions published "The Home Missionary". These were combined in 1911 as "The Missionary Survey", which in turn was succeeded in 1924 by PRESBYTERIAN SURVEY, in continuous publication since.

If you are not receiving PRESBYTERIAN SURVEY regularly each month, check to see why. If your church is not in the "Every Family Plan", PRESBYTERIAN SURVEY can be had at \$3.00 per year, on an individual subscription basis, or \$2.00 per year for ten or more subscriptions entered together. opening sermon, and the Communion of the Lord's Supper will be observed.

Wednesday evening will be featured by the election of a new moderator, greetings by fraternal delegates from other church bodies, the presentation of overtures, communications and business to come before the Assembly, and reference of same to committees.

All of Thursday morning and afternoon will be given to Committee meetings, and beginning on Thursday evening committee reports will be heard. These will be heard in accordance with a scheduled docket, but subject to change as the situation may indicate.

On Thursday evening the report of the Joint Committee with the Reformed Church in America is scheduled. According to advance information this committee will ask authority to begin preparation of a "plan of union" between the Presbyterian Church, U. S., and the Reformed Church in America for presentation of the two bodies in 1968.

Each daily session will engage in business in the nature of answers to overtures, consideration of committee reports, etc., until adjournment, expected some time on Monday, April 26.

There will be regular worship services on Sunday, with popular meetings in the afternoon and evening.

EVANGELISM CONFERENCE

A special feature preceding the regular work of the Assembly will be the Pre-Assembly Conference opening at 2:30 P. M., Tuesday, April 20th, with a Bible Study led by Rev. J. Sherrard Rice, D.D., of Columbia, S. C., followed by an address by Rev. Samuel Southard, D.D., member of the faculty of the Southern Baptist Seminary, Louisville, Ky.

Dr. Southard will speak again at 7:30 on Tuesday, and the conference will conclude on Wednesday at 12:30 after the second Bible Study led by Dr. Rice and the third address by Dr. Southard.

On both Tuesday afternoon and Wednesday morning there will be group discussions following Dr. Southard's addresses.

All sessions of the Pre-Assembly Conference and of the General Assembly are open to the public, unless some special situation should lead the Assembly to order an "executive session", a provision rarely used by the body.

Visitors will find the programs on Tuesday and Wednesday of special interest if they can attend.

Commissioners to represent Asheville Presbytery will be: Rev. Stanley L. Bennett, Cullowhee, Rev. James L. Jackson, Malvern Hills, Ruling Elders L. Nelson Bell, Montreat, and John R. Folger, Brevard.

CHURCH EXTENSION AT WORK IN ASHEVILLE PRESBYTERY

The Church Extension Committee of Asheville Presbytery will make a report to the Presbytery at the April 13, 1965 meeting at Canton.

This Committee is charged with:

1) Establishing new churches within the area of Asheville Presbytery. (Eleven counties of western N. C., Henderson, Buncombe, Madison and west thereof.)

2) Providing financial aid in the payment of salaries of Ministers in churches not on "self-support."

3) Providing such assistance to these fields as is possible to meet needs in developing their work, such as, adequate physical equipment, etc.

4) Long range planning for serving this area for the glory of God though the Presbyterian Church, U. S.

Churches now being aided are: Andrews, Bethel* (in Cherokee County); Bethel (in Haywood County); Cullowhee (unorganized); Dillingham; Etowah; Friendship; Hayesville; Ivy Park; Lakey Gap; Morrison*; and Westminster. In addition a program is underway in Hendersonville looking to a possible new church there.

Churches marked (*) above are served in connection with nearby self-supporting Churches and the Committee makes a nominal supplemental appropriation to each.

When every field is filled, the obligation of the Committee exceeds \$30,000 annually, and the fields are paying approximately \$28,000. Each church is asked to increase the part they pay annually and endeavor to reach self-support as soon as practical.

The unorganized work at Cullowhee, sponsored jointly with the Campus Christian Life Committee of the Synod of Appalachia, was begun last August, and currently is hoping to have an organization there in the near future.

Mr. James Earhart, of the Department of Survey and Church Location, has aided the Committee in the past in discovering opportunities for future work, and property acquisition where needed. He will be in the Presbytery April 6, 7, 8 with special interest in discovering opportunities for new work, and for conferences regarding the property situation in a number of existing fields.

Two years ago the Committee purchased land in Maggie Valley, looking into the future for a possible work there.

Manse have been purchased at Hayesville, Cullowhee and Weaverville, for use by the minister of the Hayesville and Brittain's Cove Churches. Cullowhee is unorganized at the present. The Hayesville manse is fully paid for. The Committee currently is giving the use of these manses as a part of their support of the work.

1965 EVERY MEMBER CANVASS BEGIN PLANNING NOW

One of the important steps in every local church that should be taken by April 1st, is the naming of a Director for the EMC to be held in each church in November.

This should be a time to challenge Every Member of the local congregation to a deeper dedication of time and talents to the work of the Lord, through His Church.

One phase of the EMC is the challenge to give adequate support to the work done through the whole Church, Presbytery — Synod — General Assembly.

Five members of the Council of Asheville Presbytery attended a Stewardship Conference in Charlotte on March 11, 12, to become familiar with the stewardship program of the General Assembly, as a step to reach leaders in every Presbytery.

The Council of the Presbytery has tentative plans for reaching all the officers of all the Churches, in the interest of the "total program of the whole Church", in the early fall.

In the immediate future will be a special meeting of "Every Member Canvass Directors" of each of the 34 churches. The dates and places will be announced as soon as arrangements are made. They will be prior to June 15th.

The first and urgent step is up to each local Session, namely to select a Director for the EMC who can and will attend the special meeting to be announced, unless providentially prevented from doing so.

Please see that the name of this Director is sent to T. H. Lamb, P. O. Box 15, Asheville, N. C., 28802, as soon as possible.

The Church Extension Committee will meet on March 26th, and will hear reports from these fields and plan for the work for the remainder of the year. These plans will include the observance of the Church Extension Season set for October 1 - 17, 1965.

Ministers actively engaged in the work outlined above includes:

Andrews—Rev. E. B. Whitson
Bethel (H) — Rev. Wm. R. Covin
Brittain's Cove — Rev. R. J. Coker
Cullowhee — Rev. Stanley L. Bennett
Dillingham and Ivy Park — Rev. D. E. Carlton
Etowah — Rev. W. C. Neel
Friendship — Rev. J. H. Armfield, Jr.
Hayesville — Samuel D. Austin (student supply)
Hendersonville Project — Rev. E. C. Scott, D.D.
Lakey Gap — Rev. C. W. Solomon
Westminster — Rev. B. H. Evans

SAUNDERS ENGAGED IN WORK AS EVANGELIST AT LARGE

Rev. Manford H. Saunders, who makes his home at Montreat, is engaged in evangelistic work, receiving invitations to serve in local churches for Bible lectures and evangelistic services.

Mr. Saunders was formerly a missionary, and just before moving to Montreat served in a pastorate in Knoxville, Tenn. He was received by Asheville Presbytery at the January 1965 meeting and was granted permission to serve outside the bounds of the Presbytery in this special way.

Mr. Saunders has also served at Hendersonville and at Westminster Church as interim minister.

Mrs. John S. Cook Dies

Mrs. John S. Cook whose husband supplied the Brittain's Cove congregation for over a year, died at her home in Spray, N. C., on January 31st.

Some weeks earlier she and Mr. Cook were in an automobile accident, but she was at home after some days in the hospital, and apparently doing well. Death came from a heart attack.

Mr. Cook is at the home, 103 Park Avenue, Spray, N. C. Besides the husband, she is survived by three sons, daughter and eleven grand-children.

Word of Mrs. Cook's death was received after the last issue of OUR MOUNTAIN WORK was printed.

Rev. James L. Jackson, Jr. Writes From Africa

"The General Assembly (meeting in Bulape this month) will be coming to grips with a completely new Book of Church Order which makes quite a few changes in the structure of the Church. These pastors and elders will need your prayers for God's guidance in this important step.

"In some ways the Church out here is ahead of the Church in the State. Just recently, for instance, Bulape Presbytery voted that all local congregations will give a fifty percent minimum of gross offerings to Presbytery, Synod and General Assembly work.

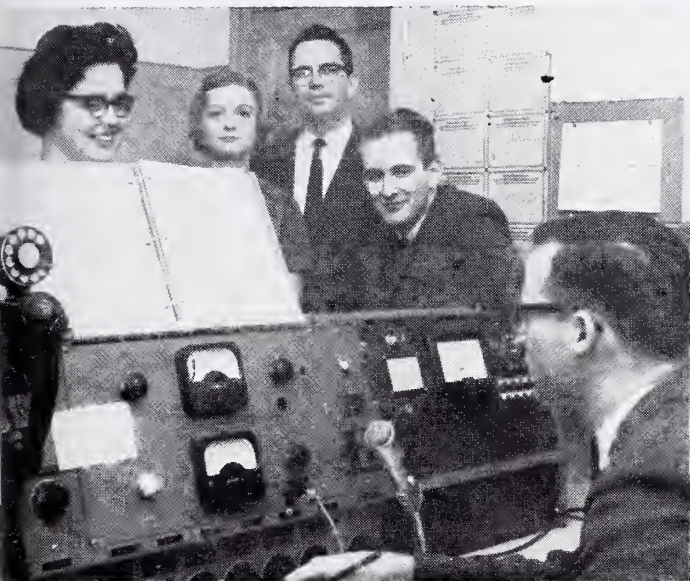

"We love the life out here and frankly we are not threatened with rebel movements in our area. Life is peaceful, weather is beautiful and healthful, the land is productive, and the people are being reached for Christ."

(Mr. Jackson is the son of Rev. James Jackson pastor of the Malvern Hills congregation in Asheville.)

TRUSTEES ORGANIZE FOR '65
AT HOME FOR CHILDREN

The Board of Trustees of The Presbyterian Home for Children re-elected Rev. H. B. Dendy, as president, Edward G. Roberts, as vice-president, and Rev. R. E. McClure, as secretary-treasurer, for 1965, at their annual meeting on February 19th.

New members, named to the board by Asheville Presbytery at the January meeting, were welcomed. These are Wm. McKay, Hendersonville, J. R. Lewis, Grace Covenant and Mrs. Hugh E. Lamb, Oak Forest.

One new committee was set up, and all committee duties outlined more fully in the amendments of sections of the By-Laws governing the organization of the Board. This committee is on Education, with supervision of all phases of the education of the children, including college or advanced studies.

As currently organized the Board of Trustees includes the officers named above, except that the Secretary-Treasurer, re-elected for one year, is not a member. Neither is the Superintendent, Don C. McKenzie, serving in this capacity without any specified term of office.

Committees in charge of the operations at THE HOME are:
ADMINISTRATION — Rev. Robert W. Gray, Chairman, Rev. H. B. Dendy.

FINANCE — J. Paul Teal, Jr., Chairman, Edward G. Roberts, Mrs. Hugh E. Lamb.

BUILDINGS AND GROUNDS — Mrs. C. D. Thomas, Chairman, Mrs. Clarence Trotti.

ARM — Wm. McKay, Chairman, J. E. Lewis, Rev. R. D. Bedinger.

EDUCATION — J. F. Dunn, Chairman, Cal W. Kuykendall.

MAJOR IMPROVEMENTS MADE
FOR COMFORT AND SAFETY

Two construction projects have been completed at THE PRESBYTERIAN HOME FOR CHILDREN.

The former has been dragging through the fall, but is greatly appreciated in its completed form. The latter was authorized at the February meeting and has been finished since then.

Bath and toilet facilities, and inadequate plumbing, both for water supply and heating, had to be overhauled completely. In addition four new rooms had to be built to house the added equipment.

At the July meeting of Asheville Presbytery authority was given to borrow the funds for the building of these rooms, overhauling the plumbing, and adding facilities to meet state requirements. This work has been done at a cost somewhat under earlier estimates, but the final figures are not available at this writing.

In the course of the work it was discovered that the wiring at THE HOME was dangerously inadequate and constituted a genuine fire hazard. The lead wires were too small for the needed current to operate the kitchen and other electrical equipment, and in many other ways the service wiring was worn or sub-standard.

At a cost of \$2,500, authorized by the Board in February, this work has been done, and except for installing new fixtures in some areas, the electrical system has been completely overhauled.

MAJOR IMPROVEMENTS FROM PAGE FIVE

An offer of certain fixtures and other equipment has been made, and it is expected that much of the inadequate lighting will be corrected in the near future.

The work done to date brings the plumbing, heating and electric wiring to full requirements for today, with a reasonable margin for expansion, if necessary.

Contributions amounting to less than \$1,500 have been received to date to apply on these expenditures which will run approximately \$25,000 when the fixtures, etc. are installed.

Unless the money borrowed can be repaid from additional contributions, the notes must be met from reserve funds, which in turn will reduce the anticipated income now received as these funds are invested to produce operating revenue.

FULBRIGHT SCHOLARSHIP TO LARRY MINNICH AT YALE

Lawrence (Larry) C. Minnich, son of Mr. and Mrs. S. C. Minnich, Jr., of the First Presbyterian Church, Asheville has been awarded a Fulbright Scholarship at Yale University.

USE OF CAMP SITE PLANNED FOR SUMMER OF 1965

The Presbytery's Campsite will be
in use during the summer of 1965.

The Christian Education Committee
announces plans for four camping
groups. Each camp will be limited to
twenty campers — ten boys and ten
girls, plus four counsellors and a direc-
tor.

Detailed information was given and
registration blanks were distributed at
the April meeting of Presbytery. Each
camp will offer a camping experience
with sleeping in hogans, cook-outs, Bi-
ble study and fellowship.

1st Camp — for those in 9th and 10th
grades in school, June 28 - July 2.

2nd Camp — for those in 7th and 8th
grades in school, July 6th - 10th.

3rd and 4th Camps — actually two
camps in the same week, July 12 - 17.
Camp "A", July 12-14, and Camp "B",
July 15-17, for boys and girls who are
junior age and in the 6th grade.

In addition to these camps the Pres-
bytery's Camp will be open the rest
of the summer for use by churches and
church groups, upon receipt of permis-
sion from the Camp Program Commit-
tee. Because of the limited facilities
for the first year this restriction is nec-
essary.

Churches, however, are encouraged to
plan day camps, retreats, picnics, family
camping, etc. The Camp Program
Committee will be glad to assist in plan-
ning for this use of the camp.

THE SYNOD

THE GENERAL ASSEMBLY

The General Assembly of the Presby-
terian Church, U. S., which meets in
the 105th annual session at Montreat on
April 21, 1965, is the highest court of
the denomination, whose duties include
direction of church-wide activities, for-
mation of policies for denominational
work, interpretation of matters pertain-
ing to the life and work of the church,
adopting doctrinal standards for the
church, and serving as a final court of
appeal for all lower courts.

To better understand the organiza-
tion of the body, it is necessary to know
what lower courts there are.

CONGREGATIONAL MISSIONS

Twenty-nine of the thirty-four church-
es of Asheville Presbytery were represent-
ed by Ministers and/or laymen at the
July meeting, at Canton, on Tuesday,
April 13, 1965.

There was less routine business, and
much of the time was spent in consider-
ing, amending and finally adopting a
Manual, to direct future operations. Edi-
torial details were left to the special com-
mittee of which Dr. W. G. Thomas is
chairman.

A resolution proposed by Rev. Wm.
R. Covin, was turned down by the body,
but considered important enough to
justify a motion that a special commit-
tee be named to consider the matter
and its implication. Naming the com-
mittee was docketed for July considera-
tion.

Mr. Covin wanted the Presbytery to
go on record as opposing capital punish-
ment, and to "any system of punish-
ment. . . which does not allow for the
possibility of rehabilitation or redemp-
tion of the individuals."

Announcement was made that:

THE SENIOR YOUTH RALLY would be held
at the Malvern Hills Church, Asheville,
April 25th, 2 - 7 P. M. Rev. Robert W.
Gray will be the vesper speaker.

THE 1965 BIRTHDAY
OBJECTIVE OF THE
WOMEN OF THE CHURCHPRESBYTERIAN COLLEGE, TAEJON
ANDPRESBYTERIAN MEDICAL
CENTER, CHONJU

This year the Women of the Church have as their Birthday Objective two projects in Korea with the double objective of serving Christ by serving Koreans through healing and education.

Presbyterian College at Taejon is the only Christian four-year college in five provinces mainly served by our mission program. It is the only Christian college outside the city of Seoul that offers major courses in the sciences. All Korean faculty and students are professing Christians and active participants in their home churches. Taejon students are in demand because of their scholastic attainments and Christian character. Scholarships are needed to help more of Korea's youth prepare for Christian leadership in the Church, their nation and the world.

Presbyterian Medical Center at Chonju is the only hospital in an area of three million people that provides complete medical care. There are 150 beds crowded into space for only 70; 150 to 200 out-patients are treated each day in an area designed for 50. There are only two operating rooms where six are needed. The staff consists of well qualified missionary and Korean specialists in heart surgery, cancer, radiology, parasitology, who have totally inadequate equipment and space in which to work and train others. Through the hospital 529 persons became Christians last year. Adequate space and modern equipment are needed to provide a Christian ministry to the very ill.

Merrill Grubs from Asheville Presbytery is Business Manager of the Presbyterian Medical Center.

The Birthday Offering should be remitted as promptly as possible to Mrs. Charles H. Swift, Treasurer, 12 Robin Hood Road, Asheville, N. C. 28804.

PRESBYTERIAN HOME TRUSTEES OF RECORD SINCE 1947

THE PRESBYTERIAN HOME FOR CHILDREN began its life as The Mountain Orphanage on January 19, 1904, a project of the Home Mission Committee of Asheville Presbytery. It was one of some six or eight schools or "homes" for needy children operated by the "Home Mission Committee" prior to 1926.

The last two schools, The Morrison School for Girls, and the Maxwell Home for Boys in Macon County, closed in the mid 20's, as public school facilities, etc., made them no longer needed.

The Mountain Orphanage continued under the Home Mission Committee until it was incorporated under the Laws of North Carolina as "The Mountain Orphanage, Inc." The present name was approved as an amendment to the Charter, in December 1960.

Rev. H. B. Dendy, was named President of the Corporation, and Rev. R.E. McClure, was named Secretary-Treasurer, in 1947 and each has served in this capacity since.

Dr. Dendy had been chairman of the "Orphanage Committee" since September 1936, when he was named to succeed Col. J. H. McConnell who had died.

Below are the names of those who have served as trustees since 1947. The record has been checked as fully as possible. Any errors will be gladly corrected if brought to the attention of the secretary.

The names appear in the order in which they were elected, with the date of election, and followed by the name of trustee who succeeded each.

Making A Will?

As a Presbyterian, be sure to include your Church, or some specific agency thereof in your will. It will be a channel through which you can bear a Christian testimony through future generations.

Be sure to consult an Attorney. Let him draw the Will. Tell him there are two agencies in Asheville Presbytery, incorporated under the laws of North Carolina to receive and manage such legacies: THE HOME MISSION COMMITTEE OF ASHEVILLE PRESBYTERY, INC.,

For work related to Asheville Presbytery in western North Carolina.

THE PRESBYTERIAN HOME FOR CHILDREN OF BLACK MOUNTAIN, N. C., INC.,

Continuing the work of "The Mountain Orphanage", a home for needy boys and girls founded in January 1904.

THE CHRISTIAN EDUCATION COMMITTEE OF ASHEVILLE PRESBYTERY (unincorporated),

Engaged currently in developing a 250 acre site in Buncombe County as a Camp for the use of all churches of the Presbytery.

May We Suggest?

THE PRESBYTERIAN FOUNDATION, INC., (U.S.) (Incorporated in 1866) is the official agency of the General Assembly to receive legacies, handle trusts, etc., for the benefit of any congregation, church court or agency of any church court, of the General Assembly.

THE PRESBYTERIAN FOUNDATION, INC., offers Five Plans through which you can provide for your church: 1) Through a Will, 2) Through a Gift Now, to be used exactly as you indicate, 3) Through an assured Life Income Plan, 4) Through a Life Insurance Plan, 5) Through an Annuity, single or joint.

Write for details: 1004 Wachovia Bank Building, Charlotte, N. C. 28202. or for further information regarding work within Asheville Presbytery, consult the Executive Secretary, 26 Church Street, Asheville, N. C. 28801.

MEMORIAL WINDOW GIVEN TO BETHEL CHURCH

The Bethel Church in Haywood County has recently been the recipient of a beautiful stained glass window depicting the parable of "The Sower." The window, costing about \$2600, was a gift of the descendants of William S. Terrell and was given as a memorial to the late Mr. Terrell and his family. Mr. Terrell was for many years an elder in the Church and donated the property on which the present building stands. This property was later enlarged through a gift from his son, Ben Terrell.

Mr. Terrell's wife was Mary Lucinda Kirkpatrick. His children were Theodore Vance Terrell, James Milas Terrell, Turner Kirkpatrick Terrell, Harriet Inez Terrell, Annie Jane Terrell, Erminia Leticia Terrell, Charles Stuart Terrell, William Thomas Terrell, Benoni Wellington Terrell, and Mary Lucinda Terrell.

A grandson, Clifton Terrell, Sr., is presently an elder in the Church, and two great grandsons, Clifton Terrell, Jr. and Russell Terrell, are deacons.

CAMP SITE CONSTRUCTION FOR USE THIS SUMMER

Work is to be resumed at the Presbytery's Camp Site.

Previously the dam was built impounding a four acre lake, a road was built from County road 2808, approximately 3,000 feet, one-half of which was built by the state, and an electric service line was run into the property, and the floor for several hogans were constructed.

The Executive Committee of Christian Education has approved the letting of a contract for a bath house, with showers, comfort facilities and a storage area at an approximate cost of \$7,000. This will include a well to be dug.

If funds are available, according to Rev. Wm. R. Covin, in charge of the work, a large partially enclosed "Program Shelter" will be erected for use in inclement weather.

When constructed on the 250 acre site, just off Garren Creek Road, east of the Fairview Section of Buncombe County, this will allow use of the property as announced in another story, on page one of this issue.

The land and all improvements to date are fully paid for, and Asheville Presbytery has approved the borrowing of \$10,000 for these improvements, to be paid from budget income for Christian Education for two years.

MINISTER - ELDER - DEACON MONTREAT CONVOCATION

A significant opportunity for Elder-Deacon Training is being offered at Montreat, July 8-10, 1965.

This can be of unusual help to Asheville Presbytery, being so close to each church. Early planning is necessary to make it most effective.

The meeting starts Thursday, July 8th, with a Bible Study led by Rev. Stewart W. Yandle, pastor of the Lakeview Presbyterian Church, New Orleans, and closes on Saturday, July 10th, with a worship service at 10:25 A. M., led by Dr. Merle C. Patterson, pastor of the Druid Hills Presbyterian Church, Atlanta.

Dr. H. W. Quinius, Jr., Professor of Church Administration, Austin Theological Seminary, Austin, Texas, will lead discussion groups on Thursday and Friday afternoons on the work of Sessions and Diaconates.

For further information consult your pastor, or write Mr. Paul O. Hudson, P. O. Box 1176, Richmand, Va., 23209, concerning the program. A \$5.00 registration fee should be sent to Mr. Hudson. Write Mr. C. A. Stubbs, Montreat, relative to local entertainment.

to Fairview on US 74, take Garren Creek Road, (County No. 2806), proceed approximately 5.7 miles to County Road 2808. Turn left approximately one fourth mile to road to Camp.

From Black Mountain, take N. C. 9, to County Road 2776, turn right, proceed to Upper Flat Creek Road (2786), proceed to County Road 2806, turn right to 2808, and to the Camp.

PROGRESS REPORT MADE BY STEERING COMMITTEE

The steering committee of the group working toward another Presbyterian Church in the Hendersonville area has made a "Progress Report", expressing confidence and progress under the leadership of Rev. E. C. Scott, D.D., their ministerial leader.

After seven weeks of service at the Girl Scout hut, a number of developments are mentioned in the report. A subsequent meeting with Mr. James Earhart, associate secretary of the Department of Survey and Church Location, of the Board of Church Extension discussed principles that should guide in selecting the permanent location of the proposed new church.

It was reported that the Church Extension Committee of the Presbytery was willing to purchase a temporary building in which services can be held with the provision that the property be sold when a permanent site is secured or purchased by the congregation if it can be used by them. It is hoped that some announcement can be made shortly, regarding such a temporary location.

With reference to the selection of a permanent site, the committee was advised to look for a location that would not be too near the proposed work of the Associate Reformed Church, to the south of town, and preferably two miles from the present First Presbyterian Church, to allow for mutual growth of the three churches.

The local group has ordered seventy two folding chairs, and will assume the obligation for furnishings and equipment in the temporary building when purchased by Presbytery's Committee.

The report states, "Sunday School communicants' class, and charter membership are growing rapidly, and it is our hope to be a fully organized congregation before the summer is over."

Dr. Scott was introduced to the group at a meeting at the First Presbyterian Church, Hendersonville, on February 14th, and the first regular worship service at the Girl Scout Center was held on the 21st.

LOFQUIST TO FACULTY AT WESTERN CAROLINA

Henry V. Lofquist, Jr., for a number of years organist and more recently both organist and choir director at the First Presbyterian Church, Asheville, will join the music faculty at Western Carolina College, Cullowhee, this summer.

Mr. Lofquist has also taught private music classes and assisted at Montreat Anderson and Warren Wilson College. He and his family will move to Cullowhee in the early summer.

ECONOMY — EFFICIENCY AIMS AT PRESBYTERIAN HOME

When the Board of Trustees of THE PRESBYTERIAN HOME FOR CHILDREN adopted new By-Laws to regulate committee activities, the Committees set to work, submitting their first reports at the March meeting of the Board.

A number of matters were considered at the most significant action of the board dealt with the operation of the farm, which for the last several years has meant livestock and raising feed for home.

Upon the recommendation of the farm Committee, with Wm. McKay, chairman, J. R. Lewis and Rev. R. D. Redinger, it was unanimously decided to shift from emphasis on live stock to truck farming, and all cattle and hogs to be disposed of to the best advantage by May 1st, if possible.

This means disposing of some fifty head of cattle about the time the silage on hand has been fed. At that time all remaining hay will be sold.

There will be about 30 hogs to be sold, and when this is done all hog houses, related fences and sheds will be removed in the interest of campus beautification.

It was pointed out by the Committee, whose chairman has had extensive farming experience that it is more costly to raise cattle than to buy meat, and that the situation as it exists at THE HOME could call for extensive improvements and expense to make the project worthwhile. The Superintendent, Don C. McKenzie also pointed to the supply of meat available to THE HOME from government surplus commodities distributed through the state.

At the recommendation of the committee the garden activities are to be practically doubled, providing for some ten acres in a trucking activity to produce more food for use in THE HOME. In addition it was recommended that "a program of small fruits and berries be developed."

The Superintendent reported that recently some 1,000 white pine seedlings had been set out, and that other plans are being made for the beautification of the campus. There are now some 54 acres, previously used for pasture, which will be the site of a re-forestation project.

Present buildings, the barn, poultry house and other similar buildings are to be retained, kept in good order and used for storage. All suitable land will be used for growing hay, which can be sold to apply on the operating costs of THE HOME.

Only one new piece of equipment will be needed for this program, a roto-tiller, which can be purchased at a reasonable cost, and will aid in the cultivation of the garden.

THIELMAN HAS ASSIGNMENTS AT U. S. AIR FORCE BASES

Rev. Calvin Thielman, pastor of the Montreat Presbyterian Church, and chaplain for the Montreat-Anderson College, was expected back on April 10th from an assignment in Labrador and Newfoundland.

He was requested to take part in various chapel-based activities, including personal consultations, and preaching at the U. S. Air Force bases in those countries; at Goose Air Force Base, Labrador, March 26-31, and at Harmon Air Force Base, Newfoundland, April 4-8.

Mr. Thielman was ordained and installed pastor at Waynesville, and, after a period of studies in Scotland, returned to become pastor at Montreat.

There is no way of making an accurate estimate, but it is believed that these plans will save several thousand dollars in previous farm expense, and thus reduce the over-all operating cost for THE HOME.

Other matters considered at this meeting related to repairs to the main building, plans for meeting the expenses of students attending college, and details of administration.

There will be four prospective college freshmen graduating at Owen High in June, and plans are being made for them to attend college in the Fall. A more complete report will be made later when plans are more definite.

Every Committee of the Board met separately in March and each made a constructive report to the Board at the monthly meeting.

PRESBYTERIAN COURTS FROM PAGE ONE

THE SESSION — Every Congregation elects "Ruling Elders" who constitute The Session, and as such are the governing body of the local congregation, with power to receive members and manage local affairs. Deacons have a specific responsibility in the temporal affairs of the church, and serve under the direction of the local session.

THE PRESBYTERY — Every ordained minister is a member of some Presbytery. The Ministers in a given Presbytery, together with one Ruling Elder, elected from each Session, constitute the membership of each Presbytery, which is organized on a geographical basis.

The Presbytery has exclusive power to organize churches, examine and ordain ministers and install them in fields of labor, to take oversight of the churches within their geographical area, and to promote joint activities within its bounds.

THE SYNOD — A Synod is composed of all the Ministers in three or more Presbyteries, organized to supervise and administer work common to the area, and serve as a court of appeal for matters referred to it by any one of its constituent Presbyteries.

THE GENERAL ASSEMBLY — is officially composed of "Commissioners" from each Presbytery within the area of the denomination. These are elected on the basis of total membership of the Presbytery: One Minister and One Ruling Elder for each 5,000 members, or fraction thereof. They come to the General Assembly "uninstructed", to vote as each is led by the Holy Spirit on issues before that body.

This is a representative form of government, adopted in 1789 in Philadelphia for the functioning of the Presbyterian Church as organized in colonial America. It was closely followed as a pattern in the adoption of the Constitution of the United States of America, being considered in a "Constitutional Convention" at the same time and in the same city, and with a number of Presbyterian leaders members of both bodies.

Every one of the nearly one million Presbyterians of the over 4,000 churches in sixteen Synods and eighty Presbyteries of the Presbyterian Church, U. S., is identified with the General Assembly to meet at Montreat, April 21st, either in person as a "Commissioner" or through the person of the Commissioners from the Presbytery of which he or she is a part.

Every Presbyterian, therefore, should be vitally interested in this meeting, and should be much in prayer that each Commissioner will be guided by the Holy Spirit in every decision made.

Rev. Calvin Thielman was elected as "Moderator Nominee" and the invitation of the Waynesville Church was accepted for the next meeting July 13, 1965.

Routine business occupied most of the day and headlines for this article were taken from a report distributed by the stated clerk, as the official "statistical report" of Asheville Presbytery to the 1965 General Assembly.

"Congregational Missions", according to the meaning given in the "Sessional Report" represents the effort of the local church to serve the community through an "outpost Sunday School of Preaching Point", or through some locally sponsored project looking to the organization of another church within the geographical bounds of the congregation.

The report of Dr. W. G. Thomas, for the Church Extension Committee, covered largely the facts in the last issue of OUR MOUNTAIN WORK.

The report of Dr. H. B. Dendy, for the Presbyterian Home for Children showed 59 children in the home, and other details to be used in a story next month.

The report of Rev. J. D. Whitesides for the Christian Education Committee related largely to plans for camp development, announcing construction to make use of the camp in 1965 possible.

The Presbytery was told that Rev. B. Tubbs, Executive Secretary of Wilmington Presbytery, will conduct two conferences, June 20 and 21, for Ministers and Directors of Every Member Canvass programs in local churches in 1965.

W. A. Singleton, Ruling Elder of Murphy, served as Moderator, having been elected in January, at the Swannanoa church. Dr. Thomas served as Stated Clerk, and Rev. W. C. Cooper, as Permanent Clerk.

Rev. J. C. Lime, host pastor, and Rev. Robert S. Busey conducted the Communion Service at the opening of the one day session.

the men, namely the raising of individ-
ual scholarships of \$300.00 each, for
young people from the Presbyterian

A bathhouse is under construction, well is being driven, platforms are being built for hogan type tents so that the first regular camp can open June 28th.

Initially there will be a limited number at each of four camp periods, so it is important to get registrations promptly to Rev. Gale D. Lammey, Director, 880 Sand Hill Road, Asheville, N. C., 28806.

The first camp opens at 10 A. M. Monday, June 28th, and will be for youth who will be in either the 9th or 10th grade in the fall. This camp will close, Friday, July 2nd, at 10:00 A. M.

The second camp opens Tuesday, July 6th at 10 A. M. and will close Saturday, July 10th, at 10 A. M., and will be for youth who will be in 7th and 8th grade in the fall.

The third and fourth camp periods will be for younger groups (Junior and Senior) and will be for two days each, instead of for four days each for the older groups.

The third camp will open at 10:00 A. M., Monday, July 12th, and close Wednesday, July 14th, for Juniors who will be in the sixth grade in the fall.

The fourth camp will be for the Senior Junior age group, and will open at 10:00 A. M., Thursday, July 15th, and will close Saturday, July 17th, at 10:00 A. M.

Registration forms are in the hands of leaders in every church of the Presbyterian. These state that there will be an adult leader for every five campers. All campers, staff members and counselors must have a physician's certification of satisfactory physical condition. Insurance will cover each from date of leaving home to return.

The program at camp will provide development of the physical, social and spiritual natures of the camper. Experiences in worship, the study of the Christian Faith, will be led by camp leaders.

Each camper is expected to bring a Bible, notebooks and pencils, camp clothing, bedding (Pillow, pillowcase, sheets, blankets), two or more towels, toilet articles, a coat, swim suit, shoes and bluejeans (if desired), and flashlights, musical instruments, canvas, etc.

For further information consult your minister, or contact Rev. Gale D. Lammey, Director.

The time is short. The capacity is limited. The rule is, "First Come, First Served."

A CALL TO REPENTANCE AND EXPECTANCY

The following paper was transmitted to the 1965 General Assembly by the Board of Church Extension adopted and issued as a call to the whole Church.

There is a widespread agreement in the Presbyterian Church concerning the importance of evangelism. And there is a widespread feeling among us that we are falling short in this important work. A marked decline in the usual indices of a church's spiritual health — professions of faith, baptisms, candidates for the ministry, new churches — has Presbyterians in all parts of our Assembly deeply concerned.

Many throughout the Church have been engaged in prayerful pondering of these things. Out of this has come the conviction that we should address to the whole Church, not new plans and procedures, but a call to repentance and to expectant waiting upon the Lord.

I

The question before us is whether the profession of our faith in Christ has produced a concern for evangelism strong enough to lead to repentance for our failing to share the glorious news of Jesus Christ, His Lordship, and His saving grace.

As the agency charged with the responsibility for the Assembly's program of evangelism, the Board of Church Extension has engaged in prayerful pondering of these things. Out of this has come the conviction that we should address to the whole Church, not new plans and procedures, but a call to repentance and to expectant waiting upon the Lord.

Do we want to evangelize the world badly enough to repent of the selfishness with which so many of us enjoy an unparalleled standard of living while millions of our fellow human beings live in bitter poverty, and we show so little concern?

Do we want to evangelize the nation badly enough to repent of the complacency with which we view our denomination and therefore fail to realize that we are a part of the whole body of Christ?

Do we want to evangelize the South badly enough to repent of the pride of class, wealth, and education which makes so many Southern people feel out of place in a Presbyterian Church?

Do we want to evangelize the Negro people and other minority groups badly enough to repent of the prejudice that will not welcome those who believe into our fellowship?

Are we serious enough about evangelism to repent of a hyper-critical attitude toward the Church which seems to delight in cataloguing the Church's failures and is not troubled that it discredits the Church in the eyes of both its friends and its foes?

Are we serious enough about evangelism to repent of our involvement in the moral corruption of our society: drunkenness, sexual immorality, covetousness and the loss of strict standards of honesty?

Are we serious enough about evangelism to repent of a crass materialism that has infected ministry and laity alike?

Are we serious enough about evangelism to repent of the sin of suspicion: looking for the worst in our brethren and ignoring the best, and so dividing the Church?

No program of evangelism can succeed if the ministry of our Church lacks the confidence of the people. Are we ready to repent of sowing the seeds of rumor and purposely seeking to discredit the ministry in the eyes of the people?

No program of evangelism can succeed unless the laymen bear the major load. Are we ready to repent of a clericalism which has bypassed the laymen?

No program of evangelism can succeed if we as a Church have lost our concern for the misery of a man without God and our faith in the wonderful things God can do for and with a man when He gets hold of him. Are we ready to repent of hardness of heart and lack of faith and shallowness of theology?

We do not say that repentance for these and other matters in our corporate life will compel the outgoing of the Spirit's power and guarantee evangelistic success. We do say that we can hardly expect His power when we are unwilling to repent and abandon our sins. The Spirit who gives power to our witness is the same Spirit who leads to repentance. Are we willing for Him to do both? We cannot go on longer expecting Him to do one without the other.

II

Let us also, brethren, learn once again to wait on the Lord. Evangelism is the work of the Holy Spirit, who works as, when, and where He wills. That revivals of the Church do not arrive on our time schedule or as a crowning success to our plans is ultimately of God's mercy. He would teach us patience and reliance upon His power rather than our own efforts.

In our waiting, let us faithfully discharge the regular, ongoing duties of the Church's life. Let the Word of God be faithfully and fearlessly preached from every pulpit, in language that the people can understand; for without the Evangel there can be no possibility of evangelism. Let the children of the covenant be taught in the church schools the principles of our holy religion, and let the adult members of the church continue to study them; for Christians who can give no reasons for the faith that is in them cannot be effective evangelists. Let pastors and elders be faithful in tending the flock, let deacons administer the temporal affairs of the church with wisdom and sympathy for human need, let every member use his gifts for the upbuilding of the body of Christ; for there must be a living, vital fellowship into which men can be brought by evangelism. Let evangelistic efforts of all kinds continue and be strengthened, even though the fruit seems meager; for it is those who do not grow weary in well-doing who will reap in due season, if they faint not.

Above all, let us wait expectantly, in constant united prayer as the disciples awaited the coming of the Spirit at Pentecost. Let us wait in the faith that God can do through and with us exceedingly abundantly above all we ask or think. Unto Him be glory in the Church of Christ Jesus throughout all ages, world without end. Amen.

ASSISTANT TO STATED CLERK

To All the Ministers of the
Presbyterian Church in the United States

Brethren in Christ:

The General Assembly of 1965, in one of its most significant actions, has issued a "message to the Church," a copy of which is enclosed, bearing the title, "A Call to Repentance and Expectancy."

The General Assembly is requesting each Presbytery so to arrange its program for the 1966 winter meeting as to give ample time for thoughtful and prayerful consideration of this "call."

The General Assembly further is requesting each Presbytery to urge all its member congregations to engage in an extended period of prayer, study, and self-examination based upon the "call." This request of the General Assembly to every congregation contemplates the period of prayer, study and self-examination as March of 1966, culminating in the Easter season. As that time draws closer you will receive suggestions prepared by the Division of Evangelism of the Board of Church Extension to help your congregations in this endeavor.

Trusting that this message to the entire Church from the General Assembly may be greatly used by God to stir us all in our primary commission to witness to the Gospel, I am

Your fellow-servant in Him,

(Signed) James A. Millard, Jr.

CIVIL RIGHTS

A 2,500 word statement on "The Civil Rights Movement in the Light of Christian Teaching" was amended in several particulars before adoption.

In the first section the word “instruct” was changed to “counsel” in declaring that “A continuing obligation of the church is to counsel its members in regard to their duties in the changing world.”

The statement upheld the right "demonstrations" and "sit-ins" when properly motivated and carried out. Boycotts were disapproved, and the section on same deleted. The right of "civil disobedience" was left to the Christian conscience, but any individual engaging in "civil disobedience" was reminded that he must meet the penalty of civil law for such disobedience.

The Assembly declined to adopt a section that would have put the Assembly on record as opposed to Capital Punishment (the vote was 168-161), adopted a statement on "Poverty in the Light of The Christian Faith", declared approval (by voice vote) of local and Federal efforts to abolish poverty, and sent a section on "Work and Leisure" back for further study.

The entire statement, before being amended was about 10,000 words and occupied nearly twelve pages in the Hand-book.

INTEGRATION

In response to the action in 1964 “instructing” Presbyteries having Negro churches within their geographical bounds to receive same and their ministers, it was reported that the majority of such churches had been so received.

Through a recognized “technical error” the Assembly admitted the mistake of “instructing” the Presbyteries, in 1964, and changed the action in 1965 to “instructing” the Synods to take the matter up, and asking for a report next year.

ASSEMBLY AGENCIES

A new basis of assigning "goals" for the support of Assembly Agencies was approved for 1966.

Instead of setting a goal on the basis of work that needs to be done, the goal in 1966 will be based on actual gifts, plus a two percent increase per year for a minimum challenge fund. Certain specific objectives are to receive all over the \$8,406,136 actually given in 1966. This is a reduction of \$1,500,000 from the minimum goal set for 1965.

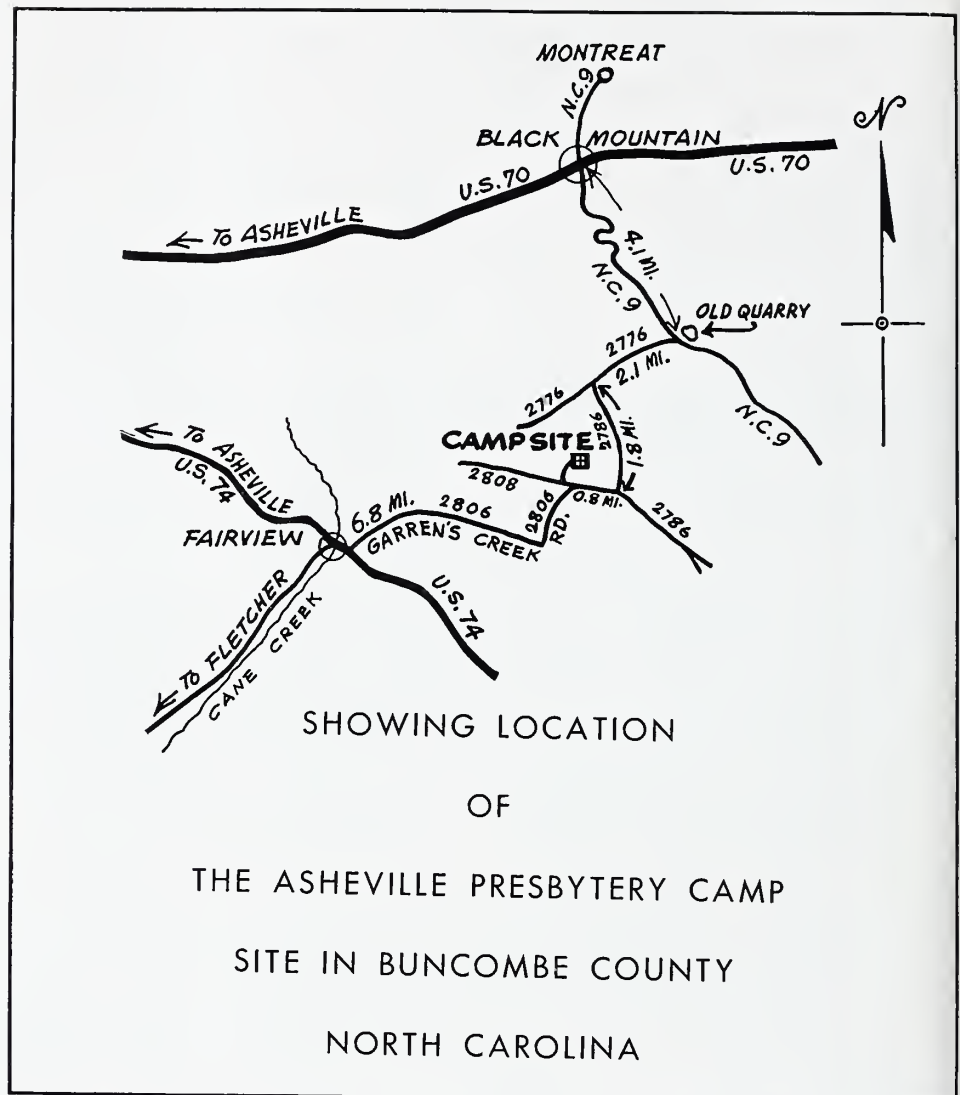

NATIONAL COUNCIL.

After extended debate the Assembly voted (318 - 126) to remain as a member of the National Council of Churches, but adopted a detailed statement, asking specific changes in the work of the National Council, and a report in 1966 as to what their response is to the requests.

AMENDMENTS

Final approval was given to four amendments to the Book of Church Order, which —

PRESBYTERIAN HOME NEWS

by The Superintendent

Wedding

One of our young girls, Elizabeth Haney who was admitted to the Home in 1957 and a senior at Owen High School was married to Roger Banks in the home of her mother April 23. Roger and Elizabeth had planned a June wedding but decided to be married when Roger was to be taken into the Army. The wedding was performed by Rev. James Worley and the bride had no attendants. The superintendent, Mrs. McKenzie and Mr. and Mrs. York with a number of the larger boys and girls were present at the wedding. For the time being they will make their home with the groom's parents in Swannanoa.

Seniors

Five of our young people will graduate from Owen High School June 4th, four boys and one girl. It is interesting to note how long these children have been with us. Jack Guthrie admitted 1951, Jimmy Bell, 1954, Robert Myers 1955, Elizabeth Haney 1957 and Mike Banks 1958. All of the boys are making plans to further their education, all but Jack Guthrie plan to enter Montreat college in the fall. Jack plans to enter art school at Central Art College in Charlotte, N. C. For the past six years we have had more boys in High School than girls but next year we will see a change, five girls will enter high school and not one boy. Those who hope to graduate from the eighth grade this year are: Dina K. Ballard, Janice McGuinn, Rosalie Guthrie, Thomasine Hall and Shelia Barnette.

Visitor

Joe Robinson spent Easter Sunday with us and was real happy with his teaching position at Wilson High School in Wilson, N. C. It makes all of us happy when our former boys and girls come back for a visit and we can see how well they have done.

Hikers

Fifteen of the boys from the church and the Home went on an overnight camping trip to Clingman's Dome in the Smokey Mountains on May 1st. The superintendent and Mr. Clarence Lyay senior high advisor for the young people at the church were the adult leaders. A wonderful time was had by all as we plan to do this more often this summer.

Campers

Billy Laughter and Johnny Guthrie will leave June 3rd for Camp Mondamin in Henderson County. This is the fourth year for both of the boys and they always look forward to the wonderful time they have at Camp. Mr. Frank Bell, Director of the Camp al-

ways gives good reports on the boys and say they make very good campers.

Farm

Now that the cows and pigs are gone the boys under direction of Mr. York kept very busy tearing down old buildings, fences and the like to make our campus more beautiful. We hope that in the near future a number of changes will be noticed on our campus that will please all of us. A great deal of work is going into our truck garden this year so that we will be able to freeze more of our food. The boys always take pride in the garden for they like to hear all of brag about the fresh vegetables when we are eating them in the dining room.

SPECIAL NOTE:

As reported in April, the Board of Trustees of the Presbyterian Home for Children authorized the sale of live stock. This was done under the supervision of the Farm Committee of the Board. — Editor.

McCALL

Presbytery, during the sessions of the Synod of Appalachia, at Tazewell, Va., on May 26th, a view to closing his Highlands pastorate the first of June, or shortly thereafter.

During his ministry in Highlands the local church with an all year membership of approximately 90, has found it necessary to have two services on Sunday, and has seen an attendance as high as 280 during the summer.

Another evidence of progress is the erection, practically paid for, of an educational and fellowship building, a picture of which was carried in OUR MOUNTAIN WORK in March. Mr. McCall was director of the Senior High Conferences of the Presbytery in 1964 and will be director again this year when the group meets at Montreat, June 7th.

The Brevard-Davidson River congregation extended a unanimous call to Mr. McCall, at a congregational meeting May 2nd. He will succeed Dr. Ben F. Ormand, who moved to Laurens, S. C., the first of April.

Mr. McCall is a native of Marion, N. C., the son of George S. McCall, an elder in the First Presbyterian Church there, for thirty-five years. He graduated from Davidson College and Columbia Theological Seminary, and was engaged in graduate work at Princeton Theological Seminary before coming to Highlands.

Mrs. McCall, the former Miss Linda B. Todd, of Huntington, W. Va., is a graduate of Agnes Scott College, Decatur.

MISS STRIBLING HELPS IN STARTING 12 CHURCHES

Miss Bessie May Stribling, church extension worker of the Presbyterian Church, U. S., with headquarters at Tazewell, Va., has had a share in the organization of twelve new congregations in Appalachia Synod in the past twelve years.

Miss Stribling has held this post for twelve years and has visited various fields within the bounds of the Presbyterian Synod of Appalachia in the interest of establishing new churches. In the past year she reported nine surveys

and saw three organizations effected.

These three were: Covenant at Johnson City, November 22, 1964; West Ridge, near Church Hill, Tenn., December 27, 1964; and Westminster in Knoxville, Tenn., February 7, 1965. In previous years organizations growing out of her work were effected in Lebanon, Castlewood and Fincastle in Virginia, one in Asheville, N. C., another (Shenandoah) in Johnson City, West Hills in Knoxville, two in Chattanooga, one in Cleveland and one in Gatlinburg.

Her work has also resulted in eight active "chapels" in each of four Presbyteries constituting the Synod of Appalachia. These are Abingdon in southwest Virginia, Asheville in western North Carolina, Holston party in North Carolina and partly in eastern Tennessee, and Knoxville in east central Tennessee.

Miss Stribling, a native of Westminster, S. C., is employed by the Board of Church Extension of the denomination and assigned to work in this synod. Her work is under the direction of a committee of which the Rev. W. F. Wadsworth, pastor of the Tazewell Presbyterian congregation is the chairman.

For the past several months Miss Stribling has been "loaned" to the Synods of Florida and Alabama. She was back in Appalachia and at the meeting of the Synod, May 25th, to make her annual report.

ABINGDON PRESBYTERY: Benjamin F. Williams.

ASHEVILLE PRESBYTERY: Robert Excell Fry, J. H. Gruver, J. V. N. Talmage, John R. Williams.

The Synod approved a Benevolence Budget for 1966 in the amount of \$791,567, asking the four Presbyteries to assume responsibility for proportionate amounts: Abingdon, \$86,520, Asheville, \$92,649; Holston, \$189,840 and Knoxville, \$422,558. In each case the total figure represents an increase of four percent over amounts actually given in 1964.

The total was assigned to particular causes in the following amounts:

ASSEMBLY AGENCIES:

World Missions	\$318,501
Church Extension	104,965
Christian Education	49,467
Ministerial Relief	46,747
General Fund Agencies	83,424
Interchurch Agencies	1,209
	\$604,313

SYNOD AGENCIES:

Theological Seminaries	\$21,500
King College	120,000
Church Extension	1,000
Christian Education	44,754
	\$187,254

Recognition was given to the approaching campaign for \$2,000,000 for King College, authorized last year, and to begin in the fall of 1965. This is to provide funds for a new men's dormitory, a new chapel, and additional enrollment.

In approving a program of Christian Education, the synod endorsed continued activity in support of local and regional programs for youth and adults, including the Youth Convention at Montreat, June 14-18; and the Men's Conference at Montreat, June 26, 27, and a continuing program on the campuses of six state colleges:

APPALACHIAN STATE TEACHERS COLLEGE, Boone, N. C.

CLINCH VALLEY COLLEGE, Wise, Va.

EAST TENNESSEE STATE UNIVERSITY, Johnson City, Tenn.

UNIVERSITY OF CHATTANOOGA, Chattanooga, Tenn.

UNIVERSITY OF TENNESSEE, Knoxville, Tenn.

WESTERN CAROLINA COLLEGE, Cullowhee, N. C.

(A report from the Presbyterian Guidance Program is found in another column of this issue.)

The Synod accepted an invitation to meet at Montreat in 1966, and received an invitation to come to King College in 1967. Both are in connection with anniversary celebrations. Montreat will celebrate the Sixtieth year as a Conference Center, and the Fiftieth year of Montreat-Anderson College in 1966, and King College will celebrate their cen-

SOMETHING TO THINK ABOUT WHEN STATISTICS TALK

Elsewhere in this issue of OUR MOUNTAIN WORK is a statistical table.

Read it carefully for it reveals:

An increase of \$300,000 in the total gifts of the members of Asheville Presbytery in 1964, over the year 1959. This represents a 40% increase in five years.

It is reported that the Presbyterian Church, U. S., in 1964, was the largest per capita giver of any denomination in the United States with 300,000 or more members.

But, Look Again! This time, not at dollars but at figures that stand for people.

The net gain in membership, is slightly more than 6%.

In fact, Asheville Presbytery has recorded a net loss in two of the five

years, and in three of the last six years.

The net loss in 1964 was twenty-one.

And the Sunday School enrollment has shown a gain of even less, slightly more than 5%.

These facts should cause deep heart-searchings on the part of 8,719 members of 34 congregations in Asheville Presbytery.

If the annual increase had been at least one for every Ruling Elder, it would have been three times as great in the last five years.

If the annual increase had been as many as the number of Ruling Elders and Deacons in the past five years it would have been six times as great as it was.

Stop and think!

Think on your knees!

JOHN JAMISON RECEIVED AS CANDIDATE FOR MINISTRY

John William Jamison, Jr., for the past year a student at Montreat-Anderson College, was received by Asheville Presbytery as a Candidate for the Gospel Ministry.

This action was taken at a called meeting of Asheville Presbytery during the session of Appalachia Synod, at Tazewell, Va., on May 25th. He is a member of the Montreat Church.

On May 29th, he was married to Miss Nancy Roberta Abel, daughter of Mr. and Mrs. Albert Abel of Waynesville, and plans to continue his studies at Belhaven College, Jackson, Miss., in the fall.

Mr. Jamison is a native of Marion, and the son of Mr. and Mrs. John W. Jamison, now living in Rota, Spain. The bride, of Waynesville, is a graduate of King College, and for the past two years has served on the staff of the First Presbyterian Church, Marion.

will return to Columbia Seminary as a resident member of the Senior class to complete his work there. For the summer he is serving as supply at the Presbyterian Church at Saluda, N. C. In connection with his supply work at Saluda he is assisting in the management of the camp of Kings Mountain Presbytery, located nearby.

SYNOD GUIDANCE PROGRAM SERVES 217 STUDENTS

The Vocational Guidance Program of the Synod of Appalachia served 192 students from 44 churches of the Synod during 1964, with 17 from colleges and 8 others.

This active program is geared to assist young people to recognize their potentials and find the vocation in which they can make their strongest Christian witness. It is under the direction of Rev. Ben F. Williams.

In 1964 the Synod authorized a "quiet" campaign to raise \$35,000 for a new building, much needed to enable the work to be carried on effectively and efficiently. King College is providing the land.

A report made at Synod indicates that there is still a need for some \$8,000 before work can start on the new building. The Committee is unwilling to let a contract until the total amount is in sight.

The report showed that contributions had been received from twenty churches in Abingdon Presbytery, nineteen in Holston, sixteen in Knoxville, and only one in Asheville. The one church in Asheville Presbytery having made a contribution at the time the report was made was the Sylva Congregation.

An average of one dollar from each member of Asheville Presbytery contributed NOW would make this much needed project a reality.

OUR MOUNTAIN WORK would like to report the names of Churches participating in this worthy project. Contributions may be sent to the Central Treasurer of Asheville Presbytery, marked clearly for this project. They will be recorded as gifts to Synod's "Non-Budgeted Benevolences" and credited to the church making the remittance.

Remittances received by July 10th, will be acknowledged in the July issue of OUR MOUNTAIN WORK and forwarded promptly to the Synod's committee.

GROUP AT HENDERSONVILLE WORSHIP AT NEW SITE

The group at Hendersonville, which has been holding regular services since February 21, 1965, under the ministry of Rev. E. C. Scott, D.D., held their first service in the residence recently purchased for that purpose.

Since February, services have been held in the Scout quarters, and the eight room residence at 1403 Fifth Avenue West, was purchased April 15th. Since that date renovations have been in progress, and the first services were held in the new building on May 30th.

According to reports the attendance at the first service at the new location was eighty-eight including fifteen in the nursery.

McCALL TO BE INSTALLED JUNE 27 AT BREVARD

Rev. G. Dan McCall, pastor elect of the Brevard-Davidson River Presbyterian Church, will be installed in the Brevard pastorate at 7:30 P. M., June 27th, by a commission of Asheville Presbytery.

At a called meeting of the Presbytery during the sessions of the Synod of Appalachia at Tazewell, Va., the pastoral relationship at Highlands was dissolved and permission granted to accept the Brevard-Davidson River call.

The Commission named to install Mr. McCall includes: Rev. Robert W. Gray, Chairman; Rev. A. Allen Gardner, Jr., D.D., to preach the sermon; Rev. Robert S. Busey, to charge the minister; Ruling Elder Lynn Crawley, to charge the congregation; with Ruling Elders T. H. Lamb and R. C. Hunter to complete the commission.

MISS STRIBLING SERVES HAYESVILLE COMMUNITY

Miss Bessie May Stribling, Church Extension Worker of Appalachia Synod, served the Hayesville church for a period of two weeks from May 29th to June 13th.

Miss Stribling, who is well known in Asheville Presbytery for her helpful work in several churches, was surveying the area of Clay County in and around Hayesville in preparation for the arrival of Mr. G. D. Russell, who will work there as Student Minister for 1965-1966.

She has other engagements in the Synod to keep her busy through September and it is hoped that she can return to Asheville Presbytery for further work early in the fall.

GARDNER HONORED BY KING WITH DOCTORATE DEGREE

Rev. A. Allan Gardner, Jr., for the past five years pastor of the First Presbyterian Church, Asheville, was given the honorary degree of Doctor of Divinity by King College.

The degree was conferred at the commencement exercises on May 30, 1965.

Rev. Robert S. Busey, pastor of the Grace Covenant Presbyterian Church Asheville, and a graduate of King College, preached the baccalaureate sermon at King on May 29th.

Warren Moves To Montreat

Rev. Paul F. Warren, D.D., formerly pastor of the Grace Covenant Presbyterian Church, is now associated with Church Finance Counselors, Atlanta, Ga., and has moved to Montreat to make his home and headquarters.

After leaving Grace Covenant Dr. Warren was the first pastor of the Albemarle Road Presbyterian Church Charlotte, until that pastorate was dissolved a short while ago to enable him to devote his time to this new field of service.

PRESBYTERIAN HOME NEWS

by The Superintendent

SCHOOL IS OUT

School was out June 4th, and all but two of our children were promoted. These two had entered in mid-year, and we felt that they would be better students if they had a chance to repeat the same grade.

Three students had special honors. Melanie Hyat finished the fourth grade with an "A" average. Two seniors, pictured elsewhere, received athletic honors.

SENIORS AT WORK

Four of the seniors who graduated are busy at work waiting to enter college in the fall. Mike Banks is working at Beacon Mills, Jack Guthrie and Jimmy Bell are at Kearfott, while Robert Myers is at an A&P store.

Libby Haney was married in April to Roger Banks, as reported in the May issue of OUR MOUNTAIN WORK. Jimmy, Mike and Robert will enter Montreat-Anderson College in the fall, while Jack plans to enter Charlotte Art College, Charlotte, N. C.

SUMMER ACTIVITIES

Sue Myers, Edward Myers, Steve Blankenship, Billy Laughter, Jerome Hill, Clifford Barnette and Ronald Hurst attended the Senior High Conference of Asheville Presbytery, at Montreat, June 7-11.

Many planned activities began June 14th.

On Tuesday and Thursday of each week all in grades one through seven will attend the Art and Crafts School sponsored by Beacon Mills. Monday, Wednesday and Friday classes will be held at the pool in advanced swimming.

The Little Boys look forward to Little League Baseball when we join with all the little boys from the valley to do battle on the diamond all summer long. We have a very good team this year and hope we can finish near the top. Our name for the team is "The Orioles".

IMPROVEMENTS

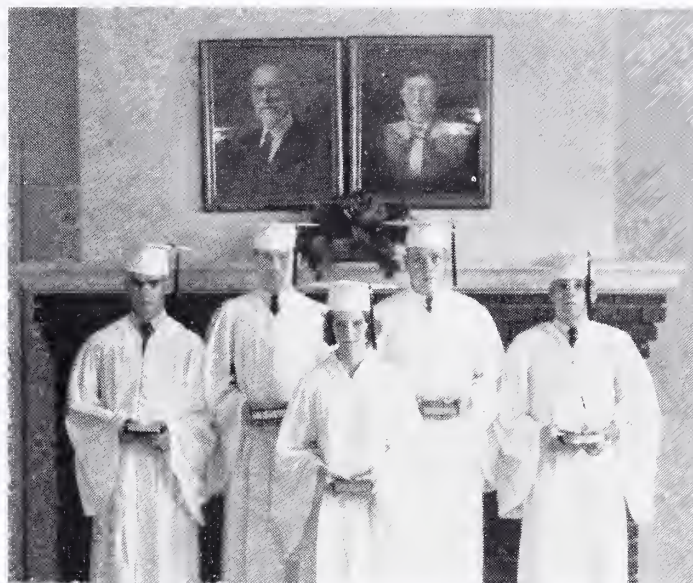

The big girls' living room is being repaired, thanks to the effort of Mrs. C. D. Thomas and Mrs. Clarence Trotti, and the permission of the Board of Trustees in May. This includes a new floor and renovated furniture. This is something the older girls have needed for some time, and they join me in thanking all who made this possible.

(The funds for this improvement were available from Memorial Gifts, used for this and similar needs not possible through the regular budget. See note also below. Editor)

COLLEGE STUDENTS

All of the college students are back at home, bringing good academic records. Annie Mae Thurston is working at Black Mountain, and Eddie Teeters at

These agencies are supported through the funds given for "General Benevolences" and do not receive supplementary offerings during the year. The Birthday Offering of the Women of Asheville Presbytery gave \$8,637.24 in the 1965 Birthday Offering.

This was almost three times the offering in 1964, which topped \$3,000.00 by a small margin, and is the largest Birthday Offering in the history of the Women of the Presbytery.

The total amount received through the General Assembly will be announced at Montreat, during the Women's Conference.

There are 3,316 women reported as members of the churches of Asheville Presbytery, and this gift is an average of \$2.60 each.

TED SMITH BEGINS WORK

He is the son of Rev. W. Ted Smith, a retired minister of Mecklenburg Presbytery, and is married to the former Miss Elizabeth Ann Holt, of Troy, N. C. He was in business for a number of years, before beginning work at Columbia, in preparation for the ministry. He was in the Air Force for nearly three years, principally as a flight instructor. After this he completed his work at Davidson College, and then for 15 years served as staff member and later manager of the tire and automotive departments for Sears in Charlotte.

Entering Columbia Seminary in January 1963, he has completed most of the work required for the Bachelor of Divinity Degree.

Mr. Smith is presently a member of the Cook's Memorial Presbyterian Church near Charlotte, where he is a Ruling Elder and was teacher of the Men's Bible Class. He supplied that congregation last summer while the church was vacant.

The Smith's have twin girls, Becky and Beth, age fourteen and a son, Ted III, age 6. They are living at the manse in Franklin, until another manse can be provided by the church.

He was received by Asheville Presbytery July 13th as a Candidate for the Gospel Ministry, subject to his completion of the work at Columbia Seminary and subsequent ordination and installation at Franklin. He will also serve the Morrison congregation.

ONLY SIX LAYMEN ATTEND SYNOD'S CONFERENCE

One, Two, Three, Four, Five, Six!

You can almost count the number of laymen from Asheville Presbytery in attendance on the Synod's Men's Conference at Montreat, June 26 and 27, on the fingers of one hand!

You can begin with the President of the Synod's Men's Council, a member of the Presbytery, and the President elect of the Presbytery's Men's Council. There were two — one from Black Mountain, Secretary-Treasurer of the Synod's Council, and one from Westminster — who were there for the full conference.

Two others, one from Montreat and one from Asheville First, were present for one session each.

The other three presbyteries did somewhat better, with nearly thirty coming from Knoxville. The total attendance was a little over sixty.

The officers for the past year were re-elected: Ivan Stafford, Montreat, President; J. M. Maddox, Black Mountain, Secretary-Treasurer; and Dr. Herman H. Pinkerton, Abingdon, Va., as Vice President.

Rev. Wayne Hauser, assistant pastor at Hendersonville First, rendered a significant service in charge of the music for the conference.

CHURCH WORLD SERVICE

Members of churches in Asheville Presbytery have been accustomed to send bundles of good used clothing for distribution by Church World Service. Such gifts are picked up periodically by the American Friends Society and taken to New Windsor, Md., for processing and distribution.

A special appeal is currently being made for cotton yard goods, sewing needles and thread for use by Vietnamese women refugees. Such gifts can be left at Plummer's Radio Service, 270 Biltmore Ave., Asheville. A contribution of ten cents per pound should be sent to Church World Service, New Windsor, Md., to cover the cost of processing and shipping these gifts.

PRESBYTERIAN HOME NEWS

by *The Superintendent*

VACATION THANKS

We would like to thank our many friends throughout the Presbytery who took our children into their homes for their vacation period. This is a wonderful time in the lives of the children and they always look forward to their summer. The children spoke of the wonderful times that they all had. In fact two families asked that two of our children be given more time so that they could finish Bible School in the churches. The children are all back now, looking forward to our Day Camp which will begin in August.

MONTREAT MUSIC CONFERENCE

Twenty-two of our young people will attend a Demonstration Choir Workshop in Montreat, July 22 - 29, a feature of the Montreat Music Conference. This work-shop is open to all young people from ages nine through twelve, and the fee for this is being provided by a sponsoring couple from our valley. We are very grateful that we can participate in this program for we have a number of boys and girls gifted in this type of work.

Those going from THE HOME include, Mary Lee Sparks, Bonnie Sparks, Sandra Giber, Susan Ballard, Cathey Stepps, Dona Jean Barnette, Melaine Hyatt Diane Barnette, Shirlema Elliott, Ava Lynn Elliott, Joyce Elliott, Steve Bates, Joe Banks, Gary Adams, Charles Anderson, Terry Robinson, Sammy Ballard, Keith Bates, Gene Guthrie, Steve Thurston, David Barnette and Ronald Steppe.

SUMMER TIME!

Summer time activities are in full swing, and of course what most youngsters look forward to are picnics. Hendersonville will be with us on August 1st. We go to Grace Covenant on August 19th, and we will have the Canton church with us on August 18th. A wonderful time is had by all as a large number always come from the churches.

AT W. C. C.

Edward Myers who has been in a special reading program at Western Carolina College is doing real well. The Superintendent has been over for a conference with his teacher who reports that Edward is making a great deal of progress. She says he is one of the hardest working boys in her summer program. We all feel that this will be of much help to Edward in his future studies.

SOFT BALL PLAYED HARD

A wonderful thing happened to our little boys in their first game after return from vacation. We had to borrow two players to finish out our team, and Lester Wright, son of Mr. and Mrs. W. Wright, pitched a no hit, no run game that our boys, The Orioles, a five to nothing victory over the Yankees. Lester has been playing with our boys for the last three years.

1966 BENEVOLENCE BUDGET
BASED ON 1964 RECEIPTS

Asheville Presbytery approved a Benevolence Budget for 1966, based on the actual gifts to causes in 1964, plus four percent.

This sets a figure before the churches that can be attained 100 Percent, on the basis of the experience of the past several years. It will give every cause the full amount they received in 1964, plus the increase, except THE PRESBYTERIAN HOME FOR CHILDREN.

This single exception takes into consideration the effort of the Board of Trustees to effect economies, and the anticipation of a small amount of income (From the R. J. Sprang Trust) not available in 1964. It gives THE HOME the same anticipated income from the churches as being received in 1965.

The Presbytery's Council reported plans for special promotion of stewardship in the churches, the details of which will be announced shortly, but which contemplate three area conferences for pastors, Ruling Elders and Deacons, and emphasis on an Every Member Canvass in November that will seek an increase in anticipated income in 1966 over 1965.

The amounts set for each cause are shown below:

bytery to attend a training school for Senior High Councils, at Camp NaCoMe in Tennessee, July 5th - 10th. The conference was set for planning work in local presbytery councils.

AT N. C. STATE

Billy Foster, a freshman at N. C. State (Raleigh) was one of the three boys from the valley to receive a sports award for participation in track at the college. Foster was an outstanding track star at Owen High and has made great progress since he has been at State. The coaches speak highly of him, and expect great things of him in the future.

THE CAMP COMES ALIVE AS
TWO CAMPS ARE HELD

Under the directorship of Rev. Gale D. Lammey, of the Oak Forest Church, the newly acquired camp site was activated in July.

Twenty campers from the 8th and 9th grades enjoyed five days, July 6 - 10, and eight sixth graders enrolled for a three day camp, July 15-17.

Under the leadership of Rev. Wm. R. Covin, strenuous efforts has been put forth to have certain basic equipment completed. The bath house (hot and cold water), a drilled well and eight hogans were planned to be ready in June.

The floors for eight hogans were constructed by volunteer groups from Asheville First, Oak Forest, West Asheville, and three teams from the young people at Bethel, where Mr. Covin is pastor.

It was necessary to combine a camp planned for the week of June 28th, with that of July 6th.

Assisting Mr. Lammey in the first camp were Mr. Covin, Rev. and Mrs. J. E. Bates, Steve Rollins and Jeff Editz of Bethel, and Miss Dianne Tweed of the Oak Forest Church.

Assisting in the three day camp were Mr. and Mrs. David Russell, Hayesville, Rev. J. D. Whitesides, Rev. Wm. R. Covin, Miss Cindy Potter, Westminster, Miss Dianne Tweed, Oak Forest, and Steve Rollins, Bethel.

The campers came from Asheville 1st (1), Grace Covenant (2), Bethel (2), Kenilworth (2) and Oak Forest (1).

PROGRESS AT MORRISON

The congregation at the Morrison Presbyterian Church continues to show vital interest in their work.

The last project to be completed was the drilling of a well and the installation of rest-rooms in their building on old US 441 about six miles south of Franklin. Through the years they have applied asbestos shingles to the exterior of their church, excavated for a basement, re-modeled the sanctuary, laid a new hard wood floor, improved their heating facilities and enclosed an old porch to give protection to their building.

The last project included the termite treatment of the building, and the drilling of a well. The well was dug by members of the congregation and community by volunteer labor and was finished just in time for the Church Bible School.

The school was conducted from 6 - 9 P. M. for a week, with an average attendance of 46, ages from two years through the eleventh grade. There were sixty-two present at a covered dish supper and commencement exercises on Saturday evening.

W. Ted Smith, Jr., is the pastor elect of the Franklin Church, and will serve the Morrison Congregation as a part of his ministry in Macon County.

COVIN RESIGNS AT BETHEL PLANS GRADUATE WORK

Rev. Wm. R. Covin has resigned his pastorate at Bethel, effective, August 31st, to enter Union Theological Seminary, New York City, in the fall for graduate study.

Mr. Covin came to the Bethel Church in Haywood County after graduation at Union Theological Seminary, Richmond, Va., in 1959, and was ordained and installed as the first resident pastor for that church.

He is a graduate of King College, a native of Ware Shoals, S. C., and was received by Asheville Presbytery on July 21, 1959, and examined for ordination.

During his ministry the Bethel church has taken on new life. The old building has been moved to a new position on the same lot, brick veneered and remodeled. Class rooms, rest rooms and a fellowship hall have been added.

Mr. Covin has been particularly active in the youth work of the Presbytery. He has directed several pioneer camps, and just this past year has directed the development of the permanent camp of the Presbytery.

He has served as a counsellor in the first camping group to use the Presbytery's camp, of which Rev. Gale H. Lamme was the director, reported elsewhere in this issue.

He was graduated from Union Seminary in 1959 and ordained on August 9th of the same year. He is also a graduate of King College where he received the degree of BA in 1956, and is a native of Ware Shoals, S. C.

BATES, NICHOLS CANDIDATES FOR GOSPEL MINISTRY

Henry C. Bates and Herman Gudger Nichols, Jr., were received as Candidates for the Gospel Ministry, at the July meeting of Asheville Presbytery.

Bates, a son of Rev. and Mrs. J. E. Bates, is a recent graduate of the University of Georgia, at Athens, Ga., and plans to enter Columbia Theological Seminary, Decatur, Ga., in the fall. He is a member of the Kenilworth Presbyterian Church, Asheville, of which his father is the pastor.

Nichols, a son of Mr. and Mrs. Herman G. Nichols, Asheville, is a member of the First Presbyterian Church, Asheville, will be a senior at Columbia Seminary in the fall. He is a graduate of Presbyterian College, Clinton, S. C., and has been a student at Columbia for the past two years.

GRAY ACCEPTING CALL TO ORLANDO, FLA. WORK

Rev. Robert W. Gray, pastor of the Black Mountain Presbyterian Church since the summer of 1960, will begin work in a new pastorate in Orlando, Fla.

Mr. Gray came to Black Mountain in June, 1960, and was installed pastor there on August 6, 1960. Since coming to Black Mountain he has also served on the faculty of Montreat-Anderson College, as professor of Bible.

He came to the Black Mountain pastorate from Mullins, S. C., and went to the Park Avenue Presbyterian Church, Orlando, Fla. He was dismissed at a called meeting of Asheville Presbytery, on June 25th and received by St. John's Presbytery (Fla.), on June 29th.

Mr. Gray preached his last sermon as pastor of the Black Mountain Church on July 11th. He and Mrs. Gray were honored at a reception on the afternoon of the 11th, and will move to Florida later in July.

Since coming into Asheville Presbytery, Mr. Gray has been active as a member of the Presbytery's Council, in youth work, particularly in Senior High Conferences, and as adult advisor, and was a member of the Board of Trustees of the PRESBYTERIAN HOME FOR CHILDREN.

UNION PLANS PROGRESSING

The General Synod of the Reformed Church in America voted to instruct the Joint Committee of their church and the Presbyterian Church, U. S., to begin drafting a Plan of Union for possible submission to the two churches in 1968.

Similar action was taken by the General Assembly of the Presbyterian Church, U. S., in April.

Rev. B. Hoyt Evans, of Asheville Presbytery, is one of the twelve representatives on the joint committee representing the Presbyterian Church, U. S.

OFFICERS OF MEN'S GROUPS SHOULD BE ELECTED NOW

Arthur H. Matthews, President-elect of the Men's Council of Asheville Presbytery, issues the urgent request that all local groups elect their officers during the summer.

He will succeed Robert H. Hunter, currently president of the council, in October, when new officers are expected to take office.

Plans are now being made for a training session for new officers, to be held sometime in September. Outgoing officers are requested to send the names and addresses of all new leaders to E. C. Conrad, 1412 Patton Ave., Asheville, N. C. 28806. Mr. Conrad is Secretary of the Presbytery's Men's Council.

PRESBYTERY GIVES NEEL RETIREMENT STATUS

Rev. W. C. Neel, pastor of the Etowah Presbyterian Church since, the summer of 1962 was granted Honorable Retirement effective in September.

He was also granted a letter of dismissal to Bethel Presbytery in South Carolina. Mr. and Mrs. Neel plan to make their home in Rock Hill.

Mr. Neel accepted the call of the Church Extension Committee and of the Etowah church and was received by Asheville Presbytery in July of that year and installed at Etowah there the same month.

An outstanding accomplishment of the congregation under Mr. Neel's leadership was the erection of a manse, into which Mr. and Mrs. Neel moved into the new manse on December 31, 1963. They have contributed much of their time and talent in beautifying the surrounding grounds.

He has been the first resident pastor for this congregation which is located, half way from Hendersonville to Brevard on Highway 64 in a rapidly growing area.

During the ministry of the late Rev. R. L. Torrence, who supplied the church from Asheville, the present church building was erected. The congregation worships in what they plan eventually to use as a fellowship hall when a permanent sanctuary is constructed.

Before coming to Etowah, Mr. Neel was pastor at Saluda, N. C., in King Mountain Presbytery, of the Synod of North Carolina. He will continue to serve the Etowah congregation until his retirement.

S. W. BLACK DIES AFTER A LONG SERVICE TO CHURCH

S. W. Black died in Bryson City, on June 29, 1964, after a brief illness, and at the age of eighty-nine.

Mr. Black had been a Ruling Elder in the Bryson City Church for 55 years and was clerk of the session there for 50 years, and Superintendent of the Sunday School for 40.

Several years ago he erected the present educational building as a memorial to his wife who had been active in many phases of the church life. It is named the Marianna Fischer Black Educational Building.

In the next issue will be a picture taken in April 1916 of those in attendance at a meeting of Asheville Presbytery. The minutes of that meeting list the name of "S. W. Black" as the representative from the Bryson City Church.

An article had been written for this issue of OUR MOUNTAIN WORK claiming him as the only member of the group known to be living today. It was already in type at the time of his death.

PROPERTY PURCHASED, AND EXPANSION PLANNED

sible that one residence on the new property acquired can be re-modeled and used for a manse. If so, the net cost of the new property, may be as little as \$25,000.

Involved in the development of the project will be cost of remodeling the house on the new site to make it suitable for a manse, and providing facilities for Worship Services by the Cullowhee Congregation. The residence on the other piece of property, being purchased, can serve temporarily for the Student Center.

It is conceivable that the entire project could cost a minimum of \$100,000, to provide adequate facilities for the work, now under way under the ministry of Rev. Stanley L. Bennett, who has been there on a full time basis for nearly a year. This would be in addition to the \$25,000 needed to pay for the property in full.

Western Carolina College has a current enrollment of some 2,300 students, of whom 200 are Presbyterian. With the opening of the two new dormitories, the enrollment will exceed 3,000 and the number of Presbyterian students will increase proportionately. There is some consideration being given to further expansion at the college and if so the student body and opportunity for service will be still further enlarged.

1945

As early as 1945 group meetings were held with students at Western Carolina College. The Executive Secretary, as opportunity permitted. When the work at Cullowhee took on new life under the ministry of Rev. W. H. Wakefield a larger service was rendered to the students there. Rev. R. R. Collins, who succeeded Mr. Wakefield, expanded the work even more.

1965

During the pastorate of Rev. D. P. McGeachy, III, the present Student House was purchased with funds from the Presbytery, Synod and General Assembly, supplemented by contributions from the Sylva congregation. It is fully paid for, and substantial improvements to the property have been made under the leadership of Rev. J. D. Whitesides, at Sylva.

The present Student House is a converted residence located on the old N.C. Highway 109 which went through the college campus. It is on the northern end of the road, and at the extreme edge of all "campus activities".

The new location is in the heart of the campus where students will pass the property daily, and will afford an even greater opportunity for service.

Asheville Presbytery approved the goal of \$15,000, to be set for the Church Extension Offering in October, to aid in this project.

The promotion committee of the Church Extension Committee is in charge of the presentation of this appeal to the churches in October, and announcements will be made shortly of plans for this challenge.

This project is considered one of the most urgent and significant ever to face the Presbyterians of Western North Carolina. OUR MOUNTAIN WORK will continue to keep readers informed about the progress there.

DR. SCOTT MAKES SPECIAL CONTRIBUTION TO WORK

Dr. E. C. Scott, of Atlanta, has rendered a signal service in connection with the development of the congregation to be organized, August 29th at Hendersonville.

He retired from the office of Stated Clerk of the General Assembly in July 1959, after serving in that capacity (and as assistant clerk) for thirty-three years. Since 1959 he has served as interim minister in a number of fields.

On February 14th he came to Hendersonville, with the idea of staying approximately three months. His zeal and enthusiasm has kept him active (he has only missed two Sundays in the period) for over six months.

WOMEN ADAPT SCHEDULES
TO FIT NEW PLAN

The Women of the Church of Ashe-
ville Presbytery are changing the time
of their annual meetings and of their
district meetings.

These changes do not affect the local
Women of the Church, whose year will
close as usual in the fall.

The plans have been made to enable
more adequate training of in-coming
local officers in the fall.

District Meetings will be held in the
fall of 1966, but not this fall. Details
as to places and programs will be an-
nounced later.

The Annual Meeting of the Women
of the Presbytery will be held at Grace
Covenant Presbyterian Church on April
14, 1966.

The Presbyterial Council will meet on
October 19th at 12:30 P. M., at Bailey's
Cafeteria, Westgate.

The emphases of the women for the
remainder of 1965 include Christian
Education in September, Church Exten-
sion in October Stewardship and Pres-
byterian Home in November and Min-
isterial Relief in December.

In 1966 the causes of Church Exten-
sion and World Missions will be com-
bined in one "Season of Christian Wit-
ness" from January through Easter. This
will be under Personal Faith and Family
Life, Christian Community Action and
Ecumenical Missions and Relations
Committees.

The work year for the Church begins
in October, and the emphases for 1965-
1966 are reflected in the theme for the
"General Programs", "God's People —
The Church in the World." This in-
cludes the Women and all other local
organizations.

The Bible Study for circles 1965-1966
will be "The Early Church in Action."

The present Presbyterial officers
(members of the Council) will continue
in office until the time of the annual
meeting in April 1966, instead of going
out in October 1965.

THIELMAN TO VIET NAM

Rev. Calvin Thielman joined a group
of news men on a "look-see" mission to
Viet Nam for ten days in August.

Ben Hartley, Associate Editor of
Presbyterian Survey, the official maga-
zine of the Presbyterian Church, U. S.,
was one of the group. He will unof-
ficially represent Presbyterian Life (UP
USA magazine), *The Church Herald*
(Reformed Church in America), *United
Church Observer* (Canadian publica-
tion), *The Episcopalian*, *These Times*
(Seventh Day Adventist), *Christian Cen-
tury*, and *Associated Church Press*.

The group left on August 14th.

Thielman is pastor of the Montreat
Church, and recently made a visit to the
armed forces in New Foundland and
Laborador.

CHURCH WIDE EMPHASIS FOR
CHURCH EXTENSION 1965

SPANISH

SPEAKING

AMERICANS

There are 7,000,00 Spanish speaking
Americans in the United States, of whom
5,500,000 are not related to any church,
Roman Catholic or Protestant.

In Texas, the Spanish Speaking pop-
ulation has increased 131% in the past
seventeen years.

In North and South America practi-
cally every individual can be reached
through the use of English, Spanish or
Portuguese.

There are 38 Spanish speaking con-
gregations in the Synod of Texas, with
a total constituency of only 3,082.

The *Presbyterian Pan American School*,
Kingsville, Texas, offers an education
to those over fourteen. It is made pos-
sible through the ministry of the Board
of Church Extension. The total cost
is \$705.00 per student, but obviously
many scholarships are needed to serve
those who would attend.

A part of the Church Extension Of-
fering, October 17th, will go through
the Board of Church Extension for the
support of this work.

Local churches and groups should
have for promotion this fall:

"The Presbyterian Church and Span-
ish Speaking Americans," a folder with
basic information and description of
"Resource Materials", including audio,
visual material for programs.

A four page leaflet with the same title
and condensed statement of facts.

"The Church Working at Home", a
more general statement of the total work
of the Board of Church Extension.

Order from Board of Church Exten-
sion, 341 Ponce de Leon Ave., Atlanta,
Ga. 30308

Do not order envelopes. These will
be furnished. A definite part of total
contributions made through the local
Church as a supplementary offering for
Church Extension will be forwarded to
the General Assembly's Board. The
part retained for use in Asheville Pres-
bytery will be for property purchas-
and development at Cullowhee.

RALLY DAY—SEPTEMBER 26

Christian Education week, September
19-26, is to be observed throughout the
General Assembly, closing with the rec-
ognition of "Rally Day" on September
26.

"Sunday School Superintendents will
receive information about materials,"
writes Dr. Marshall C. Dendy, Executiv
Secretary of the Board of Christian Ed-
ucation.

The supplemental offering on Rall
Day is a part of the annual support o
this phase of the work of the Gener
Assembly. The theme this year is "Th
Whole Church Ministers to Children."

RULING ELDERS: D. S. Watson, Asheville; W. H. Cole, Hazelwood; A. V. Halliburton, Canton; J. R. Gray, Morrison; T. M. Slagle, Slagle Memorial; C. C. Lord, Montreat; J. P. Wilson, Black Mountain; A. P. Burgin, Ora Street; S. W. Black, Bryson City; A. C. Cagle, Waynesville; Dr. A. H. Money, Hendersonville; E. W. Blythe, Brevard; R. L. Gash, Davidson River; W. A. Osborn, Oak Dale.

Quotes From Minutes

A communication from Rev. T. H. Law, D. D., regarding the Jamestown Exposition debt, was laid on the table.

The following Ministers . . . were received into this Presbytery: Rev. W. J. Sechrest . . . Rev. Geo. F. Mason . . . Rev. T. E. Simpson . . . and Rev. John R. Hay.

The Special Committee to Revise the Manual reported the revision completed, but that for lack of funds same had not been printed.

All the mission fields in the Presbytery, except Hayesville, have been supplied with preaching for at least part of the year.

Your committee finds the Balfour Orphanage account correct and most commendable and a marvel for economy . . . We find the report of the Treasurer, Rev. R. P. Smith, to be correct, showing total receipts of \$15,775.64, disbursements of \$15,285.49.

The following churches have made the Every Member Canvass for this year: Swannanoa, Canton, Brevard, Oak Dale, Ora Street, Slagle Memorial, Asheville 1st, Black Mt., Montreat.

Your committee would recommend that all the churches adopt the General Assembly's plan of an annual Every Member Canvass.

Committees were appointed: To install Rev. John R. Hay at Brevard and Davidson; Rev. T. E. Simpson at Hendersonville; Rev. Geo. F. Mason at Waynesville.

Respectfully answering the question of the Asheville Presbyterial, we cautiously advise against permitting women to address mixed audiences, and continue a deaf ear to the allurements of the tendency to woman's suffrage.

Our Presbytery has given to the Foreign work the sum total of \$2,676.00. Only 21 churches shared in this, and your committee recommends that non-contributing churches in the Presbytery wake to their high privilege and responsibility and take immediate steps toward contributing something to this important cause.

The Presbytery of Asheville tenders to the First Church, Asheville, her pastor, officers and congregation, a rising vote of most hearty thanks for the gracious and bountiful hospitality extended to us during our stay. . . . Especially do we appreciate the very generous invitation which made it possible for so many of our church workers to come and participate . . . and become better acquainted with the workers throughout our round.

Statistics: Churches 29; Ruling Elders 80; Deacons 78; Added on Examination 208; Added on Certificate 183; Resident Members 911; SS Enrollment 2,403; Contributions: Benevolences \$10,342; Pastor's Salaries 10,205; Other \$19,850.

NOSTALGIA! Nearly Fifty Years Ago! How Styles Have Changed!

The official roll of Asheville Presbytery in April 1916 is printed in the adjacent column. The picture includes visitors as explained in "Quotes From Minutes". Our August, 1965

MOUNTAIN WORK would like to have identification of various individuals, particularly if living today. S. W. Black, Bryson City, enrolled at that meeting, died June

29, 1965. A copy of this picture may be seen at the First Presbyterian Church, Asheville, and another is in the office of the Executive Secretary.

WILL YOU BE ONE?

A unique service proposed by the Board of Christian Education has wide possibilities.

"Volunteers for Service" is an effort to find places where volunteers can serve on a one or two year basis, and to find volunteers who would like to render this service.

The announcement made by Rev. H. Davis Yeuell, Administrator writes:

"Our first task is to discover those agencies and institutions in the Church whose personnel needs could be partially met by a one or two year volunteer, and who would be willing to accept a volunteer.

"Volunteers for Service will be recruited and screened in terms of Skills or knowledge which they have to offer to a particular institution or agency".

"Room and meals, and a monthly allowance of \$25.00 will be provided". Provision will be made for transportation expenses to and from the field, and medical and accident insurance will be provided.

Churches, institutions or individuals interested should write, Rev. H. Davis Yeuell, P. O. Box 1176, Richmond, VA 23209.

Baseball Champs

Our little boys are walking around with heads too large for their caps and they have every right to do so. Since returning from vacation they, "The Orioles", have won eight out of ten ball games in the Beacon Little League and have finished in a tie for second place.

They went into the playoffs and defeated the Giants 7-0, and the Red Sox 4-3, before losing to the Cards 6-5 for the playoff champs.

Some of the outstanding boys were Donald Hill who led the team hitting with a .325 average, Sammy Ballard who was one of the outstanding catchers in league and David Barnette who is one of the smallest boys in the league who pitched four games and won them all. A salute goes to all the others who played so hard and made every one so proud of our team.

We are looking forward to next year when we again will have a fine group of boys, as we will lose only three from this year's team.

W.O.W. Girls

Two of our younger girls left the 10th of August for a week at Myrtle Beach. These girls are active members of the youth group of the Woodmen of the World. Brenda Steppe and Sandra Laughter were awarded the trip for outstanding service in this organization. They both have been members for three years and have been awarded their service pins for not missing a meeting and for service to the community.

And Now Football

Football season is just around the corner and for the first time in many a year we will have only one boy from THE HOME to represent us. Edward Myers, a rising senior, will be on the team for the third straight year. We have had some fine boys representing THE HOME in all phases of the sports program at Owen High, and Edward will have to do it all this year.

If all goes well we will again have five seniors who will graduate next year. In addition to Edward Myers, there will be Sue Myers, Linda Thurston, Steve Lankenship and Eddie Beck in the graduating class.

Canning and Freezing

The girls in the kitchen, under Mrs. Mary Nesbitt, have been very busy during the past month with their canning. The freezers are filled up with green beans, limas, squash and corn. The girls put up 64 quarts of tomato juice in just one day.

Our garden has been expanded since we did away with live stock, and it is paying off. Mr. York says that this year's potato crop is the best that we have had in over seven years. We will have plenty for the winter and even into next year.

We are so proud of the looks of the

DR. SCOTT MAKES SPECIAL CONTRIBUTION TO WORK

to be organized on August 29th, he will give up the work at the end of August as he sees the culmination of his efforts in the actual organization.

During his ministry he has conducted classes for instruction of members being admitted to the new church on Profession of Faith, and in the training of prospective officers of the church. He has always been cooperative in the planning and promotion of the work, and will be remembered for the "ground-work" he accomplished to make the new church possible.

Announcement will be made of the pulpit supply for September 5th and 12th, in anticipation of the arrival of Rev. Hugh L. Eichelberger, Jr., to become minister in this field on September 19th. Mr. Eichelberger's installation as pastor will await action of Asheville's Presbytery in October, when he will be examined for membership in the Presbytery.

SUSAN IS HOSPITALIZED

Susan McKenzie was in the hospital for an operation earlier in August.

Friends of the Superintendent and his family will be glad to know that she is recovering nicely.

campus this summer. So many of our friends who come to visit with us see the many changes that have taken place and how beautiful the grounds look. The boys take special pride in keeping the campus in trim condition. We have worked harder this summer than ever before to make our Home a beautiful place in the valley.

We Miss Mr. Gray

All of us at THE HOME were very sad to learn that we were losing our friend and pastor, Rev. R. W. Gray. Mr. Gray meant so much to all of us and we will miss him and his fine family. The children always looked forward to his coming out and having devotions with them and his participation in our Day Camp program, which he started the first year he was in Black Mountain. We all join in wishing him well in his new work.

Mrs. Wallace Leaves

Mrs. Tippie Wallace has resigned after ten years at THE HOME. She was housemother for the larger boys. Because she wished to be near a sister in Eastern N. C., she has taken employment in the Odd Fellows Home in Goldsboro, N. C. We wish her well in her new assignment and thank her for the years she has served us here at THE HOME.

EICHELBERGER WILL SERVE AS PASTOR OF NEW YORK

and to assume his work there the middle of September.

He will be examined for membership in Asheville Presbytery at the October meeting, at Montreat. The group expects to join in the formal call after organization, and installation will be subject to action by the Presbytery.

He is a native of Clinton, S. C., and a graduate of Presbyterian College, at Clinton, and of Columbia Theological Seminary, Decatur, Ga. He was ordained and installed at Rock Church, by South Carolina Presbytery, and served there for two and one half years before beginning a year of clinical pastoral training at Grady Hospital.

He was married to the former Miss Patricia Dickson of Anderson, S. C., in December 1955. They have three children, Sandra Elizabeth, age 7, Julia Leigh, age 5, and Anne Miriam, age 2. A manse will be rented in Hendersonville, and Mrs. Eichelberger and the children will move in time for school opening.

AUGUST 29TH IS DATE SET TO ORGANIZE CHURCH

Asheville Presbytery in July for organization, submitting over fifty names as prospective charter members.

Asheville Presbytery approved the petition and named a commission on which Rev. W. G. Thomas, D.D., Chairman of the Church Extension Committee of the Presbytery, which has been sponsoring the project, will serve as chairman.

The first meeting, held February 14th, grew out of an extended joint study made by the Session of the First Presbyterian Church, and the Presbytery's committee, following two surveys made by workers of the Board of Church Extension of the General Assembly.

Names on the petition for organization include seventeen from the First Presbyterian Church, Hendersonville, three from Mills River, two from the First Presbyterian Church, Asheville, and twenty-two from thirteen congregations outside the bounds of Asheville Presbytery.

Rev. Leroy Secrest, Chairman of the sub-committee in charge of the work, has been asked to preach the sermon. Rev. R. E. McClure, executive secretary of the Presbytery is the other minister on the commission.

Ruling Elders on the commission are from the session of the First Presbyterian Church, Hendersonville, namely, Cal Kuykendall, Ted R. Ray, and Dr. R. A. Porter.

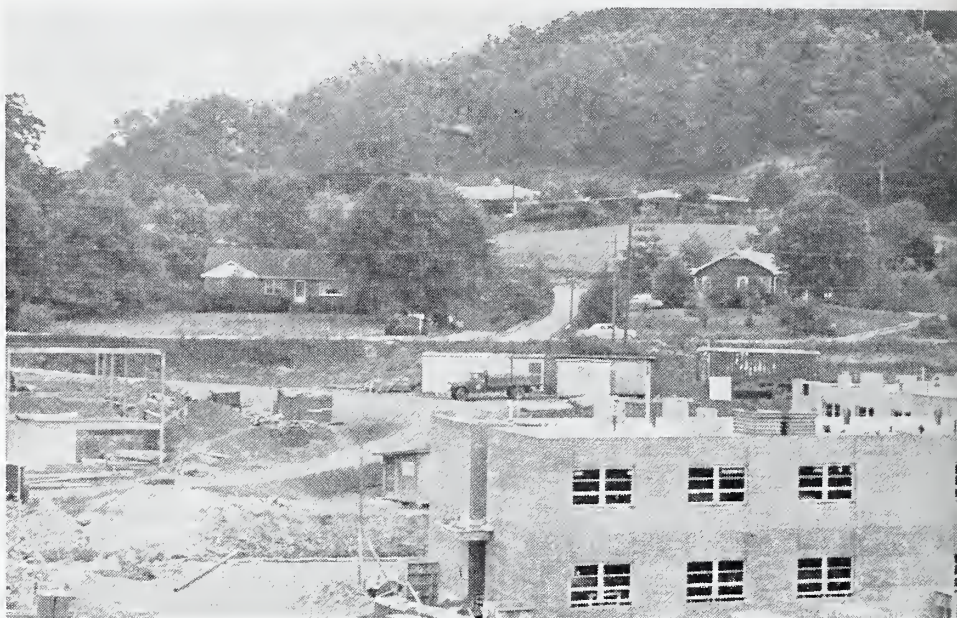

The name of the new congregation will be determined at the time of organization.

"FRIENDSHIP" DID IT

In 1907, Mr. and Mrs. E. D. Lansing,
as members of the Montreat Presbyte-
rian Church, were leaders in starting a
Sunday School just outside the Mon-
treat gate.

This gesture of Christian "Friend-

through the years, and in time Rev. W.
H. Armstead began a ministry there on
a voluntary basis. His work was re-
warded when the group was organized
on July 11, 1948, and he was chosen the
first pastor of the Friendship Presbyte-

CHURCH EXTENSION

They talked to a number of Presby-
terian Faculty members and others in
the community who are potential mem-
bers of a church there.

They faced the strategic need for mon-
ey to finish paying for the property and
begin construction of adequate facilities.

They learned that the student body
at WCC will be nearly 4,000 within a
few years. Dormitories for 800 girls
are under construction just across the
road from the property purchased.
When this figure is reached there may
be as many as 400 Presbyterians.

They were told that serious studies
are being made of the best facilities for
the work, and when funds are available
a sanctuary and other needs will be met.

They heard that Asheville Presbytery
had given official approval to a MINI-
MUM goal of \$15,000 for the Church
Extension Offering, to be received in
every church in Asheville Presbytery.

They received information to take
back to their churches, and brochures
for local distribution, together with en-
velopes to encourage full and generous
participation in this offering.

Those who could not attend the Cul-
lowhee gathering are referred to past is-
sues of OUR MOUNTAIN WORK, copies of

important work is earnestly asked.

HAZELWOOD SENIOR HIGH AT
MONTREAT FOR WEEK-END

With Samuel I. Smith in charge of
arrangements, members of the Senior
High Fellowship of Hazelwood were at
Montreat over the week end of Septem-
ber 12th.

The group worshipped at the Swan-
nanoo Presbyterian Church on Sunday.
Mr. and Mrs. Darwin Jordan were adult
advisors for the young people. Rev.

bytery on October 17th, will go to the
Cullowhee work.

Twenty Percent will be sent for use
throughout the General Assembly.

Student Work is strategic in every
situation.

It is the challenge and opportunity
that faces Asheville Presbytery TODAY
at Western Carolina College.

Rev. Stanley L. Bennett is the min-
ister in charge, under the direction of
the Campus Christian Life Council of
the Synod of Appalachia, in his ministry
to students, and under the direction
of the Church Extension Committee of
Asheville Presbytery, in his ministry of
building a local congregation.

These activities have so much in com-
mon that it is truly a joint ministry.

The Campus Christian Life Council
has made possible the present "Studen
Center", which will continue to be used
until sold, with the proceeds to be used
for better facilities on the new site.

There is a real need for over \$100,000
for property and building.

A Fifteen Thousand Dollar offering
on October 17th, will be a start, but
only that.

There is an opportunity for large
gifts, memorials, special projects, and
real investment in the lives of young
men and women in training for leader-
ship in the world of tomorrow.

With the sacrificial help of many
this work can be done.

For further information ask any Min-
ister in Asheville Presbytery, consu-

or contact the Executive Secretary, 2

The Church At Work

At Home And Abroad

An individual was heard to remark, "Presbyterian officers do not seem to know what Benevolences is all about."

"Benevolences" is a term used so casually and sometimes carelessly that its true significance is lost.

It is a general term to include the total program of the Church, outside the local congregation, recognized as Foreign Missions, Home Missions, Ministerial Relief and Christian Education. On the Presbytery level it includes the support of a Home for Children. It includes gifts for certain educational institutions, for Asheville Presbytery: King College, Davidson College, Montreat-Anderson College, Union Theological Seminary, Richmond, Va., and Louisville Presbyterian Theological Seminary, Louisville, Ky.

The General Assembly recognizes "foreign missions" as "World Missions" and relates many phases of work at home under the name of "Church Extension".

Other phases of the work of the General Assembly are recognized as that of The General Council, The Board of Women's Work, the support of two educational institutions, Stillman College and the Presbyterian School of Christian Education, and certain agencies contributing to the life of the Church and her ministry to the world.

These include The Mountain Retreat Association, the Ministry of Radio, Television and Audio-Visuals, The Historical Foundation at Montreat (for the preservation of historical records), the Presbyterian Foundation at Charlotte (to receive and administer funds received by gift, legacy, annuity or endowment for agencies of the Church), and the American Bible Society.

There are lesser appropriations to the National Council of Churches, the World Council of Churches, Religion in American Life, and the World Alliance of Reformed Churches.

The budget in the local congregation, Presbytery and General Assembly supports these "Benevolence Agencies" and local treasurers are requested to remit all contributions through the office of the Central Treasurer of Benevolences, 26 Church Street, Asheville, N. C.

Some gifts are for specific causes, and every dollar so given goes directly to the cause. (The Presbytery has a fund to absorb ALL clerical expense and there is never any deduction from such a gift.)

Over \$100,000 has been received since January 1, 1965 for use for the benefit of the entire group of causes. This money was disbursed as directed by the Presbytery.

REPORT CENTRAL TREASURER TO SEPTEMBER 10, 1965

GIFTS ON LOCAL LEVEL THROUGH AUGUST, EXCEPT

WHERE NOT FORWARDED BY ABOVE DATE

In January 1965 Asheville Presbytery determined on the basis of reports from the Churches — the amount (\$219,152.00) that could reasonably be expected in 1965 in support of the work of the Presbytery, Synod and General Assembly.

The Presbytery approved the division of such receipts on a basis which would disburse all funds designated to any cause without exception and without any deductions there from. All "undesignated" funds received were to be disbursed so as to enable each cause to receive during the year the amounts shown below.

The Central Treasurer has received and disbursed a total of \$123,352.96 through September 10, 1965, and each cause has received the amount so reported below (in column two). For all practical purposes this represents the giving of the local church for the first eight months of the year.

There are certain comments that should be made with reference to "Supplementary Offerings" still to be made. Causes still to receive such "Supplementary Offerings" are indicated by (*) below.

Totals	\$219,152.00	\$123,352.96

Supplementary Offerings for World Missions were taken in the Spring. Other offerings scheduled for the Fall will increase the receipts of the cause affected.

CHRISTIAN EDUCATION in the Assembly, will receive the "Rally Day" Offering, September 26, 1965. In 1964 this amounted to \$639.05.

CHURCH EXTENSION in the Assembly, will receive 20% of the contribution made in the local Congregations in the offering on October 17, 1965. In 1964 this amounted to \$1,126.89.

CHURCH EXTENSION in the Presbytery, will receive 80% of the contribution made in local congregations in the offering on October 17, 1965. In 1964 this amounted to \$4,504.12.

PRESBYTERIAN HOME will receive the Thanksgiving Offering. In 1964 this amounted to \$15,753.92.

MINISTERIAL RELIEF will receive the "Joy Gift" Offering on December 19, 1965. In 1964 this amounted to \$6,201.22. (It has been learned that at least one Church Treasurer remitted their offering directly and not through the Central Treasurer.)

There is every reason to believe that each cause will receive the total indicated above before the end of the year on the basis of the response of the Churches for the first eight months.

For proper distribution of the funds available it is important that all funds contributed locally for any of the agencies listed above be sent through office of the Central Treasurer of the Presbytery, whether designated for a particular cause, or sent for distribution as directed by the Presbytery.

All supplementary or designated contributions should be forward promptly to Central Treasurer, 26 Church Street, Asheville, N. C. 28801

Funds received by the 10th of October will be disbursed on the 12th and immediately put to work. Remittances received after the 10th are delayed until the 12th of the following month.

On October 5th, at the Grace Covenant Presbyterian Church, and on October 7th, at the Hazelwood and Arden Presbyterian Churches there are to be meetings for Ministers and Church Officers to consider the challenge of, and the stewardship responsibility of the in-

dividual church-member.

The Every Member Canvass in the local congregation, on November 14th, gives the individual church member an opportunity to dedicate what he is and has to the work of the Church — at Home and Abroad.

REV. CARROLL RICHARD STEGALL 1891 - 1965

Rev. Carroll Richard Stegall, a retired minister of Asheville Presbytery, died August 14, 1965, after a brief illness.

His last pastorate, just prior to retirement in 1961, was at the Friendship Presbyterian Church, between Black Mountain and Montreat. During this pastorate he was instrumental in tripling the giving of the church to current expenses and benevolences, and in leading in construction of a new church plant with a value in excess of \$50,000.00. The membership of the church grew under his ministry from 111 to 180 in a pastorate of six years.

Mr. Stegall was born in Chattanooga, Tenn., January 21, 1891, and after graduation from the Biblical Seminary in New York, in 1915, he went as an industrial missionary to the Congo, where he served for thirty-five years. During this time he introduced electricity, water systems and radio communications in many of the stations. He was ordained by Atlanta Presbytery during his furlough in 1923, serving the last twenty-seven years as an ordained missionary.

Upon his retirement from the mission field in 1950, he served as Associate Pastor of the St. Andrews Covenant Church, Wilmington, N. C., and as Pastor of the Eastern Heights Church, Savannah, Ga. He came from Savannah to the Friendship pastorate.

He was married to the former Miss Sarah Valdes, of Havana, Cuba, on December 18, 1914, and they had three children, all of whom survived him. The children are: Mrs. W. C. Norwood (Sarah), Mrs. Gaston Boyle, Jr., (Mary Virginia) and Rev. Carroll Richard Stegall, Jr.

The son, now pastor of the Westminster Bible Presbyterian Church, Fort Walton Beach, Fla., conducted the memorial service at the Friendship Church, Black Mountain, N. C., at 4 P. M., August 15th, assisted by Rev. Joseph H. Armistead, Jr., pastor of the Friendship Church, and Rev. L. B. Gebb, pastor of the Asheville Bible Church, Asheville, N. C.

Interment was in the Mountain View Memorial Park near Black Mountain.

The Welcome Mat Is Out

Arden Presbyterian Church, spotting a lack of picnic areas at the side of major thoroughfares in and around Asheville, two years ago created a picnic area on its grounds and invited tourists to use the facility. Even though only one sign—that in front of the church—informs passers-by of the picnic area, an average of three families stop there daily, according to the Rev. W. C. Cooper, pastor. And many, from as far away as Canada, have written the church to express thanks. "We greatly appreciated the use

of your picnic area and wanted you to know that you have done someone a great service," wrote a woman from Kentucky recently. The picnic area includes two fireplaces, drinking fountain and two 75-foot long tables with stone benches. Off the main road, it is safe for children. Mr. Cooper points out that visitors have another way of showing gratitude besides writing letters. "There is a trash container," he said, "and 95 per cent of the picnickers use it." Church Paper Week

Church Paper Week, as such, is no longer in the official calendar of the church.

PRESBYTERIAN SURVEY is the only publication that is recognized as the "official" publication of the General Assembly. It is a monthly, available by single or group subscriptions, or at a special rate to Churches when sent to every family in the congregation.

There are, however, three publications, privately owned and published that seek to present the news of the Presbyterian Church, U. S. In the order of the length of continuous publication, with their addresses, they are:

CHRISTIAN OBSERVER — 412 South Third Street, Louisville, Ky. 40202.

PRESBYTERIAN OUTLOOK — 519 East Main Street, Richmond, Va. 23219.

PRESBYTERIAN JOURNAL—Weaverville, N. C. 28787.

PRESBYTERIAN SURVEY can be reached by mail at 281 Ponce de Leon Ave., N. E., Atlanta, Ga. 30308.

RALLY DAY

The last Sunday in September is recognized in the Church Calendar as "Rally Day".

The week of September 19-26 has been designated by the General Assembly as "Christian Education Week".

It is a time to re-evaluate the local program of Christian Education. It is the time for adjustments in the local educational activities.

New Classes are formed. Promotions recognize the growth of boys and girls, not only physically, but in their progress through the curriculum of the Church School.

The General Assembly asks for an offering for this specific phase of the total program of the Church. This offering supplements other income to provide a church-wide ministry of Christian Education.

The offering taken locally should be sent to the Central Treasurer, 26 Church Street, Asheville, N. C. 28801, as soon as possible and not later than October 10th for proper credit and forwarding to the Board of Christian Education of the General Assembly.

This committee will provide literature or distribution in local churches, local publicity and contact local leaders seeking aid to see that every Presbyterian in Asheville Presbytery is fully aware of the needs at THE PRESBYTERIAN HOME.

A feature of the promotion includes having "Open House" at THE HOME on Sunday afternoon, November 7, 1965, at which time special recognition will be given to all former members of the Board of Trustees now living within the bounds of Asheville Presbytery.

Special envelopes are being prepared for the use of each congregation, with the name of the congregation appearing in the set furnished for their use.

SPECIAL APPEAL

meeting of your Session before worship this Sunday morning (September 19) to authorize a special offering either this Sunday or next or both for relieving human suffering and restoring damaged Presbyterian Churches and manses in Louisiana.

This has been properly authorized by the General Council, which has asked the Board of Church Extension to be the receiving agent and the Church Extension Committees of the involved Presbyterians to be the dispensing agent.

TO ALL CONGREGATIONS, PRESBYTERIAN CHURCH, U. S.:

All of us have been deeply disturbed at the havoc and devastation caused by hurricane Betsy in Louisiana. Late reports to me from officials of New Orleans Presbytery indicate that conditions are even worse than they at first appeared.

One of our new churches stands in sixteen feet of water, and several more have been flooded. One of our Ministers is assigned to a reserve center housing 5,000 persons who still cannot return to their homes. Five Pastors have not been allowed by authorities even to return to their parishes to check on the damage. Damage either to church buildings or individual homes due to tidewater flooding is not covered by insurance. Tens of thousands are homeless, and thousands temporarily out of work.

If you did not hear this appeal in your church and wish to help, send your check, as indicated above, to Central Treasurer of Asheville Presbytery, 26 Church Street, Asheville, N. C., 28801. Mark it clearly "Emergency Relief Fund."

MYERS IS ON OWEN ELEVEN BECK IN MARCHING BAND

Edward Myers is the sole representative of THE HOME on the Owen High School football eleven this fall. Last year there were five.

Eddie Beck is in the marching band in charge of the drums.

COVIN LEAVES BETHEL WORK

Rev. Wm. Riley Covin left the Bethel (H) pastorate on August 15th, as announced in the July issue of OUR MOUNTAIN WORK.

Rev. John C. Neville, retired and living in Montreat, is the temporary supply at Bethel for September. Rev. J. C. Plexico, retired and living in Montreat, will assume these duties on October 1st for a period of three months, or until a new pastor is secured.

NEW COLLEGE YEAR OPENS

MONTREAT-ANDERSON has opened with 205 men enrolled. For the first time there are more men than women in the student body of approximately 400.

Six students are from The Presbyterian Home for Children, supported by Asheville Presbytery.

KING COLLEGE reports fifteen students from Western North Carolina, including the following from the bounds of Asheville Presbytery: Miss Jane Taylor, Jerry David Rogers, Asheville; Miss Annette Casada, Miss Loraine Gilds Jones, Douglas Brian Stearns, Ross Vestal Stearns, Bryson City; Charles A. Slagle, Franklin; Miss Laura Crawford, Miss Linda Fain, Miss Deborah Rowe Murray, Hendersonville; Mack H. Scruggs, Horse Shoe; and Charles W. Barrett, Jr., Murphy.

THE PRESBYTERIAN SCHOOL OF CHRISTIAN EDUCATION, Richmond, Va., opened the 1964-1965 session with 127 students, an increase of 18% over last year. Eight denominations are represented in the total. Students are from 75 colleges and universities.

THOMAS CALLED TO OFFICE OF EXECUTIVE SECRETARY

MCCLURE RESIGNS AS OF JAN. 1ST

Rev. W. G. Thomas was extended a call by Asheville Presbytery at the Montreat meeting, October 12th, to become Executive Secretary of Asheville Presbytery, succeeding Rev. R. E. McClure, whose resignation was accepted, effective January 1, 1966.

Dr. McClure's resignation follows nearly twenty-three years in the office, created by the Presbytery in 1943. He came to the work from a fourteen year pastorate in New Bern, N. C. Presby-

EICHELBERGER RECEIVED AS TRINITY PASTOR

CHURCH REPORTED ORGANIZED

The Trinity Presbyterian Church of Hendersonville was enrolled as the thirty-sixth congregation of Asheville Presbytery, and Rev. Hugh L. Eichelberger, Jr., was received to become their first pastor.

The Commission appointed to organize the congregation reported the work done on August 29th, with 59 Charter Members. A call was extended to Mr. Eichelberger at that time.

When the church was organized it was voted that the "charter membership roll" would be held open until their pastor-elect was installed. At the time the church was enrolled the initial fifty-nine had been increased to about sixty-five.

The congregation reported an organized women's group and a Church School of over sixty.

A commission was named by the Presbytery on October 12th to install Mr. Eichelberger on Sunday evening, October 24th, at 7:30 P.M.

Named on the commission are: Rev. W. G. Thomas, Chairman, Rev. Leroy Secrest, Rev. R. E. McClure, with Ruling Elders, Cal Kuykendall, Ted R. Ray and Dr. R. A. Porter.

These were the members of the Commission which organized the Trinity church on August 29th. At the time of organization the door was left open for additional charter members. All who unite with the congregation prior to the installation will be so enrolled.

The Every Member Canvass

Not primarily an effort to secure "enough" money to meet the "Budget" of the local church for the coming year.

The Every Member Canvass

fundamentally an effort to enlist "every member" for a commitment of the stewardship of time, talents and material resources to the work of the Kingdom of God.

The Every Member Canvass

a Spiritual Experience that can have, and should have "revival" implications reflected in the whole life of the Church.

The Every Member Canvass

Is Complete, only when every member of the church is challenged to commit to the service of God that measure of time, talents and material resources, in keeping with his or her ability.

The Every Member Canvass

Cannot be measured in statistics. Conditions vary in different situations. At best statistics indicate relative results in the churches. So do "percapita" averages vary, as one church may have a larger ability than others.

CHRISTIAN WITNESS SEASON
JANUARY 1 - APRIL 10

The General Assembly has designated January 1 - April 10, 1966 as a special season of emphasis on "Christian Witness at Home and Abroad".

This will combine for 1966 the two special emphasis seasons of World Missions and Church Extension, and a supplementary offering will be taken on February 27th for both these agencies of the church.

Plans are being made jointly by the World Missions Committee of the Presbytery, of which Rev. James L. Jackson is chairman, and by the Church Extension Committee of which Rev. W. C. Thomas is chairman. It is hoped that more definite announcement can be made in November.

In the meanwhile, attention is called to the "Planbook for 1965-1966". In the back of the Planbook are self addressed cards for ordering material needed for the promotion of church work. Card No. 3 would be mailed at once, to secure the packet of material for use in this emphasis.

The agencies of the church have discontinued sending material to local churches unless it is ordered. There are 44 cards in the back of the Planbook, for use in ordering all material needed for the year. Each card carries a date for use, and is addressed to the proper agency.

If you do not have a Planbook, it can be secured from THE INTER-AGENCY COMMITTEE, The General Council, 341 Ponce de Leon Ave., N.E., Atlanta, Ga. 30308. The cost is \$1.50 each.

Every local church should have a copy, for it contains essential information that should be available for quick reference all through the year.

Of Special Interest:

The Presbyterian School of Education has been accredited by the American Association of Theological Schools in the United States and Canada, as the first graduate school of Christian Education admitted to the Association.

Hymn of the Month

HALSTEAD IN CHARGE OF
GUIDANCE CENTER

James C. Halstead, Assistant Director of the Student Guidance Center of the Synod of Appalachia is in charge of the work, with headquarters at King College, Bristol.

Mr. Halstead, a graduate of Carson Newman College, with a Master's degree from Ohio State University, has been employed as assistant to Rev. Ben F. Williams who has served for the past several years.

Mr. Williams is on leave of absence engaged in graduate work at the University of Tennessee.

Mrs. Rebecca T. Dixon is secretary and psychometric clerk at the center and is now entering her fourth year of service.

Churches interested in securing the services of this work, sponsored by the Synod of Appalachia should write Mr. Halstead care King College, Bristol, Tenn.

VOCATIONAL GUIDANCE IS
WORKSHOP EMPHASIS

A workshop on Vocational Guidance is planned for October 29th and 30th at the Grace Covenant Presbyterian Church, with Rev. Robert S. Busey, pastor, and Mr. Duncan Hunter, of Bristol, as leaders.

All persons interested in this program of the church, with special emphasis on helping young people at the local level are urged to attend. This workshop will also deal with ways in which the Vocational Guidance Center at King College can serve young people in local congregations.

Originally there were two planned. The one for Franklin had to be cancelled and the workshop at Grace Covenant is the only one for the Presbytery this fall.

There will be two sessions, one 7:30 Friday evening, October 29th and another on Saturday morning the 30th.

THEY ARE IN THE PICTURE

PRESBYTERY MET IN FALL SESSION AT MONTREAT

Asheville Presbytery met in fall session at Montreat on October 12th, with Rev. Calvin Thielman, moderator, presiding.

A number of matters before the body are covered in separate articles in this issue of OUR MOUNTAIN WORK. A summary of other business includes:

Ruling Elder Sam R. Patton, of West Asheville, was named as nominee for Moderator, subject to election in January.

Brevard - Davidson River Church was named as the place of the next meeting, January 18, 1966.

A special committee was named to plan for emphasis on "Christian Witness at Home and Abroad" from January 1 - April 10, 1966. This period will stress World Missions, Church Extension and Evangelism.

A special appeal adopted by the 1965 General Assembly, under the title, "A Call to Repentance and Expectancy" is to be considered at the January meeting.

The special committee is composed of the chairmen of the committees involved: Rev. W. G. Thomas, Church Extension, Rev. James L. Jackson, World Missions and Dr. H. L. Bacon, Evangelism.

Presbytery declined to increase representation on the North Carolina Council of churches from one to five members, as requested by the Council. The nominating committee was instructed to name one person for consideration as a representative to be chosen by the N. C. C. on the National Council of Churches. (Other names will be presented by the Synod of North Carolina and by Holton Presbytery, which has churches in North Carolina.)

An overture presented by Friendship Church was ordered sent to the General Assembly asking for an Ad Interim Committee to study the "program and policies" of the church agencies in using material produced outside the bounds of the denomination.

Presbytery was told that nineteen churches had increased their gifts in 1966 for "undesignated benevolences" by some \$15,000, but that fifteen had reduced their gifts by nearly \$7,000, for the first nine months of 1966, compared with the same period of last year.

Presbytery participated in a "Founder's Day" celebration of Montreat-Anderson College. Four of the student body and faculty who were present when the college had its start as Montreat Normal School, on October 1, 1916.

There was a general convocation at the Anderson Auditorium, with Dr. Ansley C. Moore, president of St. Andrews Presbyterian College, Laurinburg, N. C., as speaker. Dr. C. Grier Davis, president of the college, paid tribute to Dr. and Mrs. R. C. Anderson, the sponsors of the college, and of Montreat.

\$2,000,000 CAMPAIGN IS LAUNCHED FOR KING FOR NEW MEN'S RESIDENCE CHAPEL AND ENDOWMENT

Rev. J. Bruce Fry told Asheville Presbytery that the \$2,000,000 campaign for King College, as authorized by Appalachia would be officially launched on October 16th, at the college.

Sixty ministers and laymen from the Synod have been laying groundwork plans, seeking funds for a new men's residence, renovation and enlargement of the chapel and in securing new endowment funds to support an expanded program for the college.

It is expected that the present student body of a little over 300 will be enlarged to 500 within a few years. There are presently twelve faculty members to each student, and this ratio will call for an increase from 29 to nearly fifty faculty members in the near future.

Campaign Vice-Presidents in Asheville Presbytery are Dr. Harold Bacon, Bryson City, Thomas D. Hunter, Jr., Hendersonville, and Rev. A. Allen Gardner, Jr., Asheville. Area chairmen of the Presbytery are W. C. Breazeale, Grace Covenant, and Rev. B. H. Evans, Westminster.

Plans for the new men's residence for 260 students call for a Williamsburg style three story building, at an estimated cost of \$750,000.

Chapel enlargement, renovation with transepts, new pews and pulpit furniture will run to \$250,000, and the remainder of the \$2,000,000 will increase the endowment, to meet the cost of the enlarged program.

Initial gifts are being sought at present, and solicitation in local churches will begin in January 1966. Additional contributions will be sought from businesses, and college alumni, parents of students, and foundations.

FALL YOUTH RALLY DRAWS RECORD ATTENDANCE

The fall youth rally of Asheville Presbytery held at Camp Mondamin, near Hendersonville, on September 18th and 19th, was attended by 157 young people and leaders.

Reports made to Asheville Presbytery indicated that this was an exceptionally well attended rally and that the young people returned from the week-end with glowing reports.

Rev. B. Hoyt Evans, Westminster, and Rev. Gale Lammey, Oak Forest, were guest leaders. Rev. G. Dan McCall, Brevard, was the adult advisor in charge of plans for the rally.

The Christian Education Committee reported that studies were being made for the erection of a winterized dining and assembly lodge at the camp, on Garren's Creek. Some 165 people used the camp in the past summer. (A fuller report will be printed in November).

THOMAS CALLED

tery also approved the status of honorable retirement effective at the same time.

Dr. Thomas was nominated by the Committee on the Office of Executive Secretary, of which Rev. J. C. Lime is chairman. This committee is charged with the responsibility of nominating to fill this vacancy, and had been advised some months previously that this vacancy could be anticipated.

He has been pastor of the West Asheville Presbyterian Church since 1949. In 1954 he was elected Stated Clerk of Asheville Presbytery. In 1957 he was elected Stated Clerk of the Synod of Appalachia, and in June of this year elected Moderator of the Synod.

For the past six years Dr. Thomas has been active as the Chairman of the Presbytery's committee on Church Extension. His term on this committee expires in January, and the Presbytery voted to combine the office of Executive Secretary and of Stated Clerk, effective next year.

Dr. Thomas has the call under advisement. Before he can accept same the pastoral relationship at West Asheville must be dissolved by the Presbytery. This requires a prior meeting of the West Asheville congregation at which time his request for their concurrence in the dissolution of the relationship must be considered.

The Executive Secretary has served as treasurer and secretary of The Home Mission Committee of Asheville Presbytery, Inc., and of The Presbyterian Home for Children, as well as Central Treasurer of Benevolences and treasurer of the Christian Education Committee and of the Committee on the Office of Executive Secretary. He has also served as editor of OUR MOUNTAIN WORK.

It is anticipated that a called meeting of Asheville Presbytery will be held later in the year to act on this matter.

The office of the Executive Secretary will continue to be at 26 Church Street, Asheville.

HIGHLANDS CALLING SEWELL FROM FLORIDA PASTORATE

Rev. Grover C. Sewell, Jr., pastor of the First Presbyterian Church, Sanford, Fla., has indicated his willingness to accept a call to the Highlands Presbyterian Church.

He was extended a call to succeed Rev. G. Dan McCall, who moved to Brevard last June.

Mr. Sewell plans to move to Highlands and begin work around November 1st. He will ask to be received by Asheville Presbytery at the first opportunity, and will be installed afterwards.

A more extended report will be in the November issue of OUR MOUNTAIN WORK.

The Presbyterian Home For Children

Re: Memorial Gifts

In the past year nine hundred remittances have been received from as many different sources of Memorial Gifts.

Each gift was acknowledged to the donor, and a special card sent to the family, notifying them of the contribution. The receipt carries the amount but the acknowledgement card does not.

The fiscal year of THE PRESBYTERIAN HOME ended on September 30th, and for the past year the total receipts were \$6,977.75.

None of this money is used for "operating costs", but is used for many extras that are not covered by the normal expenses of THE HOME.

This fund has made possible a number of things that would otherwise have been impossible, or at least would have required a special appeal for money to meet those "extras".

This source of income has made it possible in past years to re-paint the buildings, inside and outside, more frequently than normal income would allow. The result has been less depreciation of property, and a more attractive HOME.

Wornout furniture, kitchen equipment, floors that needed replacement, and some emergencies from leaking water pipes and other facilities in need of repair, have been replaced because of these gifts.

Annually a number of the young people have been sent to Presbyterian camps or conference.

For the past two years students have been sent for a month of special training for Pre-College students, held at Montreat-Anderson. Last summer a student was sent to Western Carolina College for a special course in remedial reading.

These and many other things have been accomplished because of the over \$30,000 that has been contributed since the fund was established about 18 years ago.

Leaflets describing the Fund are available in quantities for Church Literature Racks. A remittance form is printed monthly in OUR MOUNTAIN WORK.

The Fund is administered by the "Office of Executive Secretary" of the Presbytery. The only overhead cost is that of printing the leaflets, receipt forms and acknowledgement cards, plus postage on receipts and acknowledgements.

This has been a source of real encouragement. It offers a practical way to express sympathy in case of bereavement.

There is every reason to believe that it will continue to meet these many "extras" that add so much to the work at THE HOME.

It is important to remember, however, that these contributions do not in any way decrease the need for money for support of the normal life of THE HOME.

Thanksgiving 1965

There is a need in 1966 for at least \$15,000 from the Thanksgiving Offering, November 25th.

In 1965 the offering exceeded this amount by about \$300.00, and in all past years has represented a substantial part of the total income.

With an operating budget of approximately \$72,000 per year, the Churches of Asheville Presbytery gave in 1954 a total of \$52,000.

The remainder of the income came from an appropriation of \$6,038.37 from the Duke Endowment. Contributions from parents and relatives, less than \$2,000 from "reserve funds", gifts of interested individuals outside Asheville Presbytery, or even the Presbyterian Church.

For every year it is normal to borrow money to pay bills, in anticipation of a generous Thanksgiving Offering.

The gifts of the churches come from various sources:

A definite share of every dollar given, "undesignated", in support of the benevolence program of Presbytery, Synod and General Assembly, goes directly to THE PRESBYTERIAN HOME FOR CHILDREN.

A few Sunday Schools follow a custom of past years and contribute monthly to this cause.

Every one of the children is sponsored by a Circle, individual or group, for "clothing money" on the basis of \$100.00 each.

At Thanksgiving each year each Church in Asheville Presbytery responds with a generous Thanksgiving offering.

All of these sources combine to meet the \$45,000 goal set by the Presbytery for THE HOME. If the response during the calendar year exceeds this total goal (\$45,000), THE HOME receives the full amount.

The goal in 1964 was for \$50,000. Actual receipts exceeded \$50,000. This overage, and economies of operation and management, with the anticipated income from the special \$100,000 legacy (see article on ENDOWMENTS) made it possible to operate in 1965 on \$45,000 from the Churches.

To be sure of receiving this total by December 31st, it is essential that \$15,000 be received at Thanksgiving, and that other normal income be continued in October, November and December.

Your Thanksgiving Offering should be made through the church of which you are a member.

Individuals not connected with churches of Asheville Presbytery are asked to send their contributions directly to "Treasurer, Presbyterian Home for Children", 26 Church Street, Asheville, N. C. 28801.

Re: Endowment Funds

Some people are inclined to think that THE HOME does not need as much for support because of "Endowment Funds". This is not true.

From time to time income from legacies and special gifts have provided funds in more or less substantial amounts.

News of a legacy of \$100,000, received in 1964, may have given a false impression.

The facts are these. This legacy was received, subject to restrictions. It cannot be used for "operating costs", but can be used for capital funds, and there is no restriction on the use of interest from this fund.

During the past year a part was used to finance the construction of two greatly needed wings, housing bath facilities for THE HOME. The cost exceeded \$22,000.00. It was hoped then, and is still hoped, that this can be replaced from special gifts.

The income from this fund for the year was around \$3,000. But this was offset by added cost of living, and other operating expenses.

EDUCATIONAL FUNDS

Some years ago the "R. P. Smith Memorial Fund" was established. It was hoped that it would reach \$25,000. The actual value of this fund to date is approximately \$13,000.

Interest from this fund can be used only for the education of young people in college or other advance training after they complete High School at THE HOME.

Another legacy received about three years ago has a value of \$40,000.00, but is not even held by THE HOME. The terms of the legacy left the entire amount in a trust estate, and THE HOME can receive only the income, \$1,600.00 per year, and that can be used only for advance education of boys.

Other than the above the total "endowment assets" of THE HOME are less than \$25,000, and some of this is restricted as to use according to the stipulations of the donors.

It is important to remember, in this connection, that these funds give little or no practical aid to meeting the "current expenses" of THE HOME.

The most practical contribution made by these funds is to help meet the constantly increasing cost of living.

By effecting economies, the operating needs of THE HOME have been held to a minimum, and the amount asked of the Churches of Asheville Presbytery has remained fairly constant for five years. The amount is \$45,000 for this year, and will be \$40,000 in 1966.

PRESBYTERIAN HOME NEWS

by *The Superintendent*

JUNIOR CIVITANS

The Asheville Junior Civitan and Civinette's main project for 1965-66 will be the renovation of the little boys' dorm and play-room. About thirty of the boys and girls, members of the group visited us on October 3rd to see what could be done.

Plans include painting, new furniture, new curtains and a new set of encyclopedias. The groups held a business session and then a picnic was spread on the lawn in front of the gym. They are under the leadership of Misses Sylvia Smith and Susan Morrison. We sincerely appreciate their interest.

MONTREAT-ANDERSON STUDENTS

The Student Christian Association of Montreat-Anderson College, under the leadership of Mrs. E. A. Andrews, plans to visit us once a month and work with our younger boys and girls during the school year. Forty came on October 5th for a get together party. Games and a song fest was enjoyed at the gym.

KITCHEN WARE

We appreciate the gift of kitchen ware, made by Circle 7 of the Women of the First Presbyterian Church, Asheville. This gift with a value of \$250.00, meets one of our most urgent needs and now the cooking is much easier, and the food seems to taste so much better. Mrs. E. David Haas is the circle chairman.

THE CHIMNEY FELL

Not actually, but several bricks on the kitchen chimney sounded a warning that called for inspection.

Result, it was necessary to get a large crane to reach the top of the thirty foot chimney and remove the large concrete slab on top. This had to be moved

COLLEGE EDUCATION FOR NINE YOUNG PEOPLE

There are nine young people from THE PRESBYTERIAN HOME in college this year.

The names and colleges were given in the last issue of OUR MOUNTAIN WORK.

Special funds produce approximately \$2,400.00 annually to help meet this expense.

It is the policy at THE HOME that every qualified young person wanting a college education shall have same. This is made possible through government loans to students, sponsorship of individual students by donors, college scholarships and the efforts of the students themselves.

Through these combined sources, it can be said that no qualified student has ever been refused a college education.

There are always special needs, and the Superintendent is ready at all times to discuss those needs with interested individuals.

over the building. The children were out of the building for over two hours, as there was danger that the whole chimney might fall.

We are grateful that the condition was discovered in time to prevent a real catastrophe. It is now repaired and back in normal use.

NEW HOUSE MOTHER

Mrs. I. F. Tindall of Columbia, S. C., has joined our staff as Housemother for the larger boys. She had previously been Housemother for the boys at Carolina Children's Home in Columbia for five years. She replaces Mrs. Tippie Wallace who is now at the Odd Fellows Home in Goldsboro.

Mrs. Tindall is a Methodist and a native of Morganton, N. C.

AN INVITATION TO—
OPEN HOUSE AT THE HOME
—NOVEMBER 7, 1965

Friends gather at THE PRESBYTERIAN HOME FOR CHILDREN at the annual "Open House". The date this year is November 7, 1965. The hours from 2:30-5:30.

A feature of the day this fall will be recognition of all individuals who have served as "Trustees" of THE HOME since it was incorporated in 1947. A list was published in April 1965, and each living trustee will receive a special invitation.

Prior to 1947, The Mountain Orphanage, as it was then known, was managed by a sub-committee of the Home Mission Committee of Asheville Presbytery. It was founded in 1904 by the late Rev. R. P. Smith, as a project of the Home Mission Committee. Rev. H. B. Dendy, D.D., was named chairman of the special sub-committee in 1936. He was elected president in 1947, and has held that office ever since.

Special plans are being made to recognize these trustees on November 7th. Information regarding persons who may have served on the "Sub-Committee" prior to 1947 will be greatly appreciated, that they too may be included in the recognition given at "Open House".

EVERY MEMBER CANVASS REPORTS TO COUNCIL

The Council of Asheville Presbytery is expected to report in January the total income anticipated in 1966 for the support of the "Work We Do Together" on the level of Presbytery, Synod and General Assembly.

This information will have to come from reports of the Churches, indicating how much they propose to contribute in 1966.

The local church will determine this AFTER the Every Member Canvass, November 14th.

A report form will be mailed each Board of Deacons, and this should be returned as soon as possible after November 14th.

On the basis of these reports, the Council will propose a "Disbursements Budget" for 1966 to the January meeting of Asheville Presbytery.

means of promoting the "Christian Wit-
ness — At Home and Abroad" season
from January 1, — April 10th, 1966.

The purpose and plan is set forth in
a display on page three of this issue.

This is a new procedure, set up for
three years by the General Assembly,
with emphasis on World Missions,
Church Extension and Evangelism. It
is important that every church leader
concerned for either of these three ave-
nues of church service be fully informed
about this new approach.

Special attention is called to the need
for advance reservations for the supper,
at \$1.50 each. To simplify arrange-
ments, the Chairman of Ecumenical Mis-
sions and Relations, of the Women of
your church has been asked to make
reservations for all from your congrega-
tion. Contact her as early as possible.

CHURCH EXTENSION WORK
UNDER ANNUAL REVIEW

The Church Extension Committee of
Asheville Presbytery will meet at 11
A. M., Friday, December 10th, at the
First Presbyterian Church, Asheville, to
hear reports from churches aided in
1965.

This annual meeting features reports
by pastors and local officers, reviewing
work done and making requests for aid
in 1966.

Each aid-receiving field is required to
submit a report and request for aid
on forms furnished by the Board of
Church Extension of the General As-
sembly. This report is to be supplement-
ed by additional information, with spe-
cial reference to the Every Member Can-
vass in each church.

Each church is asked to increase the
amount they pay on pastor's salary at
least 20% in 1966, over the amount paid
in 1965, and to continue their support
of the total benevolence work of the
entire church.

Churches receiving aid on their min-
ister's salaries include: Andrews, Bethel
in Haywood County, Brittain's Cove,
Dillingham, Etowah, Friendship, Hayes-
ville, Ivy Park, Lakey Gap, Trinity and
Westminster.

Special aid has been given to Bethel
in Cherokee County, and Morrison,
served by ministers nearby, and to the
unorganized work at Cullowhee. In the
latter case the minister's salary is paid
in full jointly by the Church Extension
Committee of the Presbytery and by the
Campus Christian Life Council of the
Synod of Appalachia.

Westminster has given notice that they
will assume the full salary in 1966, thus
becoming “self supporting”. Trinity
was organized during the year.

Hymn of the Month

“O COME, O COME, EMMANUEL”, written
by unknown author of 9th century or ear-
lier. Used in a series of seven antiphons
sung by two choirs.

Tune, Veni Emmanuel from the 12th cen-
tury.

THOMAS ACCEPTS CALL TO BE
PRESBYTERY EXECUTIVE

At a called meeting of Asheville Pres-
bytery held November 9th, at the First
Presbyterian Church; Asheville, the pas-
toral relationship between Rev. W. G.
Thomas and the West Asheville Presby-
terian Church was dissolved.

Dr. Thomas indicated his willingness
to accept the office of Executive Secre-
tary and will begin his duties on Jan-
uary 1, 1966, succeeding Rev. R. E. Mc
Clure, whose resignation was accepted
at the October meeting of the Presby-
tery, effective December 31st.

Representing the West Asheville
Church at the meeting of Presbytery
was Sam A. Patton represented the
Session in reporting the action of the
congregational meeting. Mrs. C. M.
Morgan spoke for the women. Both
expressed appreciation of the ministry
of Dr. Thomas, and regret over losing
him as their pastor.

He had previously asked the Wes-
Asheville congregation to concur with
him in this request which dissolved a
relationship extending from 1949, dur-
ing which time he had served the Pres-
bytery as Stated Clerk, and on several
committees, in his capacity as Stated
Clerk, and as Chairman of the Church
Extension Committee for the past six
years.

Currently he is the moderator of the
Synod of Appalachia, and also Stated
Clerk of the Synod. By Presbytery's ac-
tion he will continue to serve as Stated
Clerk of the Presbytery, and he will be-
gin work at 26 Church Street the first
of the year.

Under the terms of the call both of
Dr. McClure who is retiring and of Dr.
Thomas, a “house allowance” is fur-
nished in lieu of a manse. Presbyter-
approved plans for lending Dr. Thomas
sufficient funds to purchase a house
which he will own.

These funds will come from proceed-
s of a legacy received by THE PRESBYTE-
RIAN HOME FOR CHILDREN which cannot
be used except as an investment or for
capital improvements. The loan will
be made on the basis of a first mortgage
on the property.

The Office of the Executive Secretary
as outlined in the manual of the Pres-
bytery is under the supervision of a spe-
cial committee of six, of whom Rev.
C. Line is currently the chairman. The
committee nominated Dr. Thomas for
this office in October and the action tal-
en on November 9th, released Dr. Thomas
from his obligation to West Asheville,
and approved plans for his installation
as Executive Secretary, which will take
place at the January meeting of the
Presbytery.

ANDREWS HONORS NICHOLS

The whole Andrews community paid tribute to L. B. "Teddy" Nichols last month.

"Teddy" Nichols' day was celebrated because a recently graduated senior from Davidson College came to Andrews to teach school in the early twenties.

He married and settled there, became the owner of Nichols Department

a Ruling Elder in the Andrews Presbyterian Church, and a leader in the community.

He married Miss Jeane Candler and their son, L. B. Jr., is now the owner of the store and an active leader in the Presbyterian Church.

"Teddy" is a symbol of dedicated lay leadership to be found in every church in the Presbytery.

There should be wider recognition of these consecrated leaders in the church.

THANKS YOUNG PEOPLE

The special letter you have or will receive about Thanksgiving and THE PRESBYTERIAN HOME FOR CHILDREN was made possible by the help of volunteers.

Seventeen young people from Asheville First, Kenilworth, West Asheville and from THE HOME inserted the letter, leaflet and envelope. The job of stuffing some 4,000 letters was done in about an hour and a half.

Thanks also should go to Miss Beth Taylor and Mrs. C. V. Verner for timely help in stamping and sealing these envelopes.

The "Bus" on the leaflet was of the vintage of the nineteen twenties.

The story, "Put Me Off At Balfour" will be nostalgic to those who remember THE HOME before it was moved to the present location in 1922.

The envelope is adaptable. Use it in your contribution through your local church, or mail to 26 Church Street, Asheville.

If you elect to give it through a local Church, please make your check payable to that Church, and mark for "PRESBYTERIAN HOME".

If you mail it directly to 26 Church Street, Asheville, make your check payable to THE PRESBYTERIAN HOME.

In either case, your help will go directly to the support of an institution dear to the hearts of all members of Asheville Presbytery, and hosts of other friends.

OPEN HOUSE—OPEN HEARTS

Hundreds of Presbyterians and friends of THE PRESBYTERIAN HOME attended the "Open House", November 7th.

This was renewed evidence of "Open Hearts" among the membership of churches of Asheville Presbytery and hosts of others in western North Carolina.

Present and former members of the Board of Trustees were present, and the Asheville Citizen ran a picture of the group on November 8th.

The Executive Secretary of the Presbytery was overwhelmed by the presentation of a plaque by Edward Myers, in behalf of the children and staff.

THE HOME is waiting with expectancy for results of the Thanksgiving Offering which annually meets the operating costs of approximately two and one half months.

ON MEETING THE BUDGET

In January, 1965, Asheville Presbytery surveyed the anticipated income for the year and set the following minimum that each cause should receive on this basis (Col. 1).

On November 10th, disbursements had been made the causes in the amounts shown in Col. 2.

The Thanksgiving Offering for The Presbyterian Home and the Joy Gift Offering for Ministerial Relief are yet to be received. Only partial remittances have been received from the Church Extension Offering, which will be divided between the Assembly's Board and Presbytery's Committee.

Churches of the Presbytery remitted \$30,000 in 1964 for "Undesignated Benevolences" between November 11 and the day the books were closed. It is urgent that they reach or exceed this amount in 1965.

WHITE CROSS HINTS

Quotas will come down early in 1966. Wait for Quota. You may be accumulating the wrong things.

Quota comes from Missionaries through the Board of World Missions, Synodical and Presbyterian Chairman, and THEN to locals.

Locals will have eight or nine months to fill quotas.

Your Quota will be about the same amount in value but NOT NECESSARILY THE SAME ITEMS, unless you asked for a larger quota in 1966.

Handbook on WHITE CROSS (25c) should be ordered from Board of Woman's Work, 341 Ponce de Leon Ave. N.E., Atlanta, Ga. 30308.

EXTRA! EXTRA!

Bandages, knitted or rolled from old sheets fill interspaces nicely in shipping drums, BUT extra money needed for postage, as bandages add weight fast.

Make Asheville Presbyterial 100%. Help Keep Appalachia Synodical 100%.

THE DUKE ENDOWMENT AND PRESBYTERIAN HOME

THE PRESBYTERIAN HOME FOR CHILDREN is one of forty one homes for children in North and South Carolina aided each year by appropriations from the Duke Endowment.

The Duke Endowment is the result of the interest of the late James B. Duke who established this Endowment through his will, and which has aided hospitals, educational institutions, child care agencies and retired ministers of the Methodist church for forty years.

The Endowment requires each agency to make annual reports, and in the case of homes for children, an appropriation is made on the twofold basis of the funds available in the current year, and the number of "child-care days" given to children who are either half or whole orphans (one or both parents dead).

Reports from these forty-one homes indicated an average cost per day, per child for the year 1964 was \$3.87. Twenty-four of the forty-one are in North Carolina with an average cost per day of \$4.04. The seventeen in South Carolina had an average cost per day of \$3.63.

Four of these homes are Presbyterian. Another is known locally for the fine work being done with community support. A comparison of these four shows:

BARIUM SPRINGS HOME FOR CHILDREN, supported by the Synod of North Carolina had:

Average Number Children in		
Home for 1964	119.1	
Average Number Children in		
College for 1964	12.0	131.1

GRANDFATHER HOME, supported by Presbyteries of Holston in Synod of Appalachia and Concord of Synod of North Carolina:

Institutional Care, 1964	94.0	
Educational Care, 1964	3.9	97.9

THORNWELL ORPHANAGE, supported by the Synods of South Carolina, Georgia and Florida:

Institutional Care, 1964	336.6	
Educational Care, 1964	18.9	355.5

PRESBYTERIAN HOME FOR CHILDREN, supported by Asheville Presbytery:

Institutional Care, 1964	56.8	
Educational Care, 1964	3.2	60.0

ELIADA HOME FOR CHILDREN, community support of Asheville area:

Institutional Care, 1964	92.9	
Educational Care, 1964	1.1	94.0

A closer comparison of the Homes sponsored by units of the Presbyterian Church reveals the fact that THE PRESBYTERIAN HOME FOR CHILDREN, in 1964, cared for an average of one child for every 145 members in the sponsoring churches.

The record for the four such homes, aided by the Duke Endowment is as follows:

Institution	Total Membership* Sponsoring Churches	Number Members Per Child
Presbyterian Home	8,719	145
Grandfather Home	30,702	317
Thornwell Orphanage	228,378	643
Barium Home	149,240	1,140

* Assembly's Minutes 1965

The ratio of Full and Half Orphans varies each year. This and the total "child care" days for the year determines the share distributed to each home. For 1964 (disbursed in 1965) the record shows:

Institution	Qualifying Percentage	Totals*
Presbyterian Home	40.0%	\$6,068.37
Barium Springs	25.4%	7,177.55
Grandfather	54.9%	13,307.22
Thornwell	51.2%	44,591.89

* In addition these four received for children in educational institutions: Presbyterian Home, \$350.27, Barium, \$1,722.88, Grandfather, \$1,031.10, Thornwell, \$4,060.18.

The Thanksgiving Challenge in 1965 recognizes the continuing need for day by day operating costs, and twelve in College.

The ratio of One Child at THE PRESBYTERIAN HOME to every 145 members of churches of Asheville Presbytery is a further challenge.

Your gift at Thanksgiving will materially aid in meeting this challenge.

A WORD OF THANKS

The Executive Secretary was taken by complete surprise at the PRESBYTERIAN HOME FOR CHILDREN on "Open House" Sunday, when Edward Myers, a senior at THE HOME presented a beautiful plaque, inscribed, "Dr. R. E. McClure, In appreciation for his services to our Home, 1943-1965. Children and Staff of Presbyterian Home for Children."

A part of the privileges of the Executive Secretary has been to serve as Secretary-Treasurer of the Board of Trustees of THE HOME since it was incorporated in 1947. Prior to that time he was Treasurer, as the work was a part of the word of "The Home Mission Committee of Asheville Presbytery, Inc." under whose ministry it was founded in 1904 as "The Mountain Orphanage."

A special copy of this issue of OUR MOUNTAIN WORK is being presented to each member of the family at THE HOME in sincere gratitude for their expression of appreciation.

ON READING YOUR MAIL

About the time you receive this issue of OUR MOUNTAIN WORK you should receive a First Class Letter addressed from the same stencil.

It's all about Thanksgiving!

The letter is from Edward G. Roberts, vice-president of the Board of Trustees of THE PRESBYTERIAN HOME FOR CHILDREN and Chairman of the special committee on Thanksgiving promotion.

Enclosed is a flyer telling more about THE HOME and the Thanksgiving needs.

Also there is an envelope with suggestions about a contribution:

Make Your Gift Through Any Church In Asheville Presbytery or Mail Direct to, Treasurer, 26 Church Street, Asheville, N. C. 28801.

Envelopes have been furnished for each Church in the Presbytery, bearing the name of the Church.

Contributions should be made through the local congregation wherever possible. All checks should be made payable to the local church, unless mailed direct to the above address.

THE HOME looks annually to the members of the churches of Asheville Presbytery and friends for a Thanksgiving Offering that will provide operating expenses for two and one half months of the year.

1965 IS NO EXCEPTION!

Special Interest:

The financial condition of the Board of Annuities and Relief has been such that every minister in the Ministers' Annuity Fund received an 8% increase in current or prospective benefits through the Fund in 1964. The Board announced to the General Assembly that another increase of 10% will be effective, January 1, 1966.

DO IT BY DECEMBER 10TH

Members of the Churches of Asheville Presbytery have the reputation of generosity in meeting human needs.

For a number of years Plummer's Radio Service, 270 Biltmore Avenue, Asheville, has been the depository for clothing, etc., for distribution by Church World Service in needy areas overseas.

There is a continuing need for usable clothing, blankets, etc., and now the word comes that a practical use can be made of discarded nylon hose.

A truck will pick up such clothing and take it to New Windsor, Md., where it will be processed and re-shipped to points throughout the world.

The deadline to make this pickup is December 10th.

In addition to bringing such clothing to 270 Biltmore Ave., it is requested that a contribution of Ten Cents per pound be made to cover cost of handling. Make Check payable to "Church World Service".

NO REPORT ON OFFERING FOR CHURCH EXTENSION

By November 10, 1965, only \$3,300 had been received in response to the appeal for \$15,000 for the work at Cullo whee.

It is evident that there has been delay in forwarding this offering to the Central Treasurer, and hence no detailed report is printed this month.

It should be noted that the Church Extension Committee borrowed \$15,000 on a short term note, to purchase this property, believing that the Churches of the Presbytery would respond generously to this appeal.

A complete report will be printed in December.

AT THE END OF THE YEAR REPORTS ARE IN ORDER

It is highly important that proper
reports be made by local Sessions at the
end of the year.

THE STATISTICAL REPORT to the Stat-
ed Clerk is the official record, and
will be included in the report of Ashe-
ville Presbytery and printed in the Min-
utes of the General Assembly.

Local sessions should be careful to fill
them out fully—according to instruc-
tions. These reports should be in the
hands of the Stated Clerk of the Pres-
bytery not later than January 11, 1966.

SHELOR TO BE PASTOR OF BLACK MOUNTAIN CHURCH

Rev. Richard Gilmer Shelor will be-
come pastor of the Black Mountain
Presbyterian Church after the first of
the year, succeeding Rev. Robert W.
Gray, who moved to Florida in July.

Mr. Shelor expects to move early in
January, coming from a six year pas-
torate in Abingdon Presbytery, Virginia.
He served the Anchor of Hope and Ga-
lena congregations near Max Meadows
for two pastorates.

After graduation from Roanoke Col-
lege in 1951, he was graduated from Col-
umbia Theological Seminary in 1954,
and ordained by Abingdon Presbytery.
He was installed in the Max Meadows
field and served for two and one half
years before accepting a call to Glade-
ville, Va., also in Abingdon Presbytery.
He returned to Max Meadows in 1960.

He is married to the former Miss Flo-
rence Harbert on August 29, 1951 and
they have two children, John Robert,
age 6, and Anne Harbert, age 3. His
wife is from Galax, Va.

The Black Mountain Church enjoyed
an increase of over one hundred in
membership during the ministry of Mr.
Gray, who accepted a call to Park Ave-
nue Presbyterian Church, Orlando,
Fla. On January 1, 1965 the member-
ship was 356.

This is the congregation where the
staff and family of the Presbyterian
Home for Children worship.

PROGRESS IN CHURCHES OF PRESBYTERY AIDED IN '65

At the annual meeting of the Church
Extension Committee of Asheville Pres-
bytery, held December 10th, every field
aided in 1965 was represented with re-
ports of progress.

Space does not permit detailed re-
ports, but certain facts should be known.

The budget of the Presbytery provid-
ed for a maximum aid of \$35,000 to
thirteen organized congregations and
one unorganized field. A substantial
part of this underwritten by the Board
of Church Extension.

In addition the Committee aided in
the purchase of property at Cullowhee
and Hendersonville, and continued pay-
ment on property at Maggie Valley and
at Weaverville (a manse for the Brit-
tains Cove Church).

Some highlights of these progress re-
ports include:

WESTMINSTER — Organized in 1958, will
assume full self support, January 1,
1966, with 25% membership growth in
1965 and a budget underwritten by 164
pledges for 1966 in the amount of \$37,-
255.

FAIN LEAVING PASTORATE FOR EVANGELISTIC WORK

Rev. John L. Fain, pastor of the First
Presbyterian Church, Hendersonville,
plans to enter full time evangelistic
work next year, according to his an-
nouncement in November.

He came to Hendersonville as pas-
tor in January 1962, succeeding Rev.
Warren F. Thuston. In his announce-
ment to the congregation he set March
1966 as the time for giving up the pas-
torate there.

Prior to coming to Hendersonville he
was engaged in full time evangelistic
work, and before that was pastor at Kan-
napolis, N. C.

Currently he is a member of the Pres-
bytery's Council, and on the Examin-
ing Committee. During 1965 the First
Church, Hendersonville, under Mr.
Fain's pastorate, has increased their
gifts to "undesigned benevolences" al-
most 100%. The total was \$6,000 for
the whole of 1964 and has already ex-
ceeded \$12,000 since January 1, 1965.

OUT OF THE PAST — INTO THE FUTURE

The next issue of OUR MOUNTAIN WORK will appear under the editorship of Dr. W. G. Thomas, who will assume the work of Executive Secretary on January 1, 1966.

There is no reluctance to turn over these duties to him as he is fully acquainted with the work of Asheville Presbytery and enjoys the confidence of the whole body.

But in so doing there is a feeling of deep appreciation to the members of Asheville Presbytery, and of local churches for the many courtesies shown the retiring Executive Secretary during the past years.

It was cold on April 15, 1943 as we climbed the slopes of the Blue Ridge, and icicles nearly twelve inches long hung from the rocks near Old Fort, at 5 o'clock in the afternoon, and the first day in office was spent on the fourth floor of the Wachovia Bank Building.

My predecessor is now a near neighbor, Dr. R. D. Bedinger, who had served as "Superintendent of Home Missions" for eight years. His wife is the daughter of the late Dr. R. P. Smith who pioneered the work in Asheville Presbytery before the Presbytery was erected in December 1896, and who served as "Superintendent of Home Missions" until his retirement in 1926, and as Superintendent Emeritus until his death in 1936.

Dr. Smith was succeeded by Rev. Fritz Rauschenberg, and in the interval prior to the work of Dr. Bedinger, the work was carried on under the leadership of Dr. H. B. Dendy, and others on a part time basis.

What has been accomplished in the past twenty-two years has been possible because of the faithful labors of those who have gone before. The heritage passed on to my successor is an unfinished task in Western North Carolina.

But there is unusual significance to the future.

The membership of the Presbytery in 1943 was approximately 5,000, and will possibly exceed 8,800 when the statistics are compiled at the end of this month.

With new industries, highways and opportunities developing in the entire area, this growth will continue, and with the growth there will be a corresponding opportunity for advancing the Kingdom of Christ.

In the past twenty-two years the congregations of Malvern Hills, Arden, Friendship, Lakey Gap, Grace Covenant, Westminster and Trinity have been organized.

The work as Sylva, Haywood and Morrison has been revived, and through Sylva Church there is now a student work at Cullowhee, and a congregation of the verge of formal organization.

Presbytery saw fit to expand the work of the "Superintendent of Home Missions" into other fields and establish the office of "Executive Secretary". Asheville Presbytery was the fourth in the General Assembly to take this step. This was in 1943.

The 1965 Minutes of the General Assembly lists forty-seven "Executive Secretaries" in fifteen of the sixteen Synods. Appalachia and West Virginia report an Executive Secretary in each presbytery.

For Asheville Presbytery "the day of march has come."

New highways are planned that will strengthen areas around existing churches and open new opportunities.

The work started at Cullowhee must be developed to meet the needs of hundreds of students, Presbyterian and others, who will enroll at Western Carolina in the years to come.

Churches have assumed "self-support" in the past. More must take the same step in the future, and new work must be undertaken.

Since 1943 the following have accomplished this goal: Arden, Bryson City, Franklin, Grace Covenant, Hazelwood, Highlands, Kenilworth, Malvern Hills, Mills River, Murphy, Oak Forest, Sylva, and Westminster proposes to take this step in 1966.

The incoming Executive Secretary will do a fine work, but he will be successful only to that degree that Asheville Presbytery supports him in prayer and consecration.

This is the explanation of any success that may be attributed to his predecessor.

The work is the Lord's and to Him be the glory.

FINANCIAL STATEMENT CENTRAL TREASURER

A column headed "Watch This Column" has appeared monthly, reporting receipts from the churches for the support of the work of the Presbytery, Synod and General Assembly.

In the November issue announcement was made that a report would be sent each congregation detailing how much was received and how it was distributed. This report will include remittances in the hands of the Central Treasurer, at noon Tuesday, December 28, 1965.

For the information of the Churches, the following comparison is made:

(Column One is the total for 1964.)

(Column Two is the total to December 10, 1965.)

Received for Specific Causes:

	1964	1965
World Missions	\$24,178.98	\$23,029.93
Church Ext. (A)	1,135.14	1,033.09
Christian Edu.	639.05	764.33
Ministerial Relief	6,669.21	706.11
Church Ext (P)	4,540.12	2,204.50
Presbyterian Home		
Regular*	8,723.13	8,696.27
Thanksgiving	15,753.92	12,204.63

Received for Division as Directed:

150,622.26 144,500.17

The distribution basis for dividing "undesignated gifts" in 1965 was adopted on the assumption that the churches would contribute \$160,432 "For Division as Directed" by Asheville Presbytery. This is \$10,000 more than actually given in 1964.

The report above indicates that at least \$16,000.00 must be received by December 28, 1965, if this goal is to be reached.

CHRISTIAN WITNESS SUPPER HELD WITH 150 PRESENT

Rev. John F. Anderson, D.D., Executive Secretary of the Board of Church Extension, and Rev. David W. A. Taylor, D.D., Educational Secretary of the Board of World Missions, spoke to representatives of twenty-eight churches of Asheville Presbytery on December 6th.

Approximately 150 church leaders heard Dr. Anderson explain the "one mission of the church" as conducted by these two agencies, and the significance of the joint emphasis in 1966 on the work "At Home and Abroad", as scheduled from January 1, through April 10th.

Dr. Taylor presented the program for the observance of this season, calling on local congregations to study in January the fundamental mission of the Church, in February her program to carry out that mission, and share in a Supplemental Offering for both

PLANS MADE FOR CAMPAIGN FOR KING COLLEGE

Plans are taking shape in Asheville Presbytery for presenting the King College campaign for \$2,000,000 being asked from the Synod of Appalachia.

With Rev. A. Allen Gardner, Jr., D.D., presbytery chairman, a meeting was held December 6th with Rev. Bruce A. Frye, assistant to the President of King College, and W. C. Bowen, campaign director, reviewing scheduled plans.

On a tentative basis these include "Organizational Meetings" in areas centered around Asheville, Hendersonville and Waynesville, for local congregational chairmen, January 13, 11 and 10, respectively.

It is hoped that "Kick-Off Meetings" can be held in similar areas later in January and the reports of solicitations in local churches can be made early in February.

Asheville Presbytery is being asked to underwrite \$300,000 toward the \$2,000,000 total and a quota will be asked of each local congregation.

Specific communications will be sent to each church, but at present the urgent need is for the appointment of an "Initials Gifts Chairman" and a "Congregational Chairman" in each church. These had been given to the "Campaign Office" by only six churches up to December 6th.

Every session is urgently asked to name these individuals and advise the "Campaign Office, Reynolds Arcade Building, 510 Cumberland Street, Bristol, Va. 24201" as soon as possible.

Local pastors are being advised that "King College Sunday" has been proposed for either January 16th or 23, 1966, and that bulletin inserts are available from the above address on request.

A color film strip is being prepared under the direction of an executive of the Eastman Company, and will be available for local use after the first of the year.

More and more students have been attending King College from Asheville Presbytery, and greater interest is being shown in the institution. King is a four year co-educational senior college that has been serving the Appalachian area for over 100 years. Since Appalachian Synod was organized in 1915, it has been owned and operated by the Synod.

GARDNER NAMED CHAIRMAN OF COUNCIL SUB-COMMITTEE

Dr. A. Allen Gardner, Jr., was named chairman of the Sub-Committee on Budget and Stewardship of the General Council of the General Assembly.

This action came at the Council meeting in Atlanta on November 18th. Dr. Gardner was placed on the General Council in 1962 for a term of six years.

TELEVISION

RADIO

AUDIO-

VISUALS

TRAV is the name of the agency of the General Assembly producing and distributing materials that come under the classification of Television, Radio or Audio-Visuals.

The Protestant Hour, mentioned elsewhere in this issue is one of these modern electronic media to tell the Gospel Story.

Millions each day hear as TRAV's broadcasts are on the air — 55,000 hours per year. In more than 850,000 separate broadcasts, the Good News is presented.

Through films and filmstrips, records and tapes, TRAV offers help to each local church to do a more effective work in Christian education. Through libraries in Richmond and Atlanta, TRAV offers audio-visual equipment for sale, and other materials for both sale and rental.

This is the agency of the church seeking to glorify God and proclaim Jesus Christ, and offering the local congregation the tools and materials for this ministry.

For further information, write:

TRAV, 341 Ponce de Leon Ave., N. E., Atlanta, Ga. 30308.

"JOY GIFT" WILL BE FOR MINISTERIAL RELIEF

For a number of years the supplemental offering on the Sunday before Christmas, known as the "Joy Gift" offering, has provided funds for the work of the Board of Annuities and Relief, in the field of "Ministerial Relief".

Experience has shown that the offering in Asheville Presbytery regularly exceeds that amount asked for the cause in the total budget. For this reason "Ministerial Relief" does not share in the "divided dollar".

As shown in another column the total given to "Ministerial Relief" in 1964 was \$6,669.21.

Your contribution should be made through your local congregation, and all such offerings forwarded by Church treasurers to the Central Treasurer of the Presbytery.

Hymn of the Month

"THE LORD WILL COME AND NOT BE SLOW", written by John Milton, 1648, blind, he found in Psalm 82, 85, and 86 the comfort that God does rule and that truth and justice will emerge.

Tune, "Old 107th". The Hymbook, 230.

THANKSGIVING LETTERS

In some way three hundred persons on the mailing list of OUR MOUNTAIN WORK failed to receive the Thanksgiving letter.

No explanation has been found for the fact that the "Postage Meter" simply did not stamp the full 4,000, and as many letters, inserts and envelopes were "left over".

This is sincerely regreted.

On the other hand receipts in response to these letters have exceeded \$800.00, over and above the amounts contributed through local churches for the Thanksgiving Offering.

PRESBYTERIAN HOME NEWS

by The Superintendent

The staff and children would like to thank all our friends for kindness shown to us during the Thanksgiving Season. Our store room is filled with fruits and juices sent to us by the churches which will be of great help during the cold winter months. A lot of hard work has gone into the annual Thanksgiving Offering and to those who made it possible we extend our thanks. We wish to extend to all our friends "A Very Merry Christmas and a Wonderful New Year."

JUNIOR CIVITAN TREAT

All fourteen of the little boys were guests of the Junior Civitan Club on December 3rd. All were taken to Asheville to the Thomas Wolfe Playhouse to see "Jack and the Beanstalk". A stop at McDonalds for supper ended a most delightful day. We are grateful to this young group for the interest shown in our young people during the year.

FOOTBALL IN '65

Edward Myers was a member of the Owen High School football team. He is a Senior and one of the family. Owen won ten ball games before tasting defeat at the hands of Sylva in the District playoff. Edward received an individual trophy given all seniors of this team. We are proud that one of our boys represented THE HOME on this team of champions. He will graduate in June and hopes to continue his education at Montreat-Anderson College.

A NEW MATRON

Mrs. Jennie Thurston, a native of Jackson County, Georgia, and a graduate of the University of Georgia has become housemother for the larger girls. Mrs. Thurston has had experience as Housemother at Women's College, Greensboro. We are very happy to have her with us and hope that she will continue to be happy in her work.

COMING HOME

The Christmas holidays will bring all of our college students home. Cecil Caldwell comes from Western Carolina, Billy Foster from N. C. State, Jack Guthrie from Piedmont College, Charlotte, and Annie Mae Thurston, Eddie Teters, Vestal Caldwell, Mike Banks, Jimmy Bell and Robert Myers from Montreat-Anderson.

TO DR. MCCLURE

The superintendent, children and staff would like to take this opportunity to express to Dr. McClure our heartfelt thanks for all that he has meant to us in the many years he has served as Treasurer of THE HOME. The young folks always looked forward to his visits and they were always ready to pose for the many pictures that he has taken throughout the years. We would also like to thank him for the many hours of hard work he has given to raise money for the operation of THE HOME. We will all miss him and we wish for him and Mrs. McClure the very best in the

years to come, and hope he will visit with us often.

OUR MOUNTAIN WORK SINCE DEC. 1910

As early as 1901 a proposal was made for the publication of a paper to promote the work within the bounds of Asheville Presbytery.

The initial proposal, inspired by the late Dr. R. F. Campbell, was made by the session of the First Presbyterian Church, Asheville, suggesting that it be financed jointly by that church and the "Home Mission Committee of the Presbytery."

The first issue of OUR MOUNTAIN WORK appeared in December 1910 and described itself as:

A periodical devoted to the cause of church extension, Christian education and works of charity.

As a new editor takes over the publication of what is believed to be the oldest Presbytery publication in the General Assembly, he is commended to all readers, and the retiring editor rejoices in the future that lies ahead of him and the work of the Kingdom in this segment of the Lord's vineyard.

It is gratifying to look back and acknowledge that there has been an issue published each month since May 1943. Special recognition is also given to *The Biltmore Press* of Asheville where the printing and all details of addressing and mailing of each issue has been cared for.

For the entire period Rev. H. B. Dendy, D.D., has checked on the mailing, which has been done through the Weaverville Post Office, where OUR MOUNTAIN WORK is entered as "second class matter".

It was not long after this editor took over when a member of his family spoke of the paper as "Our Mounting Work". It has been a matter of gratitude that the work has grown. There are many evidences that it will continue to grow.

OUR MOUNTAIN WORK is now dedicated to "The Whole Work of The Whole Church Promoted In or supported By Asheville Presbytery."

BETSY RELIEF \$321,236.15

As of November 18, 1965, contributions for the relief of victims of Hurricane Betsy, as received by the Board of Church Extension had reached a total of \$321,236.15.

With remittances forwarded on November 10th, the contributions from Churches of Asheville Presbytery accounted for \$1,388.31 of this amount.

AN OFFICE IS NO BETTER THAN THE SECRETARY

No, not the "Executive Secretary".

The voice on the phone, the poster of ledgers, the writer of letters, the person the public greets first; these are the essentials for the Office.

In closing a period of service as Executive Secretary, special recognition must be given to the efficient service since April 1957 of Miss Edith E. Sollmann.

She has been the "voice on the phone, the poster of ledgers, the writer of letters, the person the public greets first", and in it all she deserves credit for a great deal of the success of the "Office of Executive Secretary".

It is a satisfaction to know that the successor in this office will have her valuable help in the days to come.

William Council Dillingham, Ruling Elder of the Dillingham Presbyterian Church, died December 21, 1965, after serving in that office since March 1, 1925.

Mr. Dillingham, a native of Ivy Township, united with the Covenanters' Presbyterian Church on August 6, 1916, later to be named the Dillingham church. He had served as Clerk of the Session for over forty years, having been named clerk the month after election as a Ruling Elder.

THE McCLURES HONORED

Dr. and Mrs. R. E. McClure

The first issue of Volume 61 of OUR MOUNTAIN WORK is dedicated as a tribute of praise and honor to the Rev. and Mrs. R. E. McClure for the faithful and fruitful service rendered the Presbytery of Asheville during the past twenty-two years.

Mrs. McClure has maintained a Christian home, served faithfully as a member of the First Presbyterian Church, Asheville, North Carolina, rendered helpful service in the Presbyterial and Synodical by occupying many positions of leadership of responsibility. She is not retiring from the active service of the church but will continue to be of great usefulness for the extension of the Kingdom of Christ.

It is impossible to tabulate the contributions or to adequately describe the value of Dr. McClure's service to the Presbytery, the Synod and the Assembly during these years of service.

Out from among a large number of letters of congratulations, tributes of praise, plaques of honor, gifts of love, two resolutions are being printed. The two resolutions will serve as samples of our affection and admiration.

The Presbytery of Asheville, during a called meeting held at the First Presbyterian Church, November 9, unanimously adopted the following resolution which had been prepared by Dr. C. Grier Davis, President of the Mountain Retreat Association and Montreat-Anderson College:

COOPER RESIGNS AT ARDEN MOVES TO BROADWAY, N. C.

Rev. W. C. Cooper, pastor of the Arden Presbyterian Church since March 1956, has resigned to accept a call to the Buffalo Presbyterian Church, near Sanford, N. C.

In a meeting on December 26th the congregation at Arden voted to concur with Mr. Cooper in requesting Asheville Presbytery to dissolve the relationship and grant him a letter to Orange Presbytery.

This action was taken by the Commission on the Minister and His Work, and Mr. Cooper moved to his new field, to begin work January 1st.

He had been the third pastor at Arden, succeeding Rev. R. A. Potter, who moved in 1955 to Murphy, N. C. The first pastor was Rev. Paul F. Warren, now living in Montreat.

During Mr. Cooper's ministry the church has increased in membership approximately 100%. Extensive building programs, including a manse and the church sanctuary, have increased the property value from less than \$50,000 to an estimated \$200,000 or more. The total budget of the church has doubled and gifts to benevolences have nearly trebled.

Since 1957 he has been Permanent Clerk of Asheville Presbytery, and was currently serving as a member of the Commission on the Minister and His Work.

Mr. Cooper is a native of Chattanooga, and came to Arden from a pastorate in Texas. He was received on February 28, 1956, and installed pastor at Arden on March 11th.

OUR MOUNTAIN WORK

Readers of OUR MOUNTAIN WORK are invited and encouraged to send the Editor items of news concerning special events, interest happenings, pilot ministries, progress reports, and noble endeavors. As far as possible space will be allocated to the events, projects and ministries within the bounds of the Presbytery, but in promoting the Whole Work of The Whole Church due consideration will be given to the far reaching Mission of The Church. News items sent in by the fifth of each month will be given prior consideration.

DILLINGHAM

During this long period of service he had been Superintendent of the Church School, teacher of the adult Bible class, which at times include the Young People, and was an inspiration to the entire congregation.

His pastor, Rev. D. E. Carlton, paid tribute to his faithfulness as a member of the church and a church officer. His home was always open to the visiting minister, and he was a helper to his pastor in his visiting in hospitals and in the community.

Mr. Dillingham was a frequent representative of his church at Presbytery, and a loyal supporter of the work of the Presbytery.

RESOLUTION

Asheville Presbytery wishes to record in its permanent records its gratitude to Rev. R. E. McClure, D.D., for the service which he rendered to the Church of Christ as Executive Secretary of this Presbytery. A Christ like spirit which has commended him to all of the churches, and the leadership of the Presbytery. As a preacher, he has been a guest in the pulpits of all of the churches in the Presbytery. His gifts as a writer have made him an effective editor of *Our Mountain Work*. His executive ability has resulted in a more effective ministry by the Presbytery in Stewardship, in Christian Education, in Evangelism and in Church Extension. Throughout this period he has served as a treasurer of the Presbyterian Home for Children. The excellence of his ministry was recognized by King College which conferred the honorary Doctor of Divinity upon him. But this resolution Asheville Presbytery expresses its thanks and assures Dr. McClure that in the years of his retirement, he will continue to be an honored member of this church court.

The Church Extension Committee in the annual meeting held at the First Church, Asheville, December 10, approved unanimously the following resolution and requested for it to be inscribed in the minutes of the meeting and to be printed in *OUR MOUNTAIN WORK*.

RESOLUTION

The Church Extension Committee of the Presbytery of Asheville desires to record in its minutes of December 10, 1965, an expression of its deep indebtedness and profound gratitude to the Rev. R. E. McClure, who for 22 years and 10 months has served faithfully, efficiently and effectively as the Executive Secretary of the Presbytery of Asheville. During these years of devoted service he has graciously and consistently provided the Church Extension Committee with wise counsel, capable leadership and noble endeavors which greatly benefited the Church Extension Committee in its efforts to fulfill the responsibilities assigned by the Presbytery of Asheville. As Dr. McClure retires from active service, the Committee desires to express its thanks and to assure him of our continued prayers for a long and fruitful life of retirement. During the coming years Dr. McClure will be regarded as an honorary member of this Committee.

The McClures will continue to live in Asheville and will continue to be active in the work of the Kingdom. Their home address is 87 St. Dunstan's Road.

1965 GIFTS ARE OVER
BUDGET FOR YEAR

The Churches of Asheville Presbytery gave \$228,000 to the "Budgeted Benevolences" of the Presbytery, Synod and General Assembly, through the Central Treasurer of the Presbytery in 1965.

The report of the Central Treasurer, made to the meeting of Asheville Presbytery, at Brevard, on January 18th, is summarized below, showing amounts set as the 1965 Goal in January 1965, and the amounts actually given.

In January 1965 the Presbytery approved goals which were 77.5% of the amounts asked for Synod and Assembly agencies. The amounts actually given were over 80% of the amounts asked in most cases.

CAUSES IN BUDGET	GOAL 1965	GIVEN 1965
ASSEMBLY CAUSES		
World Missions	\$32,500	\$34,149
Church Extension	13,360	13,587

Church Extension	40,000	41,711

Davidson College	460	493
N. C. Council of Churches	192	197
	\$219,152	\$228,050

On the basis of the actual gifts of the churches, contributions in 1966 should equal the amounts asked in the 1966 budget and in addition provide a substantial "Challenge Fund" for advance work.

The General Assembly and Synod set goals for 1966 which were slightly above the actual receipts in 1964, to meet basic budget needs. The "Challenge Fund" — all in excess of basic needs — will help meet emergency and urgent demands on the various causes.

Hymn of the Month

"IN CHRIST THERE IS NO EAST OR WEST,"
written by John Oxenham, (1908).

Tune, "St. Peter." The Hymnbook, 479.

SPRING MEETING

Asheville Presbytery will meet in the Etowah Presbyterian Church, Etowah, North Carolina, on Tuesday, April 12, 1966, at 9:30 A. M. Since the last meeting held at Etowah in 1952 a new church building and a manse have been erected.

THE EXECUTIVE SECRETARY

The new Executive Secretary has assumed the duties of the office with a profound sense of gratitude for the confidence manifested by the Presbytery in extending the Call to the office. Appreciation for the diligent efforts of Dr. McClure to guide the new executive Secretary into a clear understanding of the assigned duties is gratefully acknowledged. With humbleness of mind and heart the Executive Secretary pledges to the Presbytery of Asheville his very best in the endeavor to fulfill satisfactorily the responsibilities involved. Promotion of the "Whole Work of the Whole Church for the Glory of God" will be the goal of your Executive Secretary. Prayers and patience will be greatly in demand.

USE CENTRAL TREASURY
OF THE PRESBYTERY

Why this request—when the churches are already doing this in such a remarkable degree?

The Central Treasurer will supply each church at the year's end with a definite statement showing every dollar of their remittances are forwarded.

Beginning in January, the General Assembly has set up a "Central Treasury" for all contributions to all Assembly Agencies. Asheville Presbytery will follow strictly the request of the Assembly and all contributions will be sent through this office.

Provision is made in the plan for ALL "designated" gifts to go to the agency for which designated, and the Central Treasurer will forward every designated gift for use exactly as the local church indicates.

In addition a definite percentage of "Regular Contributions" (undesignated) will be sent the Central Treasurer of the General Assembly, on the basis approved by Asheville Presbytery at the January meeting.

Faithful use of the Central Treasury of the Presbytery will afford each church a complete record at the end of the year. This record cannot include any money sent directly to any particular agency.

Attention of all treasurers is called to the fact that money received by the tenth of any current month is sent on the twelfth to the Central Treasurer of the General Assembly, and to the agencies of Synod and Presbytery.

Money received after the tenth is delayed for nearly a month before reaching the agency that needs it more promptly.

With every receipt for remittances received, the Central Treasurer mails a "remittance form". Use of this form will help avoid any mistakes in handling these contributions.

CHRISTMAS

The children and staff join in with me to thank all of you for the wonderful things that were done for us during the Christmas Season. This year to us has been one of the best we have had in a number of years. The interest in our children and in our work here has been most satisfying to all of us. We extend to all of you a Wonderful and Happy New Year.

EDDIE TETERS HONORED

Eddie Teters a sophomore at Montreat-Anderson College has been elected Vice-President of the Intra-Mural Council. We are very proud of Eddie for his fine work at the College. The folk at Montreat speak highly of Eddie and he is very popular with his classmates. Eddie hopes to continue his education at Western Carolina and upon graduation to be a coach and teacher.

THE NEW CAMPUS

We are all proud of the new look on the campus. All of the outside buildings have received a new coat of paint, something we have needed for a long time. We are so proud of how our Home looks now.

The weather has really been a blessing to us for we have been able to do some work on the outside that we had planned for the spring. The boys, including some of the smaller boys, under the supervision of Mr. York began the task of dressing up the campus. The old pasture hill in front of the Home has been cleaned off and all of the dead trees cut down. This has added a new look to our campus and a number of visitors during Christmas paid the boys compliments, on this change. We are now in the process of tearing down all of the older wooden buildings on the campus that are beyond use. We hope to do all of this before spring so that we can sow grass in our spring planning.

JACK GUTHRIE TO CHARLOTTE

Jack Guthrie is the last of our June graduates to enter college. Jack was enrolled in Central Piedmont Community College the 1st of December. We had hoped to have Jack in school in the fall but the enrollment was taken up so that is why we had to wait until December. Jack is in the school of Arts and Design and with the talent he has we are sure that he will do well.

IMPROVEMENTS AT THE HOME

By Mrs. C. D. Thomas, Chairman
House Committee

As the Old Year ends and a new one begins one looks around the Presbyterian Home to see what has been done in a material way toward improvements this year and what is being planned for the New Year.

The remodeling of the bathrooms was one of the most needed and largest undertaking that has been done at any time for the Home. The rooms were made larger by an addition to the building, giving space for the baths, dressing area and a much needed storage space on each floor. The gleaming white, ceramic tile is not only attractive, but easy to keep clean.

The second floor, girls' living-room was completely redecorated. New floor tile was installed and all walls and wood-work painted. The furniture was re-finished and re-upholstered. One of the churches of the Presbytery gave draperies, lamps, pictures and pillows which add beauty and comfort for the girls.

The hallways on the first floor were painted. Storage closets received a new ceiling and coat of paint.

The outside of the main building, superintendent's home and the laundry building received a much needed paint job.

Plans are in the making to redecorate the second floor boys' living room, including a new ceiling. New floor covering in the kitchen and remodeling of the pantry will add to its convenience.

Where does the money come from? The major things are done with the IN LIEU OF FLOWERS FUND. Interested individuals and church groups have given the money for the things that add beauty and comfort for the children.

GOING TO GATLINBURG?

There is a special World Missions Conference planned for Gatlinburg, Tenn., on February 4-6, 1966, sponsored by the World Missions Committee of Appalachia Synod.

This is to be similar to the conference held in Knoxville, Tenn., last year and which received acclaim by the young people attending.

This conference is planned for all Presbyterian youth from high school sophomores and up, and also for Ruling Elders, Deacons, Sunday School Teachers, W. O. C. Leaders and other interested adults.

The cost is \$16.50 including the registration fee of \$3.00. The time is from 7:30 P. M., Friday, February 4th through the noon meal, Sunday, February 6th.

Get a registration blank from your minister and send to Mrs. A. S. Chapin, 4904 Asheville Highway, Knoxville, Tenn. 37914.

Leaders include outstanding men and women, of whom six are missionaries on furlough from their fields in Japan, Brazil, Africa and Mexico.

Don't miss this opportunity.

MID-WINTER YOUTH RALLY
SET FOR FEBRUARY 5-6

The Young People of Asheville Presbytery will hold their Mid-Winter Rally, at the West Asheville Presbyterian Church on Saturday and Sunday, February 5th and 6th, 1966.

Leaders in the rally program will include Rev. Robert S. Busey, Grace Covenant, Rev. G. Dan McCall, Brevard, and Mrs. Wayne Houser, Hendersonville, First. The morning message on Sunday will be delivered by Rev. M. H. Saunders of Montreat.

The Rally schedule calls for registration at 10 A. M., Saturday, followed by three class periods during the day, a "surprise program" from 2:45 - 3:45 in the afternoon, and a special section for college students from 5:25 - 6:00.

Lunch will be served at 12:30 and supper at 6:00. Out of town young people will be entertained in local homes, and the closing service will be Sunday at 9:00 A. M.

Advance registration fees of \$3.00 each are requested. Please send them to Hugh Taylor, 84 Kimberly Ave., Asheville, N. C. 28804, not later than February 1st.

All those attending are requested to bring a bag lunch, soap and a washcloth (for a surprise project), a Bible and notebook.

Mr. McCall, Mr. Busey and Mrs. Houser are Adult Advisors.

ASHEVILLE PRESBYTERY AND
THE DEVELOPMENT FUND

According to information furnished the Churches on December 1, 1965 Churches of Asheville Presbytery were behind in their pledges to the Presbyterian Development Fund by a total of over \$57,000.

Because \$71,000 had been paid on original pledges it was possible for the Board of Church Extension to return to Asheville Presbytery the sum of \$5,761.78 for the acquisition of new property, based on the receipts from the Presbytery.

Twelve of the thirty-four churches (when the campaign was first put on) failed to make any commitment.

The initial campaign exceeded the goal set for same, but payment of commitments has lagged, thus seriously handicapping work planned in expectation of this additional financial help.

Immediate payment of pledges and contributions from those twelve churches that did not participate in the initial effort will greatly help the work throughout the entire church.

Contributions should be sent to:

Presbyterian Development Fund,

A NEW CHURCH WILL BE ORGANIZED, MARCH 30

Under the leadership of the Rev. Stanley Bennett a group of interested people presented a petition to Asheville Presbytery during the Winter Meeting held January 18, 1966 for the organization of a Presbyterian Church at Cullowhee, N. C.

The petition was approved and the following Commission was appointed to organize the new church: Ministers — the Rev. R. E. McClure, the Rev. W. G. Thomas, the Rev. Leroy Secrest and the Rev. J. D. Whitesides; Ruling Elders — Graham Price, Weaverville, Charles Davis, Brevard; W. H. Arthur, Grace Covenant; and S. R. Patton, West Asheville. The date for the organization will be March 30, 1966.

MRS. CLARK AND CAKE ON HER 101st BIRTHDAY

Mrs. Eugenia Moore Clark, the oldest living member of the Oak Forest Presbyterian Church enjoyed a Birthday Cake with 101 candles on January 25, 1966.

In spite of ice and snow, Mr. and Mrs. Hugh E. Lamb, of the Oak Forest Church travelled the 125 miles to Oak Ridge, Tenn., where Mrs. Clark lives with her son, De Casta, to deliver the cake made by Mrs. Lamb and decorated by members of the Oak Forest church.

Mrs. Clark's husband, the late Dr. W. W. Clark was a practicing physician in the Candler area. He died in 1904.

Her grandfather, Charles Moore, was a trustee of the First Presbyterian Church, Asheville, as early as 1842, and about that time gave land and lumber to erect a church and school on Sand Hill Road, which eventually became the Oak Forest Presbyterian Church, organized in 1872. This original building was used during the Civil War and shortly thereafter by a gang of camp followers and vandals, who left the building in a bad state of repair.

Mrs. Clark recalls that after the church and a house for the minister was finished, "Russell Jones took a wagon team and went to middle Tennessee to get the pastor and his family". The name of the first minister is thought to be "Hood".

In 1879 a permanent brick building was erected which remains today as a unit of the present church plants several times enlarged.

REPORT OF THE COUNCIL

Thomas Lamb, Chairman

During the 1966 Winter Meeting held at the Brevard-Davidson River Church, January 18, Presbytery adopted a Benevolence Budget for 1966 in the amount of \$235,076.

During the 1965 Summer Meeting Presbytery adopted a Budget for 1966 in the total amount of \$221,408 representing the full "Basic Budget" needs for causes of Assembly, and Synod, and approved amounts for Presbytery Agencies. As the actual receipts through the office of the Central Treasurer for the year of 1965 exceeded \$228,000, the Council, under the efficient and capable leadership of Ruling Elder Thomas H. Lamb, proposed that the July Budget be increased by 6% for every cause except that of Davidson College which should be increased from the amount of \$470 to \$2,000. The proposal was unanimously accepted and the 1966 Benevolence Budget is as listed in the figures below.

The General Assembly had established a Central Treasurer to become effective

The Rev. John L. Fain, Jr., who was installed pastor of the First Presbyterian Church, Hendersonville, N. C., in January 1962, requested Presbytery to dissolve the pastoral relationship effective February 28, 1966. CLOTHING - BLANKETS - SHOES
WORLD CHURCH SERVICE

March to Plummer's Radio Service, 270 Biltmore Avenue, Asheville, with your serviceable clothing, warm blankets, and sturdy shoes — men's and children's — by March 15, 1966.

By the middle of March the truck from New Windsor, Maryland, will arrive in Asheville to carry your contribution of clothing, blankets, and shoes, etc., for the needy people over-seas.

Warehouse shelves in Church World Service centers are bare of blankets. An emergency request from East Pakistan for 600 blankets for war victims of the border conflict with India took all on hand in late '65.

Mr. Melvin B. Myers, Material Program Director for Church World Service, declares that "many emergency calls for blankets are being received." He also states "Quite apart from any possible emergency needs for 1966, there are sizeable requests for blankets and bedding for regular program."

Mr. F. A. Plummer reports that during 1965 six tons, 12,000 pounds of old clothing, blankets and shoes were brought to the Radio Service location and that just prior to Christmas all of it was carried by truck to the warehouse at New Windsor, Maryland, processed and sent to the needy.

The need in 1966 is greater than in 1965. So, gather the blankets you can spare, the shoes you have discarded and the old clothing you can no longer use, clean and pack carefully in a strong carton and bring it to 270 Biltmore Avenue, Asheville. You will find a pair of scales, bath room type, for your convenience. The cost of processing the clothing is TEN CENTS per pound. Each donor is requested to bring or send a check, payable to: CWS CENTER, P. O. Box 188, New Windsor, Md. 21176.

When you remit, give your name, address and church affiliation. This is important.

Mrs. F. A. Plummer, Chairman of this work for the Asheville Council of Church Women, testifies that local organizations and individuals in the Presbyterian Church have been very generous in their contributions in the past and she firmly believes that they will continue to provide for this service.

COUNCIL

January 1, 1966 to receive and disburse all contributions for all Assembly Agencies. The Rev. James Millard, D.D., the Stated Clerk of the General Assembly, will serve as the Central Treasurer. The approved plan which will be strictly followed is listed below:

- 1) All designated funds will be credited to the Agency or Agencies to which designated without exception.
- 2) All "undesigned" funds will be distributed to the Agencies so that the total income of each Agency will equal its proportionate part of the "Basic Budget" approved by the 1965 Assembly.
- 3) All funds in excess of the amounts specified in this "Basic Budget" will be disbursed for the specific use as set forth in the Minutes of the General Assembly, 1965, page 70.

To challenge the churches of the Presbytery to sacrificial giving and to provide the Central Treasurer of Presbytery with definite and positive instructions, the following recommendations were presented and adopted:

- 2) That the General Treasurer be instructed to follow the established procedure in dividing all "undesigned gifts", sending all funds for any Assembly Agency to the Central Treasurer of the General Assembly, and all other funds to the treasurers of the Agencies involved.
- 3) That the basis of distribution of funds received be that adopted in July 1965, amended to give Davidson College \$2000, and increase each other amount by 6% to provide for the addition of "Challenge Budget" of the Assembly, Synod and Presbytery, in specific amounts as shown below:

FAIN, THE EVANGELIST

Following the action of Presbytery, the Editor asked Mr. Fain to write a statement concerning his new work. Printed herewith are some excerpts from a letter received January 28, 1966.

"I am happy to give you a statement on my new work for OUR MOUNTAIN WORK. I am thrilled at the way the Lord has set His seal of approval upon my decision to return to full-time Bible teaching and evangelism. Within the past few weeks, since my intentions have been made known, I have had 15 invitations, 13 of which have been confirmed, in various areas all over our Church.

As I reported to Presbytery, I received a letter from the only evangelist I know in the United Presbyterian Church, asking if our work would be limited to the Southern Presbyterian Church U. S. In this letter he stated he was receiving more invitations than he could possibly fill and wondered if we would be at liberty to take some of them for him. I immediately wrote to him and stated that while the bulk of our work would be in our Church, we were free to accept invitations anywhere, when there were no conflicting engagements.

The Presbyterian Evangelistic Fellowship, raised up by the Lord through Rev. William E. Hill, Jr. of Hopewell, Virginia, will have 4 full-time evangelists by March 1. When we are not in meet-

ings, we have assigned areas for which we are responsible for promoting evangelism on a Presbyterian or area-wide meeting through what we call an evening of evangelism. Many of our Presbyteries have requested these and they have been most successful. I have already been in one of these in Mississippi and will be in 2 more next month — one in Hampton, Virginia and the other in Richmond, Virginia. I am responsible for the Appalachian Synod and the Synod of North Carolina so hope that, as I get started, doors will be opening in these areas for evangelistic emphasis.

I am confident that the Lord is raising up these evangelists (another will be called in the next few months, making 5 in all) to reach many souls for Christ through evangelism and to build Christians up in the faith through Bible study. We will be using proven methods of preparation to begin months in advance in a local church and are in the process of preparing follow-up material to be used after the week has ended. Our whole purpose is to assist the local pastor and tie pastor and people together in a united all-out effort to present the Gospel and root and ground in the faith oft those who respond. The Rev. Mr. Fain will conduct a series of evangelistic services in the Malvern Hills Church, March 27 - April 1.

CHRISTIAN WITNESS

3. That every congregation be requested to share in meeting human need as a part of its witness and service, through participation in the special Easter Offering for overseas relief and by the collection of used clothing.
4. That Pastors and Sessions be urged to continually challenge our young people to heed God's call to service at Home and Abroad.

NOW IS THE TIME to give attention to the CHURCH-IN-MISSION at Home. Dr. John Anderson, Executive Secretary of Church Extension, in cooperation with the Assembly's Board of Church Extension, is launching a vigorous program to reach the unreached millions in the Southland for Christ and His Church. The Assembly's "Call To Repentance and Expectancy" was submitted by the Board of Church Extension to the 1965 General Assembly and it was unanimously approved and sent out as a clarion Call to the whole Church. Sufficient copies for every member of the local church can be secured from Board of Church Extension, Atlanta, Ga.

The Church Extension Committees of the 80 Presbyteries in our Assembly are working diligently to faithfully fulfill the assigned tasks. The Church Extension Committee of our Presbytery with the new Chairman, the Rev. Leroy V. Secrest, is formulating plans to care more adequately for the 11 aid-receiving organized churches within the geographical limits of the Presbytery, to organize a new church at Cullowhee, N. C., to acquire additional property sites for future churches, to promote surveys in various fields, to secure pastors to serve the two vacant churches and to provide our Home Mission pastors and workers with more adequate salaries.

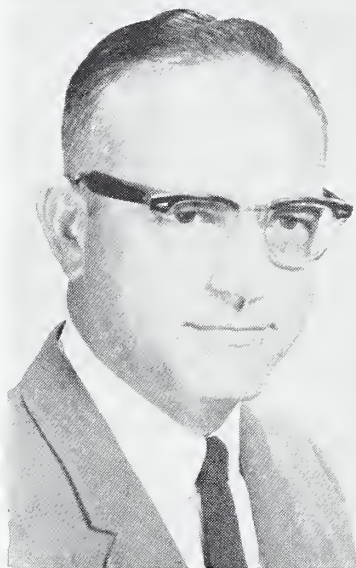

IT IS TIME for the WEEK OF PRAYER AND SELF-DENIAL for CHRISTIAN WITNESS AT HOME AND ABROAD, February 20 - FEBRUARY 27.

Secure an envelope and take to your church a supplementary offering Sunday, February 27. Your gift will support missionary outreach in the United States and overseas. The need for missionary outreach was never greater. With your gift you can meet a need somewhere in the world, sharing in our church's witness in 1966.

Make the "JOINT SEASON of CHRISTIAN WITNESS" a BIG success for Christ and His CHURCH.

NOW IS THE TIME to become actively engaged in the task of Evangelism. Dr. H. L. Bacon, Chairman of the Committee on Evangelism, presented to Presbytery several recommendations worthy

of consideration but two of them are very pertinent for every church during the Christian Witness Season. 1) That the ministers acquaint their congregations with the General Assembly's "Call to Repentance and Expectancy" and request prayers for its implementation within the Presbytery, Synod, and General Assembly. 2) That all churches be urged to have revival or evangelistic services some time during 1966 and, if possible, during the four weeks preceding Easter.

CHRISTIAN EDUCATION
LEADERSHIP COUNCIL

The members of the Program and Leadership Council, appointed by the Christian Education Executive Committee are: Rev. Robert Busey, *Chairman*; Robert H. Reid (Arden); Mrs. A. F. Tyson (Black Mountain); Rev. G. Daniel McCall; Mrs. R. M. Joyce (Grace Covenant); Mrs. Crawford (Kenilworth); Mrs. Paul Warren (First Church, Asheville); Earl Brookshire (Oak Forest); Rev. Jeff Coker; Bill Folsome (Hendersonville); W. C. Breazeale (Grace Covenant); and Arthur Matthews (Grace Covenant).

Two new leadership opportunities will soon be made available to the local church by Presbytery's Christian Education Committee. The first is called "Consultant Service Program"; consultants will be available in the following areas: Adult Work, Youth Work, Children's Work, and Church School Administration.

The second opportunity for leadership help is planned for April 18, 1966. This new leadership opportunity is called a "Summer Briefing Session." This "briefing session" will include our regular Presbytery Vacation Church School Institute (Section for Directors and each of the four age groups); a section on

PRESBYTERIAN HOME NEWS

by The Superintendent

SNOW—GAMES—FUN

The unexpected Winter Vacation ended for us on February 8th after sixteen days away from school. The snow was beautiful and all of us had fun for a few days but, after so many days, the children were anxious to return to school. With the type of weather we had we could not get outside too much and the thing that helped us all was that we had heat in our gym and many hours were spent playing basketball and other indoor games. Mrs. Sam Cooley, from our church at Black Mountain, came out and taught our little girls to knit and this kept them busy for days, making things for their dolls. The game of checkers was a big hit with all of the boys and I guess every puzzle was put together at least ten times. It's all over now and the staff and children are happy to get back into the routine.

SEVERAL CHANGES

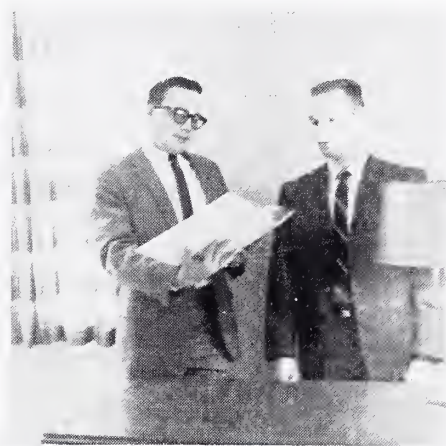

The semester break brought about some changes among our college students. Vestal Caldwell withdrew from Montreat-Anderson College and enlisted in the Air Force. He will leave the first week in March for San Antonio, Texas, to begin his basic training. Robert Myers and Jimmy Bell also withdrew from Montreat-Anderson and began a course in Traffic Management at Blanton's Business College in Asheville. We feel that these boys have made wise decisions and will do well in the future.

SENIOR HIGH RALLY

Ten of our young people attended the Senior High Winter Rally at the West Asheville Church, February 5th and 6th. All of them came back with reports of a wonderful meeting and fellowship. Sue Myers, Joan Hill, Rosalie Guthrie, Dina K. Ballard, Thomasine Hall, Billy Laughter, Terry Haney, Charles Cooks, Clifford Barnette and Edward Myers were in attendance. Sue Myers is on Presbytery's Senior High Council.

CIVITANS AND CIVINETTES

The Junior Civitans and Civinettes came out during the snow and began painting the little boys' parlor and did a wonderful job. The painting has been completed and furniture and other things are in the process of being placed in the room. All of us are so thankful for the work of these young people and for the interest they have shown in our little boys. Work has also started on the big boys' parlor and again we are thankful for the interest of the Canton Women for their support on this project. Circle Four, with Mrs. Edward Conley as chairman, and other circles have made curtains and drapes and other things to brighten the looks of this room. We all join in and say "thanks".

BIBLE FOR HOME

A large copy of the Bible, family style, was presented recently to the Presbyterian Home for Children by friends working in the Belk's Department Store, Asheville, N. C. The Bible has been placed in the parlor of the main building. It carries the inscription "Presented to the Presbyterian Home from your friends at Belk's." The friends at Belk's Department Store presented the copy of the Bible as an expression of their appreciation for the excellent conduct of the children of the Home during their visits to the store. Eddie Beck and Steve Blankenship are admiring the gift and reading the Word.

SEVEN PULPIT COMMITTEES SEEKING PASTORS

Seven of the thirty-five churches in Asheville Presbytery are without the services of active pastors. Seven Pulpit Nominating Committees are at work seeking to find ministers to recommend to their respective congregations.

The Commission on The Minister And His Work, the Rev. A. Allen Gardner, Jr., Chairman, is cooperating with the Committees in their search.

You can share in this effort by praying daily for God's blessing and guidance to be upon the members of the committees in their search. The seven churches are: Arden, Hendersonville, (after Feb. 28), West Asheville, Bethel H. Hazelwood, Etowah, and Murphy.

ASSEMBLY'S DIGEST

A new "Assembly's Digest" has been compiled by Dr. James A. Millard, Stat- ed Clerk. Republication price, before March 1, is \$6.00.

REVIS ORDAINED

Candidate J. D. Revis, formerly a member of the Weaverville Church, has been ordained as an Evangelist by Atlanta Presbytery.

WOMEN OF THE PRESBYTERY ANNUAL REPORT

Mrs. J. E. Wilson, president of the Women of Asheville Presbytery, presented the annual report to the Winter Meeting of Presbytery held at the Brevard-Davidson River Church, Brevard, N. C., January 18, 1966.

Presbytery received enthusiastically the report and commended highly the women of the Presbytery for the excellent service.

Some of the highlights of the report are listed below:

The study of the Epistle to the Ephesians in the Circles was a rewarding spiritual guide for every day Christian living.

31 of the 35 churches in the Presbytery have organized Women's work. In these organizations there are 3316 women in 118 circles. The Women of the new church at Hendersonville, Trinity, have already been organized. At Cullowhee there is one circle affiliated with the Sylva Church.

The Women gave \$8,717.66, a per capita of \$2.60, to the Birthday Offering for the Medical Center and Presbyterian College in Korea.

The District Meetings will be held in the fall and the Annual meeting will be held in the spring.

Various groups have clothed 54 children at the Presbyterian Home at \$100 each. \$164.00 was contributed to the College Educational Fund. The \$1,000 pledge for furnishing a room in the Assembly at Montreat was completed. \$105.00 was given by various circles to the King College Library for the Operation Book Strap Project. The White Cross quota was sent to the Kellesberger Memorial Hospital in Korea. \$200 was given to the Galloway Scholarship for a Negro girl at Stillman College. The Presbyterial continues to support the Interdenominational Christian Conference held at Knoxville College each June.

13 women from six churches in the Presbytery have been elected to serve as Ruling Elders or Deacons.

10 Life Memberships were given to the following: Mrs. Louise Scriber, Arden; Mrs. W. A. Ward and Mrs. George Wright, Asheville First Church; Mrs. S. C. Cooley, Mrs. Clifford Porter and Mrs. J. L. Williams, Black Mountain; Mrs. Emma Clark and Mrs. Ellen Kemsey, Mills River; Mrs. Hugh Lamb and Miss June Lamb, Oak Forest.

THE COMMITTEE OF
TWENTY-FOUR
A PLAN OF UNION
GUIDELINES

One hundred and twenty representatives of the Presbyterian Church, U. S. and the Reformed Church in America met in Louisville, Kentucky, January 26-28, to discuss plans for the possible uniting of the two denominations.

The 1965 General Assembly of the Presbyterian Church and General Synod of the Reformed Church instructed the Joint Committee of 24 (twelve from each denomination) to begin drafting a plan of union for "possible presentation not later than 1968." The Committee of 24 was also authorized to call on persons in various areas of both communions to assist in proposing first drafts of sections of a plan of union. It was in line with this latter authorization that the meeting in Louisville was held. Twenty-five "consultants at large" were invited from each denomination and in addition to these there were present representatives of major boards and agencies and of the theological seminaries.

After an opening inspirational service and an examination of the task at hand, the consultation was divided into four committees to study and make recommendations in the area of theology, liturgy, polity, and witness and structures. Suggestions issuing from these periods of study and discussion were recorded and will be taken into careful consideration as first drafts of sections of the plan of union are prepared. The actual task of preparing the plan is the responsibility of the Committee of 24. These preliminary drafts are being written now and will be circulated among the presbyteries and classes of the two Churches with the request that suggestions be submitted to the Joint Committee "for their consideration in the completion of their task."

(Two members of Asheville Presbytery are members of the Joint Committee: Dr. Marion A. Boggs and the Reverend B. Hoyt Evans.)

A NEW ADVENTURE IN
CHRISTIAN TEACHING

A special Class For Retarded Children between the ages of four and twelve is being conducted in the First Presbyterian Church, Asheville, N. C., each Sunday morning from 10:45 a.m. until 12:15 p.m. Mrs. Paul Warren, the Director of Christian Education, states that the class is being conducted for the benefit of the children and to provide the parents with an opportunity to attend worship services. This is a community-wide endeavor and parents interested in enrolling children in the class are requested to get in touch with Mrs. Warren at the church office.

GENERAL ASSEMBLY MEETING
MONTREAT, APRIL 21-26

The 106th meeting of the General Assembly of the Presbyterian Church in the United States will be held at Montreat, N. C., April 21 - 26, 1966, and will be preceded by a Conference on "The Mission Of The Church", sponsored by the Board of World Missions and of the Division of Evangelism.

The Pre-Assembly Conference will begin Wednesday morning, April 20th and conclude at noon on Thursday, April 21. The program will consist of three addresses by Dr. Albert Curry Winn, President of Louisville Theological Seminary; and two addresses by Mr. Lovett R. Elango, a Ruling Elder in the Church of the Redeemer, Washington, D. C. and a native of Cameron. There will be a question and answer period after each address.

Commissioners to the Assembly will be guests to the Pre-Assembly Conference. All meetings both to Pre-Assembly Conference and of the General Assembly will be held in Anderson Auditorium at Montreat. The public is cordially invited to attend all meetings.

The General Assembly will convene at 4 P. M., Thursday, April 21st at which time the retiring Moderator, Ruling Elder Dr. Samuel Jasper (Jap) Patterson, will preach the opening sermon, and the Communion of the Lord's Supper will be observed.

Commissioners from the 80 presbyteries will attend the meeting. The Commissioners from Asheville will be: The Rev. J. D. Whitesides and the Rev. J. H. Armfield, Jr., Ministers; and Ruling Elders Thomas Lamb, Oak Forest, and Robert R. Bolt, Brevard-Davidson River.

PRAYER FOR THE ASSEMBLY
SINCE 1863

Dr. James A. Millard, Jr., Stated Clerk of the General Assembly, has issued the following statement concerning the need for prayer:

When our whole Church assembles — the whole representatively present through commissioners from the 80 presbyteries — decisions are made which are a vital part of the Church's life and its witness to Jesus Christ before the world.

No gathering so much needs the effective, fervent prayer of all our people. You are invited to such prayer throughout all this week and into the next as the General Assembly is gathered at Montreat from April 21 through April 24.

The Call to Repentance and Expectancy made to you by the 1965 General Assembly may have special application to the Church now again to "meet in general assembly."

Consult Ephesians 3:14-20 before you pray.

Since 1863 the appeal has been made for special prayer to be offered on Sunday preceding the meeting of the General Assembly for God's guidance and blessing.

SPRING MEETING OF THE
PRESBYTERY, ETOWAH

Two special features on the docket will be: first — a survey of the Church-IN-Mission by the Rev. Leroy Secrest, Chairman of the Church Extension Committee; and second — a report from the special committee appointed during the Winter meeting of Presbytery to study the booklet "New Wine Skins" and to present recommendations to the Spring Meeting of Presbytery. CENTENNIAL CAMPAIGN KING COLLEGE

Over half of the goal of \$2,000,000 for the King College Centennial Campaign has been subscribed, with the campaign still going on in churches throughout the Synod.

The College will celebrate its one-hundredth anniversary in 1967, and the Centennial Campaign is the first phase of a ten-year development program seeking nine million dollars. The program provides for an increase in enrollment to more than 500 students, with additions to the faculty to maintain the 11 to 1 student-faculty ratio. The library holdings will be doubled to over 85,000 volumes, and sufficient buildings will be erected to care for the total needs of the growing college. \$5,000,000 will be added to the endowment to support this program.

Current objectives in this campaign are \$750,000 for a new men's residence hall; \$250,000 to enlarge and remodel the chapel; and, \$1,000,000 for endowment.

Centennial support has come from all over the Synod of Appalachia, and beyond its bounds with almost \$300,000 coming from foundations and industries, \$90,000 from King alumni, and \$23,000 from the faculty and students. Only scattered returns are in from churches in Asheville Presbytery showing the following results:

Asheville First	\$1,900.00
Bryson City	\$ 29.76
Franklin	\$.....
Grace Covenant	\$ 447.00
Hazelwood	\$.....

SPECIAL EASTER OFFERING "GOOD SAMARITAN FUND"

The Easter Offering of our Church is a special offering, by order of the General Assembly. For the most part we use Church World Service for the relief to human need in the name of Christ in over fifty nations. Dr. T. Watson Street, Executive Secretary of the Board of World Missions, in a special appeal for a much larger offering by our Church this year than was made last year, declares that two new items are included in the Easter Offering: 1) at least \$15,000 for increased aid to refugees in Vietnam. This will be done through Church World Service. 2) Up to \$100 for each missionary of our Church, if requested, for personal charity in the name of Christ. This "Good Samaritan Fund" will go directly to our missionaries. Take a sacrificial offering for suffering humanity to the Easter Worship Service this year.

The Board of World Missions has not only called for an increase in funds for refugee work, also, for volunteers for service in Vietnam for three to six months or longer. For detail information, write the Candidate Secretary, Board of World Missions, Box 330, Nashville, Tenn.

MISSIONS CONFERENCE EASTER WEEK-END

The Annual Missions Conference, sponsored by the Society of Missionary Inquiry of Columbia Theological Seminary, Decatur, Ga., will be held on Easter Week-end, April 8-10, 1966 at Rock Eagle Camp, near Eatonton, Ga. Special speakers will be: Dr. John Anderson, the Rev. Ernest Gilmore, and the Rev. Herbert Meza. Additional information can be secured by writing the Seminary.

TWO CHILDREN ADMITTED

Christine and Enoch Prather were admitted to the Home in February. Catharine is nine years old and in the third grade. Enoch is twelve years old and in the sixth grade. They come to us from Asheville and we are very happy that they are members of our family.

NEW HOUSEMOTHER

Mrs. Thelma Maney has joined our staff as substitute Housemother and for the first time we will have a full staff in over a year. Mrs. Maney will substitute for the other Housemothers as they have their days off. We are all very happy that Mrs. Maney decided to come with us and we are sure that she will be happy in her work here. Mrs. Maney comes to us from Weaverville.

SPRING AND STRAWBERRIES

The weather finally broke for us and Mr. and Mrs. York and the boys have been getting the ground ready for the Spring planting. The lime and fertilizer have been broadcasted and over 1500 strawberry plants have been put out. The only thing that is holding our work down is going to school on Saturdays. We hope that our lost days will soon be made up and we can get back on regular schedule.

GOOD LUCK VESTAL

A farewell dinner was given to Vestal Caldwell on March 14, the day before he left for his basic training in San Antonio, Texas. The children presented him with a cake decorated with American Flags and with the inscription "Good Luck Vestal". The staff also presented him with small presents. Vestal has been a member of our family for fourteen years and all of us join in and wish him success in his new work.

COLLEGE VISITATION

Edward Myers, Eddie Beck, and Steve Blankenship along with the superintendent spent March 1st at Central Piedmont College in Charlotte, N. C. THE WOMEN OF THE CHURCH
1966 BIRTHDAY OBJECTIVE"Sharing The Load
In Eastern Kentucky"

The Women's "Birthday Offering" for 1966 will open a new era of service in Guerrant Presbytery. "Sharing the Load in Eastern Kentucky" is the theme under which the project is being publicized throughout the denomination.

Guerrant Presbytery and Lees Junior College (Presbyterian owned and operated, in the heart of the Guerrant-area mountains) will share jointly in receipts of the offering. Primarily it is designed to undergird some new dimensions of Christian service: a recognition by our church that the picturesque mountains of Dr. E. O. Guerrant's and Patsy Turner's day have been supplanted, first by coal mines and industrial squalor, and now by unemployment and suffering, blight and decay.

The Presbyterian Church is about to undertake a new ministry of service, to try to help meet these new and distressing problems of our people. We might call it "A Christian Hand-Up". It is not a hand-out. It is recognized that it will take the friendly, loving hands of dedicated and trained Christians to lift these people up from the loneliness and hopelessness of poverty.

Will the women of Asheville Presbytery give generously to lead the way in moving the people of Eastern Kentucky into a wholeness of life in Christ that God desires for all His children?

The Birthday Offering should be remitted as promptly as possible to Mrs. W. M. Green, Box 53, Hazelwood, N. C.

18th ANNUAL SYNODICAL
TRAINING SCHOOL, JUNE

This is the year when women from churches in Asheville Presbytery should attend the annual Synodical Training School, to be held at King College, June 6-10.

Leaders in the school from Asheville Presbytery include:

Mrs. F. A. Plummer, Dean, and President of the Women of Appalachia Synod.

Mrs. J. E. Wilson, Director, and President of Women of Asheville Presbytery.

Miss Ora Blackman, teacher of courses, "From Dan to Beersheba With a Spade". (A course taught at the Asheville 1st Church, and so popular it was repeated several times.)

Mrs. W. B. Ferguson, former President of Women of Asheville Presbytery, director of Music.

Mrs. Paul Cassat, Corresponding Secretary of the Women of Appalachia Synod, in charge of credits.

Mrs. R. E. McClure, past President of Women of Appalachia Synod, will be in charge of literature.

In years gone by women of Asheville Presbytery have failed to support this Training School, now in the 18th year. Not only, in support of these local leaders, but because of the helpful and significant program, the challenge for 1966 should bring many others to this Training School.

In addition to the above, faculty and leaders, will include:

Rev. W. Kirk Allen, D.D., Kingsport, Bible Hour.

NORTH CAROLINA COUNCIL OF CHURCHES, A REPORT

During the 1966 Winter Meeting of Asheville Presbytery, Mrs. F. A. Plummer, a ruling elder in the First Church, Asheville, was elected to serve as Presbytery's representative on the North Carolint Council of Churches. Mrs. Plummer attended the Annual Meeting of the Council held in Raleigh, N. C., January 25-26, and made the following report to the Spring Meeting of Presbytery, April 12:

As your representative to the 29th Annual Meeting of the N. C. Council of Churches in Raleigh, N. C., on January 25-26, 1966, and as a denominational member of the Board of the North Carolina Department of United Church Women, by virtue of being president of the Women of the Church of the Synod of Appalachia, — your representative went one day early in order to divide her time between the women and the men's meeting. Being a ruling elder and not a pastor, she skipped the Pastors' Conference on Tuesday and gave her full time to the meeting and workshops of the United Church Women.

In one of those workshops on Christian Social Action we had the privilege of hearing the Reverend Jack Crum, Director of Christian Social Action for the N. C. Council of Churches, who was loaned to us for that particular workshop. Mr. Crum showed excellent slides made in problem areas of N. C. recently, — in Plymouth on Sept. 13, — in Charlotte and in Pittsboro and other "hot spots."

That evening, after a joint banquet and program given by the team of women leaders, both men and women con-

tinued in a plenary session in the sanctuary of the Christian Church, in which Dr. Donald Miller from Pittsburgh Theological Seminary, Pittsburgh, Pa., spoke on the Nature and Mission of the Church. Immediately afterwards, Bishop George Henry, President of the N. C. Council, called the Council into its first business session, a very brief one. Recommendations were brought in for consideration and study, to be voted on at the session next day.

Next morning all delegations were amazed to see ten inches of snow on the level and it was still snowing *hard*. Traffic was paralyzed, people were scattered throughout the city and could not reconvene. Necessary business was turned over to the Executive Board which convened a few days later in Charlotte.

Your representative has had no official report of action taken at that meeting. However, I am sure you will be interested to know that a recent letter from Dr. Sam Wiley reported as follows: In 1965 North Carolina gave 85,000 pounds of good used clothing for overseas relief; and through CROP, The Milk Fund and Share Our Substance programs the total *cash* given in 1965 was almost \$7,000. The Nation as a whole gave, in 1965, 226 million pounds of clothing, bedding and food through Church World Service, valued at \$23,000,000.00!

KING COLLEGE CAMPAIGN WESTMINSTER CHURCH

At a meeting April 4th in Chattanooga, the King College Centennial Campaign Cabinet reaffirmed its optimism in reaching the goal of two million dollars during the Centennial observance in 1967. Commitments reported at that meeting total \$1,232,607.00, according to Dr. James L. Fowle, General Chairman.

Asheville Presbytery trails the other three presbytery in the Synod both in total amount subscribed and in the number of churches who have met or exceed their suggested goals.

Westminster Church alone of all the churches in Asheville Presbytery has exceeded its goal of \$2,000. Dr. Fowle took note of the fact that several churches in Asheville Presbytery will be campaigning during 1966, and some beginning their efforts in 1967 and beyond. He urged all the churches to offer their members the opportunity to support their Synod College.

Dr. Fowle announced that J. Bruce Frye, Assistant to the President of King College, will assume the direction of the Centennial Campaign effective immediately, and all reports and requests should be directed to Mr. Frye, c/o King College Centennial Campaign, P. O. Box 642, Bristol, Tennessee, 37620.

OUR NEWEST CHURCH
CULLOWHEE, MARCH 27

The Cullowhee Presbyterian Church with 31 members was organized by a commission appointed by Asheville Presbytery on Sunday night, March 27 at Cullowhee, . C.
The organization took place in the sanctuary of St. David's Episcopal Church, Cullowhee. For several weeks, at Eleven O'clock each Sunday morning, Presbyterians and friends have been assembling at the Episcopal church for worship and work. The privilege of using the Episcopal church had been granted to them by Episcopalians of Cullowhee. The spirit of Christian fellowship and brotherly love as manifested by the members of St. David's Episcopal Church is greatly appreciated.

The above picture shows a group of

Presbyterians leaving the Episcopal church following a worship service.

During the organization of the new church the name "Cullowhee Presbyterian Church" was chosen by the members of the congregation. The following ruling elders were elected: Dr. Theodore Huguelet, Dr. Dawson Sheldon, and Gerald Kribbs; and the following were elected deacons: Will Thompson, Henry Lofquist, Jr. and William R. Higgins.

The congregation unanimously requested for the Rev. Stanley L. Bennett to serve the church as Stated Supply Pastor. GENERAL ASSEMBLY

From Page One

The Stated Clerk reported a total membership, December 31, 1965, of 950,167 members, a net increase in one year of 5,448.

Additions on Profession of Faith 25,214.

Sunday contributions and per capita averages are:

Benevolences: \$27,065,567 (\$28.59)

Current Expenses and Building Funds: \$85,500,875 (\$89.99)

Six Chairmen of Standing Committees were laymen, the largest proportion in a number of years.

A woman, Mrs. W. H. Hopper, Louisville, Ky., was the chairman of the Committee on Thanks. Another first.

The Assembly declined to name an Ad-Interim Committee to confer with a similar committee on "cooperation" with the United Presbyterian Church, USA, but delegated this to the Permanent Committee on Inter Church Agencies.

The Assembly did provide for a group of six (four to be from the departments of Systematic Theology of the four seminaries) to "participate" in the "Consultation on Church Union", as one with seven other denominations. (Methodist Church, Episcopal Church, United Presbyterian, USA, United Church of Christ, Disciples of Christ, Evangelical United Brethren, and African Methodist Church.) The Presbyterian Church, US, had previously been an "observer" only.

The Assembly adjourned to meet June 6, 1966 at Bristol, Tenn., simultaneously with the General Synod of the Reformed Church in America, for the purpose of better acquaintance and understanding, and with certain joint sessions.

It was reported that the National Council of Churches had responded to previous objections raised by the 1965 General Assembly, and that committees were at work seeking solutions to these problems, on which were at least two ministers and a layman from the Presbyterian Church, U. S., in the light of which, the Assembly voted to remain in the body and postpone further action.

A quadrennial Youth Convention "under the boards of World Missions, Christian Education, and Church Extension" was authorized for 1968.

Went on record as "favoring the discontinuous of the use of capital punishment" and ordered that governors and legislatures "within the bounds of our church be notified".

Special tributes were paid to Rev. J. G. Patton, D.D., who retires in May after twenty-three years as Executive Secretary of the General Council, and of Rev. Claude H. Pritchard, D.D., who will retire in December as Secretary of the Division of Home Missions, of the Board of Church Extension. Dr. Pritchard has been associated with the work of Home Missions at the Assembly level

since 1935.

Rev. Lawrence I. Stell, D.D., St. Petersburg, Fla., was introduced as the successor to Dr. Patton, as Executive Secretary of the General Council.

Rev. Eugene D. Witherspoon, Jr., formerly pastor at Andrews, more recently of Statesville, N. C., was introduced as an assistant to the Stated Clerk, to assume full time service in the Atlanta office in June.

Each of the eighty presbyteries elects an equal number of Teaching and Ruling Elders, as Commissioners to the Assembly, based on membership. (One each, with an alternate for each 5,000 members or fraction thereof.)

1) Determining the doctrinal statements and interpretations of the church.

2) Directing the activities of boards and agencies responsible for carrying out the work of the Assembly.

3) Considering appeals from lower courts regarding any phase of the work of the entire church.

4) Making declarations of policies, and expressions of participation with other Christian bodies, in the work of the Kingdom of God.

Asheville Presbytery sent four commissioners on the basis of 8,963 members plus 49 ministers (teaching elders members of the presbytery).

GENERAL FUND AGENCIES
NO LONGER COMBINED

The designation "General Fund Agencies" no longer applies to causes in the benevolent budget of the church.

It was originally used to designate the group of nine agencies, grouped for convenience sake, in order to provide one treasurer to receive contributions, rather than send nine separate remittances.

The nine agencies still function, but each has its own independent place in the General Assembly's budget.

No remittances should be made in the future for "General Fund Agencies" as such. Each cause receives a proportionate part of the total gifts of the church, as determined by the General Assembly.

This is also true of "Inter-Church Agencies" which formerly included National Council of Churches, World Council of Churches, Religion in American Life and Lord's Day Alliance.

THE NEW MANSE
Franklin, N. C.

"White Columns On Maple Street" is an appropriate designation for the new manse built by the congregation of the Franklin Presbyterian Church, Franklin, N. C. for their minister, the Rev. W. Ted Smith, Jr., and his family.

Inside and out the house is adequately and beautifully executed. It contains nearly 3500 square feet of floor space on two floors, and it is all utilized. There are four bedrooms, two and one-half baths, living room, dining room, breakfast room and kitchen, spacious den, study, large laundry and shop room, a playroom and storage area, and closets and closets.

\$35,000 is a conservative evaluation of the manse with only an indebtedness of less than \$3,000. Congratulations are in order for this small but determined congregation.

PRESBYTERY CAMPSITE FOUR CAMPS

Church camping is a 24-hour-a-day experience, providing group living in which campers come closer to GOD as they live, worship, work, study and play together. Amid the beauty of nature and free from the distractions of their usual surroundings, youth have opportunities to find a deeper meaning for their lives, as they seek to live the Christian faith in all of their camp relations.

Sometimes considered a "laboratory" in Christian living, church camping attempts to provide opportunities for such things as nature study, cook-outs, hiking, recreation and the like. Because campers see themselves as a Christian community of God's People, they experience the necessity for worship, Bible study, serious discussion of the meaning and purpose of life. They also enjoy each other in Christian fellowship and fun. Church camping is a part of the total program of the church with its setting in the out-of-doors.

ASHEVILLE PRESBYTERY CAMPS FOR 1966 SEASON

Camp II — July 11-16 — Youths going into 7th or 8th grades

Camp III — July 18-23 — Youths going into 5th or 6th grades

Camp IV — 25-30 — Youths going into 9th or 10th grades

Registration blanks are available through your minister or by writing The Rev. Edward Bates at the Kenilworth Church. Completed registration forms and fees should also be sent to Mr. Bates.

Asheville Presbytery Camp is also available for church groups to use—all ages — for day camps or night retreats, daylong outings, etc. Permission and reservation must be cleared through Mr. Gale D. Lammey, 880 Sand Hill Road, Asheville, 28806 — phone 667-1067.

A Work Camp for a limited number of Senior High Youths of the Presbytery is being planned for the week of June 20-25. Its purpose is to offer young people an opportunity to give themselves physically to an undertaking of special significance and need. Additional information may be secured through Mr. Lammey.

In addition to the work camp, opportunity for other groups (M.O.C., Adult Church School Class, etc.) to help is needed. Such projects as constructing new hogans (sleeping areas), vesper area, landscaping, swimming area, beaching, laying out trails and many others are planned.

Your help, your suggestions, your concern, is needed to help our camp grow.

Counselors for our camps come mainly through our churches. We would welcome any names of college age youth or adults who would be willing to contrib-

ute their talents. Miss Sarah Cox, D.C.E. of The Arden Presbyterian Church is now in the process of enlisting counselors.

This summer two college men are to be hired to live at the camp and serve as workers with all groups. If you are interested or know of someone who might be, contact Mr. Lammey. A knowledge and love of the out-of-doors, life saving ability, willingness to work, and a dedicated Christian are some of the qualities we are looking for.

AREA LABORATORY SCHOOL GRACE COVENANT CHURCH

PRESBYTERIAN HOME NEWS
by The Superintendent

WELCOME VISITORS

Circle number three of the Westminster Church met at the Home, May 2nd, for a dinner meeting. After the dinner the little boys and girls were given a party of indoor games. Ice cream and cake was served and a wonderful time was had by all. Circle fourteen of the First Church of Asheville also had a dinner meeting May 3rd. The superintendent was the speaker for this group. The ladies voted to buy a much needed washing machine for the Home, for which we are very grateful. We are so happy when the women of the churches come out to eat with us and meet the children. We invite all the circles throughout the Presbytery to come out and meet with us at least once a year.

BASEBALL CHAMPIONS

Little league baseball is getting near, the first practice was held on May 12th and the season begins on June 6th. We are looking forward to a good season with our boys this year. Last year we were second in the league, losing the championship by one run. We only lost two boys from the team and with a year of experience behind them we hope to be champions this year. We will keep you posted on our record as the season goes on.

SUMMER CAMPS

Three of our boys will attend camp this summer. We have been able to send two boys to Camp Mondamin in Hendersonville for the past five years. Billy Laughter and Johnny Guthrie have been for the past four years; but due to age requirement will not be going this year. Gene Guthrie and Sammy Ballard will replace these two boys this summer. We will also send Gary Adams to Camp Sequoyah in Weaver-ville. All of these boys are looking forward to a wonderful two weeks of camp-ing. We are very grateful to Mr. and Mrs. Frank Bell at Mondamin and to Mr. C. Walker Johnson at Sequoyah for the opportunity they have given to our boys.

PARTY FOR THE DUVALLS

Mr. Floyd Duvall, our maintenance man for the past eleven years, has re-signed to go into business. Mr. Duvall was a faithful worker and devoted to the Home and to the children. He only missed one day of work in the eleven years he was here. He was loved by the children and staff and we hated to see him go, but all join together and wish him well in his new work. A dinner was given May 11th to honor Mr. Duvall for his service to the Home. Gifts were presented to Mr. and Mrs. Duvall from the staff and children.

CHURCH MEMBERS

Twelve members of our Home family became members of the Black Mountain Presbyterian Church, Sunday, May 1, 1966.

Left to right front row: Brenda Steppe, Joyce Elliott, Carolyn Gider, Melanie Hyatt, Catherine Steppe.

HAPPY MARRIAGE

Annie Mae Thurston will be married June 12th to Robert Lee Dalton in the Black Mountain Presbyterian Church. Annie Mae has been at Montreat-Anderson College for the past two years. Robert is employed in Asheville. After the marriage they plan to live in Black Mountain. Our prayers are for these young people as they begin their married life.

WOMEN OF THE CHURCH LIFE MEMBERSHIP

On May 2, 1966, at the meeting of West Asheville Presbyterian Women, Mrs. W. G. Thomas, wife of the former minister, was presented a Life Membership in the Women of the Church. In paying tribute to Mrs. Thomas it was said of her that during at least 95% of her years in the West Asheville Church she held executive positions other than president, served as chairman of various causes and taught intensive Bible courses at appointed times. In addition to work in the local church, she has been a member of executive Boards on Presbytery and Synod levels.

A copy of this tribute was sent to the Historical Foundation with the 1966 history of the Women of the Church. In quoting from this tribute it was said,

"For Mrs. Thomas' sweet and loving disposition, which she poured out upon us all, for her many visits to us in sickness and sorrow, for her high ideals, her willing service to our church and community, we, the women of West Asheville Presbyterian Church, wanting to show our deep appreciation, would like to present her with a Life Membership in the Women of the Church."

ETOWAH CHURCH CALLS A PASTOR

Mr. George Francis Ganey, a recent graduate of Columbia Theological Seminary, Decatur, Ga., has indicated his willingness to accept a call to become the pastor of the Etowah Church, Henderson County, Etowah, N. C. The church has been without an installed pastor since the resignation of the Rev. W. C. Neel in September of 1965.

Mr. Ganey is a native of Woodburn, N. C., a member of the Woodburn Presbyterian Church and a candidate under the care of Wilmington Presbytery. He has served as a deacon and as a ruling elder in his home church. After spend-

BEYOND THE CALL OF DUTY TWO MISSIONARIES

In addition to serving as student supply pastor of the Hayesville Church, Hayesville, N. C., Mr. George David Russell and his wife, Jerry, are going beyond the call of duty by conducting Sunday School and worship services in the Bethel Church (Unaka) in Cherokee county, situated 35 long miles from Hayesville. They make the trip of 70 miles every Sunday afternoon, conduct Sunday school or a worship service for a small group of adults and children, carry the people in a pick-up fashion to and from church in their car. The Russells are greatly assisted by Mrs. R. H. Foard, a member of the Murphy Church. Jesus said: "Go preach, teach, and heal." These home missionaries are doing a noble work. The story can best be told by quoting some excerpts from a recent letter written by David Russell addressed to the Executive Secretary:

"The Bethel church sits right on top of a little hill, as the photograph shows somewhat. The people in the photograph are, left to right on the top step: My wife Jerry, Mrs. George Handy, Mrs. Eula Handy, Mrs. Eula Mae Thompson, and the lady in the center of the next step is Mrs. R. H. Foard, the organist at Murphy church who always goes with us to provide the music. Mrs. Foard has an appeal to the children and adults alike and is an indispensable part of the Unaka work. The children in the picture are all from two families, the Evans

COKER RESIGNS AND ACCEPTS CALL TO VALLEY PIKE

The Rev. Robert Jefferson Coker, pastor of the Britains Cove Church and assistant pastor of the First Church, Weaverville, requested Asheville Presbytery during a called meeting held May 24, 1966, to dissolve the pastoral relationship and to grant him a certificate of dismission to Holston Presbytery. He will become pastor of the Valley Pike Church, Route 4, Bristol, Tennessee. The Valley Pike Church has a larger Sunday School enrollment than church membership enrollment—a sure sign of growth!

Mr. Coker is a native of Chattanooga and came to Weaverville and the Britains Cove Churches after graduating

OUR MOUNTAIN WORK AN URGENT REQUEST

Attention pastors, church secretaries, and clerks of the sessions! Almost four thousand copies of Our Mountain Work are mailed every month. We must correct the mailing list, and it is no easy task.

Miss Edith Sollman, the efficient and diligent secretary in the office of Asheville Presbytery, 26 Church St., Asheville, North Carolina, 28801, spends several hours every month seeking to keep an up-to-date mailing list. She cannot correct the mailing addresses unless she is notified of the changes. She cannot make new additions unless the pastor, church secretary, or clerk of the session notifies the office of the new members. When sending a change in address or the addition of a new name, please include the zip code identification.

The change or new addition can be made by telephone, but a written statement on a postal card will be more acceptable.

THE PRESBYTERIAN MANSE AT FRANKLIN

A brief article was printed in the May issue of Our Mountain Work about the new manse at Franklin, N. C. The pastor, the Rev. W. Ted Smith, Jr., writes: "It is more than a beautiful manse. It is indicative of what can happen when a small but determined congregation begins to work in faith. It is the result of working together regardless of personal sentiment. We feel that God has richly blessed in this effort in more ways than we could ever express." The new manse is valued at \$35,000.00 and at present there is an indebtedness of less than \$3,000. "This has been accomplished without any special drives or fund raising schemes."

GENERAL ASSEMBLY ASSISTANT STATED CLERK

Lauce, Mills River, — Mrs. Robert Harding, Sylva, — Mrs. Wayne Brown, Trinity Church, Hendersonville, — and Miss Louise Slaughter of Canton. Due to the fact that General Assembly of the Presbyterian Church U. S. and the General Synod of the Reformed Church in America will both be meeting in Bristol and on King College campus next year 1967 at the same time, — June 8-13, — the *19th Annual Training School and the 53rd Annual Synodical meeting will be held on the campus of Grandfather Home for Children, Inc.* at Banner Elk, N. C., probably from June 5-8, 1967.

As a member of Asheville Presbytery he was faithful in attendance and diligent as a member of several committees. He assisted efficiently and effectively in youth activities. Mrs. Coker maintained a Christian home, rendered valuable service in the churches and served as a teacher in the Lee Edwards High School. We will miss the Cokers!

THE SYNOD OF APPALACHIA R. E. McCLURE, Publicity Clerk

The Presbyterian Synod of Appalachia voted to ask the General Assembly of that denomination to withdraw, at least temporarily, from the Consultation on Church Union, and to reestablish a student work at the University of Tennessee at sessions which ended Wednesday afternoon, May 25, at Montreat, N. C.

The Rev. W. Kirk Allen, Jr., D.D., of Kingsport, Tenn., was named moderator, succeeding the Rev. W. G. Thomas, D.D., Asheville, and the Rev. Gale D. Lammey, Asheville, was named temporary clerk.

The Rev. Albert C. Winn, Th.D., president of Louisville Presbyterian Theological Seminary, spoke twice and his address, "The Living God", as a reply to current "God is Dead" declarations, was ordered printed by the Synod.

The Communion service was conducted by two brothers, both former moderators of the General Assembly, now members of Asheville Presbytery, the Rev. Marion A. Boggs, D.D., Asheville, and the Rev. Wade H. Boggs, D.D., Black Mountain. It was reported that this was the first time in their ministerial careers that they had officiated jointly in administering this sacrament of the church.

In a vote asking the 1967 General Assembly to withdraw from full participation in the Consultation on Church Union (COCU) the body declared that there was insufficient understanding of the implications of actions taken at Dallas, Tex., earlier this month, and of previous actions by COCU, which were interpreted as being binding on the eight participating denominations, the withdrawal was to be temporary "pending a study in depth" of the "principles of church union" adopted in Dallas.

**SYNOD'S YOUTH CARAVAN
TO MEXICO IN AUGUST**

The World Missions Committee, Synod of Appalachia, is sponsoring A Youth Caravan To Mexico under the auspices of the Board of World Missions, Nashville, Tennessee. The purpose of the caravan is to bring our youth face to face with the work of Christ on the mission field of Mexico. The departure date is August 9, 1966 and the return time is the 22nd of August. The total cost per registration is \$342.75.

Each church of the Synod has been asked to contribute \$2.50 to Synod's World Missions Committee via the World Missions Chairman, the Rev. Wayne Gehman, Route 3, Chattanooga, Tennessee, to cover the expense of the two adult leaders for the caravan. The following churches in Asheville Presbytery have made the contribution of \$2.50: First Church, Asheville, Grace Covenant, Kenilworth, Malvern Hills, Montreat, and First Church, Weaver-ville. Has your church contributed?

and the Roberts. The mothers of these children come at times but were not present when this picture was made. This picture was made one Sunday after a period of bad weather and more were absent than usual. Also absent were: Mr. George Hanby, Teresa Roberts, and Shirlene Thompson.

"As is obvious, the group is not a large one, but it is a consistent one; the people come quite regularly and are a wonderful group to work with. However, there are a few signs of progress, or even prospects of it. It is not a growing community and the future of the church there often bears a question mark. Still, we have moved from services twice a month to a service every Sunday."

A story concerning the work at Hayesville will appear in a later issue. Remember these home missionaries in your prayers. Invite them to your church for a first-hand report.

George David Russell, who is a Candidate for the Gospel ministry under the care of Asheville Presbytery, is a member of the Waynesville Presbyterian Church, son of Mr. and Mrs. J. T. Russell of Waynesville, a graduate of King College. He will return in September to Columbia Theological Seminary, Decatur, Ga., to begin his senior year of studies.

BUILDING FUND CAMPAIGN FIRST CHURCH ASHEVILLE

A brochure entitled "A Prophecy Fulfilled" (Joel 2:28) which describes vividly and clearly the objectives of the building program of the First Church, Asheville, has been distributed to the members of the church. The three-fold program as outlined calls first for the erection of a memorial chapel in the honor of the late Dr. Robert F. Campbell who served for forty-five years as pastor of the church. The brochure carries the following tribute to Dr. Campbell: "... mighty in the Scriptures, clear, strong, orthodox, evangelical, tender and effective ... a Christian knight, pure in the life and in thought, without fear and without reproach."

DR. ALBERT WINN

A message delivered by Dr. Albert C. Winn, Louisville, Kentucky, president of Louisville Theological Seminary, during the Fifty-Second Annual Session of the Synod of Appalachia which was held at Montreat, North Carolina, May 24-25, 1966.

THE LIVING GOD

TEXT

"But the Lord is the true God, he is the living God" Jeremiah 10:10.

One of my colleagues at the seminary has a little granddaughter who has just learned to read. At Easter time as she was wandering about the living room she pulled some magazines out of the rack and suddenly came upon TIME with its now-famous black cover with the great red letters: IS GOD DEAD? The family had not anticipated this, and they watched rather nervously as the little eyes concentrated and the little lips formed those words. There was silence as she put the magazine down and said softly to herself: "Silly! Of course not!"

Out of the mouths of babes and sucklings hast thou ordained wisdom! Instinctively we rally round this simple and altogether profound reply. After all, does not the Bible declare on every page that God is the living God? "My soul thirsts," cries the Psalmist, "for the living God" (Psalm 42:2). In the most ancient strata of the Old Testament, this is the basis of the most solemn vows: 'As the Lord lives, there shall not one hair of his head fall to the ground; for he has wrought with God this day' (1 Samuel 14:45). "As the Lord of hosts lives, before whom I stand, I will surely show myself to him today" (1 Kings 18:15). Nothing is surer or more to be relied on in heaven or in earth than that the Lord lives! The attack on idolatry, launched by the great prophets, has as its basis the

fact the God lives, while all idols have no life in them at all. The great 10th chapter of Jeremiah, for instance, ridicules the idols, comparing them with scarecrows in a cucumber field, which cannot speak and cannot walk. Then the prophet moves to his inexorable climax: "But the Lord is the true God: he is the living God and the everlasting King."

What do we mean when we declare our faith in a living God? If we are to be responsible theologians in this age of secularity, when millions of men outside and inside the church live as though God were indeed dead, we need to do more than simply shout "God lives! God lives!" We must be prepared to say quite soberly and accurately what this means.

I

In the first place, whatever is living is not merely remembered in the past. In my boyhood I had a beautiful white collie dog named Beauty. I can close my eyes and see her now: every marking that she had, her great plume of a tail, her warm, liquid eyes. I remember stories about her that could fill this hour. But all this does not make her alive. She is no longer operating in this world. She is remembered, but she is dead. My brothers and sisters in Christ, if God is only a memory about whom we tell many stories in the past, He is not a living God. Let us be honest. How many of us think of God as one who used to do great things in the days of Jacob and Esau, David and Solomon, Paul and Silas, but one whom we don't really expected to do anything now in the 20th century? We have never put this into words, but how many of us really think that God went into retirement when Paul was put in prison at the end of the Book of Acts? If we wish to affirm a *living* God, we cannot incarcerate Him in the canon. He must be alive in our day, in our history, in our time. He must be related to the headlines of today's paper as well as to the records of the 6th century B.C. The church cannot be a comfortable memorial society, dedicated to the memory of God. It must be the people who respond today to what a living God is doing in our world!

In the second place, whatever is living is not subject to our control. A rock is dead. Where I put it, it will stay, unless acted upon by some force outside itself. A plant is living; most plants are rooted or fixed, but I cannot control exactly the direction or rate of growth. An animal has more life; I must tie it down or fence it in if I expect to find it where I want it. A teenage boy . . . who will offer to control him? And should we expect to control and manipulate and use for our purposes the living God! If we wish to affirm a living God, we must abandon forever the ideas we all have that God

exists to serve us, to do our bidding, to work under our control like some great genie out of The Arabian Nights. The church cannot be the corporation that owns a controlling interest in God. It must be the people of God who respond today to what a living God is doing in the world!

In the third place, whatever is living lays demands on us. The rock demands little. The animal demands more—ask any dairy farmer how his life is shaped by his animals. The living human being demands more—ask the mother of any two-year-old child. And did we think we could have a living God who makes no demands on us, who gives us peace of mind, but does not interfere from the bottom up with our selfish routines and our settled way of life? The church cannot be the fellowship of the undisturbed, the champion of the status quo. It must be the people of God who respond today to what a living God demands of his people at this moment in history!

In short, a living God is not an "it," but a "thou," to use the familiar distinction drawn by Martin Buber so effectively a generation ago. I learned from H. H. Farmer that the real drama of this distinction can be sensed by retelling the ancient Greek legend of Pygmalion. This legend, as you know, lies behind the play by George Bernard Shaw, and in turn behind the Broadway hit, "My Fair Lady." Pygmalion was a sculptor who made a statue of a young woman so fair and lovely that he fell in love with the statue. The gods, so the story goes, took pity on this hopeless love and suddenly brought the statue to life. Imagine that moment in the sculptor's studio. One instant the statue is an it: lovely, beautiful, but dead—completely under his control, placing no demands on him, and offering him no companionship, no trust, no comfort, no return of love. Then the statue moves and speaks. Everything is profoundly changed. The it has become a thou. She has a will, and plans, and purposes, and desires of her own. As such she is a demand and a threat to his will and plans and purposes and desires. But as a thou, uncontrollable, unpredictable, she can also give him support and succour and love and happiness such as he has never known or dreamed of.

As another living human being, when we face him as a thou, always impinges on us with possible demands and with an equal possibility of comfort and succour, so a living God must confront us, in H. H. Farmer's phrase, as absolute demand and final succour. This is something of what we mean when we say: "I believe in the living God."

II

But there is a deeper level we must explore. The living God is not only

More On Page Four

From Page Three

alive in the way other living things are alive, only more so. He is alive in a radically different way. He is alive because, unlike all else that lives, he is stronger than death! He has overcome and conquered life's opposite.

The Old Testament clearly shows that at first men did not dare affirm this. Sheol, the place of the dead, was off limits to God. He did not come there, and the dead were out of touch with Him. Then there came a breakthrough of faith. Nowhere is it more dramatically stated than in the 139th Psalm: Whither shall I go from thy Spirit?

Or whither shall I flee from thy presence?

If I ascend to heaven, thou art there!

If I make my bed in Sheol, behold, thou art there!

God enters with his inescapable presence and conquering power even the abode of the dead!

But there is an unsolved mystery here. How can God enter death's grim territory, when only those who have themselves died can come there? That mystery is unlocked in the New Testament. Dare we state it bluntly? God can enter the abode of the dead, because in fact, God has died. We Christians have always believed in "the death of God"!

We believe that God was incarnate in Jesus of Nazareth. When Jesus spoke, though they were human words proceeding from a man's lips, they were at the same time God's words, clothed with the authority of God Himself. Thus, though all the prophets said, "Thus saith the Lord," Jesus said, "Verily, verily I say unto you." We believe that when Jesus healed it was, as he once said, "by the finger of God." We believe that when Jesus came into Galilee preaching, the Kingdom of God drew near. We believe that when Jesus accepted sinners and ate and drank with them, that was God's acceptance of sinful men. We believe that when Jesus said, "My son, your sins are forgiven you," he conferred the forgiveness of God. The life of Jesus was the life of God in the midst of His people: "His name shall be called Immanuel, God with us." Then the last thing that Jesus did, His death on the cross, was that not, too something that God did? Must we not say that the death of Jesus was in some sense the death of God?

We are on the edge of so profound a mystery here that we must be very careful. We must admit that cautious theologians have avoided making such blunt statements as: The cross is the death of God, or God died on the cross. Indeed, at one time in the early church such statements were branded as heresy. Why?

Well, because woven into the fabric of orthodoxy, both Catholic and Protes-

tant, is a considerable deposit of Greek philosophy. The Greek gods were distinguished from men, not by higher morals—they did disgraceful things—but by the fact that they could not die. They were the immortals. They really could not suffer in any way. It was natural, then, that Aristotle should picture the Supreme Being in the universe as the Unmoved Mover, one who moves all things but is himself moved by nothing. The Unmoved Mover has no compassion for the sufferings of men. He doesn't even notice them, for he must be perfectly happy. He thinks only about himself, and thus his happiness is undisturbed. Now this Greek idea has deeply affected Christian thought about God. We speak of the impassibility of God: God cannot suffer; God cannot die.

What shall we do then with the cross? We declare Christ to be very God of very God, and we confess that he died on the cross. Some early thinkers were driven to the preposterous idea that Christ, being God, could not have died on the cross. Therefore at the last minute they took poor old Simon of Cyrene and put him on the cross, while Christ went straight back to heaven unharmed. Of course the church couldn't swallow that wild an idea, but they said something that may be almost as valid. It was the human nature of Christ that suffered and died, they said. His divine nature could neither suffer nor die. Do you mean that only half a Christ died for me? Can you divine him up that way? Is the incarnation just a scissors and paste job that comes unglued at the cross?

It is interesting that what the rational theologians could never quite bring themselves to say, the hot hearts of the hymn-writers have said again and again.

Ride on! ride on in majesty!
In lowly pomp ride on to die;
Bow Thy meek head to mortal pain,
Then take, O God, Thy power, and reign.

(Henry Milman)

Cross of Jesus, cross of sorrow,
Where the blood of Christ was shed,
Perfect man on thee did suffer,
Perfect God on thee has bled!
Here the King of all the ages,
Throned in light ere worlds could be,
Robed in mortal flesh is dying,
Crucified by sin for me.
O mysterious condescending!
O abandonment sublime!
Very God Himself is bearing
All the sufferings of time!
Evermore for human failure
By His passion we can plead;
God has borne all mortal anguish,
Surely He will know our need.

(William J. S. Simpson)

Forbid it, Lord, that I should boast,
Save in the death of Christ my God:
All the vain things that charm me most,

I sacrifice them to His blood.

(Isaac Watts)

Well might the sun in darkness hide,
And shut his glories in,
When God, the mighty Maker, died
For men the creature's sin.

(Isaac Watts)

Another interesting thing is that theologians in the younger churches, who are not under the spell of our Western, Greek tradition do not find a non-suffering God in the Bible. Kazoh Kitamori, a Japanese theologian, has written a book called *The Theology of the Pain of God*. He dares to say that the inmost essence of God is his pain. God by His nature feels wrath for our sin, yet in His love He enfolds those on whom His wrath falls, and this conflict is the very heart of God in His eternal pain. He is not the Unmoved Mover, but the most moved of all, torn by His unceasing compassion for sinners. Thus Kitamori does not hesitate to quote another Japanese theologian as follows: "It is impossible for us to understand the logic of Paul completely unless the death of Christ means the death of God himself."

So you see, the death of God is not a new idea. It lies at the heart of our faith. Our God has really met, confronted, experienced death for our sakes. The point is that in that confrontation, death did not win. The love of God is stronger than the power of death. God emerged as the conqueror of death. This is what makes him, in the profoundest sense, the living God.

Here it is, it seems to me, that we must differ with the modern "Death of God" theologians. One of them says that the death of God is a final and irrevocable event. By this he means that God must remain henceforth and forever a dead God. The resurrection must be categorically denied. We would say that the death of God is final and irrevocable, not for God, but for death. Its domain is invaded: If I make my bed in Sheol, behold Thou art there! Its power is overthrown: O death where is thy sting? O grave where is thy victory? The sting of death is sin, and the strength of sin is the law, but thanks be to God who gives us the victory through Jesus Christ!

III

Do we want a living God? A remembered God would be fine, like a beautiful antique, reminding us of times gone by. A controllable God would be extremely useful, like Alladdin's genie. A God who makes no demands would be comfortable, like an old pair of shoes. But a living God? One who faces us as absolute demand and final succour? And on top of that, one who has His hooks in us because He has conquered death for us and therefore has every possible claim on us? Think how such a God could mess up a man's

2. That churches be encouraged to use the special booklet, entitled "Give of Your Best" depicting the whole work of the Church—Assembly, synod, presbytery, and local church—under one cover obtainable from the Presbytery's office, and the Every Member Canvass Manual, Audio-Visuals, leaflets, cards and other supplies obtainable from The General Council, 341 Ponce de Leon Avenue, N. C. Atlanta, Georgia 30308. (See—Every Member Canvass Supplies Packet)
3. That Presbytery authorize the Council to invite the Rev. Charles C. Cowsert, Secretary of Stewardship, General Council, to the October Meeting of Presbytery, Monday, October 10, and that the program committee arrange a special order at 12:00 noon for Dr. Cowsert to address presbytery on the subject: "The Benevolence Program of The Church."
4. That Presbytery authorize the Council to arrange three area meetings of Pastors, Ruling Elders and Deacons for the promotion of the Stewardship Season, and that the program consist of a panel discussion and a special message by Dr. Cowsert.
5. That each local session be urged to arrange for a special joint meeting of the Ruling Elders and Deacons to pray for God's guidance in the presentation of the Benevolence Program of The Church; to make a study of Christian stewardship, using as a guide the pamphlet: "From Theology to Stewardship," particularly the section—"The Tithe as Taught and Practiced In the Bible;" and to adopt the best possible means of securing a re-dedication of all members of the local church to a more dedicated support of the total program of the Church.
6. That approval be given to a Benevolence Askings Budget for 1967 of \$255,754.21 which consists of two elements: a **basic budget of Operation** of \$242,516.24, and an **advance fund** of \$13,237.97, totaling \$255,754.21. The **basic budget of operation** consists of Presbytery's apportioned share of the Assembly's and the Synod's askings as well as the askings of Presbytery's Agencies and Related Agencies. The **basic budget of operation** is based on the 1965 actual receipts plus 4% for a two-year normal growth except that of Davidson College and the Office of Executive Secretary. The Davidson College asking for 1967 is for the same amount as is in the 1966 budget which was a substantial increase over the 1965 disbursement. The Office of the Executive Secretary 1967 asking is made to provide the Office with operational funds beyond that of the 1965 disbursement. The **advance fund** consists of a 6% increase for every item in the basic operation budget except that of Davidson College and the Office of the Executive Secretary. The **advance fund** will serve as a "Challenge Goal" to enable the agencies of the Church to go beyond the **status quo operations** in order to render a greater service for the advancement of the Kingdom. It is understood that the **basic operation budget** for 1967 must be met in full before any funds can be allocated to the **Advance fund**, and that Synod's share in the **advance fund** according to the 1966 action of Synod will be used for Campus Christian Life Work at the University of Tennessee.

July 12, 1966

Thomas H. Lamb, a ruling elder in the Oak Forest Church and chairman of Presbytery's Council, presented recommendations from the Council which were unanimously adopted by the Presbytery of Asheville during a meeting held July 12. The recommendations are of such vital importance to the churches that they are printed in this issue of *Our Mountain Work*. Ministers, officers and members are requested to preserve this issue, to diligently study each recommendation and to faithfully apply the principles and methods involved to the stewardship program in the local church.

"Trinity Presbyterian Church Meets Here." That's what the sign in front of the large white house at 1403 Fifth Avenue, West in Hendersonville says. Its wording is deliberate and seeks to communicate that the church is the people and not the building. The sign goes even further and states that the Ministers are: "All the Members."

Trinity Church was organized on August 29, 1965 by Asheville Presbytery with 54 people having signed the charter membership book. On July 11, 1966, there were 89 members on the roll and two affiliate members. Due to the size of the building that Trinity Church is meeting in, it has been necessary to hold two services on Sunday morning with the average attendance being around 120.

The program of Trinity Church follows the suggested guide lines in the Presbyterian Plan Book, and the Church School is using the Covenant Life Curriculum throughout. In addition to the usual activities held in every church there is a men's study group that meets once a month to study the relationship of their faith to the business community. A sermon discussion group meets once a month to discuss sermons with the pastor and to aid in preparation of future sermons. On Wednesday small group discussions are held and the subjects discussed have included: prayer, evangelism, and C. S. Lewis' book, *Mere Christianity*. In the fall the church plans to begin using the Home and Family Nurture materials with couples meeting in homes to study; *Christians in Families*.

Recently the Session of Trinity Church decided to extend its mission in a definite way, and it voted to partially support the work of a Presbyterian missionary. Miss Lucile McElroy of Asheville Presbytery was chosen to be that missionary. The church also adopted a budget of \$12,000 for its first year as a church and is giving 25% of that to benevolences of the Presbyterian Church. In the spring the Church Extension Committee and the church participated together in purchasing a beautiful home to be used as a manse. Investigations are now in progress toward securing property for a future church building.

Trinity is participating in the Every Family Plan of the *Presbyterian Survey*, and also has its own monthly paper. This monthly paper is called *Trinity Tidings*, and the editor is Mr. Arthur Ocker.

Trinity Church is deeply grateful to the Church Extension Committee of Asheville Presbytery for the guidance and support that they have given and are continuing to give in beginning this work. Without the financial aid and spiritual guidance given by Asheville Presbytery, it is doubtful that this church would have been organized at this time.

The Rev. Hugh L. Eichelberger is serving as Pastor of Trinity Church.

THE TRINITY MANSE A BEAUTIFUL HOUSE

The Home Mission Committee of The Presbytery of Asheville, Inc., has recently purchased a house located in the Timberland section of Hendersonville, N. C., to serve as the manse for the pastor of the Trinity Church. The Rev. Hugh E. Eichelberger and the members of his family have already moved in the manse.

The purchase was made with the approval of the congregation of the Trinity Church and with the understanding that the congregation would share in the regularly monthly payments and that the congregation could purchase the property at a price not to exceed the actual investment.

RECOMMENDATIONS

From Page Five

7. That the local church treasurer make regular remittances toward the annual benevolences acceptance as soon as possible after the last Sunday of each month and that Presbytery's Central Treasurer make remittances to the Assembly's Central Treasurer and to the Synod agencies prior to the tenth of each month except that in December all funds from the local church must be sent to Presbytery's Central Treasurer so that he can send them prior to December 31 to the Assembly's Central Treasurer or Synod agencies in order to be included in the 1966 receipts.
8. That the session of the local church be instructed to notify by December 15th, 1966, the Chairman of Presbytery's Council, Thomas Lamb, or the Central Treasurer, W. G. Thomas, of the percentage basis for benevolence contributions during 1967 or the definite amount the church expects to give during the new year. (This is necessary in order for the Council to present to the January meeting of Presbytery a Distribution Budget for Benevolence in 1967.
9. That churches recognize that a supplemental offering is not an over-and-above offering, but an offering used to complete the basic budget needs of the agency for which it is recommended, and that supplemental offerings for the following agencies be approved for 1967:
 - a. Board of World Missions and Board of Church Extension (Joint).
 - b. Board of Christian Education.
 - c. Board of Annuities and Relief for use in Ministerial Relief.
 - d. The Presbyterian Home for Children.
10. That the churches recognize that a special offering is an over-and-above offering for work not in the budget of any agency and that a special offering be approved for the Department of Overseas Relief and Interchurch Aid of the Board of World Missions to be received on Easter, March 26, 1967.
11. That churches be urged to give to special campaigns for capital funds approved by the General Assembly, the synod, or the presbytery through the solicitation of **over and above gifts** and **not** by including the goals for such campaigns in their benevolence budgets.
12. That the proposed budget of the Office of the Stated Clerk be approved as submitted in the amount of \$4,954.00 and that the Presbytery assessment for the year 1966-1967 be set at the current figure of 58 cents per member based on the membership reported as of December 31, 1965.
13. That Sunday, September 18, 1966 be observed in all of our churches as Davidson College Day. The purpose of the observance will be for the enlightenment of our people concerning our support of Davidson College rather than for the solicitation of funds.

SUCCESSFUL DAY CAMP

Our Day Camp this year was the most successful in a number of years. The camp ran from June 20th thru the 25th, beginning at nine in the morning and ending at three in the afternoon. Mrs. Harold Patton of the Black Mountain Church did a grand job of organizing and planning. The devotional period was from nine-thirty each morning, this was led by our minister Mr. Shelor. The group singing was led by Mrs. E. E. Crisp from the Black Mountain Church and Mrs. Joe Armfield from the Friendship Church. The Bible study groups were led by the following: Dr. Bob S. Hodges, Mrs. Marcus Begley, Betty Tyson, T. R. Brem, C. M. Wolfe. Helping Mrs. Patton in the craft shop were Miss Lynn and Cathey Purdy. On Saturday the group left for Craggy Gardens for a hike and a picnic. Over sixty children were in attendance and all are looking forward to next year.

COLLEGE GRADUATE

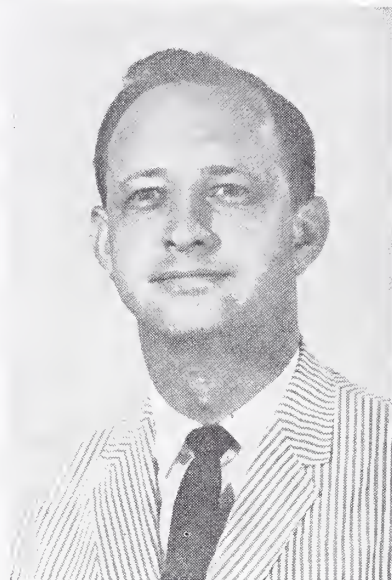

We are very proud of Cecil Caldwell who will graduate this spring from Western Carolina College. He was selected as the most valuable player on the baseball team, elected to the all-conference team and received honorable mention on the NAIA All-American baseball team. He will do his practice teaching in Henderson County this fall and hopes to go into teaching and coaching after graduation. This summer he is working with Operation Youth in Black Mountain.

A GRAND VACATION

The children returned Home from vacation July 10th and all said what a wonderful time they had in the homes of their friends. We do appreciate this act of kindness shown to our children during the summer months. We were anxious to get all of our little boys back so that we can begin the second half of our little league baseball. We are on top now with eight games to go and we hope that we can finish on top for the championship.

ASHEVILLE PRESBYTERY

We were honored to have Asheville Presbytery to meet at the Home for the summer meeting, July 12th. This was a big thrill for the staff and children or it was told that this was the first time in twenty years that Presbytery had met at the Home. We would like to thank all of the members of Presbytery for the kind things said about our Home and the compliments given to the staff and children. We hope that it won't be another twenty years before they return and meet with us.

ARTHUR H. MATTHEWS

Congratulations, Arthur! During the 12th Annual Appalachia Synod Men's Conference recently held at Montreat, Mr. Arthur H. Matthews, of the Grace Covenant Church, was elected president of the Men of the Synod. He will take up his duties October 1, 1966. He is serving now as the president of the Men of Asheville Presbytery.

10, 1966, at which time the Rev. Kenneth G. Neigh, D. D., executive secretary of the Board of National Missions, of the United Presbyterian Church, USA., will be the featured speaker.

The meeting will be at the First Presbyterian Church, Asheville, with a communion service conducted by the Rev. Mr. Schum, moderator of Asheville Presbytery, and the Rev. Robert E. Kribbs, Erwin, Tenn., moderator of Holston Presbytery.

An overture proposed by the session of the Montreat Church was ordered sent to the 1967 General Assembly, asking that the pamphlet outlining the basic plan of union adopted in Dallas in May, for the eight participating denominations in the "Consultation on Church Union" (COCU), be sent to the 80 Presbyteries of the church for their study and action.

In response to an overture from the Malvern Hills church a special committee was named to study this basic plan, with a view to determining to what extent it conforms to or differs from principles of the "Reformed Faith And Order." Named on the committee were Rev. Stanley L. Bennett, Chairman, Rev. Robert S. Busey, Dr. J. Nelson Bell, Edward G. Roberts and Rev. Jeff T. Kesterson.

Richard R. Kennedy, of Arlington, Va., currently a member of the Montreat Church, and a recent graduate of Montreat-Anderson College, was re-

ceived as a candidate for the Gospel Ministry. He will attend Belhaven College, Jackson, Miss., in the fall.

The Rev. Paul F. Warren, D. D., formerly living in Charlotte, N. C., was received into the Presbytery. Dr. Warren, the first pastor of the Arden Church, and the first pastor of Grace Covenant, is now living in Montreat, and currently giving full time to a program of stewardship education and training in churches throughout the South.

The three candidates approved for ordination, the commissions named to ordain and install, and the dates of these services, as approved are:

ROBERT P. CRUMPLER, at Murphy, 7:30 p.m., July 31st, with the Rev. W. G. Thomas, Chairman, the Rev. Marian A. Boggs, the Rev. Stanley L. Bennett, with Ruling Elders W. A. Singleton, John Thompson, C. W. Barrett, and Holland McSwain. The Rev. James M. Kennedy, Clarksville, Ga., was invited to preach the sermon.

GEORGE F. GANEY, at Etowah, 7:30 p.m., July 17th, with Dr. Thomas, chairman, the Rev. Leroy Secrest, the Rev. W. Ted Smith, Jr., and Ruling Elders Cal W. Kuykendall, Harry Nicholson, and Kenneth A. Caswell. Mac K. Jones, a Deacon of the First Presbyterian Church, Wilmington, was invited to sit with the commission. Rev. Richard Johnson, Northwest Missouri Presbytery was invited to preach the sermon.

EARL M. VAUGHN, at Bryson City, at 7:30 p.m., July 17th, with the Rev. J. D. Whitesides, Jr., Chairman, the Rev. Calvin Thielman, the Rev. A. Allen Gardner, Jr., with Ruling Elders Philip Brintnall, S. R. Patton, Ben L. McGlamery, and P. K. Ferree, alternate.

The adoption of a report submitted by Thomas H. Lamb, chairman of the Presbytery's Council, approved a basic budget for benevolences in the amount of \$242,516.24, plus an advance budget, for use if received, of \$13,237.97, for a total of \$255,754.21. The thirty six churches of the Presbytery will be asked to underwrite this in the Every Member Canvass in the fall.

Members of the Senior High Council of the Presbytery, Vicki Patton, West Asheville Church, Mark Cooper, Grace Covenant, Paul Saenger, Westminster reported on their recent conference at NaCoMe, and the Rev. Gale Lamney, reported on the use of the presbytery's camp this summer. The first camp had 27 enrolled, the one in progress at the time Presbytery met had 45, and two more were scheduled for the summer.

Announcement was made of a CLC Preview scheduled for Bryson City on August 28th, covering all units of the CLC material, and a three night leadership school for leaders of youth and adult departments, at the First Presbyterian Church, Asheville, on the nights of Sept. 11, 12, 13, where CLC materials for these departments will be previewed.

The Rev. Robert S. Busey introduced a discussion on the re-study of "institutional forms" in the organization of the church, as a part of an Assembly-wide re-evaluation. Presbytery gave approval for the special committee of which Mr. Busey is chairman to evaluate questionnaires to be sent them, for-

THE LIVING GOD

From Page Four

business! his family! his recreation! his religious life! Think how such a God could interfere with my prejudices and fixed ideas, how He could upset my plans and purposes!

The hymn writers come back to haunt us again:

Forbid it, Lord, that I should boast,
Save in the death of Christ my God:
All the vain things that charm me most,
I sacrifice them to His blood.

Were the whole realms of nature mine,
That were a present far too small:
Love so amazing, so divine,
Demands my soul, my life, my all.

(Isaac Watts)

Well might the sun in darkness hide,
And shut his glories in,
When God, the mighty Maker, died
For man the creature's sin.

But drops of grief can ne'er repay
The debts of love I owe;
Here, Lord, I give myself away;
'Tis all that I can do.

(Isaac Watts)

Do we want that kind of God? Are we willing to be His church, responding to His actions today in our history and in our world? Only so are we entitled to pick up TIME and read the cover: "Is God Dead?" and respond: "Silly! Of course not!"

BASEBALL CHAMPIONS

The Orioles are Champions — Those words have been repeated over and over again for on July 29th the Orioles defeated the Yanks in the Beacon Little League Program and became Champs for the first time. After being two and two early in the season, the boys got on a winning streak and won twelve in a row to sew up the Championship. Then to make our season even more complete the boys won three more in a row to win the playoff Championship. For the year's work the boys get to go to the Duke-Clemson football game on October 15th. On their return they will go by Buck's restaurant for a steak dinner and for their awards. It was an entire team effort to win the title this year. Due to vacation and other conflicts only two boys played every game, David Barnette and Donnie McKenzie; but when a boy or two were out the other boys took up the slack and played to win. Seven of our boys will be missing next year when the season starts: Keith Bates, Gene Guthrie, David Barnette, Steve Thurston, Ronald Stepp, Charles Robinson, and Sandy Prather. All will be too old to compete, so will play Babe Ruth ball next year. The winning of the championship was a big moral booster to our Home as all of the children attended every game and rooted for the boys.

A BIG PICNIC

We wish to thank the members of the Grace Covenant Church and especially the Senior High group for the fine hospitality given to us on their annual picnic July 28th. This is an unusual affair for the church and our children always look forward to it. Our annual softball game was played and then the children and staff were fed a delicious picnic. After the dinner the Senior High entertained us with a wonderful program. The men's chorus led us in hymn singing before we returned to the campus.

THANKS FOR THE YORKS

Mr. Robert L. York, our farm manager for the past nine years, has resigned and returned to manage the Jackson Farms in Henderson County. Mr. York was a faithful worker in his nine years at the Home and his prime interest was to see that our farm and campus was in fine shape. Mrs. York could always be called upon to help out when we were short of help which was often and both joined in all of the activities of the Home. Mr. York's first concern was for the larger boys who worked under him and all of us will miss him but especially the larger boys for they have gained so much under his leadership. We all join in and wish Mr. and Mrs. York the very best in their new work.

THE CANTON CHURCH

The Canton Church entertained our children and staff with a picnic on July

13th. In past years we have been going to Camp Hope as guests of the church but for the past three years Canton has been coming to our campus. This is a highlight in our summer program for Mr. Lime always has games planned for the children and prizes are awarded. This year certificates were given to the children who won an event and this was the highlight of the evening. We would like to thank Mr. and Mrs. Lime and all of the members of the Canton Church for their interest and support of our work at the Home.

THE BOARD OF TRUSTEES

The staff and children would like to thank the Board of Trustees for the repairs made to our kitchen. A new floor was installed and a new stove and refrigerator purchased. This has been a must job in order to meet standards. Every time we have a visitor this is the first thing the children show off.

PICNIC AT GRACE COVENANT

From Page One

Following dinner the Senior High Fellowship guided by Mr. and Mrs. Hugh Morrell, advisors, and led by Nancy Bradley, President, and Kay Leemon, Vice-President, presented a skit based on the comic strip "Peanuts".

Mr. Don McKenzie, Superintendent of the Home, introduced the members of his baseball team which during the afternoon had won the Swannanoa Valley Little League Championship. The proud coach and the championship team received the loud applause of 300 rooters.

Mr. McKenzie then introduced all the other children and the staff members, the Reverend W. G. Thomas and his wife, The Reverend Robert Busey and Mrs. L. R. Lewis, Members of the Board of Trustees.

A most enjoyable evening was concluded with a few songs by an impromptu men's Choir and an inspired rendition of the Lord's Prayer by Mr. Douglas Bolton. Have you invited the children and staff members from the Presbyterian Home to your church? This is an excellent way to become better acquainted with the children and staff members and to enjoy doing something which will bring big returns.

as a full-time evangelist. He is now serving as the moderator of the Presbytery.

During his pastorate the Swannanoa church has witnessed a growth in membership. Thirty-nine members have been received on profession of faith, nineteen on re-statement of faith, and thirty-six by certificate of transfer — totaling 94 additions. A new sanctuary has been built with a seating capacity of 440 and it is practically paid for. The stewardship program has witnessed a steady advancement and the evangelistic outreach has been greatly increased.

In his work as a presbyter he has been faithful in attendance, diligent in the assigned tasks, and zealous in promoting the cause of evangelism. He has been in great demand as an evangelist and has conducted many series of evangelistic meetings.

HOLSTON MODERATOR**ROBERT E. KRIBBS****ASHEVILLE MODERATOR****HENRY S. SCHUM****ASHEVILLE PRESBYTERY***From Page One*

A Communion Service will be conducted by the two moderators, the Rev. Robert E. Kribbs, of Holston Presbytery, and the Rev. Henry S. Schum, of Asheville Presbytery.

Each body will meet separately for business. At 12:30 o'clock, the two bodies will eat together, and then a special program will be presented by the Rev. William S. Jones, pastor of the Calvary Presbyterian Church, Asheville, and the Rev. Leroy V. Secrest, assistant pastor of the Asheville First Church.

The significant meeting is arranged at this time because the Calvary United Presbyterian Church of Asheville will be celebrating her seventy-fifth anniversary during the month of October, with Dr. Neigh speaking there at 4 P.M. on Sunday the 9th.

The Calvary United Presbyterian Church, located on Circle Street in Asheville, is a member of Holston Presbytery and is served by the Rev. William S. James as pastor.

The work of Holston Presbytery, as does that of Asheville Presbytery dates to approximately 1791, though at that time there was no division and the Presbytery called Abingdon included work in Virginia, North Carolina and Tennessee.

In the last half of the nineteenth century the Board of National Missions of the Presbyterian Church U. S. A., developed a strong work in western North Carolina, with special emphasis on education and through education on evangelism. Buildings erected in many cases had class rooms on the first floor for school, and a sanctuary on the second floor for worship. The last of these buildings in Asheville Presbytery, at Brittain's Cove, was recently razed, as

was a similar building at Jupiter in Buncombe County.

In Madison County the Board of National Missions sponsored the Dorland School at Hot Springs. This started in 1891. In 1894 a dormitory for girls was erected, and the Dorland Memorial Presbyterian Church at Hot Springs was dedicated in 1900. Teachers and workers at Dorland Institute were responsible for work in centers like Alleghany, Allandstand, Hurricane, etc., and hospital and community center at White Rock.

Another school, Bell Institute, functioned until 1918 when it merged with Dorland to become Dorland Bell at Hot Springs. This latter merged with the Asheville Farm School in 1942 to become Warren Wilson College, at the Farm School location near Swannanoa, in Buncombe County.

Because of the intensive work of the Presbyterian Church, U. S. A., an agreement was reached early in the history of Asheville Presbytery that Asheville would not undertake any work in Madison County, although this county is one of eleven in the geographical area of Asheville Presbytery. The Madison County Larger Parish, with four churches, is now under the direction of Rev. Frank Wimp. Two of the churches have three congregations each, and the other two are Hot Springs and Walnut. The church at Marshall dates to approximately 1900, an outgrowth of a school sponsored there by the Board of National Missions.

Holston Presbytery also has work in Buncombe County. The oldest field, comprised of Reems Creek and Beach, served by Rev. Wm. B. Herd, was begun about the time of the Asheville First Church and Swannanoa. The date is around 1791. There is a congregation on the campus of Warren Wilson College and the Riceville Church, also a

THE SERMON ON THE MOUNT BIBLE STUDY BY McCLURE

Rev. R. E. McClure, formerly executive secretary of the Presbytery, has been asked by the *Christian Observer* to prepare a Bible study based on "The Sermon on the Mount", as a contribution to the study of "The Christian Life".

This is the third theme of the Covenant Life Curriculum, being introduced this fall by five cooperating denominations, of which the Presbyterian Church, U. S., is one, with special texts for various age groups.

The studies by Dr. McClure will appear in the *Christian Observer* every other week, beginning with the issue of September 21st, with a view to offer background material that may be adapted to the study of "The Christian Life", particularly with the adult groups.

When asked concerning the noble record, Elizabeth replied: "I would like to contribute half of the credit to the devotion of my mother, who always sent my brothers and sisters and me to Sunday School even though she couldn't always go with us."

CHRISTIAN EDUCATION RALLY DAY, SEPT. 25

Christian Education week, September 18-25, has been designated by the General Assembly as a special week for emphasis to be placed on the Christian education task of the Church, closing with Rally Day on September 26.

The theme of the Rally Program is: "What Is A Family For?" Two answers from among many will be emphasized:

(I) To Grow in Covenant and (II) To Serve In God's Kingdom.

The supplemental offering on Rally Day is a part of the annual support of the Board of Christian Education.

DAVIDSON COLLEGE

From Page One

The Rev. R. E. McClure, publicity clerk for the presbytery, has written the following statement about our support of Davidson College:

Asheville Presbytery elects trustees to the Board of Trustees of Davidson College, as one of a number of Presbyteries in the Presbyterian Church, U.S.

The college has been controlled by these church courts, together with trustees from the Alumni Association for a number of years, dating prior to the formation of Appalachia Synod in 1915.

For convenience in presenting a total educational program in the Synod of Appalachia, all the educational institutions in the Synod are promoted as a group, although none of them were technically Synod owned or sponsored, until the establishment of St. Andrews, at Laurinburg, a few years ago.

The basic ownership was by one or more Presbyteries.

This is the reason that Asheville Presbytery continued to elect trustees after becoming a part of Appalachia Synod in 1915. This is the reason why Davidson College remains in the Benevolence Budget of Asheville Presbytery.

Trustees are elected by the nine Presbyteries of the Synod of North Carolina, the Presbytery of Asheville, continuing the relationship that existed prior to 1915, when the Synod of Appalachia was erected and the Everglades and Suwannee in the Synod of Florida, together with the Alumni Association of the College.

Each group electing Trustees contributes regularly to the support of the college. \$2000. is in the 1966 Benevolent Budget of the Presbytery for the benefit of Davidson College.

Currently the trustees from Asheville Presbytery are the Rev. W. G. Thomas, and Joseph L. Hunter.

MEN OF THE CHURCH OFFICER'S TRAINING

Training for the leaders of men's work in the churches of Asheville Presbytery will be offered in Hendersonville Sept. 18.

While primarily intended for incoming officers of Men of the Church groups, the roundtable training sessions will be open to any responsible for the leadership of congregational men's work — in any form. Every church — whether it has a "Men's club" or not — is urged to send at least one key layman.

Assisting with the training will be Richard Sellers, a Decatur, Ga., printing executive and a member of the Assembly Men's Council executive committee. Dr. I. M. Ellis, regional director of Christian Education, will also be on the program.

The roundtable will begin at 3:30 p.m., and adjournment is scheduled at 5:30 p.m. First Presbyterian Church of Hendersonville will be the site of the meeting.

There will be no registration fee or other charge. Manuals will be available for purchase.

Under the new men's work calendar, officers should be elected in time to take office Oct. 1 of each year. The roundtable has been scheduled in September to offer training to the maximum number of these men.

HOME ADMINISTRATORS MET AT OUR HOME

More than 100 administrators of Presbyterian Homes for Children and for the aged met at our Presbyterian Home For Children, Black Mountain, Saturday afternoon and evening, August 6.

Mr. Gordon A. Hanson, Secretary, Division of Homes and Christian Welfare, and Mr. Don McKenzie, Superintendent of our Home, made the necessary arrangements. A barbecue chicken dinner was served, thanks to Mr. Gus Kooles, a member of the Oak Forest Church.

Participants were members of the Presbyterian Association of Child Care Agencies and of Homes for the Aging, whose institutions are located throughout the South and the Southwest.

Guests were staff members of the Board of Church Extension, 341 Ponce de Leon Ave., N.E., Atlanta, Ga.

The special speaker was Dr. John F. Anderson, Jr., Executive Secretary of the Board of Church Extension, Atlanta. Presiding at the meeting were Mr. S. E. Clippard, executive director of Presbyterian Village, Little Rock, Ark., and Dr. George Perkins, executive director of Bellewood Home For Children, Anchorage, Ky.

Mr. Don McKenzie, the staff members and the children performed an excellent task in making it possible for the meeting to be held at our Home.

GIVE OF YOUR BEST THE 1966 BROCHURES

The brochures for use during the 1966 Stewardship Season have arrived. They are now ready for distribution to the churches. Every church can pick up a quota (free) equal to one fourth of the total membership reported December 31, 1966 — one copy per family. Additional copies can be secured at ten cents per copy as long as the extra supply lasts.

All roads lead to Asheville and all streets lead to 26 Church Street! A representative from each church is urged to come to the Office of Presbytery prior to September 15 and secure the package of brochures: "Give of Your Best."

After September 15, the package will be mailed to the church. The postage cost will be extra. Secure your supply at an early date. The church securing extra copies will be billed later.

OPPORTUNITIES FOR YOUTH THE YOUTH COUNCIL

The Youth Council of Asheville Presbytery has recently published a Youth brochure in which attention is called to the many opportunities for Christian fellowship and growth provided in the youth activities of our Presbytery. The following quotation contains the testimony of Marshall Feaster of Brevard who took an active part in the youth activities while in senior high school: "Fun, fellowship, and Christian growth are a few of the benefits I gained through my participation in the youth activities of our Presbytery. My experience helped me to mature in Christian faith while making lasting friendships with young people and adults dedicated to Christ. I hope that every Senior High in our Presbytery will take advantage of the fine youth activities offered, so that the rewards which I enjoyed may be yours."

Our grand business in life is not to see what lies dimly at a distance, but to do what lies clearly at hand.

WORLD STRIFE SPURS
CLOTHING NEEDS

The Church World Service truck will arrive in Asheville on or about December 10, 1966 for its semi-annual pick-up of good used clothing and blankets for the depressed areas of the world. With political and military upheavals occurring almost daily throughout the world; with lines of refugees becoming longer each day,—the need is greater than any previous year. Work clothes for men and boys, children's garments, blankets, sensible shoes, both *winter and summer garments* of all kinds *are needed badly*. They should be clean and mended. Yard goods and sewing materials are needed too.

Churches are urged to put on a special drive this fall. Have boxes or bags in your church where members may leave the clothing. Pack it all in good heavy cartons, well tied and marked with the name of your church and denomination. Weigh the boxes when filled or estimate the weight and send 10c per pound to Church World Service, New Windsor, Maryland, *direct* for handling and processing. Then take the boxes of clothing to 270 Biltmore Ave., Asheville,—Plummer's Radio Shop. The deadline *must be December 10*.

LAKEY GAP CHURCH

W. C. SOLOMON, *Pastor*

The Lakey Gap church, located in the western section of Black Mountain, N. C., is definitely on the move. The pastor and the members of the congregation, 92 members, are grateful unto the Lord and His blessings. During the month of August members have been received on each of the four Sundays, the majority on profession of Faith in Christ. The interest in and the attendance on the Wednesday night prayer services have been on the increase. The average attendance is 35. Two prayer services are conducted each Wednesday night, one for the young people and one for the adults. Mr. David Pelletier is the youth leader. The Sunday school has an average attendance of 65. Several young people of the church have volunteered for full time Christian service.

In a recent report made by the Division of Evangelism, Board of Church Extension, the Lakey Gap church in comparison with a group of churches of the same size, ranks 2nd with a spiritual birth rate of 17%.

It is far better to appreciate the things we have than to have things we are not able to appreciate.

REPORT: CANDIDATES FOR THE MINISTRY BY CHAIRMAN THE REV. W. L. HODGKIN

At the present time, we have sixteen young men on the roll of Candidates. These come from only ten churches in the Presbytery, which does not speak well for the other churches. Of these young men, nine are attending seminaries, three are in college, one is doing work abroad, two are in the armed forces, and one is a high school teacher.

It is interesting to note that of the persons listed who have had the greatest influence on these young men to enter the ministry, parents head the list, then Church School Teachers, then ministers. A few said they were more greatly influenced through their experiences in youth organizations and camps.

This suggests that everyone who has contact with young people in any way has a challenging opportunity for influencing them to enter the ministry. Certainly there is a pressing need for more challenging emphasis from the pulpit on the need of workers in God's kingdom. With so much emphasis on the material things of life, and higher standards of living, as well as greater salaries and the like, young people are easily influenced to overlook the work of the Kingdom. Therefore, God's need for workers in His kingdom ought to be stressed more and more from the pulpit and by parents and Church School teachers. Perhaps a greater influence could be had by personal contact with the youth by ministers. Can there be any greater joy to a minister or parent or teacher than to hear a young person say, "I feel that God is calling me to enter into the ministry and you have helped me to hear that call?"

& Mrs. Clarence Frady, Black Mountain.

LORD'S DAY OBSERVANCE

From the days of the Apostles, Christians have observed the first day of the week as the Christian Sabbath because on it our Lord Jesus Christ was raised from the dead.

God has appointed one day in seven to be kept holy to the Lord, and to be used for His glory. The people are to abstain from all unnecessary labor, and from recreation which violates or interferes with the character of the day. In the observance of the day Christians are to be guided by the Word of God as illumined by the Holy Spirit and as interpreted by the Standards of this Church.

All Christians are to prepare for the approach of this day. They should so arrange their affairs and so use their influence that no one will be kept unnecessarily from the public worship of God and the proper use of the Lord's Day. Each church should provide for the worship and spiritual welfare of those whose affairs prevent their participation in the regular services of the Lord's Day.

It is the privilege and obligation of all the people of God on the Lord's Day to participate in the public worship of God.

FALL YOUTH RALLY 192 ATTENDANCE RECORD

The Rev. G. Daniel McCall, pastor of the Brevard-Davidson River Church, and who is serving as one of the adult advisors of Presbytery's Senior High Fellowship, presented to the Christian Education Committee the following report of the annual Youth Rally which was held at Camp Mondamin on the weekend of September 17 and 18:

Young people took the lead in an unprecedented way at the annual Fall Youth Rally of Asheville Presbytery. Every presentation during the weekend schedule with the exception of the Saturday evening Vesper service was led by the young people themselves. Moderator Jim Sursavage and the members of the Youth Council led in the Sunday morning worship service, a drama, a role play, the "Victory Circle," and an excellent and informative presentation of the Covenant Life Curriculum for youth.

The sole adult leader to be in charge of a part of the program was the Rev. C. Calvin Thielman of the Montreat Church, who preached during the Vesper Service.

The new prominence of young people in the leadership of a Youth Rally was well received by record attendance of 192 persons at the gathering at Camp Mondamin near Hendersonville.

Youth Moderator Sursavage has encouraged young people and their adult advisors to begin planning to attend Asheville Presbytery's Mid-Winter Youth Rally which is scheduled for late January or early February.

WOMEN OF THE CHURCH LIFE MEMBERSHIP

On September 11th, 1966, Mrs. J. E. Tate of the Canton Presbyterian Church, Canton, N. C., was presented with a certificate of Life Membership in the Women Of The Church and a pin of recognition of "her many years of selfless and devoted service to the Church. Mrs. Tate has gone many a "second mile" for her church and the women felt highly privileged to be able to make this presentation. Mrs. Dorothy H. Avery, Secretary.

HEROIC SERVICE A Babysitter

Miss Sally Gilbert, 15, daughter of Mr. and Mrs. W. L. Gilbert, III, of 1210 Fifth Avenue West, Hendersonville, and a member of the Trinity Presbyterian Church, has been credited with saving the life of an eleven-month-old baby, the son of the Rev. and Mrs. Hugh Eichelberger, Jr., 1320 Valmont Drive. Mr. Eichelberger is pastor of the Trinity Church.

While the pastor and his wife were attending a service at the church, Sally was serving as a babysitter in their home. During the evening, while caring for the other three children, she discovered that smoke was coming from the baby's bedroom; and she found the room filled with dense smoke and a couch and wall drapes on fire. Heroically she rescued the baby, took care of the excited children, and notified the fire department. The quick action undoubtedly saved the life of the child and kept the house from being destroyed by fire. The estimated fire and smoke damage is \$2,000.

SAUNDERS ACCEPTS CALL TO BURLINGTON CHURCH

The Rev. Manford H. Saunders, who has made his home in Montreat while serving as an evangelist, has accepted a call to become the pastor of the Westview Church, Burlington, N. C.

Mr. Saunders became a member of Asheville Presbytery in 1965 after serving as a missionary and a pastor in Knoxville, Tennessee. While not engaged in evangelistic work, he has served as a Bible teacher and as an interim pastor.

During the October 10 meeting of Presbytery he requested a certificate of dismission to Orange Presbytery. The request was granted.

The Rev. Kay Misenheimer, who was reared in Asheville and a Candidate for the Gospel Ministry under the care of Asheville Presbytery, served as pastor of the Westview Church before becoming Associate pastor of the Church of the Covenant, Greensboro, N. C.

WESTMINSTER FELLOWSHIP CULLOWHEE CHURCH

On Sunday, October 9, Cullowhee Presbyterian Church ordained and installed its first Diaconate. Three men make up this Diaconate; and they are Mr. Henry Lofquist, Mr. Will Thomson, and Mr. William Higgins, all of whom are members of the faculty at Western Carolina College. Mr. Lofquist is also serving as organist for the church. Mr. Thomson is serving as church treasurer. Also ordained and installed at the Sunday morning service was an additional elder, Dr. Theodore Huguelet. Doctor Huguelet is professor of English at Western Carolina College and will be serving as Clerk of Session.

The student body at Western Carolina College has 3668 students registered for the fall quarter. This is an increase of more than 600 over last year's enrollment. Although the exact number of Presbyterian students is unknown, it is estimated to be about 325.

Work is just being completed on the renovation of the basement of the Student Center. All labor was done by members of the faculty and the student body. Half of the cost of the materials was donated by individuals and the Westminster Fellowship. The basement room will be used for socials, recreation, church suppers, and our regular Sunday night Westminster Fellowship meetings.

The Westminster Fellowship is planning a retreat in Montreat on October 21, 22, and 23. This will be a time of spiritual refreshment and planning for our year's program. The Rev. Robert Busey of Covenant Presbyterian Church will be one of the featured speakers.

Cullowhee Presbyterian Church is meeting for its worship services in St. David's Episcopal Church at eleven o'clock each Sunday morning. Sunday School classes are being held in the Presbyterian Student Center.

WORLD CHURCH SERVICE CLOTHING NEEDS DECEMBER 10

The Church World Service truck will arrive in Asheville on or about December 10, 1966 for its semi-annual pick-up of good used clothing and blankets for the depressed areas of the world. With political and military upheavals occurring almost daily throughout the world; with lines of refugees becoming longer each day,—the need is greater than any previous year. Work clothes for men and boys, children's garments, blankets, sensible shoes, both *winter and summer garments* of all kinds are needed badly. They should be clean and mended. Yard goods and sewing materials are needed too.

Churches are urged to put on a special drive this fall. Have boxes or bags in your church where members may leave the clothing. Pack it all in

good heavy cartons, well tied and marked with the name of your church and denomination. Weigh the boxes when filled or estimate the weight and send 10c per pound to Church World Service, New Windsor, Maryland, *direct* for handling and processing. Then take the boxes of clothing to 270 Biltmore Ave., Asheville,—Plummer's Radio Shop. The deadline *must be December 10.*

MINISTERIAL DIRECTORY IN THE MAKING

All ministers in the Presbyterian Church in the U. S. will be asked to provide up-to-date biographical information for a revision of the Ministerial Directory. Forms to be filled out by the ministers will be mailed from the Office of the General Assembly at an early date.

The 1967 revised edition of the directory will be supplemental to the first and second editions, published in 1941 and 1951.

Information being sought includes marriages, names of children, changes in fields of labor and degrees (both earned and honorary).

The new Ministerial directory will contain the names of more than 7,000 ministers who have served the denomination since its beginning.

Ministers are urged to return the data forms as soon as possible after they receive them, even though there may be impending events. Such events may be reported when they occur.

The target date for publication is the later part of 1967.

GEORGE DOUGLAS SLAGLE Student Assistant Minister

George Douglas Slagle, who is a Candidate for the Gospel Ministry under the care of Asheville Presbytery, a graduate of King College, and who has finished two years of study at Columbia Theological Seminary, Decatur, Ga., is serving for fifteen months as student assistant minister at the Woodlawn Presbyterian Church, Birmingham Alabama. After this internship George plans to return to the seminary to complete his studies. He writes: "I am having an exciting time working mainly with the young people of the church and community."

CURRICULUM PREVIEW NEW TEACHING MATERIALS

The CLC preview held in the First Church, Asheville, Sunday, September 11, sponsored by Presbytery's Christian Education Committee and directed by Mrs. Paul Warren, was enjoyed by an attendance of 117 people even though only 12 of the 36 churches in the presbytery were represented.

ASHEVILLE PRESBYTERY
FALL MEETING, OCT. 10

Two ministers were received and one minister dismissed at the October meeting of Asheville Presbytery, and it was announced that the Commission on the Minister and His Work had acted to dissolve the pastoral relationship between Rev. Henry S. Schum and the Swannanoa congregation.

The meeting was featured by messages from Rev. Kenneth G. Neigh, D.D., general secretary of the Board of National Missions of the United Presbyterian Church, U. S. A., and Rev. Charles C. Cowser, D.D., stewardship secretary of the General Council of the Presbyterian Church, U. S.

The opening service was led by Rev. A. Allen Gardner, Jr., D.D., pastor of the First Presbyterian Church, Asheville, as a feature of the joint meeting of Holston Presbytery of the United Presbyterian Church, and Asheville Presbytery, and was followed by a Communion Service administered by Rev. Leroy V. Secrest, associate minister at the host church, and Rev. Robert E. Kribbs, of Erwin, Tenn., and moderator of Holston Presbytery.

Dr. Neigh spoke to the two bodies as a part of the celebration in Asheville of the seventy-fifth anniversary of the organization of the Calvary United Presbyterian church, until a few years ago, a Negro congregation, but now integrated.

Another joint feature was a program

at the luncheon hour, under the direction of Mr. Secrest. At that time Rev. Wm. S. Jones, pastor of the Calvary congregation outlined its history and future plans. Rev. R. E. McClure, D.D., historian for Asheville Presbytery, sketched the history of Presbyterianism in the area from 1794 to date, with special reference to educational ministries of both branches of the Presbyterian church. He specifically mentioned the three "congregations" each with 35 families, reported in 1797, and designated by "water courses" as "Rims Creek," "Mouth of Swannanoa" and "Head of French Broad."

Rev. John C. Neville, Jr., formerly a Candidate for the Ministry in Asheville Presbytery, was received and a commission appointed to install him as pastor of the First Presbyterian Church, Hendersonville, at 7:30 p.m., October 23rd. He is the son of Rev. J. C. Neville, now retired and formerly pastor of the Mills River, Etowah and Andrews churches in Asheville Presbytery. His father will preach the installation sermon.

Rev. Edwin P. Graham, formerly of Charlotte, and more recently pastor of the Mount Calvary Presbyterian Church, Roebuck, S. C., was received from Enoree Presbytery, and a commission named to install him at the Arden Presbyterian Church on October 23rd at 3 p.m.

Rev. Manford H. Saunders, of Montreat, serving as an evangelist was dismissed to Orange Presbytery in order for him to accept a call to the Westview Presbyterian Church, Burlington.

In other matters, the Presbytery authorized the Church Extension Committee to act with authority to transfer title to the property of the dissolved White Oak Presbyterian Church in Haywood County, the site on which the building burned several years ago. It is to be sold to the N. C. Highway Commission, being a part of several tracts of land in a right of way for a new highway.

Approval was given to borrowing \$17,700 from the Board of Church Extension to purchase property for the permanent site of the Trinity Presbyterian Church, Hendersonville.

Certificates of ordination were presented to ministers ordained since the July meeting of Presbytery. These were: Rev. Robert P. Crumpley, Murphy; Rev. Earl M. Vaughn, Bryson City; and Rev. George F. Ganey, Etowah.

A committee appointed in July "to make a study of a pamphlet outlining the basic plan of union adopted in Dallas in May, for the eight participating denominations in the "Consultation on Church Union" (COCU)" asked instructions to govern their deliberations.

Rev. S. L. Bennett, chairman, requested this in behalf of the committee, in explanation of what was the basis of the "Reformed Faith and Order" in

their deliberations, "to determine to what extent it (the plan as printed) conforms to or differs from the principles of the 'Reformed Faith and Order'". Presbytery set the Book of Church Order and accompanying standards of the Presbyterian Church, U. S., as the basis for comparison.

The committee originally asked for an adjourned meeting of the Presbytery to consider this, but withdrew this request, and was given freedom as to the nature of the report they will make.

Dr. I. M. Ellis, was introduced to the Presbytery. Dr. Ellis, a member of Knoxville, Presbytery, was granted the status of honorable retirement effective October 31st, after serving the Synod of Appalachia as Director of Christian Education for nearly sixteen years.

Rev. W. L. Hodgkin, pastor at Mills River, who served as organist for the joint sessions, was named moderator-nominee, to succeed Rev. Henry S. Schum. Mr. Schum was unable to attend the meeting in October on account of illness, and Rev. J. L. Jackson, past moderator of the body served for the one day meeting.

The Annual Meeting will be held in the Franklin Church, Franklin, N. C., Tuesday, January 17, 1967. The Rev. W. Ted Smith, Jr., is pastor of the church.

STEWARDSHIP SEASON
DEDICATION DAY

The General Assembly designated Sunday, October 16 through Sunday, November 20 as Stewardship Season. Sunday, November 13 is Dedication Day and Every Member Canvass Week is November 13-20.

During this season the 4,008 churches in the Assembly, including the 36 churches in our Presbytery, will be preparing the 1967 Budget, and promoting the 1967 Stewardship Program.

The General Assembly has said: "That each church recognize its responsibility to see that it secure the full amount of its apportioned share of the support of each agency represented in the General Assembly Budget as well as each agency represented in the Synod and Presbytery budgets before putting over and above gifts to any cause or causes in its benevolence budget." (Simply put, this policy says that the local church should give first consideration to the needs of the General Assembly, Synod, and Presbytery when the benevolence budget of the church is made).

There is no such thing as luck, neither good nor bad; but add the letter 'P' to the front of the word and it will mean something.

DECEMBER 15, 1966
A MUST DATE!

Asheville Presbytery on July 12, 1966 unanimously adopted the following recommendation:

"That the session of the local church be instructed to notify by December 15, 1966, the Chairman of Presbytery's Council, Thomas Lamb, or the Central Treasurer, W. G. Thomas, of the percentage basis for benevolence contributions during 1967 or the definite amount the church expects to give during the new year." (This is necessary in order for the Council to present to the January meeting of Presbytery a Distribution Budget for Benevolences in 1967.)

Remember the Motto!

"The Whole Work Of The Whole Church Promoted In Or Supported By Asheville Presbytery."

CENTRAL TREASURER'S
REPORT TO CHURCHES

At the end of the Church Year the Central Treasurer will submit to each local Church treasurer a detailed statement setting forth:

Total received and credited to that church, and source, Church Treasurer, Women, Church School, or Individuals.

Detailed statements of how the money was distributed to the various agencies of the General Assembly, Synod and Presbytery, whether "Budgeted" or "Non-budgeted".

This report will conform to the same pattern required of the Session to the Stated Clerk.

Funds remitted directly (not through Central Treasurer) should be added and the total transferred to the Session's Statistical Report to Presbytery.

DECEMBER 28TH AT NOON
THE BOOKS WILL CLOSE

The General Assembly has instructed all treasurers of Assembly's agencies to close their books on December 31st.

In order for the Central Treasurer of Asheville Presbytery to forward funds to meet this dead-line checks must be mailed on December 29th.

To process funds for distribution they must reach the Central Treasurer by Noon, Wednesday, December 28th.

Without exception, all contributions for Assembly agencies, either designated or assigned as a part of undesignated benevolences, received after this date will be disbursed and credited on 1967.

Statements furnished churches at the end of the year will not include receipts after December 28th, at noon.

The best thing about Christian joy is that we cannot keep it to ourselves.

—May, 1916.

WOMEN OF THE CHURCH
A GOOD REPORT

The Women of the Church of Asheville Presbytery held five District meetings during October. The total attendance was approximately 300, and \$278.26 was received in offerings. A large proportion of this amount was designated for the Educational Fund for college students from the Presbyterian Home, and part will go to the Cullohee Presbyterian Church for a District project. The expenses of the District Chairman attending Synodical Training School will also be covered by this offering.

The president, Mrs. S. S. Cooley, Black Mountain, was grateful to the Presbyterian Program Chairman whose attendance contributed to the success of the District Workshops.

CALLING ALL CHURCH
EXTENSION WORKERS
COMMITTEE MEMBERS

The annual meeting for all church extension pastors, members of the Church Extension Committee and representatives from the aid-receiving churches in Asheville Presbytery will be held at the First Church, Asheville, Friday, December 9, 11:00 O'clock.

This meeting is held for the purpose of hearing an oral report from each pastor and a representative from each church aid-receiving field concerning work accomplished during the year and the plans for the coming year, 1967. Written requests are presented for aid during 1967 and the requests are reviewed by the Church Extension Committee, the Rev. Leroy V. Secrest, Chairman. Following the presentation of each report a season of prayer is conducted for the pastor and his field of service.

The written request is made on forms provided by the Board of Church Extension, Atlanta, and following the review additional information is added to the requirements of the Synod's Committee of Church Extension as well as that of the Assembly.

There are twelve churches receiving aid on their ministers' salaries: Andrews, Bethel in Haywood County, Bethel in Cherokee County, Britains Cove, Cullohee, Dillingham, Etowah, Friendship, Hayesville, Ivy Park, Lakey Gap, and Trinity. Each church is requested, if possible, to increase each year the amount to be paid to the pastor in order that Presbytery's Committee can develop new work in other places. The need for new work in several areas covered by Asheville Presbytery is very challenging. New work cannot be developed without additional funds.

A lunch will be served in the fellowship hall of the First Church at 1:00 o'clock.

THE BETHEL CHURCH AN INTERIM SUPPLY SPECIAL SERVICES

The Rev. S. Browne Hoyt, since the first of November is serving as Interim Supply Minister at the Bethel Church, Haywood County. Mr. Hoyt served as Supply Pastor of this church during the spring of this year and the members and friends of the church were delighted to extend a cordial welcome for another term. Mrs. Hoyt renders valuable service by serving as pianist when necessary. The Hoyts have won a warm place in the hearts of the people and the church will move forward under their ministry.

The Rev. Henry S. Schum, a former pastor of the Swannanoa Church and now serving as a member of the Presbyterian Evangelistic Fellowship, will begin a series of evangelistic services in the Bethel Church Sunday, November 20, 11:00 A.M. and continue through Sunday, November 27.

The public is cordially invited to attend the services and every Christian is encouraged to pray daily for God to send a revival with far-reaching results.

THE TRINITY CHURCH FUTURE SITE

The Church Extension Committee has purchased 8.2 acres of land, located on Blythe Road, Hendersonville, N. C. as a site for a church building to be erected by the congregation of the Trinity church.

Approval for the purchase was given by Asheville Presbytery during a meeting held October 10. The Church Extension Committee has secured from the Board of Church Extension, Atlanta, Ga., a loan of \$17,700. in order to make the purchase. The land was originally owned by Mr. Thomas G. Hunter, Hendersonville, N. C.

When financially able the congregation of the Trinity church can acquire the land from the Church Extension Committee for the erection of a church building. Definite plans have not been formulated, but the need for such is urgent.

The Rev. Hugh L. Eichelberger is the pastor of the church. Mr. Eichelberger has just returned from Richmond, Va., having been granted the privilege of being a Tower Room Scholar at Union Theological Seminary.

STATED CLERKS' ASSOCIATION MEETING NOV 29 & 30

The 1966 Stated Clerks' Association meeting, sponsored by the Office of The General Assembly, will be held at the North Avenue Presbyterian Church, Atlanta, Ga., Wednesday and Thursday, November 29-30. The Stated Clerk of Asheville Presbytery will attend.

INTERIM SUPPLY MINISTER STATESBORO, GEORGIA

Rev. R. E. McClure, D.D., who retired January 1st, after serving as Executive Secretary of Asheville Presbytery, is supplying the First Presbyterian Church, Statesboro, Ga., as interim minister.

Dr. and Mrs. McClure moved to Statesboro the first of November to remain until the church secures a pastor, or not later than the end of January. The congregation there is worshipping on the campus of Georgia Southern College, a state institution with over 3,000 students, while their new building is under construction.

Dr. McClure has been teaching the Circle Leaders' Bible class at the First Presbyterian Church in Asheville. He will return to Asheville on a schedule that will enable him to meet this class on the last Wednesday in November.

Rev. John C. Livingston, who resigned the Statesboro pastorate effective last September is now serving a church in Greenville, S. C.

ETOWAH ON THE MOVE NEW MEMBERS MANY ACTIVITIES

The Lord has blessed the efforts of the Etowah Presbyterian Church during the past summer in numerous ways.

We now have a Pioneer Fellowship Group of eager young people who together with the Senior Fellowship plan a Missions Project which involves presenting to our congregation the needs and opportunities of the mission work of our church.

We also have organized our Men of the Church who are planning to construct a much needed vestibule for the church. This group not only enjoys their Christian fellowship and work within the church but are also pleased with the opportunity of getting to know more of the men of the community. The church is also planning to do some grading and enlarging of the parking lot.

Through special gifts and anonymous donations we were able to purchase a new piano for our sanctuary. This adds

much to our congregational participation as well as our newly organized junior choir. This choir is planning to have an active part in the Christmas music.

Our visitation programs will include all of the age groups within the church of which two of these have already begun work. We have had an increase in membership of fourteen since June 1, seven professions of faith and seven on reaffirmation and transfer of letter. Here we like to look at percentages. This gives us a net gain of 25 per cent. We'll let you figure out our total membership.

We have held one communicant's class during the summer and have now begun a regular Wednesday Prayer Service which we feel is very vital to the growth of our church.

The Lord graciously blessed our Summer Evangelistic Services which were conducted by the Reverend John L. Fain. During this week of services we saw twenty-two decisions, first time and rededications, for the Lord.

We thank the Lord for his work in this church and pray that He will continue to bless our efforts.

(George Francis Ganey, Pastor)

HENDERSONVILLE FIRST

All of the children were guests of the First Church in Hendersonville on Sunday, November 6. The Hendersonville Church has been doing this for a number of years and our children always look forward to this visit. We attend the Sunday School and church services and then go into the homes for a wonderful and happy day. We would like to take this chance to thank all of our friends in Hendersonville for this most happy occasion.

THE JOINT WITNESS SEASON — 1967

JANUARY — FEBRUARY — MARCH

What Is the Season of Christian Witness?

David Taylor of the Board of World Missions gave this answer at Montreat:

1. It is the bringing together of four heretofore separate emphases in the church's calendar (Evangelism in August, Church Extension in October, World Missions in February, and Evangelism again in March) into one joint and common season of three months duration, from January through March.
2. It is a new thing in the life of our church: not the mere bringing alongside one another of four heretofore separated promotional seasons, but the calling of the church to mission, whether at home or abroad, in a single integrated season of emphasis in the church's program.
3. 1966 was the first year, and it is projected in the church for a trial period of three years. It was unanimously recommended by both the Board of World Missions and the Board of Church Extension; and thereafter, with the General Assembly in 1965.

The three month emphasis can be observed as follows:

January—a study of "Christian Witness Amid Affluence and Poverty" by a congregation or several congregations.

February—focus on particular activities of the Presbyterian Church, U. S. as our denomination seeks to bear effective Christian witness amid affluence and poverty.

March—get involved in a mission undertaking in the local community.

What Is Available?

Studybooks—every church should have the Witness Season packet which lists all available materials. Especially is Dr. E. T. Thompson's booklet entitled "Plenty and Want: the Responsibility of the Church" recommended for study.

Films—

January—The Detached Americans, a powerful documentary, originally produced for CBS television, which raises the question "Why don't we want to get involved?"

February—Inner City, which helps the churches investigate how Christians and churches can move out into their community in service and witness.

March—Calling in Brazil, in color, presents the church's calling in Brazil — and anywhere else — to minister to people in fast-growing cities, in poverty-stricken rural areas.

These thirty-minute 16mm films are available from:

Trav, 341 Ponce de Leon Ave., N.E., Atlanta, Ga. 30308 or Presbyterian Book Store, Box 1176, Richmond, Va. 23209.
